#### Meetings and Proceedings.

6. Seven days notice in writing shall be given by the Chairman or Secretary of ordinary or regular meetings, and also of every meeting adjourned for a term exceeding six days.

7. Meetings of the Board shall be of two kinds—"Ordinary" and "Special." Ordinary meetings are those held regularly, in pursuance of these By-laws, for the transaction of the general business of the Board, including adjourned meetings, at which uncompleted business shall be completed, together with other business considered necessary. Special meetings are those called under Section 131 of the Act, and shall include those called by the Chairman in response to a requisition signed by three members, or on his own behalf, and the notices for such special meetings shall have such special business specified thereon, and nothing shall be discussed at any special meeting other than the special business specified on the notice of the meeting: Provided, however, that any matter of emergency may be discussed on the ruling of the Chairman and with the consent of those present.

The ratepayers' meeting shall consist of one called under Section 144 of the Act, and the Standing Orders, so far as the Act allows, shall apply to the proceedings but the provisions of the Act shall be first observed.

The Chairman, if present, shall preside at all meetings of the ratepayers and of the Board, and, in his absence, or if, after being present, he shall retire, the person to preside at a meeting of ratepayers shall be a ratepayer chosen by the ratepayers present, and the person to preside at a meeting of the Board shall be the vice-Chairman, or in his absence, a member chosen by the majority of those present.

8. Ordinary meetings shall be held at the office of the Board, or at some other convenient place, at 10 a.m. of the second Saturday of each month, or on such day and at such hour as may be appointed from time to time by resolution of the Board passed at the previous ordinary meeting of the Board.

9. A special meeting may, on the requisition of three members of the Board, be called at any time in the manner prescribed by the Act, but the Chairman may call a special meeting of the Board as often as he deems proper.

10. No business shall be transacted at any ordinary or special meeting unless a quorum, as specified by the Act, shall be present.

11. At all meetings of the Board, when there is not a quorum present, or when the Board is counted out (which counting out shall take place whenever there shall be less than a quorum present, or within 30 minutes after the time for which the meeting is called), such circumstances, together with the names of the members then present, shall be recorded in the Minute Book.

12. At any meeting of the Board, it shall rest with the majority of the members of the Board present to exclude the public from such meeting, when, in their opinion, it is expedient to do so.

13. The first business at all ordinary meetings of the Board shall be the consideration of the minutes of the preceding meeting, with a view of their confirmation. Reading of minutes may be dispensed with if members have been supplied with a copy thereof at least three days prior to the meeting at which such are to be confirmed. No discussion shall take place upon the minutes of proceedings, except as to their accuracy, or for the rectification of a clerical error.

14. The Minute Book prescribed by the Act shall be kept, in which any item of business transacted by the

Board at the meeting shall be entered by the Secretary: Provided, that pasting or permanently affixing the minutes of the meeting of the Board, to the leaves of a book shall be equivalent to entry therein. Minutes of both special and ordinary meetings shall be confirmed at the next succeeding ordinary meeting of the Board.

15. Each member (including the Chairman) shall have one vote, and in the case of an equality of votes, the questions will pass in the negative. In all other cases all questions at such meetings shall be decided by a majority of the votes of the members present. All motions and amendments shall be decided by a show of hands, unless a division is demanded, before the next business is proceeded with.

#### Standing Orders.

16. The order of business at all ordinary meetings of the Board shall be as follows, that is to say:—

- (a) Reading and/or consideration of minutes of last ordinary, also special meetings, and confirmation thereof;
- (b) Consideration of business arising out of the minutes;
- (c) The Chairman shall have the right of directing attention at any meeting to any matter or subject within the jurisdiction or official cognisance of the Board, by a minute signed by himself, and such minute shall, when introduced, take precedence over all business before or to come before the Board and the adoption thereof shall be put by him from the Chair, as a motion, without being seconded, but he shall confine himself to the questions contained therein;
- (d) Reading of correspondence received and despatched, and taking action as may be deemed expedient in regard thereto;
- (e) Reports of sub-committees or officers;
- (f) Questions of which due notice has been given by members or officers of the Board;
- (g) Deputations and presentation of petitions or memorials, and consideration thereof;
- (h) Consideration of tenders and ratification of contracts;
- (i) Motions of which previous notice has been given;
- (j) Motions without notice, by leave of the Board;
- (k) General business;
- (l) Notice of motions;
- (m) Presentation of monthly statement and passing of accounts for payment.

