The Game Act, 1912-13.

PROCLAMATION

WESTERN AUSTRALIA, { By His Excellency Sir James Mitchell,
TO WIT. } K.C.M.G., Lieutenant-Governor in and
JAMES MITCHELL, over the State of Western Australia
Lieutenant-Governor. and its Dependencies in the Common-
wealth of Australia.
[L.S.]

1084/29.

WHEREAS it is provided by "The Game Act, 1912-13," that the Governor may by Proclamation declare from time to time that any bird or animal indigenous to Western Australia shall be at all times strictly preserved, either generally throughout the State or in any one or more portions thereof, and that the Governor may in like manner exempt from the operations of any such declaration under the said Act any defined locality: And whereas by a Proclamation dated the 30th day of July, 1929, and published in the *Government Gazette* on 2nd August, 1929, it is proclaimed and declared that the close season for Finches and Weaver Finches (exclusive of Silver-eyes) in those portions of District "G" (namely, the Kimberley Division as defined in "The Land Act, 1898"), mentioned and described in the said Proclamation, shall be the period commencing on the 1st day of September and ending on the 31st day of December in each year: And whereas it is desirable to exempt from the operations of the said Proclamation a defined locality, namely, that portion of the said District comprised within an area outside a radius of 20 miles from the Wyndham Police Station: Now, therefore I, the said Lieutenant-Governor, acting with the advice and consent of the Executive Council, and in exercise of the powers aforesaid, and of every other power enabling me in this behalf, do hereby proclaim and declare that so much of District "G," namely, the Kimberley Division as defined in "The Land Act, 1898," as is comprised within an area outside a radius of 20 miles from the Wyndham Police Station shall be and is hereby exempted from the operations of the aforesaid Proclamation for a period commencing on the 1st day of October, 1935, and ending on the 31st day of December, 1935.

Given under my hand and the Public Seal of the said State, at Perth, this 22nd day of August, 1935.

By His Excellency's Command,

P. COLLIER,
Premier.

LAND OPEN FOR SELECTION.

Department of Lands and Surveys.
Perth, 6th March, 1934.

IT is hereby notified, for general information, that the areas scheduled hereunder are available for selection under Part V. of "The Land Act, 1933," and the Regulations appertaining thereto, subject to the provisions of the said Act.

Applications must be lodged at the Local Land Office for the district in which the land is situated, not later than the date specified, but may be lodged before such date if so desired.

All applications lodged on or before such date will be treated as having been received on the closing day, and if there are more applicants than one for any block, the application to be granted will be determined by the Land Board. Should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, the applicants for the blocks will be duly notified of the date, time and place of the meeting of the Board, and there shall be an interval of at least three days between the closing date and the sitting of the Board.

If an applicant wishes to appear before the Land Board in person he may apply to the Head Office or to the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket, at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

The selector of a Homestead Farm from any location must take the balance thereof, if any, under Conditional Purchase.

All marketable timber, including sandalwood and mallet, is reserved to the Crown, subject to the provisions of Clause 18 of the Regulations.

THE WATER BOARDS ACT AMENDMENT
ACT, 1918.

Quairading Water Area.

P.W.W.S. 740/35.

IT is hereby notified, for general information, that His Excellency the Lieutenant-Governor in Executive Council has been pleased to approve, under the provisions of "The Water Boards Act Amendment Act, 1918," of a Rate of Two shillings and sixpence in the Pound on the Annual Rateable value of the land rated being made and levied in the Quairading Water Area for the year ending the 30th June, 1936.

C. A. MUNT,
Under Secretary for Water Supply.

THE WATER BOARDS ACT, 1904, AND
AMENDMENTS.

Dangin-Quairading Water Board By-laws.

WHEREAS by "The Water Boards Act, 1904," and amendments, the Water Board of any District is empowered to make By-laws for all or any purposes in the said Act mentioned, the Dangin-Quairading Water Board, in pursuance of the powers vested in the said Board, under and by virtue of the said Act, and of every other authority enabling it in that behalf, doth hereby make and publish the following By-laws to operate, and have effect, in the Dangin Water Area and Quairading Water Area respectively:—

DIVISION 1.

