AT a meeting of the Executive Council held in the Executive Council Chambers, at Perth, this 14th day of April, 1938, the following Order in Council was authorised to be issued:—

The Road Districts Act, 1919-1934.

West Kimberley Road Board.

ORDER IN COUNCIL.

WHEREAS it is enacted by section 95 of the Road Districts Act, 1919-1934, that—

- (1) no election shall be deemed to be void in consequence solely of any delay of any of the stages of such election beyond the time appointed, or of any error on the part of the returning officer which does not affect the result of such election, or of any error, defect, or impediment of a merely formal nature;
- (2) the Governor may adopt or cause to be adopted such measures and make such orders as he deems necessary to remove any obstacle by which the due course of any election is likely to be impeded, or for supplying any deficiency that would otherwise affect the same;
- (3) any such measures and orders shall be forthwith published in the *Gazette*, and shall be valid and have legal effect:

And whereas in relation to elections required to be held for the election of a certain number of members of the West Kimberley Road Board certain obstacles have arisen and certain deficiencies exist by reason whereof the due course of such election will be impeded, that is to say, by the notice bearing date the 16th day of March, 1938, given by the said West Kimberley Road Board the said Board notified the holding on the 23rd day of April, 1938, of the annual election and extraordinary election of five members of the said Board instead of notifying the holding on the 23rd day of April, 1938, of the annual election of three members of the said Board, and also of two extraordinary elections of two members of the said Board to fill vacancies created by resignations of two members, namely, W. Steele and J. Rodgers from the said Board: And whereas it is desirable and expedient that in relation to the said elections the said obstacles shall be removed and the said deficiencies shall be supplied, in order that the said elections may be proceeded with upon the said date: Now, therefore, His Excellency the Lieutenant-Governor doth hereby order and declare:—

(1) That the notice of election dated the 16th day of March, 1938, given by the West Kimberley Road Board as aforesaid shall be deemed to be and shall be read and construed as being a notice of the holding on the 23rd day of April, 1938, of the annual election of three members of the said Board occasioned by the retirement of three members by effluxion of time, and also of the holding on the said 23rd day of April, 1938, of two extraordinary elections of two members of the said Board occasioned by the resignation of former members of the Board, namely, W. Steele and J. Rodgers, whose term of office is still current;

(2) That the nominations of candidates which have been received by the Returning Officer of the said Board in pursuance of the said notice of election shall be

deemed to be and shall be held as being, firstly—nominations of candidates for election at the annual election of three members as aforesaid, and, secondly—as being nominations of candidates for election at the extraordinary election of one member of the said Board in the place of the said W. Steele resigned, and, thirdly—as being nominations of candidates for election at the extraordinary election of one member of the said Board in the place of the said J. Rodgers resigned.

Provided that—

- (i) where any nomination received by the Returning Officer as aforesaid has expressly stated or indicated therein that the candidate named therein is nominated for and in respect of only one of the said elections firstly, secondly, and thirdly mentioned and provided for in paragraph (2) hereof, the candidate nominated shall be deemed to be and shall be held as being nominated only for that particular election aforesaid expressly stated in the nomination; and
- (ii) where in accordance with paragraph (2) hereof a candidate is deemed to have been nominated for all three elections aforesaid, if he shall be found by the count of votes in respect of any one of the said elections to have been elected a member of the said Board by such election, he shall then be disqualified for election by the count in the others of the said elections, and any votes given for such candidate in the election for which he shall have become disqualified as aforesaid shall be disregarded and excluded from the count of the votes in such last-mentioned election.

(3) Electors voting at the said elections held pursuant to the notice of election aforesaid shall be entitled to vote in each election provided for in paragraph (2) hereof as if the said elections were three separate elections, and shall be entitled to receive separate ballot papers for each such election accordingly.

(4) In the counting of the votes taken at the said elections, the votes taken at the annual election of three members shall be counted first and the three members so elected shall be ascertained accordingly; the votes taken at the extraordinary election of a member in the place of W. Steele resigned shall be counted second, and the member elected in place of W. Steele resigned as aforesaid shall be ascertained accordingly; and the votes taken at the extraordinary election of a member in the place of J. Rodgers resigned as aforesaid shall be counted last, and the member elected in the place of J. Rodgers resigned as aforesaid shall be ascertained accordingly.

(5) In relation to electors voting in absence in connection with the elections notified as aforesaid, all persons authorised to receive such votes may issue to such electors aforesaid separate ballot papers for and in respect of each election provided for in paragraph (2) hereof, but shall indicate thereon the particular election aforesaid in relation to which each such ballot paper is so issued as aforesaid, and shall in all other respects, so far as may be necessary, apply and give effect to the provisions of this Order in Council.

Clerk of the Council.