17. In the event of any member having urgent business to place before the meeting, he may move the suspension of the Standing Orders, and, if agreed to by the Board, such business shall take precedence of all other business.

18. Every petition or memorial shall be respectful and temperate in its language, and shall be presented to the Board by a member only; and any member presenting a petition or memorial shall acquaint himself with the contents thereof, and ascertain that it does not contain language disrespectful to the Board; the nature or prayer of any petition or memorial shall be stated to the Board by the member presenting the same.

19. Tenders for work shall be opened and dealt with when the subject-matter of the tenders comes on to be considered at the meeting of the Board, or by a committee appointed for the purpose. The Board may require a deposit of 5 per cent. of the amount of each tender to accompany each tender; or the Board may require two satisfactory bonds lodged with the Board.

20. A member, when speaking, shall not digress from the subject of debate.

21. All correspondence to the Board shall be addressed to the Secretary and submitted to the Board; no letter addressed to the Board shall be presented or read by a member.

22. (a) If, in a report of a committee, distinct recommendations are made, the decision of the Board may be taken separately on each recommendation.

(b) Any report of a committee, or any portion of such report, may be amended by the Board, in any manner it may think fit, or may be referred back to the committee for further consideration.

(c) The recommendations of any committee, when adopted by the Board, shall be resolutions of the Board.

23. When the Chairman rises in his place during the progress of a debate, any member then speaking or

offering to speak, shall immediately resume his seat, and every member shall preserve strict silence so that the Chairman may be heard without interruption, but the member who was speaking may resume when the Chairman takes his seat.

24. In the absence of any member who has placed a notice of motion on the business paper for any meeting, any other member may at such meeting move the same, or such motion may be deferred until the next ordinary meeting of the Board.

25. If any member has been granted leave of absence, and any matter comes before the Board for discussion, the subject-matter of which is of particular interest to the absent member, unless in the opinion of the Chairman it is a matter of urgency, such matter shall be held over until the absent member is again present: provided that, if he is not again present at the meeting at which the matter first came before the Board, no discussion shall take place until the next meeting of the Board, when such matter shall be dealt with.

26. Except as elsewhere provided, no motion, after being placed on the business paper, shall be withdrawn without the consent of the Board.

27. No motion shall be debated unless or until it has been seconded.

28. When a motion has been proposed and seconded it shall become subject to the control of the Board, and shall not be withdrawn without the consent of the Board.

29. When a motion has been proposed and seconded, any member shall be at liberty to move an amendment thereon, but no such amendment shall be debated unless or until it has been seconded. After an amendment has been moved and seconded, any member desirous of moving a further amendment may give notice of his intention so to do, and may briefly state his proposed amendment and the effect thereof.

30. No motion or amendment shall be debated unless or until it has been reduced to writing, if the Chairman so directs.

31. In submitting a motion or amendment, the Chairman shall put the question first in the affirmative and then in the negative.

32. If an amendment has been carried, the question as amended shall itself become the question before the Board, whereupon any further amendment upon such question may be moved.

33. If an amendment, whether upon an original question or amended as aforesaid, has been negatived, then a further amendment may be moved to the question to which such first-mentioned amendment was moved, and so on until there are no further amendments the question is decided by the final vote in the affirmative or in the negative: provided that no more than one question and one proposed amendment thereof shall be before the Board at any one time.