Interpretations.

1. (a) The words "Authorised," "By-laws," "District," "Fittings," "Local Authority," "Minister," "Occupier," "Owner," "Pipe," "Prescribed," "Ratepayer," "Rateable land," "Road," "Reservoir," "Stream," "Water Area," "Waterworks," and "Works" shall have meanings severally attached to them in "The Water Boards Act, 1904," hereinafter referred to as the principal Act, or any amending Act, and the By-laws made thereunder.

(b) "Reservoir" shall mean any reservoir, dam, tank, cistern, or well.

(c) "High-water mark" shall mean the level of full supply of any reservoir or feeder thereto.

(d) "Minister" shall mean the Minister for Water Supply, Sewerage, and Drainage, acting in pursuance of "The Water Boards Act, 1904," and "The Water Supply, Sewerage, and Drainage Act, 1912."

(e) "Board" shall mean the Danguin-Quairading Water Board.

(f) "Secretary" and "Inspector" respectively shall mean a person appointed by the Board for the purposes of these By-laws, or to administer the said By-laws.

(g) "Domestic supply": A supply of water for domestic purposes shall not include a supply for cattle or for horse, or for any steam engine, or for washing carriages, where such horse or carriages are kept for hire or are the property of any dealer, or for any hotel, inn, trade, manufacturer, or business whatever, or for watering gardens, or for fountains, or for any ornamental purposes.

(h) "Private service": For the purpose of these By-laws "Private service" includes all the pipes and fittings, and all connections and apparatus, of whatsoever nature or kind, and whether used temporarily or otherwise, on any part of the premises of the owner or occupier of any premises supplied with water, whether by meter or otherwise, and includes any pipes or fittings, the property of the consumer which are used for conveying water from the mains of the Board, whether situated on the premises of the consumer or otherwise.

DIVISION 2.

By-laws for the Preventing of Pollution of the Catchment Area.

2. The By-laws in this Part apply to all water reserves and catchment areas constituted for the purpose of the principal or any amending Act.

DIVISION 3.

By-laws for Protecting the Water, Grounds, Works, etc., from Trespass and Injury.

Trespassing Prohibited.

3. Trespassing within the fenced-off ground adjacent to or reserved for Water Supply Works, or the entering without proper authority of any waterwork not open to the public, shall not be permitted.

Camping and Lighting of Fires.

4. Camping or lighting of fires within the vicinity of any reservoir, except on land set apart for such purposes, shall not be permitted. The lighting of fires on any other reserves or fenced-off land is absolutely prohibited.

Disposal of Refuse, etc.

5. Loose paper or other refuse shall not be left on any portion of the grounds in the vicinity of any reservoir or works, except in receptacles provided therefor.

Posting or Distribution of Bills, etc.

6. Bills, advertisements, or other notices shall not be posted or distributed on any portion of any reservoir or works, or on any portion of the works or grounds in the vicinity thereof.

Nuisances.

7. Nuisances shall not be committed on any portion of the grounds in the vicinity of any reservoir or works.

Protection of Pipes.

8. Vehicles, conveyances, or animals shall not be driven, taken, or ridden in such a manner as to endanger the main conduit, or any branch thereof, or be permitted to cross the same, except where crossing places have been provided as indicated by sign-boards.

DIVISION 4.

Licensing of Plumbers.

Plumbing Work shall be done by Licensed Plumbers.

9. Any person shall not do or cause to be done any work within the Water Area in connection with the water supply of any premises, or in connection with any

fitting or apparatus connected therewith, unless he shall have first been duly admitted by the Board as a "Licensed Water Plumber."

Description and Scope of Licenses.

10. The conditions upon which licenses will be issued by the Board are:—(a) The Board will grant water supply plumbers' licenses, operative only in the area to which these By-laws apply, to water supply plumbers, upon the applicants satisfying the Board that they are competent water supply plumbers, and that they are fit and proper persons to hold such licenses, and the applicants may be required to submit to an examination in the theory and practice of plumbing work.

