IN THE COURT OF ARBITRATION OF WESTERN AUSTRALIA.

No. 55 of 1934.

Between Australian Workers' Union (W.A. Branch), Applicant, and Hume Pipe Company (Australia), Limited, Respondent.

AWARD.

1.—Casual Hands.

“Casual Hand” shall mean a worker who is engaged for a period of less than six (6) days. Casual hands shall be paid for the particular work upon which they may be employed at an hourly rate calculated on the rate of pay prescribed by Clause 16 hereof, plus ten per centum (10 per cent.). Casual workers shall be paid within one (1) hour of their services being terminated.

2.—Wet Places.

(a) Workers while working in wet places and/or those engaged in mixing concrete shall be provided by the employer with gum boots or military boots.

(b) “Wet Places” shall mean places where the nature of the work necessitates a worker getting his boots or clothing thoroughly wet.

(c) If any dispute shall arise as to whether a place is a “wet place” within the meaning of this clause the dispute shall be referred to the Board of Reference, whose decision thereon shall be final.

3.—Hours.

(a) Day Workers: Forty-four (44) hours shall constitute a week's work, viz., eight (8) hours on Mondays to Fridays inclusive, and four (4) hours on Saturdays: Provided that the time for beginning and ceasing work may be arranged by mutual agreement between the Union and the employer with the intent that the workers in the various sections of the industry may be usefully

and economically employed within their hours of duty. If no agreement is arrived at the matter shall be referred to the Board of Reference for determination.

(b) Shift Workers: The ordinary hours of shift workers, inclusive of crib time, shall not exceed forty-four (44) hours in one week, or (when two (2) shifts are worked) eighty-eight (88) hours in two (2) weeks, or (when three (3) shifts are worked) one hundred and thirty-two (132) hours in three (3) weeks at the option of the employer, to be worked in rotary shifts and not exceeding eight (8) hours on Monday to Saturday inclusive.

(c) Shift workers shall be allowed twenty (20) minutes for crib in each shift without deduction of pay.

(d) Working in Meal Hours (Day Workers): Work done in the meal time or any portion thereof shall be paid for at the rate of double time, but this shall not apply to cases involving the completion of work commenced before the lunch period and not occupying more than fifteen (15) minutes from the commencement of the lunch period, in which case the lunch period would be extended by fifteen (15) minutes beyond the ordinary time. In the event of a mishap the said period of fifteen (15) minutes may be increased to forty-five (45) minutes.

(e) The provisions of this clause shall remain in abeyance for a period of one (1) month from the date hereof, during which period the existing provisions shall apply.

4.—Overtime.

(a) All work performed outside the ordinary hours of duty shall be deemed to be overtime and shall be paid for at the rate of time and a half for the first four (4) hours and double time thereafter.

(b) Work performed on Sundays or on any of the holidays specified in Clause 5 hereof, shall be paid for at double time rates.

(c) Work (other than shift work) performed on Saturday afternoon shall be paid for at double time rates.

5.—Holidays.

(a) The following days shall be paid holidays, namely:—Christmas Day, Boxing Day, New Year's Day, Good Friday, Easter Monday, and Labour Day.

(b) Where the holiday falls on a Sunday, or where any day is observed in lieu thereof, a holiday shall be granted on the date upon which the holiday is observed.

(c) In addition to the above, an annual holiday of six (6) days on full pay shall be granted once in each year to every worker; provided that where the worker's employment is terminated during the course of a calendar year, the employer shall pay him one day's wages for each calendar month of his service in lieu of the holidays to which he would be entitled under this clause and has not received. In the event of a worker being employed for a portion only of the year, he shall only be entitled at Christmas or Easter to such holidays on full pay as are proportionate to his length of service during that period, and if such holidays are not equal to the holidays given to the other workers, he shall not be entitled to work or pay whilst the other workers are on holidays on full pay: Provided, further, that where the worker is dismissed for wilful misconduct he shall not be entitled to the benefit of the provisions of this clause.

Holiday pay shall not accrue during the worker's absence from his employment for any cause whatsoever.

(d) These provisions shall not apply to casual workers.

6.—Record Book.

The Wages Book (or Wages Sheet) of the employer shall be open for inspection by the Secretary or an accredited representative of the Union at the office of the Company during working hours upon reasonable notice being given of the desire to inspect same.

7.—Higher Grade Duties.

Any worker carrying out work classified at a higher rate than his ordinary rate up to four (4) hours in any shift shall be paid such higher rate for the actual time so employed. If more than four (4) hours is occupied on such work in any one shift then the worker shall be paid such higher rate as for the whole shift.

## 8.—Board of Reference.

(a) The Court hereby appoints for the purpose of the award a Board of Reference in each branch of the industry.

(b) The Board shall consist of a chairman and two (2) other representatives, one to be nominated by each of the parties.

(c) In the event of a disagreement between the parties bound by the award, in any of the matters herein-after mentioned, the Board has hereby assigned to it the following functions:—

- (i) Classifying and fixing wages, rates and conditions for any machine, occupation, or calling not specifically mentioned in the award, but so as not to contravene any of the provisions herein;
- (ii) Adjusting any matters of difference which may arise between the parties from time to time except such as involve interpretations of the provisions of the award, or any of them.
- (iii) Deciding any other matter that the Court may refer to the Board from time to time;
- (iv) An appeal shall lie to the President of the Court of Arbitration from any decision of the Board, and the provisions of Regulation 92 of "The Industrial Arbitration Act, 1912-1925," shall be deemed to apply, *mutatis mutandis*, to any such appeal.

