PERTH : FRIDAY, JUNE 21.

[1935.

AT a meeting of the Executive Council held in the Executive Council Chamber, at Perth, on the 19th day of June, 1935, the following Orders in Council were authorised to be issued:—

ORDER IN COUNCIL.

Inspection of Machinery Act, 1921.

3058/35.

WHEREAS it is enacted by Section 82 of "The Inspection of Machinery Act, 1921," that the Governor may, from time to time by Order in Council, make regulations for any of the purposes mentioned in the said section: And whereas by Order in Council published in the *Government Gazette* on the 1st day of July, 1922, the Governor made regulations under and for the purposes of the said Act severally intitled under separate headings and certain of the said regulations were included therein under the heading "Regulations relating to Passenger and Goods Lifts," and therein numbered 1 to 54: And whereas by Order in Council or notice published in the *Government Gazette* on the 31st day of July, 1925, the Governor repealed the said regulations included under the heading "Regulations relating to Passenger and Goods Lifts" aforesaid, and in lieu thereof made new regulations under the heading "Regulations relating to Lifts and Hoists," which included certain definitions at the beginning thereof and thereafter were numbered 1 to 57 under the said heading: And whereas it is now deemed expedient to amend the said regulations under the heading "Regulations relating to Lifts and Hoists" as published in the *Government Gazette* on the 31st day of July, 1925, as aforesaid: Now, therefore, His Excellency the Lieutenant-Governor, acting with the advice and consent of the Executive Council, and in exercise of the powers conferred by the said Act and of all other powers thereto enabling him, doth hereby amend, in the manner set forth in the Schedule

hereto, the regulations made under the said Act, and included under the heading "Regulations relating to Lifts and Hoists" as published in the *Government Gazette* on the 31st day of July, 1925.

Schedule.

The Regulations made under "The Inspection of Machinery Act, 1921," under the heading "Regulations relating to Lifts and Hoists" as published in the *Government Gazette* on the 31st day of July, 1925, are amended as follows:—

1. New definitions are inserted under the sub-heading "Definitions" after the definition of "Lift" therein, as follows:—

"Goods Lift" means a lift used for carrying goods or materials, and in which only the attendant and the persons required to load and unload the lift travel.

"Passenger Lift" means a lift which is intended for the carriage of passengers and in which it is permissible under these regulations to carry passengers.

"Service Lift" means a lift, the car of which has a floor area not exceeding 9 square feet, and a height not exceeding 4 feet, and which is designed to carry goods or materials only and is controlled from without the lift well.

"Escalator" means a moving stairway which is used for raising or lowering passengers, and includes the machinery supports and enclosures required therewith.

2. Regulation 4 is repealed and a new regulation is inserted in lieu thereof, as follows:—

4. (1) Before granting a permit to erect a lift, the Chief Inspector may require any alterations in design to be made, which in his opinion are necessary for the safe working and use of the lift, and, notwithstanding anything to the contrary contained elsewhere in these regulations, the Chief Inspector

may refuse to grant a permit in any case where the design and construction of the lift for the erection whereof the permit is required, does not comply with the provisions of the Lift Code issued by the Standards Association of Australia and for the time being in force.

(2) Where the Chief Inspector is satisfied that all necessary provisions for safety have been provided and that a permit to erect a lift may properly be granted, he shall grant the permit to erect the lift in the following form:—

INSPECTION OF MACHINERY ACT, 1921.

Regulations.

Permit to erect a Lift.

I hereby authorise the erection (or re-erection of aLift at.....in accordance with the plans and specifications lodged at my Office by..... on the.....day of.....193 .

Dated this.....day of.....193 .

Chief Inspector of Machinery.

3. Regulation 15 is amended by adding thereto a proviso as follows:—

Provided that—

- (i) the Chief Inspector may by writing under his hand authorise the working of any lift at a speed in excess of the speed hereinbefore prescribed in relation to such lift, but not exceeding a maximum speed to be specified in such authority in any case where the Chief Inspector is satisfied that the safety provisions, including ample top and bottom over-run are adequate for the working of the lift at the speed so authorised by him as aforesaid; and
- (ii) where the Chief Inspector has specified a maximum speed in any authority given by him under paragraph (i) of this proviso, the lift in respect of which such authority has been given shall not in any event be worked at a speed greater than such maximum speed; and
- (iii) the Chief Inspector may at any time cancel and revoke any authority given by him hereunder by a notice in writing under his hand given to the owner of the lift.

4. Regulation 23 is amended by inserting therein, after paragraph (g), a new paragraph, to stand as paragraph (h), as follows:—

(h) Failure of any enclosure door, lock or electrical interlock to act correctly.

5. Regulation 32 is amended as follows:—

(a) by deleting the figures "12" in line 4 of the first paragraph and inserting in lieu thereof the figure "9";

(b) by adding to the said regulation a further paragraph as follows:—

Each enclosure door of all new or re-erected automatic lifts, and (as far as it is practicable in the opinion of the Inspector) each enclosure door of all existing automatic lifts shall be fitted with two mechanical and two electrical interlocks so operated that the enclosure doors can only be unlocked when the lift car is stationary and within nine inches of the landing, or, in the case of lifts fitted with self-levelling devices, within the levelling zone and under the control of the levelling devices of that landing.

Provided that the owner of any existing automatic lift shall be given not less than three months' notice in writing under the hand of the Chief Inspector to comply with the requirements of this paragraph when the Chief Inspector is satisfied that such requirements can be complied with in relation to such lift.

6. Regulation 57 is amended as follows:—

(a) by inserting after the words "For every Passenger Lift," in line three, the words "or escalator";

(b) by inserting in a new line after the words "for every hoist—0.10-0," in line five, words and figures as follows:—

"For every service lift—0.5-0."

Clerk of the Executive Council.

ORDER IN COUNCIL.

Inspection of Machinery Act, 1921.

S16/34.

WHEREAS it is enacted by Section 82 of "The Inspection of Machinery Act, 1921," that the Governor may, from time to time by Order in Council, make regulations for any of the purposes mentioned in the said section: And whereas by Order in Council published in the *Government Gazette* on the 1st day of July, 1922, the Governor made regulations under and for the purposes of the said Act severally intitled under separate headings and certain of the said regulations were included therein under the heading "Regulations relating to the conduct of Examinations, Qualifications of Applicants, and the granting of Certificates to Engine Drivers, Crane and Hoist Drivers and Boiler Attendants," and therein numbered 1 to 56: And whereas Regulations 17, 19 and 21 of the said regulations included under the said heading as aforesaid were subsequently amended in the manner set forth and described in a notice published in the *Government Gazette* on the 20th day of July, 1934, and Regulations 23, 30 and 36 of the said regulations were subsequently amended in the manner set forth and described in a notice published in the *Government Gazette* on the 16th day of November, 1923: And whereas it is now deemed expedient to amend or further amend (as the case may be) Regulations 17, 19, 21, 23, 30, 32, 34 and 36 of the regulations included under the said heading as aforesaid: Now, therefore, His Excellency the Lieutenant-Governor, acting with the advice and consent of the Executive Council and in exercise of the powers conferred by the said Act and of all other powers thereto enabling him, doth hereby amend in the manner set forth in the Schedule hereto the regulations next hereinbefore enumerated of the regulations made under the said Act and published in the *Government Gazette* on the 1st day of July, 1922, and included under the heading "Regulations relating to the conduct of Examinations, Qualifications of Applicants and the granting of Certificates to Engine Drivers, Crane and Hoist Drivers and Boiler Attendants" as aforesaid.

Schedule.

The regulations numbered 17, 19, 21, 23, 30, 32, 34 and 36 included under the heading "Regulations relating to the conduct of Examinations, Qualifications of Applicants, and the granting of Certificates to Engine Drivers, Crane and Hoist Drivers, and Boiler Attendants," made under "The Inspection of Machinery Act, 1921," and published in the *Government Gazette* on the 1st day of July, 1922, and in some cases subsequently amended as aforesaid, are amended or further amended (as the case may be) as follows:—

1. Regulation 17 (as amended) is further amended by deleting paragraph (c) and inserting in lieu thereof a new paragraph (c) as follows:—

(c) That he has been the holder of—

(i) an unrestricted First-class Engine Driver's Certificate granted under "The Inspection of Machinery Act, 1921," or a Certificate which, in the opinion of the Board, is equivalent thereto; or

(ii) an unrestricted Second-class Engine Driver's Certificate granted under the said Act, which the Board is willing to regard as sufficient,

for a period in either case of not less than nine months, and that he has during six months of that period been actually assisting to drive a winding engine under the supervision of a certificated winding engine-driver or of the holder of a certificate equivalent thereto, issued in this State for at least twelve hours in each and every week of such period of six months aforesaid.

2. Regulation 19 is amended by deleting paragraph (c) and inserting in lieu thereof a new paragraph (c) as follows:—

(c) That he has been the holder of an unrestricted Second-class Engine Driver's Certificate granted under "The Inspection of Machinery Act, 1921," or a Certificate which, in the opinion of the Board, is equivalent thereto, for a period of not less than nine months, and that he has during six months of that period been actually assisting to drive a stationary steam engine the area of the cylinder or cylinders of which exceeds 500 square inches, under the supervision of a duly certificated engine-driver for at least twelve hours in each and every week of such period of six months aforesaid.