Annual Fee for License.

11. A fee of ten shillings shall be payable for every license, except when a license is granted after the tenth day of January in any year, in which case the fee shall be five shillings.

Renewal of License.

12. Licenses issued by the Board under the By-laws and Regulations shall be current only from the 1st July to the 30th June of the year of issue, and water supply plumbers shall apply for a renewal, and pay the necessary fee before the expiry of the year for which their existing license is current.

List of Licensed Plumbers shall be Published.

13. A list of licensed water supply plumbers shall, from time to time, be published at the Office of the Board.

Breaches of By-laws by Plumbers.

14. Any licensed water supply plumber offending against any By-law or Regulation, or who shall refuse to give any needful or proper information required by an officer of the Board, either by himself or those employed by him, or who fails to complete any contract with the Board, or with a private owner, within the time specified, shall be liable to a fine not exceeding Twenty pounds, and he shall also show cause why his license shall not be suspended or cancelled. Any person who has been removed from the list shall not be re-admitted as a licensed water supply plumber until he shall have served the suspension order, or paid such fine, not exceeding Twenty pounds, as the Board may determine.

Delay in Work.

15. Plumbers shall execute any work they undertake with reasonable despatch, and any inconvenience to the public caused by licensed water supply plumbers by unnecessary delay in carrying out work will be rigorously dealt with by the Board.

Accidents to Pipes shall be Reported.

16. Accidents caused by licensed water supply plumbers to water, gas, or other pipes shall be at once reported and immediate steps taken to have repairs effected, and the cost of same shall be defrayed by such plumber.

Deposit and Declaration.

17. Prior to issue of the license, the person to whom the same is to be issued shall deposit with the Board a sum of Five pounds, which shall be retained during the currency of the license as a security for the proper performance of all work done by him, and shall sign a declaration that he accepts such license, subject to and in conformity with the conditions thereof and with the By-laws of the Board, and that he will conform and comply therewith.

Deductions from Deposit.

18. The Board may deduct from such deposit any fine inflicted, or the expense of making good any bad work of the licensed water supply plumber or his workmen, and, as often as any amount is so deducted, the licensed water supply plumber shall make good the deposit to the sum of Five pounds, and, in default, his license will be cancelled.

Change of Address to be Notified.

19. Every licensed water supply plumber shall, within forty-eight hours of any change in his address, give notice, in writing, thereof to the Board.

DIVISION 5.

Water Supply Plumbing.

20. In connection with the laying down, maintenance, alteration, or repair of every private service, the following Regulations shall be observed by the owner or occupier of the premises whereon such service is:—

- (a) All pipes and fittings shall be of lead, or galvanised wrought or malleable iron, of a standard approved of by the Minister for use in country water supplies under his control;
- (b) No service pipe shall communicate directly with any cistern, tank, or vessel intended or used for the reception of rainwater, or made or used below the surface of the ground;
- (c) No part of any service shall communicate directly with the water in any steam boiler or other apparatus used for the generation of steam, but the feed water shall be supplied in such a manner that none of the water in the boiler or such other apparatus can return into the main or service pipe;
- (d) Every water closet fitting shall be approved of by the Board, and shall be supplied from the service pertaining to the tenement through a proper cistern or service box fitted with approved waste-preventing apparatus; no service pipe shall communicate directly with a basin or trap, or otherwise than with the cistern of a water closet;
- (e) In every bath the outlet shall be distinct from and unconnected with the inlet or inlets, and the inlet or inlets shall be placed at least one inch above the highest water-level of the bath; the outlet of every bath shall be provided with a perfectly water-tight plug.
- (f) Every urinal shall be supplied only through a cistern or service box, fitted with approved waste-preventing apparatus; no service pipe shall communicate directly with any urinal.

Maintenance of Private Services.

