The other three (3) days shall be Christmas Day, Good Friday, and Labour Day. If Christmas Day falls on a Sunday the following Monday shall be given in lieu thereof.

(ii) A worker who does not complete one year's service shall be entitled to one day's pay in lieu of holidays for every month of service in proportion as his length of service is to the full year's employment.

10.—Under Rate Workers.

A worker who by reason of old age or infirmity is unable to earn the minimum rate of wages here-in prescribed may be employed at a lower rate, which shall be agreed upon in writing between the worker and the secretary of the Union. If within seven (7) days after being notified in writing of the worker's desire to work at a lower rate of wages than the prescribed rate, the said secretary and worker are unable to agree upon a lower rate, then the worker may apply in writing to the Resident or Police Magistrate within whose Magisterial District the proposed employment will take place to fix such lower rate of wages. The worker shall give such secretary two (2) days' notice in writing of his intention to apply to the Magistrate, and the said secretary or his agent may attend and oppose the application. The Magistrate may fix the rate of wages, and his decision shall be final. Any worker whose wage shall have been so fixed may work for and be employed by any employer within the district to which this Award applies for such lower wage for the period of six (6) calendar months thereafter and, after the expiration of the said period, until fourteen (14) days' notice in writing shall have been given him by the secretary of the Union requiring his wage to be again fixed in the manner prescribed by this clause.

11.—Contract of Service.

The contract of hiring of every worker, except juniors, watchmen, despatch clerks, tally clerks, and storemen shall be deemed to be a contract of hiring by the day.

Each employer shall keep or cause to be kept at his usual place of business, or at each of them if more than one, a book containing a record of the names of all workers employed by him at the particular factory, the class of work performed by each worker, the wages paid to each such worker, the starting and finishing time on each day, and the amount of overtime, if any. Such book shall be open to inspection by the secretary, or such person as may be appointed by the union, on any day during working hours.

13.—Breakdowns, etc.

The employer shall be entitled to deduct payment for any day or portion of a day upon which the worker cannot be usefully employed because of any strike by the union or unions affiliated with it, or by any other association or union, or through the breakdown of the employer's machinery, or any stoppage of work by any cause which the employer cannot reasonably prevent, except such stoppage is due to shortage of railway trucks.

14.—Junior Worker's Certificate.

(a) Junior workers, upon being engaged, shall furnish the employer with a certificate showing the following particulars:—

(i) Name in full;