34. No discussion shall be permitted upon any motion for the adjournment of the Board. If, upon the question being put on any such motion the same is negatived, the subject then under consideration or next on the business paper shall be discussed, and it shall not be competent for any member to again move for adjournment until half an hour has elapsed from the time of moving the one that has been negatived.

35. On resuming any discussion that has been adjourned, the mover of such adjournment shall be entitled, if he has not already spoken on the subject under discussion, to speak first.

36. Every such question shall be put categorically and without argument.

37. No discussion shall be permitted respecting any reply or refusal to reply to any question.

38. Members shall on all occasions, when at a meeting, address and speak to each other by their official designations, as Chairman or Secretary, as the case may be, and, with the exception of the Chairman, shall rise in their places and stand while speaking (except when prevented from doing so by bodily infirmity).

39. No member shall be interrupted while speaking except for the purpose of calling him to order, as hereinafter provided, or in pursuance of By-law No. 23.

40. The mover of an original motion shall have the right of general reply to all observations which have been made in reference to such motion or to any amendment moved thereon, as well as the right to speak upon every such amendment. Every member, other than the mover of the original motion, shall have the right to speak once upon such motion, and once upon every

amendment moved thereon. No member shall, without the consent of the Board, speak more than once upon any one question, or for a period of more than ten minutes at any one time, unless when misrepresented or misunderstood, in which case he may be permitted to explain without adding any further observations than may be necessary for the purpose of explanation.

41. Upon a vote being taken, all members present within the Board Room, unless disqualified from voting, shall, and the Chairman, unless so disqualified, may, upon the question being put, record their respective votes in the affirmative or negative, as each shall deem desirable, but if a member other than the Chairman neglects or refuses to vote, his vote shall be counted for the negative.

42. (a) All questions shall, if not otherwise decided by law, be determined thus:—Upon a question being put those in favour shall say "Aye," and those against "No," and the Chairman shall declare whether the "Ayes" or "Noes" have determined the question; or, if the Chairman prefer, he may call for a show of hands for and against the question. The decision of the Chairman shall be final and conclusive, unless such decision be immediately challenged and two members rise and demand a division.

(b) Where there is only one dissentient, he may request that his name be recorded in the minutes as opposed to the motion, and it shall be so recorded.

43. Upon a division being called for, the question shall be put in the affirmative first and then in the negative, and the Chairman and all the members present shall vote by a show of hands, and the names and votes of the Chairman and members present shall be recorded in the minutes by the Secretary. Any member of the Board present when a division is called for, who does not in the manner above indicated vote on such motion, not being disqualified by law from voting, shall have his vote counted in the negative.

44. The Chairman shall be at liberty to put any question as often as may be necessary, to enable him to form his opinion as to the result of voting, and declare the same.

45. Any member, who at any meeting of the Board or any Committee, commits a breach of any By-law, or who moves or attempts to move any motion or amendment embodying any matter beyond the legal jurisdiction of the Board or Committee or who in any other way raises or attempts to raise any question, or addresses or attempts to address the Board or Committee upon any subject which the Board or Committee has no legal right to discuss, or who uses any language, which, according to the common usage of gentlemen would be held to be disorderly, or makes use of any expression inconsistent with good order and decorum, or who says or does anything calculated to bring the Board or Committee into contempt, shall be guilty of an act of disorder.

46. The Chairman, when called upon to decide a point of order or practise, shall state the rule or precedent applicable to the case, without further argument or comment, and his decision shall be final in that particular case. If the ruling of the Chairman be disagreed with then the usual Parliamentary procedure may be adopted.

47. Any member, having been called to order by the Chairman more than once, for any infringement of any of the provisions of these By-laws, or for any breach of decorum, shall, upon the request of the Chairman withdraw from the Board Room for the remainder of the meeting.