21. (a) The owner or occupier for the time being of any premises supplied with water shall, at his own risk and expense, and, subject to the provisions of these By-laws, arrange with a licensed plumber to lay down his private service, and keep it in good order and repair, and so that the same shall at all times be in accordance with the By-laws for the time being.

(b) The service pipe, being the property of the owner or occupier of the land supplied by such service pipes, the occupier (if any) and, if none, the owner shall, upon receiving notice that his service pipe requires repairing, immediately arrange with a licensed plumber to repair the same, subject to the provisions of these By-laws, and he shall be responsible for any loss of water or other damage which shall be caused by reason of such service pipe being leaky, or otherwise out of repair or broken, and, in default, be liable to a penalty not exceeding Ten pounds, and in the event of continuing the offence, to a further penalty of Two pounds for each day after receipt of such notice, and the Board may stop the water from flowing into such premises, either by cutting off the service pipe, or otherwise, as the Board may see fit, until the necessary repairs shall have been effected.

(c) Without prejudice to the right of the Board to proceed for any penalty for the breach or non-observance of any of the provisions of these By-laws, the Board may cut off the supply of water to any premises whereon the private service or any part thereof is not at all times laid, fixed, used, or maintained in all respects in accordance with the provisions of the said By-law, and may keep the same cut off until such provisions have been fully observed.

Interference within three feet of Meter.

22. Licensed plumbers or other persons shall not, under any circumstances, disconnect the joints from the meter, or, after a meter has once been fixed on a service and water has been turned on, disconnect or interfere with any piping within three feet of such meter. Such work shall be done only by the servants of the Board.

DIVISION 6.

By-laws for General Purposes.

Applications for Services.

23. Applications for water services shall be made on the printed form, procurable at the Board Office, and shall be lodged not less than seven days before the service is required. Full information, as indicated on the prescribed form, shall be supplied, and the full amount of rates or other charges due on the premises to which a service is required shall be paid on or before application and before the work is commenced.

Supply to non-rated Premises.

24. Any person or persons requiring a water service to any non-rated property may be supplied, on payment of a minimum charge, which shall be fixed by the Board in each case. The minimum charge shall then take the place of a water rate, and the general provisions of these By-laws, as applying to ratepaying consumers, shall apply to minimum-charge-paying consumers.

Supply of Water not Compulsory.

25. It shall be at the discretion of the Board to supply water to any individual consumer or to any land, whether rated or not.

Separate Services required.

26. Except with the written permission of the Board, not more than one house or tenement shall be supplied from a single water service. The Board may, in special cases, consent to two or more tenements being supplied from one water service, but in such cases the subservices shall be so arranged that the supply to each house shall be independent of the supply to the remaining houses and controlled by a stopcock on such subservice.

Sizes of Service Pipes.

27. The size of the service pipe shall in each case be fixed at the discretion of the Board.

Notice of intention to Build.

28. The owner or occupier of any land supplied with water within a Water Area who shall erect or make, or cause to be erected or made, any building or addition to an existing building on such land shall, before the commencement of same, give notice in writing thereof to the Board.

Locking of Taps, etc.

29. The occupier of any premises to which the water has been laid on, or, in the event of there being no occupier, the owner, shall cause proper means to be taken, by locks or otherwise, subject to the approval of the Board, to prevent the use of the water from the main by persons not connected with the said premises.

30. No service pipe shall communicate directly with any cistern, tank, or vessel intended or used for the reception of water other than water obtained from the Board's mains.

Misuse of Water.

31. Any person entitled to a supply of water for domestic purposes only, or entitled only to a supply of water for any other specified purposes, shall not use such water for any other purposes, except that specified.

Illegal taking or selling of Water.

32. Any person, whether entitled to receive water from the Board or not, shall not, without the written permission of the Board, take, carry away, or allow to be taken or carried away, such water from his premises, or sell the same to any other person.

Turning off when Repairing and Tapping.

33. The Board may, from time to time, when necessary for the purpose of tapping and repairing the main or otherwise, cut off the supply of water from any part or parts of a water area.