3. Regulation 21 (as amended) is further amended by deleting the first paragraph of paragraph (c) and inserting in lieu thereof a new paragraph as follows:—

That he has been the holder of an unrestricted Third-class Engine Driver's Certificate granted under "The Inspection of Machinery Act, 1921," or a certificate which, in the opinion of the Board, is equivalent thereto, for a period of not less than nine months, and that he has during six months of that period been actually assisting to drive a stationary steam engine, the area of the cylinder or cylinders of which exceeds 114 square inches, under the supervision of a duly certificated engine-driver for at least twelve hours in each and every week of such period of six months aforesaid.

4. Regulation 23 (as amended) is further amended by deleting paragraph (c) and inserting in lieu thereof new paragraphs to stand as paragraph (c) and paragraph (c1) as follows:—

That he has been the holder of an unrestricted Boiler Attendant's Certificate granted under "The Inspection of Machinery Act, 1921," or a certificate which, in the opinion of the Board, is equivalent thereto, for a period of not less than six months and that during that period he has actually been assisting to drive a steam engine with a boiler and accessories connected therewith for at least twelve hours in each and every week of such period under the supervision of a duly certificated engine-driver.

Provided that the Board may accept evidence that the candidate has had the practical experience aforesaid during a period of three months, instead of six months as aforesaid, if the candidate produces a certificate from a Technical School or a School of Mines stating that he has had and satisfactorily passed through a course of instruction in such school in and relating to the management and construction of steam engines and boilers.

(c1) As an alternative to paragraph (c) above, but subject to the approval of the Board, that he has had for a period of not less than nine months, and for at least twelve hours in each and every week of such period of nine months practical experience in the firing and care of various classes of boilers and their accessories and in the driving and working of a steam engine by actually assisting therein during the period and times aforesaid under the supervision of a duly certificated engine-driver.

Provided that the Board may accept evidence of such experience during a period of six months, instead of nine months as aforesaid, if the candidate produces a certificate from a Technical School or a School of Mines stating that he has had and satisfactorily passed through a course of instruction in such school in and relating to the management and construction of steam engines and boilers.

5. Regulation 30 (as amended) is further amended by deleting paragraph (c) and inserting in lieu thereof a new paragraph (c) as follows:—

(c) That—

(i) for a period of not less than twelve months and for at least twelve hours in each and every week of such period he has been firing and assisting to drive a steam traction engine under the supervision of a duly certificated engine-driver; or

(ii) he is the holder of a boiler attendant's certificate granted under "The Inspection of Machinery Act, 1921," and for a period of not less than six months, and for at least twelve hours in each and every week of such period, he has been actually assisting to drive a steam traction engine under the supervision of a duly certificated engine-driver.

Provided that the holder of a Winding, or First-class, or Second-class, or Locomotive Engine Driver's Certificate may, with the approval of the Board, be deemed eligible to sit for examination.

6. Regulation 32 is amended by deleting paragraph (c) and inserting in lieu thereof a new paragraph (c) as follows:—

(c) That for a period of not less than six months and during that period for at least twelve hours in each and every week of such period he has been assisting to drive a crane or hoist under the supervision of a duly certificated crane and hoist driver or the holder of a certificate equivalent thereto.

7. Regulation 34 is amended by deleting paragraph (c) and inserting in lieu thereof a new paragraph (c) as follows:—

(c) That for a period of not less than twelve months, and during that period for at least twelve hours in each and every week of such period he has been actually assisting to drive an internal combustion engine having an area of cylinder or combined area of cylinders exceeding 100 square inches and accessories connected therewith, under the supervision of a duly certificated engine-driver.

8. Regulation 36 (as amended) is further amended by deleting paragraph (c) and inserting in lieu thereof a new paragraph (c) as follows:—

(c) That for a period of not less than six months, and during that period for at least twelve hours in each and every week of such period he has had practical experience in or in connection with various classes of boilers as a boiler attendant under the supervision of a duly certificated engine-driver or boiler attendant, or during the period and times aforesaid has had such other practical experience, whether within or outside the State, as the Board may deem to be sufficient.

TENDERS FOR LEASING RESERVE No. 21402.

Northam Land Agency.

Grazing Purposes.

(Section 32 of "The Land Act, 1933.")

Department of Lands and Surveys,
Corr. 634/35. Perth, 19th June, 1935.

TENDERS for the leasing of the land comprised within Excepted from Sale Reserve 21402 (situated near Brown Well), containing about 1,500 acres, are invited.

The above Reserve will be available for leasing under Section 32 of "The Land Act, 1933," for a term of one year renewable at the will of the Hon. the Minister for Lands, and terminable at three months' notice, rent being apportioned accordingly and no compensation will be paid for improvements effected at the expiration of the lease or the sooner determination thereof.

Tenders for the above, accompanied by one year's rent (the minimum amount being fixed at the rate of One pound per thousand acres per annum), indorsed "Tender for leasing, Reserve 21402 shown on Public Plan 56/80, D and E2," and addressed "Under Secretary for Lands," must be lodged at the Land Office, Northam, on or before Wednesday 10th July, 1935.

All Tenders lodged on or before that date will be treated as having been received on that date.

The highest or any tender will not necessarily be accepted. (Plan 56/80, D & E2.)

A. R. T. BROWN,
Acting Under Secretary for Lands.

LAND OPEN FOR SELECTION.

Department of Lands and Surveys.

Perth, 6th March, 1934.

IT is hereby notified, for general information, that the areas scheduled hereunder are available for selection under Part V. of "The Land Act, 1933," and the Regulations appertaining thereto, subject to the provisions of the said Act.

Applications must be lodged at the Local Land Office for the district in which the land is situated, not later than the date specified, but may be lodged before such date if so desired.

All applications lodged on or before such date will be treated as having been received on the closing day, and if there are more applicants than one for any block, the application to be granted will be determined by the Land Board. Should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, the applicants for the blocks will be duly notified of the date, time and place of the meeting of the Board, and there shall be an interval of at least three days between the closing date and the sitting of the Board.

If an applicant wishes to appear before the Land Board in person he may apply to the Head Office or to the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket, at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

The selector of a Homestead Farm from any location must take the balance thereof, if any, under Conditional Purchase.

All marketable timber, including sandalwood and mallet, is reserved to the Crown, subject to the provisions of Clause 18 of the Regulations.

FORESTS ACT, 1918.

Regulations.

Forests Department,
Perth, 19th June, 1935.

159/29.

HIS Excellency the Lieutenant-Governor in Executive Council has been pleased, under the provisions of the "Forests Act, 1918," and on the recommendation of the Conservator of Forests, to approve of the following Regulations under "The Forests Act, 1918."

S. L. KESSELL,
Conservator of Forests.

FOREST REGULATIONS.

Preliminary.

1. These Regulations may be cited as the Forest Regulations, 1935.
2. The Forest Regulations, 1925, published in the *Government Gazette* on the 19th day of June, 1925, and all amendments thereof and additions thereto, are hereby repealed.

Registration of Timber Workers.

3. (1) No persons (except mill-hands, navvies, and general labourers) shall engage or be employed in the timber industry, or in the cutting or removal of forest produce, in any State forest or timber reserve, or on Crown land as defined by Section 4 of the Act, including the area of any saw-milling or other permit, unless the name and address of the person so employed is registered in the Department: Provided that the Conservator may exempt from the provisions of this regulation any persons employed by the holder of a license issued under these Regulations.

(2) No person shall employ any other person (except mill-hands, navvies, and general labourers) in the timber industry, or in the cutting or removal of forest produce in any State forest, or timber reserve, or on Crown land as defined by Section 4 of the Act, including the area of any saw-milling or other permit, unless the name and address of the person so employed is registered in the Department: Provided that the Conservator may exempt from the provisions of this regulation the holder of a license issued under these Regulations.

4. Such registration shall only have effect for the year of registration ending on the 31st day of December and shall be annually renewed. A fee of 2s. 6d. shall be payable for every registration and for the annual renewal thereof.

5. Application for registration shall be made to the District Forester in whose district the timber worker is employed.

6. An application for registration shall be in writing, and shall be accompanied by such particulars as the Conservator may from time to time require.

7. A certificate of registration shall be issued to every timber worker whose name and address is registered.

8. In these Regulations the term "timber worker" means the holder of a certificate of registration as aforesaid.

9. Every timber worker shall produce his certificate of registration to any officer of the Department, on demand.

10. Every timber worker shall, before engaging in or taking up employment in the timber industry on any area other than the area specified in his certificate of registration, apply to the Forester in charge of the district in which the new area is situated for an indorsement on such certificate of a description of the new area, and the name of the permit holder, or contractor (if any), and the District Forester shall certify the same by his signature to the indorsement on the certificate of registration.

11. All applications for the renewal of registration must be accompanied by a previous certificate or a certified copy.

12. A certified copy of a certificate of registration may be obtained on application to the Conservator on payment of the fee of 2s. 6d.

13. No timber worker, unless his certificate of registration is limited and restricted to the carting and removal of forest produce, shall be engaged or employed in the timber industry otherwise than on the area specified in or indorsed on his certificate of registration.

14. A certificate of registration must be held by every person engaged or employed in carting or removing forest produce, and it shall not be lawful for any person to be so engaged or employed, unless the name and address of such person so engaged or employed is registered in the Department: Provided that the Conservator may exempt from the provisions of this regulation the holder of a license or any person employed by the holder of a license issued under these Regulations.

15. Any registration may be cancelled by the Conservator for breach by the timber worker of the provisions of the Act or of any of these Regulations.

Brands.

16. Every faller and hewer shall provide himself with a distinctive branding hammer, to be obtained from the Conservator or officer authorised by him, for which a sum of 9s. and a registration fee of 1s. shall be payable.