48. If disorder arises at any meeting, the Chairman may adjourn the meeting for a period of fifteen minutes, and quit the Chair. Then on resuming, shall, on question put from the Chair, decide without debate whether the business be proceeded with or not.

49. The Board may at any time appoint one or more members as a committee to inquire into any matter and make a report and recommendation thereon, but no committee shall incur a financial liability or in any way commit the Board to any responsibilities whatever, without express and specific authority conferred by the By-laws or a resolution of the Board.

50. At the meeting of the Board in each year a Finance and Works Committee shall be appointed, the Finance Committee shall meet at 9.30 o'clock on the morning of the ordinary meeting of the Board, and shall carry out the duties specified in the regulations, and report to the Works Committee on the funds available for future works.

51. The Works Committee shall meet at such time and such places as the Chairman, or the committee by resolution, may direct. The Works Committee shall receive all requests and correspondence relating to works, and, considering the report of the Finance Committee, shall recommend to the Board the necessary works required in the District.

52. All accounts, bills, and vouchers, except as hereinafter provided shall be submitted to the Finance Committee meeting and the ordinary Board meeting, and, after being certified as correct, shall be paid by cheque. Provided that the Board may by resolution authorise the payment of wages, emergency accounts, and progress contract payments to be made by cheque between meetings; all such accounts to be placed before the Finance Committee at its next meeting, who shall review same, and, if satisfied with the necessity of the action taken, include same in their report.

53. An account shall be opened with such bank as the Board may from time to time direct, and all moneys received, from whatever source, with the exception of moneys granted by the Government, shall be paid into such bank to the credit of the Board, and no account shall be paid by other than cheque signed by the Chairman and one member of the Board and countersigned by the Secretary. Provided that payments less than two pounds may be made in cash from a petty cash account kept for that purpose. Such petty cash account shall be kept in the imprest system, and the amount thereof shall be decided by the Board from time to time.

54. All moneys belonging to the Board shall, within 24 hours, or such a time as specified by the Board, after they come into the hands of any officer, servant, or clerk, be paid to the Secretary or responsible officer directed by the Board to receive same.

55. In case of emergency the following amounts may be expended by the persons mentioned:—Chairman alone, up to £3; one member alone up to £2; Chairman and one member up to £4; two members, up to £5. By the Engineer, up to £10, which expenditure shall be confirmed by the next ordinary meeting.

56. Every item of expenditure, and every liability incurred by any Committee or member of the Board, otherwise than under the Act or of these By-laws, shall be deemed unlawful expenditure and a breach of this By-law by that person.

## 5.—Holiday Pay.

For all time of duty on holidays (see "Definitions") payment shall be made at the rate of ordinary time (one day's pay) in addition to the weekly wage, except on Good Friday and Christmas Day, when all time of duty shall be paid for at the rate of one and a half day's pay in addition to the weekly wage. Any worker required to work on a holiday shall be paid at least half a day's wage at holiday rate.

## 6.—Sunday Work.

Sunday work shall consist of attendance on horses only. All time worked on Sundays shall stand alone and be paid for at time and a half.

## 7.—Commencing Time.

The day's work shall be deemed to commence at the time the bread carter arrives at his employer's premises and to terminate when he finally leaves them for the day; but the hour of commencing shall not be before 6 a.m. on any day except Saturday, when the hour of commencing shall not be before 5 a.m.

## 8.—Pay Day.

Wages shall in all cases be paid weekly. No employer shall hold more than one day's wages in hand.

## 9.—Board and Lodging.

Except in the case of parent and son, a worker shall not board or lodge with his employer or on his premises.

## 10.—Shortages.

A worker shall not be held responsible for shortages in money or bread, unless notified by the employer or his authorised servant in respect to same within twenty-four (24) hours of such appearing in his delivery book or bread book.

## 11. Shipping Trade.

The provisions of Clause 7 as to starting time shall not apply to delivering to ships at Bunbury or Hospitals.