Reward—Reporting Leakage.

34. The Board may in its discretion adequately reward any person (not being the person in fault), who shall communicate timely information to the Board of any leakages or waste of water whether the same be accidental, negligently, or wilfully occasioned or suffered, or who shall give such information as shall lead to the conviction of any person or persons who shall steal or cause to be stolen or improperly appropriated the water of the Board.

Waste of Water.

35. Any person supplied with water by the Board, whether by meter or otherwise, shall not allow the same to run to waste.

Fixing of Meters.

36. Any officer appointed by the Board for the purpose may fix a meter on any service, and shall determine the size and class of meter in each case. Meters will be supplied by the Board and may be opened or encased, at the discretion of the Board.

Repairs and Maintenance of Meters.

37. Any person supplied with water through a meter belonging to the Board shall pay the cost of making good all damages to such meter whilst on his land and his charge. Any repairs required shall be done by the officers of the Board, and the expense incurred by the Board in so doing shall, on demand, be paid by the owner or occupier of the land, and, if not paid on demand, shall be recoverable in the same manner as water rates.

Notice of Damage or Non-registration of Meter shall be given.

38. Any person supplied by the Board with water through a meter shall, on finding that meter is damaged or not registering immediately give notice of the fact to the Local Water Supply Office.

Interference with Meters.

39. Any person shall not break or in any way interfere with the seal fixed on the meter through which water is supplied by the Board, or turn or attempt to turn any screw, bolt, or nut on or attached to such meter, or use any tool or appliance on any such meter, or introduce or attempt to introduce any body or substance into such meter, or in any way interfere with any portion of such meter or any pipes or fittings attached thereto.

Period for Reading.

40. The quantity registered by a meter at any time between ten days before and ten days after any stated date may be taken as the reading of the meter at such stated date.

Averaging of Consumptions.

41. During the time any meter is undergoing repairs, or should it cease to properly register the consumption of water, the Board, or any officer appointed by the Board, may, at its option, estimate the quantity of water consumed by taking an average of the quantity used during such previous period, as the Board may determine, and the quantity so ascertained shall be paid for by the consumer.

Testing of Meters.

42. If any consumer shall at any time be dissatisfied with any particular reading of a meter, and be desirous of having the meter tested, he shall give written notice thereof to the Board, or its officer, within seven days of such reading, and thereupon the said meter shall be tested by passing through it a predetermined quantity of water, and if upon such testing of water it shall appear to the satisfaction of the Board or its officer that the meter registered more than five per cent. in excess of the quantity that shall actually pass through it at such testing, then the Board shall bear the expense of and incidental to such testing, and shall also adjust the charge to the said consumer; but if the meter upon such testing shall not register more than five per cent. in excess of the quantity that shall actually pass through it, then the consumer shall pay to the Board all the expenses of and incidental to such testing: providing that the expense of every test shall be fixed by the Board, subject to a minimum charge of ten shillings for each test: provided also, that the consumer shall not be at liberty to avail himself of the right to test the registration of the meter for any period other than the period of registration next preceding the date of reading in respect of which he shall have given notice as aforesaid.

Authority to enter Premises.

43. Any officer acting under the Board's authority may at all reasonable times enter any house or premises connected or intended to be connected with the water mains, in order to examine whether the water pipes and fittings in such house or premises are in

proper order. Any person refusing such admission or in any way hindering such officer in the execution of his duty shall be liable to a penalty as hereinafter prescribed.

Gratuities Prohibited.

44. Officers, workmen, or agents of the Board shall not solicit or receive any fee or gratuity whatever.

Junction or Interference with Pipes or Fittings.

45. Any person shall not make any connection or interfere with any pipe or fitting of the Board, or with any water pipe or fitting communicating therewith, at any other place than shall be approved of by the Board, and the mains shall only be tapped by the workmen of the Board.

Inspection of Works.