17. No branding hammer shall be used by a timber worker unless it is registered in the Department. Registration shall have effect until the 31st day of December next following, and no longer, but may be annually renewed on payment of the fee of 1s.: Provided that such registration may be cancelled at any time by the Conservator, or officer authorised by him for breach by the timber worker of any of these Regulations. Any timber worker who, after being advised of the cancellation of the registration of his brand, continues to use such brand, shall be guilty of a forest offence.

18. Every faller and hewer shall, immediately after every tree is felled by him, distinctly brand the stump with his registered brand on the surface caused by the felling, and shall, before timber is removed from the stump, distinctly brand with his registered brand one end of each section into which such log shall have been sawn, hewn, or split.

19. No brand shall be used by a permit holder or timber worker for the branding of timber unless it is registered in the office of the Conservator, and only brands so registered shall be recorded in the log and mill landing books prescribed by these Regulations.

20. Any person owning private forest shall register in the Conservator's office and retain the use of a brand whereby timber cut in or proceeding from his holdings may be distinguished from any other timber. Before timber obtained from private forest is removed from the holding on which it has been felled, it shall be distinctly branded with the registered brand of the owner of such private forest on one end of each section into which such timber shall have been sawn, hewn, or split.

21. An application for registration of a brand for the purpose of branding timber obtained from private forest shall be made in writing by the owner of such forest, and shall contain such particulars as the Conservator may require. A fee of two shillings and sixpence is payable for such registration and, if desired, a branding hammer may be purchased from the Conservator at a cost of 9s.

22. No person shall make improper use of any brand registered in the Department under these Regulations.

Without limiting the general application of these Regulations, any person shall be deemed to have made improper use of a registered brand who places or causes or suffers to be placed—

- (i) the registered brand of a faller or hewer on any timber which has been felled or cut by any person other than the registered holder of such brand;
- (ii) the registered brand of the owner of any private forest on timber which has been cut, obtained, or removed on or from private forest owned by any other person;
- (iii) the registered brand of the owner of any private forest on timber which has been cut, obtained, or removed on or from Crown lands.

23. No person shall counterfeit, alter, obliterate, or deface any registered brand used in pursuance of these Regulations.

24. In these Regulations "Registered Brand" means and includes any mark, sign, or impression made by means of a branding hammer or otherwise, and registered in the Department in pursuance of these Regulations.

25. No person shall place, or cause or suffer to be placed, on any timber or other forest produce any mark, sign, or brand in such a manner as may be calculated to deceive, or for the purpose of deceiving, any Forest Officer either—

- (i) as to the person by whom such timber was felled or cut; or
- (ii) as to the area of land on or from which such timber was cut, obtained or removed.

26. The brands set out hereunder are used by authorised Forest Officers, and the use of such by any other person for the marking or branding of forest produce is prohibited:—

(a) To signify that timber inspected is in accordance with the required specifications:

The first two figures on the jarrah and karri brands signify the year of inspection. The figures following a letter signify the number of the Forest Officer to whom such brand is issued.

(b) To signify that the timber inspected is not in accordance with the required specifications:—

(c) To signify the month during which timber was inspected:—

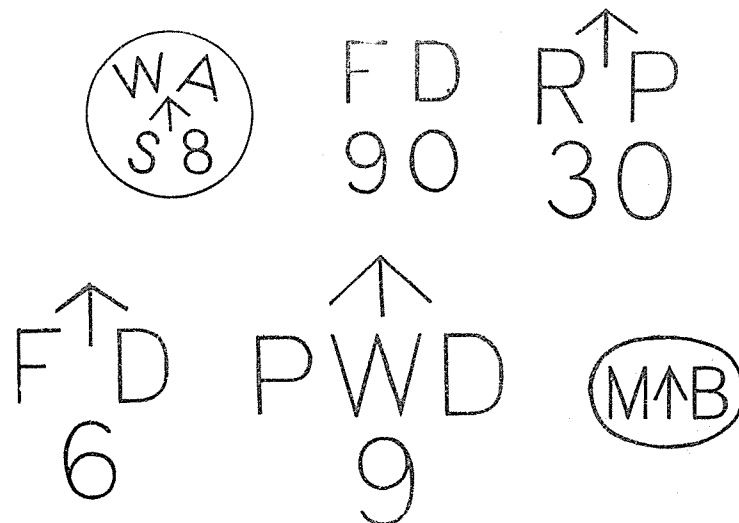

The figures indicate the month of inspection.

(d) To signify that the timber or other forest produce has been seized by a forest officer:—

(e) For other purposes:—

The figures signify the number of the brand on issue to the forest officer or district.

27. It shall be unlawful for any person, without authority, to make or use or have in his possession any instrument or brand used by Forest Officers for marking or branding forest produce.

28. No person shall, without authority, make, use, or have in his possession any instrument for branding forest produce which bears an outer circle or outline similar to those on brands used by Forest Officers for branding timber, or which might be used for counterfeiting such brands, or which so closely resembles such brands as to be calculated to deceive.

29. No person shall counterfeit, deface, or obliterate any brand or mark placed on forest produce by Forest Officers.

30. No unauthorised person shall make use of or have in his possession any Government timber brand, or any brand which might be used to counterfeit a Government timber brand.

Permits—General.

31. In these Regulations the term "permit" means and includes a permit issued under the Act and any sawmilling permit issued pursuant to "The Land Act Amendment Act, 1904," and the Regulations thereunder. These Regulations shall apply to all such permits.

32. Applications for permits shall be made to the Conservator in writing, in the form provided for the purpose, and shall be accompanied by a deposit of 10s.

33. A permit may be in the Form No. 1 in the First Schedule, with such modifications thereto and subject to such further conditions as the Conservator may think fit, and shall be granted subject to the payment by the holder of royalties for all forest produce taken thereunder.

34. Every permit shall, except as hereinafter provided, be submitted to public auction or tender, and the royalties to be paid shall be thereby fixed.

35. Provided that a permit may be issued without being submitted to public auction or tender, where the aggregate royalty payable in respect thereof does not exceed £10.

36. If a permit be submitted to public auction or tender, a reserve price per unit of measurement of timber or other forest produce may be fixed. If a permit be submitted to tender, the highest or any tender need not necessarily be accepted.

37. The successful bidder or tenderer shall pay such demarcation fee as may be fixed by the Conservator, but not to exceed the survey fee of £6 5s. per mile: Provided that the Conservator may at any time require a survey of the boundaries of the area to be made by a licensed surveyor, and the permit holder shall pay the survey fee at the rate aforesaid. The minimum fee for any such survey shall be £5.

38. The holder of every permit that has not been submitted to public auction or tender and the royalties thereby fixed, shall pay for all timber felled or removed on and from the area to which the permit relates, the royalties prescribed by the Second Schedule to these Regulations.

Provided, however, that this Regulation shall not apply to permits where the aggregate royalty payable in respect thereof does not exceed the sum of £10.

39. The holder of every permit other than a sawmilling permit or hewing permit shall, on the first day of each calendar month, forward to the local Forest Officer a return, verified by statutory declaration, showing the quantity of forest produce obtained or removed during the preceding month.

40. The Conservator may direct that any timber cut under permit or license shall be held at the stump until such timber has been tallied for royalty purposes by an officer of the Department.

41. Accounts for royalties and inspection fees due shall be delivered or forwarded by post or otherwise by an officer of the Department to the permit holder as soon as practicable after the expiration of every month, and the permit holder shall pay the amount stated in such account within 21 days after the date thereof, and no alleged inaccuracy in the account shall be an excuse for delay in such payment beyond the prescribed time; but any proved inaccuracy shall be taken into consideration in any subsequent account, or a refund may be made of any overcharge proved to the satisfaction of the Conservator.

42. Should any royalties or fees payable under a permit be not paid within the time prescribed under Regulation 41, the Conservator or any officer acting on his behalf may enter the permit area and prohibit the felling, sawing, and removing of timber, or the taking of other forest produce to which the permit may relate,

and may seize all timber felled or forest produce obtained, the property of the permit holder, that may be found upon the land comprised in the permit, sawmill site, or timber depot.

43. A permit holder or licensee shall not, except as hereinafter provided, fell or remove, or cause or suffer to be felled or removed, on or from the area of his permit, any tree that is not a mature tree.

Without limiting the generality of this Regulation, jarrah and karri trees ninety inches in circumference, such measurement being over the bark at four feet three inches from the ground, shall be deemed mature trees. Any such trees of lesser girth at four feet three inches or any less height from the ground shall not be deemed mature trees. Provided that an authorised officer may mark and allow to be felled any tree of lesser girth that, in his opinion, may be properly felled, and the felling by a permit holder of such trees so marked shall not be deemed a breach of this Regulation.

44. The holder of a permit shall not, without the permission in writing of the Conservator, cut or remove timber or other forest produce from any other Crown land, or from any freehold or leasehold land while he is operating upon the land held under permit.

45. The rights conferred upon a permit holder by the Act and these Regulations shall not affect the right of the Conservator, or any person claiming under him, to occupy or use the land therein comprised for any purpose consistent with the rights conferred by the permit.

46. The right is reserved to the Crown at any time during the continuance of a permit to sell, lease, or otherwise dispose of any Crown land within such permit area which, in the opinion of the Conservator, has been denuded of marketable timber, and the excision of which from the permit area will not interfere with the proper enjoyment of the rights and privileges conferred under the permit.

