2. The provision made in the first section of the Reclassification, under the heading of "Basic Wage," shall have equal application to this section, subject to the following proviso:—

- (a) Adjustment shall not apply to the salaries of officers whose maximum salary under this classification is over £699.
- (b) The adjustment in respect of the salary of female officers whose actual salary exceeds £210 per annum shall be at the rate of 80 per cent. to the nearest pound of any adjustment applicable to the adult male minimum rate of £185 per annum, except in any special case in which the Commissioner approves of the male adjustment operating.

3. The Treasury memorandum printed as an appendix to the first section shall be read as one with this section, subject to the proviso set out in paragraph 2 herein.

4. Officers whose salary is in excess of £699 will be subject to adjustments only when the basic wage fluctuation represents in the aggregate, either up or down, an amount of 7s. 8d. per week, when an adjustment of £20 will be made.