46. Work shall not be undertaken in connection with water supply, or in the extension or alteration thereof, until such time as the necessary printed permit is obtained. Two days' notice shall in all cases be given by the licensed plumber before work is intended to be commenced, unless the officer of the Board duly appointed to issue permits expressly accepts shorter notice. In no case shall any water pipe or apparatus in connection with water supply be used until the said work shall have been inspected, and, if necessary, tested by the said officer and certified by him on the prescribed form. No underground or enclosed work shall be covered up or concealed from view until the same shall have been duly inspected and passed by the Inspector, and for this purpose the person to whom the permit has been issued shall immediately report any work which is ready for inspection or test, and every facility shall be afforded to such officer for making such inspection or tests.

DIVISION 7.

Rates and Charges.

Rates—How Payable.

47. Rates shall become due and payable yearly in advance on the 1st day of July. Provided that, in all cases where a rate is made after the first day of July in any year, the notice of the order for the making and levying of such rate, published in the *Government Gazette* and a newspaper, as provided by Section 94 of the said Act, shall specify the minimum sum payable as rate as aforesaid, and the date or dates when the rates shall be due and payable, and such rate shall be and become due and payable in accordance with the terms of such notice.

Allowance for Rate.

48. Subject to the provisions of these By-laws, every ratepayer will be entitled to consume on each separately assessed piece of land of which he is the owner or occupier, that quantity of water, which, if calculated at the price specified in the Schedule I. hereto as being that at which water is supplied in return for the rate in the area in which such property is situated would amount to the equivalent of the water rate paid on each property: provided that such water is taken during the period for which the rate is struck.

Payment for Excess Water.

49. Every ratepaying consumer taking water in excess of the quantity to which he is entitled in respect of the rate shall pay for the excess in accordance with prices set forth in the Schedule I. hereto.

Fees—State or Commonwealth Government Departments'

50. For each water service for purposes of any State or Commonwealth Department there shall be payable, as a minimum annual fee in lieu of water rate, the sum of not less than One pound (£1), when the service is metered, and not less than One pound ten shillings (£1 10s.) when the service is non-metered. It shall be at the discretion of the Board as to whether or not a meter shall be fixed in each case.

Fees for additional Services.

51. In any case where the owner or occupier of any separately rated piece of land requires more than one service to be installed for supplying water to such land, such additional service or services shall, at the discretion of the Board, be installed on such occupier or owner paying in advance the cost of installation and a fee of not less than One pound per annum, in addition to meter rent, for each additional service. In re-

turn for such fee an equivalent quantity of water will be given in each year, in the same way as water is given in return for water rates.

Meter Rents.

52. Every person supplied with water by measure shall pay meter rent in advance, with a rebate of 2s. 6d. per meter if paid within 30 days of the due date, according to following scale:—

Size of Meter.	Annual Rent.			
	Inferential:		Positive:	
	Open.	Encased.	Open.	Encased.
	s.	s.	s.	s.
½ inch ..	10	10	10	10
¾ inch ..	10	15	10	15

Reconnection Fee.

53. In every case in which the supply of water shall have been cut off by reason of non-payment of rates or other charges, or by reason of a defective service, or by request of the occupier or owner, or when, in the opinion of the Board or local officer, necessary to prevent waste of water, or for other reasons, a minimum fee of five shillings shall be charged for disconnection and reconnection; provided that, where the cost exceeds the minimum fee, the actual cost of the disconnection and reconnection, as determined by the Minister, shall be charged, and shall be payable by the owner or occupier for the time being, on demand. The service shall not be restored until such fee has been paid.

Private Fire Service.

54. Private fire services will be allowed, but every such service shall be sealed, except in cases where the Board may decide that sealing is unnecessary. For each such service there shall be paid the actual cost of installation, and a fee equivalent to five per centum on cost per annum shall be paid in advance as rental, subject to a minimum fee for each service of Ten shillings per annum. No water shall be taken from any sealed portion, except for extinction of fire. In the event of the seal having been broken in case of fire or by accident, or otherwise, the occupier shall give notice, and pay the cost of resealing.

Building Fees.