47. Notwithstanding anything herein contained, but subject to the Act, the Conservator may enter into any agreement with the holder or intending holder of a permit or license with the object of imposing any other conditions, in addition to those herein provided for, which may be deemed advisable, and such conditions shall be deemed to be prescribed by these Regulations, and the conditions and terms of the permit or license may be so altered or framed as to give effect to such agreement.

48. The holder of a permit, if so required by an officer of the Department, shall carry stores or equipment for use by employees of the Department, or for persons contracting to carry out works for or on behalf of the Department, and timber or other forest produce over any tramline constructed on and from his permit area to the Government railway at a freight of not exceeding one penny per ton per mile.

49. With the approval, in writing, of the Conservator, a permit holder may, for such period not exceeding six months, as the Conservator may think fit, after the expiration or sooner determination of his permit, remove from the area of the permit, his buildings, plant, machinery and effects, including any timber or other forest produce lawfully acquired. Any buildings, plant, machinery, and effects not removed within the period approved by the Conservator shall become the property of the Crown.

50. The Conservator or any officer of the Department may, in the performance of his duties under the Act and the Regulations, at any time enter upon any land the subject of a permit, and into any sawmill or other building thereon or pertaining thereto and inspect the plant and machinery and the timber or other forest produce.

51. The holder of any permit or license shall retain for a period of two years all books of account, wages sheets, mill landing books, mill returns, and other documents, and shall, whenever required so to do, produce for inspection by the Conservator or any person acting with his authority all such books of account, wages sheets, mill returns, and other documents to enable the royalties payable to be ascertained, but any information so obtained shall not be disclosed otherwise than in the performance by an officer of his official duties.

52. Notwithstanding any conditions contained in any permit or license, the Conservator may direct that timber or other forest produce shall not be removed from where it is felled or obtained, or from any other specified place, until the royalty due thereon has been paid. Any timber or other forest produce on which royalty is due shall at all times be open to inspection by an officer of the Department, who may seize the same should he have reason to believe that it may be removed notwithstanding any such direction.

Sawmilling Permits.

53. A permit relating to timber for sawmilling shall entitle the holder thereof, subject as hereinafter provided, to the sole and exclusive right to cut and remove such species and classes of timber as may be specified therein on and from the area described in such permit: Provided that it shall be lawful for any person, acting with the authority of the Conservator, to cut and take away on and from the area any indigenous timber that may be required for making or keeping in repair any railway, or for any other works and purposes of public utility or convenience, or other immediate local requirements, without making the holder of the permit any compensation in respect thereof: Provided also, that the permit holder, or a manager appointed by him, and every person employed by the permit holder, or his manager, as a timber worker, or in the carting or removal of timber, shall hold a certificate of registration under these Regulations.

54. The holder of a permit relating to timber for sawmilling shall, within six months from the date of his permit or within such other period as may be therein specified, erect within the area to which the permit extends, or on such other site as the Conservator may approve, a fully equipped sawmilling plant of the capacity stated in his permit, and shall thereafter maintain such plant in efficient working order. The permit holder shall make application in writing to the Conservator of Forests for a sawmill site under Regulation 64.

55. Within six months of the grant of a sawmilling permit, or within such other period as may be therein specified, the holder shall proceed with the felling and removal of timber in accordance with the Act and these Regulations and the conditions of his permit, and in default the permit shall be liable to forfeiture.

56. Every permit holder shall from time to time confine his operations to certain defined coupes of the area marked under the directions of an officer of the Department. At the expiration of such period as the Conservator may fix, the coupes denuded of matured timber shall be closed from cutting and reserved for reforestation. It shall be unlawful for the permit holder to fell any tree on any portion of the area so closed.

57. In the event of the permit holder failing to maintain his log intake as set forth in his permit, he shall nevertheless be required to pay at least 60 per centum of the royalty computed on his authorised log intake; and, further, if in the opinion of the Conservator the permit holder fails to maintain his authorised log intake for what the Conservator in his discretion considers an unreasonable period, the Conservator may reduce the area of the permit proportionately.

58. The books to be kept by the holder of a sawmilling permit under which the royalty is payable on the cubic contents of the logs obtained shall be as follows, and shall correctly contain the particulars therein specified, unless the alteration of any such particulars be allowed in writing by the Conservator; and no excision of leaves or particulars shall be made from such books, except as herein prescribed:—

(i) A mill landing book, to be supplied by the Conservator, shall be kept at the mill, and therein shall be correctly recorded immediately on delivery the correct measurements of all mill logs or other timber deposited in the mill yard or authorised depot.

(ii) A log book, to be supplied by the Conservator, shall be kept at the mill, and therein shall be correctly recorded each day in duplicate, by the carbon process, the details of all log and other timber received at the sawmill or authorised depot.

59. The holder of every sawmilling permit shall mark or cause to be marked by a distinguishing number to the satisfaction of the Forester in Charge, and in consecutive order, each and every log and any other timber, immediately on delivery in the mill yard, or on arrival at an authorised depot; such number to be shown in and correspond with the entry of such log or timber in the prescribed mill landing and log books. If any log shall be found in the mill yard or at an authorised depot without being marked by a distinguishing number, and entered in the Mill Landing Book as required by these Regulations, the holder of the sawmilling permit shall be guilty of an offence against this regulation.

60. The method of measuring and recording the dimensions and volume of logs shall be as follows:—

(i) In the Mill Landing Book shall be entered for each log the number of the log, the length, and the girth. In the case of butt logs, the length shall be measured from the top of the sloven to the saw-cut at the crown end of the log, and for other logs the length shall be measured from end to end. Such measurements shall be entered in feet only, and for the purpose of such entries nine inches or over shall be entered as an additional foot, but under nine inches shall be omitted:

The girth of butt logs shall be measured at a point equidistant from the top of the sloven and the crown end of such logs, and of other logs at a point equidistant from both ends of such other logs. A deduction of one inch in girth measurement may be allowed for each foot of bark on the log under the tape, but no such deduction for bark shall exceed a maximum of eight inches. In the event of a log having an abnormal swelling in the centre, the centre girth shall be ascertained by taking the average of the girths at each end, but both measurements and the centre girth so calculated shall be entered in the Mill Landing Book. All girth measurements shall be entered in feet and inches.

- (ii) The lengths and girths of all logs entered in the Mill Landing Book shall be transferred to the Log Book, and the dimensions so transferred shall be true copies of the respective entries in the Mill Landing Book. The volume of each log shall be entered in the Log Book from the Table of Contents of Logs, True Volume Measure (Forests Department, 1933).

61. At the end of each calendar month, the permit holder shall cause his log book to be ruled off and the sheet marked "original" to be excised. Such "original" verified by a statutory declaration, shall be forwarded to the local Forest officer within three days of the close of such period, together with a summary showing for such period:—

- (i) the total quantity of log timber removed to the mill landing from Crown lands held under permit;
- (ii) the total quantity of log timber removed to the mill landing from other Crown land or from any freehold or leasehold land under permission granted by the Conservator in accordance with Regulation 44;
- (iii) the estimated quantity of log timber cut on Crown lands, but not removed to the mill landing;
- (iv) the quantity of log timber put through the mill;
- (v) details of the sawn timber converted from log timber at the sawmill;
- (vi) particulars as to disposal of sawn timber;
- (vii) particulars relating to the number of men employed at the mill.

62. It shall be unlawful for the holder of any sawmilling permit, or any person employed at or in connection with any log landing or sawmill, to use, or cause or suffer to be used, any inaccurate measuring tape for the purpose of carrying out the requirements of regulations directly or indirectly involving the measurement of timber.

63. The Minister may, on the recommendation of the Conservator and with the approval of the Governor in Council, extend the term of sawmilling permits issued pursuant to "The Land Act Amendment Act, 1904," subject to a revision of royalties, so far as the holders may not have fully exercised their rights on the basis of the provision of ten years' cutting.

Mill Sites.

64. The Conservator may grant to a permit holder authority to hold an area not exceeding 50 acres, as a mill site, during the currency of his permit, at a rent of £1 per annum for every 10 acres or part thereof. Application for such site, defining the position thereof, and accompanied by a deposit of £1, shall be lodged with the District Forester.

Timber Tramway Permits.

65. The Conservator may grant permission to construct, retain, and use timber tramways for the removal of timber or other forest produce from the area of any permit at a rent of five shillings per mile per annum, or any lesser period: Provided that no rent will be payable on shunts of less than 10 chains in length.

66. Any permit holder desiring to retain, construct, or use a timber tramway shall make application annually in writing to the Conservator, and such application shall be accompanied by a plan showing—

- (i) the tramlines constructed which he desires to retain for the ensuing 12 months;
- (ii) new tramlines which he proposes to construct during the ensuing 12 months, indicating the positions of landings;
- (iii) the area over which he desires to conduct felling operations during the ensuing 12 months.

Provided the proposed tramline construction is approved by the Conservator, a permit may be issued in the Form No. 2 in the First Schedule, with

such modification thereof and subject to such further conditions (if any) as the Conservator may think fit. No tramway construction shall be commenced until a tramway permit has been issued by the Conservator.

67. Any tramway permit granted under these Regulations shall remain in force for a term of 12 months from the commencement thereof, unless revoked in the meantime under the conditions therein contained.

Hewing Permits.

68. All hewn timber obtained from Crown lands shall be inspected or tallied by an officer of the Forests Department, who shall, immediately after inspecting or tallying the timber, submit to the Conservator a return setting out particulars of the timber inspected or tallied.