## 12.—Area.

This award shall apply to the locality comprised within a radius of twenty-five (25) miles from the Bunbury Post Office.

## 13.—Term.

This award shall come into operation from the first pay day in August, 1935, and shall continue in force for a period of three (3) years, subject to the right to apply to amend in pursuance of the Industrial Arbitration Act, or this award.

## 14.—General Conditions.

(a) A copy of this award shall be kept in a place where the industry is being carried on where it is easily accessible to the workers.

(b) Not more than one casual hand may be employed at any time, provided that this subclause shall not apply owing to the absence through sickness of other workers, or on account of other workers being on holidays, or on account of any cause which the employer cannot reasonably prevent, which renders this clause inoperative.

(c) Employers shall, when engaging workers, state definitely whether such worker is engaged as weekly or casual hand.

(d) Employers shall notify their workers on the working day immediately preceding a holiday if their services are required next day. Failing such notice, the workers shall be entitled to take the holiday and to receive a full week's wage.

## 15.—Definitions.

(a) "Casual hand" shall mean a worker engaged as such, whose contract of service shall be an hourly one, terminable at any time without notice.

(b) "Holidays" for the purpose of this award shall mean the days on which Bunbury Cup Day, Anniversary Day, Union Picnic Day, Good Friday, Easter Monday, Anzac Day, Labour Day, Foundation Day, Christmas Day, and Boxing Day are observed.

(c) The "Representative of the Union" shall mean any person authorised in writing by the President and Secretary of the Amalgamated Road Transport Union of Workers, Perth.

(d) Subject to Clause 21, "Bread carter" shall mean and include any person employed delivering or conveying bread anywhere other than at the shop or bakehouse of his employer.

## 16.—Engagement.

One week's notice at any time on either side shall be required before the engagement of any but a casual hand shall be terminated.

## 17.—Annual Holidays.

(a) All bread carters shall be given one week's leave of absence on full pay after the expiration of each twelve (12) months service. Such leave shall be given to and taken by the employee within two (2) months of becoming due. Where the engagement of any bread carter is terminated after one month's continuous service or after any period of continuous service from the date on which the previous annual holidays became due, he shall be paid in lieu of holidays in proportion to the length of his service.

(b) A worker who is dismissed for misconduct shall lose all rights under this clause.

(c) Holiday pay shall not accrue during a worker's absence from his employment for any cause whatsoever except such absence from work is on account of holidays, annual holidays, or sickness coming within the provisions of Clause 20, to which he is entitled under this award.

## 18.—Meal Times.

Not more than one hour shall be deducted for meal times in any one day.

## 19.—Time and Wages Book.

Each employer shall provide a time and wages book, to be kept in a place where it is easily accessible to both the employer and the worker. Such book shall show the name of the worker, the time he starts and finishes work each day, the number of hours worked by and the wages and overtime paid to each worker, and his signature for the same. The employer and the worker shall be severally responsible for the proper posting of such book daily. Such book shall be open on one day in each week, during working hours, to inspection by the Secretary of the Union or any other representative of the Union.

## 20.—Payment for Sickness, etc.

A worker other than a casual hand shall be entitled to payment for non-attendance, on the ground of personal ill-health, for one half-day for each completed month of service: Provided that payment for absence through such ill-health shall be limited to six (6) days in each calendar year. Payment hereunder may be adjusted at

the end of each calendar year or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

## 21.—Junior Workers.

The terms and conditions of employment of workers under the age of twenty-one (21) years shall be as are mutually agreed upon in writing between an employer and the union. Failing such agreement, any worker under twenty-one (21) years of age shall be paid the rate prescribed in Clause 2 for bread carters.

## 22.—Learning a Round.

Where the engagement of a bread carter has been terminated and another worker is engaged in his stead the employer shall be permitted to reduce for six (6) consecutive working days the prescribed wage by fifty per cent. (50 per cent.) whilst such worker is learning the round.