## 9.—Overalls.

Workers working in the yard during wet weather shall be supplied with waterproof coats or provided with shelter sheds.

## 10.—Change House.

The employer shall provide all necessary sanitary accommodation, change room for workmen, bathroom, and shelter shed or other suitable accommodation, and a sufficient supply of boiling water for workers at meal times. In so far as this clause may involve any structural alterations or additions, it shall remain in abeyance for three (3) months from the date hereof.

## 11.—Protectors for Hands.

Rubber gloves or other suitable hand protectors shall be supplied when required to workers working as moulders, men handling slabs and pipes, reinforcement wires and pipe jointers. Leather gloves shall be provided for mixers.

The worker shall be required to exercise care in the use and custody of these articles and to deliver them at the end of the shift at such place and in such manner as may be required by the employer.

## 12.—Kerosene and Waste.

A sufficient supply of kerosene and waste shall be provided by the employer for the use of the workers.

## 13.—Payment of Wages.

Wages shall be paid weekly and during working hours.

## 14.—Area.

This award shall apply to all factories of the employer within the South-West Land Division.

## 15.—Term.

The term of this award shall be for three (3) years, from the date hereof, provided that at any time after the expiration of twelve (12) months from such date, on giving thirty (30) days' notice to the other party of its intention so to do, either of the parties hereto may make application to the Registrar of Industrial Unions or such other persons as may be mutually agreed upon, to alter, amend or revise the same; and similarly, on the expiration of any subsequent period of twelve (12) months, application may be made in the same manner.

President Court of Arbitration.

IN THE COURT OF ARBITRATION OF WESTERN AUSTRALIA.

No. 17 of 1934.

Between Australian Workers' Union Westralian Goldfields Mining Branch Industrial Union of Workers, Applicant, and The West Australian Goldfields Firewood Supply, Limited, Respondent.

WHEREAS on the 15th day of October, 1934, a stoppage of work took place in connection with the industry carried on by the abovenamed respondent company; and whereas the President of the Court, pursuant to the powers in that behalf contained in the Act, convened a Compulsory Conference for the purpose of settling the industrial dispute; and whereas no agreement was arrived at with regard to hours of work and annual holidays; and whereas in pursuance of the provisions of the Act, the following matters were therefore referred into Court by the said President, that is to say:—

Matters referred to the Court.

The Australian Workers' Union Westralian Goldfields Mining Branch Industrial Union of Workers, as applicant, requests that Clauses 4 and 8 of Award No. 15 of 1926, as amended by Order No. 17 of 1931 (Hours of Work and Holidays) be further amended so as to provide for a forty-four (44) hour week for day workers, and a fortnight's holiday on full pay each year to every worker provided he has worked two hundred and nine-eight (298) shifts at ordinary rates of pay.

The Court having heard Mr. L. J. Triat, on behalf of the applicant union, and Mr. L. L. Carter, on behalf of

the respondent, and the oral and other evidence submitted by the parties, doth hereby order and award as follows:—

- (1) Clauses 1 and 2 of Order, dated the 4th day of August, 1931 (No. 17 of 1931), are hereby rescinded.
- (2) Clauses 4 and 8 of Award No. 15 of 1926, as amended by Order No. 17 of 1931, shall read as originally prescribed by the said Award, No. 15 of 1926, that is to say, as follows:—

Clause 4—Hours for Day Workers.

Forty-four (44) hours shall constitute a week's work, to be worked as follows:—Eight (8) hours on each day, from Monday to Friday inclusive, and four (4) hours on Saturday: Provided, however, that at the employer's option as regards any department of the Company's activities the forty-four (44) hours may be worked in five (5) days of eight (8) hours forty-eight (48) minutes each, or forty (40) hours in five (5) days of eight (8) hours each may be worked one week and the following week forty-eight (48) hours in six (6) days, at times to be mutually agreed upon: Provided, however, that where functions are so closely associated that one cannot be carried on without the active assistance of the other (as, for instance, blacksmith and blacksmith's striker), this clause shall not apply, and the hours of work shall be as heretofore obtaining, subject to any future award or industrial agreement. Should any dispute or question arise under this proviso it shall be referred to the Board hereinafter appointed for decision.

Clause 8—Annual Holidays.

A fortnight's holiday on full pay shall be granted once in each year to every worker, provided he has worked on two hundred and ninety-eight (298) working days at ordinary rates of pay, and should he have worked on less than two hundred and ninety-eight (298) working days when the said holiday is taken or at the termination of his employment, he shall be paid for or allowed a proportionate number of holidays. Payment for the said holiday shall be at the rate of pay the worker is receiving immediately before the holiday is taken or employment terminated: Provided, further, that where the worker is dismissed for wilful misconduct, he shall not be entitled to the benefits of the provisions of this clause.

Piecoworkers shall be entitled to be paid, when on holiday, the minimum rate for their grade.

In witness whereof this Award has been signed by the President of the Court and the seal of the Court has been hereto affixed this 23rd day of May, 1935.