69. The holder of every permit on which hewn timber is being obtained shall, with all despatch, remove all such timber to approved stacking sites for inspection. One or more stacking sites shall be nominated by the permit holder and approved by a Forest Officer, for each permit held, and all hewn timber obtained from each holding shall be stacked separately on the respective sites: Provided that, where permits on which the same royalty is payable have been amalgamated with the approval of the Conservator, hewn timber from a group of holdings so amalgamated may be stacked on the same site.

70. It shall be unlawful for any person to hew from timber acquired under a permit heart-free beams over twelve feet in length.

71. A permit granted to hew sleepers does not confer on the permit holder the right to hew timber—

(a) over twelve feet in length of any cross sectional measurement;

(b) over sixty square inches cross sectional measurement of any length.

A permit holder who desires to hew crossing timbers or beams the length or cross sectional measurements of which are in excess of those referred to in paragraphs (a) and (b), shall first apply for and obtain the approval of the Conservator in writing to such hewing, and shall pay for any such timber royalty at the rates prescribed in the Second Schedule.

Business and Residence Permits.

72. The Conservator may, from time to time, set apart any portion of the area over which the sole right of cutting timber is granted by any permit, not being a sawmill site, or any other area of land under the control of the Conservator, for occupation by workmen and others employed in connection with such permit, or other persons supplying or ministering to the wants of the workmen. Such persons so desirous shall obtain a "Residence Permit" or "Business Permit" in the Form No. 3 in the First Schedule and which will be granted (per annum) at the rent of One pound per annum.

Apiary Site Permits.

73. A permit for the purpose of bee farming may be granted in the Form No. 4 in the First Schedule, with such modifications thereof and subject to such further conditions as the Conservator may think fit, and shall confer on the holder the right to occupy an area of land, not exceeding three acres, as an apiary site.

74. Every applicant for an apiary site permit shall be actively engaged in the occupation of bee farming, and shall have at least twenty-five hives of bees in this State.

No person shall hold more than four apiary site permits for every fifty hives of bees in his possession.

75. No person shall be granted an apiary site permit on Crown lands within four miles of an apiary site granted to any other person.

76. The rental for an apiary site permit shall be £2 per annum. Such rental shall be payable in advance.

77. A deposit of not exceeding £20 may be required by the Conservator before issue or renewal of an apiary site permit, as a guarantee for the observance and performance of the conditions contained therein.

78. Any person who occupies or uses any Crown lands for the purpose of an apiary site, without first obtaining a permit from the Conservator, shall be guilty of a forest offence.

Forest Leases.

79. Applications for forest leases shall be made in writing to the Conservator, and shall be accompanied by a deposit of £1.

80. A lessee may be required to pay a demarcation fee of thirty shillings per mile for the first five miles and fifteen shillings per mile for each additional mile.

81. Upon the revocation in whole or in part of the dedication of any Crown land as a State Forest, any such land, if held under a Forest Lease, shall thereupon be excised from such lease.

Provided that the Conservator will endeavour to make arrangements with the Department of Lands and Surveys that, in the event of any person selecting the whole or any portion of the area within the said Forest Lease under "The Land Act, 1933," the granting of a lease to the selector will be made on condition that the fair value is paid to the forest lessee for all lawful improvements made by him, and existing on the land of which the forest lessee has been deprived, or which, being outside such land but comprised within the lease, have been rendered valueless or reduced in value by such deprivation.

The value of such improvements shall be determined in accordance with the procedure laid down in Section 111 of "The Land Act, 1933."

Rents.

82. Except where otherwise specially provided by the Conservator, all rents shall be paid half-yearly in advance to the Conservator, at the Office of the Forests Department, Perth, or other person authorised by the Conservator to receive rents. Should a lessee or permit holder fail to pay the rent due by him within thirty days of the due dates, his lease or permit may be forfeited by the Conservator.

Timber Inspection.

83. Upon payment being satisfactorily arranged for, an officer of the Department may inspect timber, and brand with the inspection brand, all such timber as he may consider to be within the agreed specifications, and such brand shall be deemed a certificate from the Department that the timber passed is true to name and within the agreed specifications. No responsibility shall attach to the Conservator, in the event of any loss or damage arising out of errors or omissions on the part of the Forest Officer carrying out the inspection.

84. Immediately after completing an inspection of timber, the Forest Officer carrying out such inspection shall prepare a true return, setting out particulars of the quantity, origin and destination of each size and species of timber inspected, and the person applying for the inspection, or his representative present at the inspection, shall sign such return.

85. Timber presented for inspection shall be turned and shown to the satisfaction of the Forest Officer carrying out the inspection. In the event of insufficient or unsatisfactory labour being provided for the satisfactory handling of timber at any inspection, the officer may decline to inspect same, and any costs incurred by the Department in connection therewith shall be payable by the person applying for the inspection.

86. In the event of any interference with a Forest Officer during the progress of an inspection by contractors or persons employed in the cutting of the timber, or in turning such timber for inspection, the Forest Officer may decline to proceed with the inspection, and any costs incurred by the Department in connection therewith shall be a charge against the contractor or other person applying for the inspection, and shall be payable to the Conservator before any further inspection of the timber is made.

87. Before timber obtained from private forest shall be departmentally inspected, such timber shall be branded with the registered brand of the owner of such private forest.

88. The fees for the inspection of round, split, sawn and hewn timber, piles, poles and beams shall be at the rates prescribed in the Second Schedule.

Licenses—General.

89. A license may be in the Form No. 5 in the First Schedule, with such modifications thereto and subject to such further conditions as the Conservator may think fit, and may authorise the licensee, in common with other licensees, to cut or remove such forest produce as is therein specified on and from the Crown land therein defined.

90. A license may be issued for any period of not exceeding twelve months, subject to the payment by the licensee of such fees or royalties as may be fixed by the Conservator in accordance with these Regulations.

91. Every license shall be subject to the Act and the Regulations, and to such conditions (if any) as may be therein expressed.

92. No license for the cutting of timber in any part of the State outside the South-West and Eucla Land Divisions shall confer on the licensee the right to fell, cut, injure, or destroy any tree growing within a radius of twenty chains from any well, watering trough, waterhole, river, homestead, or shearing shed, on any reserve, common, pastoral lease, and other Crown land.

93. Every licensee shall produce his license for inspection, whenever required so to do by an officer of the Department.

94. If any licensee unnecessarily destroy, or cause unnecessary destruction of trees or forest produce, he shall be guilty of an offence against this regulation.

95. The Conservator, or any authorised officer, may cancel or suspend any license, in the event of the licensee obstructing any officer of the Department in the execution of his duty, or infringing any provision of the Act or these Regulations, or failing to comply with the conditions of such license.

Sandalwood Licenses.

96. No license will be granted for the cutting, pulling, or removal of sandalwood from Crown lands within the State North of the twenty-sixth parallel of South latitude, except for oil distillation purposes within the State.

97. No license will be granted for the cutting, pulling, or removal of sandalwood on and from the following Reserves and the two areas of Crown land defined hereunder:—

- (a) Sandalwood Reserve No. 19211, Calooli.
- " " " 19212, Yellari.
- " " " 19214, Lakeside.
- " " " 19640, Coonaanna.
- " " " 19645, Emm Rock.
- " " " 19764, Wallaby Rock.
- " " " 19825, Bullock Holes.

State Forest No. 8—Karramindie.

- (b) The Crown lands, or any portion of the Crown lands, within the area bounded by a line commencing from Kalgoorlie and extending along the Government railway line to Coolgardie, and thence along the Government railway line from Coolgardie to Widgiemooltha, thence across Lake Lefroy in a North-Easterly direction to the Thirty-seven-Mile peg on the Trans-Australian railway line, thence along the Trans-Australian railway line to Kalgoorlie.
- (c) The Crown lands, or any portion of the Crown lands, within the area bounded by a line running in a Southerly direction from the 106-Mile siding on the Trans-Australian railway line for a distance of 15 miles, thence by a line parallel with the said railway line and running in an Easterly direction for a distance of 26½ miles, thence in a Northerly direction to Zanthus siding, thence Westerly along the said railway line to the 106-Mile siding.

98. No licensee, registered sandalwooder, or other person shall cut or pull or remove on or from Crown land any living sandalwood tree, or clean any sandalwood tree, so cut, pulled, or removed, of smaller dimension than as defined hereunder, that is to say, any sandalwood tree—

- (a) of less than 13 inches in circumference, measured over the bark at six inches from the ground level; or
- (b) the log of which, when cleaned of sapwood, is less than 10 inches in circumference, measured at a point equivalent to six inches above ground level.

99. No person shall supply to any licensee or other person, in fulfilment of any order from such licensee or other person—

- (a) any sandalwood tree of less than 13 inches in circumference, measured over the bark at six inches from the ground level; or
- (b) any sandalwood log which, when cleaned of sapwood, is less than 10 inches in circumference, measured at a point equivalent to six inches above ground level,

being the product of any living sandalwood tree cut or pulled on Crown land.

100. No sandalwood shall be exported to any place beyond the Commonwealth unless it has been inspected by an officer of the Forests Department.

101. Application for a license to pull or remove sandalwood on and from land alienated from the Crown shall be made to the Conservator in writing, and shall be accompanied by such particulars as the Conservator may require.

102. Any person applying for a license other than the grantee or lessee of alienated land from which it is desired to pull or remove sandalwood may be required to produce to the Conservator authority in writing from the grantee or lessee to pull sandalwood from the land therein specified.

103. A license to pull or remove sandalwood from alienated land may be in the Form No. 6 in the First Schedule, and shall authorise the licensee to pull and remove the quantity of sandalwood therein specified on and from the alienated land therein defined.

