No. 268.

Permits Required.

(1) No person shall enter upon the premises of the Commissioners with a vehicle to ply for hire therewith for the carriage of passengers, or of passengers' luggage or of goods, either or all, unless he is the holder of a permit and numbered badge issued for the purpose by the Commissioners.

(2) Applications for such permits and badges shall be made to the secretary of the Trust upon the form provided.

(3) Every permit issued under this regulation shall, subject to regulation 269, operate and have effect until and including the 30th day of June next following the date of the issue of the permit. Provided that where a permit is issued less than 15 days before the 30th day of June in any year such permit may be issued so as to operate and take effect as from the date of issue and also for a period of 12 months commencing on the 1st day of July next following the date of the issue of the permit but no longer.

No. 269.

Permits May be Refused or Cancelled.

(1) The issue of permits and badges under regulation 268 shall be in the absolute discretion of the Commissioners, who may refuse to issue any permit, if they shall think fit, without giving any reason for such refusal.

(2) Where any permit has been issued and is still in force, and for any reason which in the opinion of the Commissioners is sufficient, the Commissioners consider that such permit should be cancelled, the Commissioners may cancel such permit by notice

in writing signed by the secretary of the Trust delivered to the holder of the permit or sent to him by post addressed to him at his address as known to the Commissioners; and as from the date of delivery or posting of such notice the permit cancelled thereby shall be null and void.

(3) Where a permit has been cancelled by the Commissioners the holder thereof shall forthwith peaceably deliver up such cancelled permit and the badge issued to him therewith to the secretary of the Trust at his office, whether such delivery has been demanded or not.