104. A license under Regulation 103 may be issued for any period not exceeding six months from the date thereof. No extension of any license shall be granted in the event of a licensee failing to fully exercise his rights by pulling and removing the quantity of sandalwood therein specified within the term of the license: Provided, however, that a licensee may make application for a further license in respect of sandalwood not pulled or removed under a previous license, and such application shall be dealt with in order of its priority.

105. No sandalwood pulled under the authority of a license granted under Regulation 103 shall be removed from the location or lease from which it has been pulled, unless and until it has been inspected and branded by an officer of the Forests Department. The fee payable to the Department for such inspection shall be at the rate of £1 per ton, and shall be paid before the sandalwood is branded.

106. It shall be an offence for any person to furnish any false, incorrect, or misleading statements, particularly with reference to the ownership of alienated land, or the ownership of sandalwood on alienated land, with a view to obtaining a license under these Regulations.

Pole and Pile Licenses.

107. An applicant for a license to cut poles or piles may be required to produce a current order for poles or piles.

108. All poles and piles obtained from Crown lands shall be inspected or tallied by an officer of the Department: Provided that, in districts where no Forest Officer is available to inspect or tally poles and piles, the Conservator may agree to such timber being removed without first being inspected or tallied subject to the licensee submitting a return to the Conservator at the end of each month during the period of his license, giving full particulars of the sizes and number of poles and piles obtained.

109. The royalties and inspection fees on poles and piles shall be at the rates prescribed in the Second Schedule, and shall be payable forthwith as accounts are rendered by the Conservator.

Mallet Bark.

110. No mallet bark acquired under license or permit shall be stripped before the tree is felled.

111. Every person employed in the stripping of mallet bark under a license or permit shall strip all limbs of a diameter of not less than two inches, as well as the bole of all mallet trees felled by him.

112. No mallet trees shall be stripped of bark during the period from the 15th November in each year until the 15th June in the following year.

113. No mallet tree under ten inches in circumference, measured over the bark at three feet from the ground or any lesser height, shall be felled or stripped by virtue of a license or permit, or by virtue of an order issued under the authority of a license, unless expressly provided therein.

Timber for Coal Mining.

114. The right conferred by Section thirty-nine of "The Forests Act, 1918," on a lessee of a mining lease, or the holder of a mining tenement granted or held under "The Mining Act, 1904," or the Regulations thereunder, to take from the land so demised or held such timber as may be required for mining purposes thereon, shall be exercised by every lessee of a coal mining lease under and subject to these Regulations, and the amendments thereof, so far as such Regulations relate to permit holders, and such Regulations applicable to permit holders shall apply to every such lessee of a coal mining lease as if the right conferred by the said section were exercised under and subject to the conditions of a permit.

115. If any coal mining lease held under "The Mining Act, 1904," is situated within the boundaries of a State Forest or Timber Reserve, the lessee shall be liable to pay royalty for all timber taken from his land for mining purposes at the rate of royalty prescribed by these Regulations and any amendments thereof in force for the time being.

Collection of Forestry Statistics.

116. Every person, firm, or incorporated body engaged, whether as principal or agent, in obtaining, holding, removing, converting, buying, consigning, exporting, treating, or utilising any timber or other forest produce shall, on demand by the Conservator, or any Forest Officer, make and furnish a declaration or other statement in writing as to the quantity and description of timber and forest produce obtained, held, removed, converted, purchased, consigned, exported, treated, or utilised during a given period, and the place from which it was obtained and the place to which it was or is intended to be consigned.

Any person who on demand refuses or neglects to make any such declaration or statement, or who makes a declaration or return which is incorrect or misleading, shall be guilty of a breach of this regulation.

General.

117. (i) No person shall trespass on any portion of a State Forest or Timber Reserve which is the subject of planting or regeneration, and on which notices have been exhibited that trespassing is prohibited.

(ii) No person shall, in any State Forest or Timber Reserve, use any road or track constructed or maintained from funds provided under Section 41 of the Act when a notice is exhibited on such road or track that the use thereof is prohibited by the Conservator.

(iii) No person shall, in any State Forest or Timber Reserve, use any road or track constructed or maintained from funds provided under Section 41 of the Act contrary to any regulation or condition prescribed by the Conservator and of which notice is exhibited on such road or track.

118. Every person shall, whenever required so to do by an officer of the Department, show such officer the timber cut or other forest produce obtained by him.

119. Any officer of the Department may stop and detain any forest produce within the boundaries of any State Forest or Timber Reserve, or on any public highway within or abutting on any State Forest or Timber Reserve.

120. Any officer of the Department may seize and dispose of any timber or other forest produce unlawfully cut or removed contrary to these Regulations.

121. No tree shall be felled on the area of any permit or license so as to obstruct any railway, tramway, road, track, or watercourse, and, if any tree is felled in a manner contrary to this regulation, in addition to the penalty thereby incurred for a breach of this regulation, any officer of the Department may cause the obstruction to be removed, at the cost of such permit holder or licensee, and the same shall be recoverable in any court of competent jurisdiction.

122. It shall be unlawful for any person to strip the bark from any standing tree, except under a license for the obtaining of bark, or to fell any tree for the sole purpose of obtaining the bark. In addition to any penalty incurred for a breach of this regulation, the Conservator may require payment of a sum equal to the value of any tree so damaged.

123. Should it appear to the Conservator that a permit holder or licensee, either by himself or his employees, is—

- (a) causing damage to growing trees or other forest produce;
- (b) not utilising trees felled or other forest produce obtained to the best advantage;
- (c) causing waste of timber in felling operations by felling trees at too great a height above ground level;

the Conservator may require payment by the permit holder or licensee of a sum equal to the estimated value of the damage to such trees or other forest produce, or of the loss on the timber or other forest produce wasted, and the amount so required to be paid may be recovered by the Conservator from the permit holder or licensee by action in any court of competent jurisdiction.

124. Any timber worker or other person causing damage to growing trees or other forest produce, or not utilising trees felled or other forest produce obtained to the best advantage, or who in felling operations causes waste of timber by felling trees at too great a height above the ground level, shall be guilty of a forest offence.

125. No person shall fell, cut, split, or obtain timber, whether growing or dead, on any reserve set apart for settlers' requirements, except under written permit from the Conservator.

126. No person shall burn any standing tree.

127. The cutting or removal of kurrajong, quandong, red flowering gum, coral (*Erythrina vespertilio*), baobab (*Adansonia Gregorii*), and Christmas trees and *Livistona Alfredi*, *Livistona Eastoni* and cycad palms of every kind or size is absolutely prohibited throughout the State.

128. The export overseas of karri timber sawn or hewn into sleepers, or in any other form for use in contact with the ground, which has not been treated by a preservative process which has been approved of by the Conservator, is hereby prohibited, except with the written permission of the Conservator.

129. The export overseas of karri timber, whether it be sawn, hewn, or in the form of round logs, is hereby prohibited, unless at least one end of each piece of such timber is distinctly branded to the satisfaction of the Conservator with the letter "K" before being consigned to port of shipment.

130. No person shall hinder or obstruct any officer of the Department in the performance of his duties, and on the breach of this regulation by any permit holder or licensee in addition to the penalty thereby incurred, his permit or license may be revoked.

131. Any person desiring to obtain particulars as to names of permit holders, conditions, and terms of permit agreements, or any other particulars affecting the same, may, on payment of the prescribed fee, obtain the required information.

132. Fees shall be payable in respect of the several matters set out in the Third Schedule, according to the scale therein prescribed.

133. It shall be unlawful for any person to carry or use firearms within any State Forest or Timber Reserve, except with the written consent of the Conservator.

Fire.

134. Any person who without reasonable cause refuses or neglects to assist in extinguishing a fire when called upon by a Forest Officer so to do, under Section 47 of the Act, shall be guilty of an offence and shall be liable on conviction to a penalty not exceeding twenty pounds.

Spark Arresters.

135. Unless exempted in writing by the Conservator, the owner or any person in charge of a locomotive or stationary steam engine used within the boundaries of a State Forest or Timber Reserve, or of the area of a permit or forest lease, shall, during the period from the first day of December in each year until the thirtieth day of April in the following year, or during any other period of which due notice in writing shall have been given by the Conservator, take the following precautions, with the object of preventing the outbreak of fires caused by the falling of sparks and cinders therefrom:—

- (a) fit any such locomotive or engine with a spark arrester, of a type approved by the Conservator, and maintain such spark arrester in good order and fit for its purpose;
- (b) equip and maintain in good order the ashpan of any such engine, to prevent live cinders escaping therefrom.

136. The Conservator, or any Forest Officer, may inspect any such locomotive or engine for the purpose of ascertaining whether the requirements of these Regulations are being complied with, and if after such inspection it is found that the spark arrester has not been fitted, or that the spark arrester, if fitted, is not suitable for its purpose, or that necessary precautions are not being taken to prevent live cinders escaping from the ashpan, may direct that the fire shall be withdrawn forthwith, and that the same shall not be used until the requirements of these regulations have been met. The owner or person in charge of the locomotive or engine shall afford to the Conservator or a Forest Officer reasonable facilities for such inspection and observe such directions as aforesaid.

137. In the event of any fire being caused within the boundaries of a State Forest or Timber Reserve, or of the area of a permit or forest lease, by falling sparks or cinders from a locomotive or stationary steam engine, the Conservator may recover from the owner of such engine damages for injuries to the forest caused by such fire, together with the costs incurred by the Conservator in suppressing such fire.

Penalties.

138. (1) Any person who shall commit a breach of any of the foregoing Regulations, or who shall contravene or fail to comply with any provision or condition contained in any permit, license, or authority granted in pursuance of "The Forests Act, 1918," shall, for every such offence for which a penalty is not otherwise specially provided by the Act or these Regulations, be liable to a penalty of not exceeding Fifty pounds.

(2) The minimum pecuniary penalty for any forest offence shall be one-twentieth of the maximum, and no court shall have power to reduce such minimum.

FIRST SCHEDULE.

Form No. 1.

THE FORESTS ACT, 1918.

No.

Permit to Get and Remove Timber or other Forest Produce.

THIS Permit to cut and remove.....on and from the area described in the Schedule hereto, and delineated in the plan indorsed hereon, is granted to.....of..... (hereinafter called the "permit holder"), under and subject to the conditions hereinafter expressed.

Subject to the payment of the royalty hereby reserved and the observance and performance by the permit holder of the conditions hereinafter expressed, and of the provisions of "The Forests Act, 1918," and the amendments thereof respectively, and the Regulations thereunder and in force for the time being, so far as such provisions and Regulations are applicable hereto, this permit shall continue in force from the.....day of....., 19...., until the.....day of....., 19...., unless suspended or forfeited and cancelled in the meantime.

The permit holder shall pay to the Conservator of Forests (hereinafter called the "Conservator") at the office of the Forests Department, Perth, the royalty of.....for each and every..... obtained under this permit, and such royalty shall be payable forthwith as accounts are rendered from time to time by or on behalf of the Conservator to the permit holder.

The permit holder shall, on the first day of each and every month, furnish to the Conservator, at the office of the Forests Department, Perth, true returns verified by statutory declarations of all.....obtained and removed under this permit.

Royalty shall be payable in respect of, and the permit holder shall be responsible for, all.....obtained on the said area while this permit is in force.

The permit holder shall work continuously, unless exempted by the Conservator during the continuance of this permit.

The right is reserved to the Crown, at any time during the continuance of this permit, to sell, lease, or otherwise dispose of any Crown Land within the area of this permit which in the opinion of the Conservator has been denuded of..... and the excision of which from the permit area will not in the opinion of the Conservator interfere with the proper enjoyment of the rights and privileges conferred under the permit.

All trees cut into or felled or other forest produce obtained under this permit shall be utilised with the minimum of waste to the satisfaction in all respects of the Forester in charge.

This permit shall not be transferred without the consent in writing of the Conservator.

At no time during the currency of this permit shall any fire be lighted upon any part of the land in respect of which this permit is granted, unless the ground be cleared of all grass, bushes and leaves or branches of trees for a space of ten feet in every direction around such fire or fires.

In the event of any fire occurring in any scrub or on any forest land within this permit area, this permit may be immediately cancelled and all rights thereunder forfeited unless the permit holder can prove to the satisfaction of the Conservator that such fire or fires originated outside the permit area or arose through some cause beyond his control.

As security for the due observance and performance by the permit holder of his obligations under this permit, the sum of..... has been deposited by him at the office of the Forests Department, Perth, to be retained until the expiration or sooner determination of this permit.

In default of payment by the permit holder of the royalty hereby reserved or of the observance and performance by him of the conditions of this permit, and the observance by him of the provisions of the said Act and Regulations or any of them, to which this permit is subject, the Conservator may suspend this permit for such time as he may think fit, or, by notice in writing to the permit holder, cancel and determine this permit, and thereupon the deposit may be forfeited, together with all timber felled or hewn or other forest produce obtained on the said

area; and may seize all machinery, horses, carts, or other plant the property of the permit holder, but without prejudice to the rights of the Conservator to recover royalty in arrear, and in respect of any other claims against the permit holder.

If any question shall arise as to the observance and performance by the permit holder of the conditions of this permit, or the observance by him of the provisions of the said Act and Regulations, or in case of any dispute in relation to the felling or removal of timber or other forest produce, or as to the quantity of timber felled or other forest produce removed, the same shall be decided by the Conservator, whose decision shall be final.

Any notice in writing to the permit holder may be served on him by addressing such notice to him and sending it by post to, or leaving it at, his address as stated in this permit.

The permit holder accepts this permit, and agrees with the Conservator to observe and perform the conditions and obligations of this permit, and to pay all stamp duty in connection with this permit.

Form No. 2.

THE FORESTS ACT, 1918.

Permit to Construct, Maintain, and Use Timber Tramways.

No.....

THIS Permit to construct, maintain, and use tramways the length of which shall not exceed.....miles, as shown approximately on plan attached hereto, is granted to.....of.....(hereinafter called "the permit holder") for the purpose of conveying timber under and subject to the conditions hereinafter expressed.

1. Subject to the payment of the rent hereby reserved and the observance and performance by the permit holder of the conditions hereinafter expressed, and of the provisions of "The Forests Act, 1918," and the amendments thereof respectively and the regulations thereunder and in force for the time being, so far as such provisions and regulations are applicable hereto, this permit shall, unless forfeited in the meantime, continue in force for twelve months from the.....day of.....19....

2. The permit holder shall pay in advance to the Conservator of Forests (hereinafter called "the Conservator"), at the Office of the Forests Department, Perth, a rent of five shillings per mile or fractional part thereof on tramways the construction and use of which is authorised under this permit.

3. This permit is granted in conjunction with Sawmilling Permit No..... and shall be incorporated with the said permit.

4. The permit holder shall take all necessary precautions to the satisfaction of the Conservator to prevent fires being caused on any land by any locomotive engine, or other motive power used and employed upon or in connection with the said tramways and shall—

- (1) clear at his own expense along the said tramways such firebreaks as may be required by the Conservator from time to time;

(2) during the period from the first day of December in each year until the thirtieth day of April in the following year, unless exempted in writing by the Conservator, or during any other period of which due notice in writing shall have been given—

- (a) fit all locomotive engines running on the said tramways with spark arresters of an approved type and maintain such spark arresters in good order and fit for the purpose;
- (b) equip and maintain in good order the ashpans of all such engines to prevent live cinders escaping therefrom.

5. The rights conferred by this permit shall be subject to such conditions and stipulations as the Conservator may impose and such regulations as may from time to time be prescribed for securing the safety of the public from personal injury or otherwise, and for authorising and regulating inspection and inquiry from time to time by the Conservator or any other authorised person.

6. The permit holder is hereby authorised to clear the necessary right of way for the construction of earth works and may fell all trees to a width of one chain on either side of the tramway which are in danger of falling and which in the event of falling would obstruct the tramway. Any clearing in excess of this width shall be subject to prior authority being obtained from the Forester in Charge.

7. (a) Any mill logs resulting from such clearing, which in the opinion of the Forester in Charge can be economically utilised by the permit holder, shall be removed by him within three months of the completion of the tramway or any portion of it along which such logs have been felled, subject to the payment of royalty on such logs at the rate prescribed under the Sawmilling Permit.

(b) Any mill logs not removed within such period shall, together with other trees felled which are not suitable for milling, remain the property of the Crown and such timber may be disposed of by the Conservator without compensation to the permit holder, but such action on the part of the Conservator shall not relieve the permit holder from liability to pay royalty on logs referred to in paragraph 7 (a).

8. If the construction of the tramways herein authorised or the felling of trees adjacent thereto, as provided for in Clause 6, will result in damage being done to a departmental telephone line, the permit holder shall, before commencing such operations, first notify the Forester in Charge so that he may make the necessary arrangements for the alteration, removal, and/or re-erection of the telephone line, and the permit holder shall on demand pay to the Conservator the cost of such works.

9. Should it be found necessary to cross a departmental telephone line in the course of the construction of the tramways herein authorised, the permit holder shall first notify the Forester in Charge, who will arrange for the construction of a standard crossing, the cost of which shall be payable by the permit holder on demand.

10. The permit holder shall, if so required, make arrangements to the satisfaction of the Conservator for the carriage of Departmental goods and stores for the employees of the Forests Department over tramways operated under the authority of this permit, and shall carry over such tramways free of cost employees of the Forests Department where such transport is necessary to facilitate the operations of the Department.

11. The permit holder shall, if so required, construct, at his own expense and to the satisfaction of the Forester in Charge, suitable crossings where the said tramways cross any cleared road or track.

12. The permit holder shall at all times and in all respects at his own cost and expense observe and comply with the lawful requirements of any Road Board under the provisions of the Road Districts Act, 1919.

13. This permit is revocable by the Conservator if the said sawmilling permit be revoked, or for breach or non-observance by the permit holder of the conditions of this permit or of any of the provisions of the said Act or Regulations.

Apiary Site Permit.

No.....

THIS Permit authorises..... of (hereinafter
called "the permit holder") to occupy, for the purpose of an Apiary Site, the area
of land described in the Schedule hereto and delineated on the plan attached hereto,
under and subject to the conditions hereinafter expressed.

Subject to the observance and performance by the permit holder of the con-
ditions hereinafter expressed, and of the provisions of "The Forests Act, 1918,"
and the amendments thereof respectively, and the Regulations thereunder and in
force for the time being, so far as such provisions and Regulations are applicable
hereto, this permit shall continue in force for a period of twelve months from
the.....day of.....19.. until the.....day of.....19..

and thereafter may be renewed from year to year, subject to such further conditions as may be considered necessary, and to payment in advance of the rent hereby reserved, unless suspended or forfeited and cancelled in the meantime.

1. Rent at the rate of Two pounds (£2) per annum shall be payable in advance to the Conservator of Forests (hereinafter called "the Conservator") at the Office of the Forests Department, Perth.

2. No residence or other buildings, with the exception of an extracting room, shall be erected on the Apiary Site without the consent of the Conservator in writing.

3. This permit shall not be exercised otherwise than *bona fide* in the permit holder's own interest, and only for the purpose specified, and shall not be transferred without the consent in writing of the Conservator.

4. The permit holder shall not fell, cut, or in any way injure or destroy any living or growing tree or sapling whatsoever, and shall not cut into or remove any dead or fallen timber on the said land, except with the written approval of the Conservator.

5. The Conservator and all persons authorised by him shall at all times during the currency of this permit be permitted to enter upon the said land and carry out any duties which may be assigned to them.

6. The right is reserved to the Conservator—

(a) to authorise the felling, cutting, and removal of timber and other forest produce from the area held under this permit;

(b) to construct and maintain firebreaks, either by clearing, burning or any other method, and to carry out controlled burning operations at such times and over such areas as he may consider necessary;

and the permit holder shall not be entitled to claim any compensation for any loss or damage whatsoever that he may suffer by reason or in consequence thereof.

7. The permit holder shall not by virtue of this permit be entitled to cut through, break down, or otherwise interfere with any fencing or other improvements erected on or adjacent to the permit area.

8. The permit holder agrees to observe and comply with the provisions of "The Bush Fires Act, 1902," and the amendments thereof and the Regulations thereunder and in force for the time being. Any breach of the said Act and/or regulations shall be regarded as a breach of the conditions of this permit.

9. The permit holder shall immediately report any outbreak of fire on the permit area to the nearest Forest Officer and, together with all persons employed by him on the permit area, shall at all times during the currency of this permit co-operate with officers of the Forests Department in preventing and suppressing bush fires and shall, when called upon by any such officer, act under his instructions in fire fighting or preventing outbreaks of fire.

10. In the event of any fire occurring in any scrub or on any forest land within this permit area, this permit may be immediately cancelled and all rights thereunder forfeited, unless the permit holder can prove to the satisfaction of the Conservator that such fire or fires originated outside the permit area or arose through some cause beyond his control.

11. As security for the due observance and performance by the permit holder of his obligations under this permit, the sum of £..... has been deposited by him at the office of the Forests Department, Perth, to be retained until the expiration or sooner determination of this permit.

12. The Conservator may, upon giving the permit holder not less than one month's notice in writing, determine this permit, or may at any time withdraw this permit wholly or in part, if the land is required for settlement purposes or otherwise, or if the area is not being used to the best advantage, and the permit holder shall not be entitled to any compensation in respect of any such termination or withdrawal, but may be allowed a reasonable deduction of the annual payment of rent.

13. In default of payment by the permit holder of the rent hereby reserved, or of the due observance and performance by him of the conditions of this permit, and the observance by him of the provisions of the said Act and Regulations, or any of them; to which this permit is subject, the Conservator may suspend this permit for such time as he may think fit, or, by notice in writing to the permit holder, cancel and determine this permit, and thereupon the deposit may be forfeited, together with all improvements effected by the permit holder on the said area.

14. If any question shall arise as to the observance and performance by the permit holder of the conditions of this permit, or the observance by him of the provisions of the said Act and the Regulations, or in case of any dispute, the same shall be decided by the Conservator, whose decision shall be final.

15. Any notice in writing to the permit holder may be served on him by addressing such notice to him and sending it by post to or leaving it at his address as stated in this permit.

16. The permit holder accepts this permit, and agrees with the Conservator to observe and perform the conditions and obligations of this permit, and to pay the rent hereby reserved.

THE COMPANIES ACT AMENDMENT ACT, 1899.

Boulder Perseverance, Limited.

NOTICE is hereby given that Boulder Perseverance, Limited, has passed a resolution authorising the issue of additional shares to the amount of £25,000, divided into 500,000 Ordinary Shares of One shilling each, and that the Company has reserved for the benefit of Colonial Members a part of such issue proportioned to the interests of the Colonial Members, and that at any time within two months from the twenty-sixth day of June, 1935, every Colonial Member may, by writing under his hand delivered by post or otherwise to the Attorney of the Company at the Registered Office of the Company at Fimiston, Western Australia, or to T. S. Wilson, Brookman's Building, Grenfell Street, Adelaide, South Australia, claim his proportion of such additional shares and shall be entitled to receive or take up such proportion.

Particulars of the issue and forms of application are being forwarded to all shareholders on the Colonial Register as at the twelfth day of June, 1935.

The following are the particulars so forwarded:—
Issue of 500,000 Ordinary Shares of 1s. each at the price of 2s. 6d. per share sterling.

The Resolution for the increase of the capital of the Company to £150,000, by the creation of 500,000 additional Ordinary Shares of 1s. each was duly passed at the Extraordinary General Meeting immediately following the Eleventh Annual General Meeting of the Company on the 12th June, 1935. The reasons for the increase of capital were stated in the Report of the Directors submitted to the Annual General Meeting and circular letter dated 24th May, 1935, and at the Extraordinary General Meeting the Directors were authorised to offer the 500,000 new Ordinary Shares in the first instance for subscription at 2s. 6d. per share to the holders of the existing Ordinary Shares on the registers of the Company on the 12th June, 1935, in the proportion of one New Share for every five shares held, fractions being ignored.

The New Ordinary Shares, when fully paid, will rank *pari passu* with the existing Ordinary Shares of the Company in all respects with the exception that they will not be entitled to the Dividend declared in respect of the financial year ended 31st December, 1934, but will be entitled to the full Dividend in respect of the Company's financial year ending 31st December, 1935.

You are accordingly offered Ordinary Shares of this new issue.

The issue price of 2s. 6d. per Ordinary Share will be payable to the Company's Bankers or to the Company, as below mentioned, as follows:—

On Acceptance—1s. (including 6d. premium per share).

On Allotment—1s. 6d. (including 1s. premium per share).

If you desire to accept all or any of the shares offered to you, you should complete and sign the annexed Form of Acceptance "A" and return it to the Company's Bankers, National Provincial Bank, Ltd., 15 Bishopsgate, London, E.C. 2, together with a remittance of 1s. per share accepted on or before the 1st July, 1935, or, in case of Shareholders whose names appeared on the 12th June, 1935, in the Western Australian Register, to the Company's Office at Fimiston, Western Australia, and in the case of Shareholders whose names appeared on the same date in the Southern Australian Register, to T. S. Wilson, Brookman's Building, Adelaide, Southern Australia, together in each case with a remittance, in English currency, of 1s. per share on the number of shares accepted, or together with an equivalent remittance in Australian currency calculated at the rate of exchange for the purchase on demand of English pounds at the date of acceptance. Such latter acceptances must be returned to the offices at Fimiston, Western Australia, or to T. S. Wilson, Brookman's Building, Adelaide, Southern Australia, as the case may be, in manner mentioned, on or before the 26th August, 1935. Shareholders whose names appeared on the 12th June, 1935, in the English Register of Members, but whose registered addresses were in Australia, may complete the form of application and return it with the remittance referred to at the Company's office at Fimiston, Western Australia, or to T. S. Wilson, Brookman's Building, Adelaide, Southern Australia, on or before the 26th August, 1935.

No receipt for the above-mentioned payment will be given, but an acknowledgment will be forwarded in due course by the issue of an allotment letter as soon as possible after the 1st of July, 1935, or in the case of acceptances by Shareholders whose names appear in the Dominion Registers, or whose addresses are in Australia, after the 26th August, 1935.

In the event of the instalment due on allotment not being then paid, interest will be charged at the rate of 10 per cent. per annum from the date of allotment until payment, and the shares and any amount previously paid in respect thereof will be rendered liable to forfeiture.

If you desire to renounce your "Rights" in respect of the shares offered to you in favour of some other person or persons, you must sign the Form of Renunciation "B" printed on the back of the annexed Form of Acceptance "A," and the person or persons in whose favour you have renounced must fill up and

sign the Form of Acceptance "C" printed below the Form of Renunciation, and lodge the entire sheet, with the necessary remittance, with the Company's Bankers in London, or at its office in Fimiston, Western Australia, or to T. S. Wilson, Brookman's Building, Adelaide, Southern Australia, as the case may be, on or before the prescribed date.

Arrangements have been made whereby the Issue of 500,000 New Ordinary Shares have been underwritten at an Underwriting Commission at the rate of 1¼d. per share and an overriding commission of ¼d. per share.

A number of the 500,000 New Shares offered proportioned to the shareholdings of the Shareholders whose names appear in the Dominion Registers of Members, or whose registered addresses are in Australia, is reserved for the benefit of such shareholders.

If you desire to apply for any of the shares offered to the Shareholders which may not be accepted by them or from the small balance of approximately 1,000 shares remaining after setting aside the shares offered to the Shareholders in the proportion mentioned above, you may do so on the blue form sent herewith, payment for such excess shares applied for being on the same terms as those to which you are entitled by reason of your present holding of Ordinary Shares. If allotment of such excess shares is not made in full the amount overpaid on application will be applied in payment of the amount due on allotment, and any balance then remaining will be returned. No undertaking, however, can be given that all or any of such excess shares applied for will be allotted and no application will be considered or allotment will be made in respect of any application for such excess shares until after the 26th of August, 1935, as it will not be known until after that date what number of shares will be available.

It is intended in due course to apply to the Committee of the Stock Exchange, London, for permission to deal in the New Ordinary Shares.

This offer is made to Shareholders only.

Attorney in Western Australia.
