12. At any meeting of the Board it shall rest with the majority of the members of the Board present to exclude the public from such meetings, when in their opinion it is expedient to do so.

- (c) the chairman shall have the right of directing attention at any meeting to any matter or subject within the jurisdiction or official cognisance of the Board, by a minute signed by himself, and such minute shall, when introduced, take precedence over all business before or to come before the Board, and the adoption thereof shall be put by him from the Chair, as a motion, without being seconded, but he shall confine himself to the questions contained therein;
- (d) reading of correspondence received and despatched, and taking action as may be deemed expedient, in regard thereto;

18. Every petition or memorial shall be respectful and temperate in its language, and shall be presented to the Board by a member only; and any member presenting a petition or memorial shall acquaint himself with the contents thereof, and ascertain that it does not contain language disrespectful to the Board; the nature or prayer of any petition or memorial shall be stated to the Board by the member presenting same.

19. Tenders for work shall be opened and dealt with when the subject matter of the tenders comes on to be considered at the meeting of the Board, or by a Committee appointed for that purpose. The Board may require a deposit of 5 per cent. of the amount of each tender to accompany each tender, or the Board may require two satisfactory bonds lodged with the Board.

20. A member, when speaking, shall not digress from the subject of debate.

21. All correspondence to the Board shall be addressed to the secretary and submitted to the Board; no letter addressed to the Board shall be presented or read by a member.

22:—

- (a) If in a report of a Committee distinct recommendations are made, the decision of the Board may be taken separately on each recommendation.

- (b) Any report of a Committee, or any portion of such report, may be amended by the Board, in any manner it may think fit or may be referred back to the Committee for further consideration.
- (c) The recommendation of any Committee, when adopted by the Board, shall be a resolution of the Board.

23. When the chairman rises in his place during the progress of a debate, any member then speaking or offering to speak shall immediately resume his seat, and every member shall preserve strict silence so that the chairman may be heard without interruption, but the member who was speaking may resume when the chairman takes his seat.

24. In the absence of any member who has placed a notice of motion on the business paper for any meeting, any other member may at such meeting move the same, or such motion may be deferred until the next ordinary meeting of the Board.

25. If any member has been granted leave of absence, and any matter comes before the Board for discussion the subject-matter of which is of particular interest to the absent member, unless in the opinion of the chairman it is a matter of urgency, such matter shall be held over until the absent member is present; provided that, if he is not present at the meeting at which the matter again came before the Board, no discussion shall take place until the next meeting of the Board, when such matter shall be dealt with.

26. Except as elsewhere provided, no motion, after being placed on the business paper, shall be withdrawn without the consent of the Board.

27. No motion shall be debated unless or until it has been seconded.

28. When a motion has been proposed and seconded it shall become subject to the control of the Board, and shall not be withdrawn without the consent of the Board.

29. When a motion has been proposed and seconded, any member shall be at liberty to move an amendment thereon, but no such amendment shall be debated unless or until it has been seconded. After an amendment has been moved and seconded, any member desirous of moving a further amendment may give notice of his intention so to do, and may briefly state his proposed amendment and the effect thereof.

30. No motion or amendment shall be debated unless or until it has been reduced to writing, if the chairman so directs.

31. In submitting a motion or amendment the chairman shall put the question first in the affirmative and then in the negative.

32. If the amendment has been carried, the question as amended shall itself become the question before the Board, whereupon any further amendment upon such question may be moved.

33. If an amendment, whether upon an original question or amended as aforesaid, has been negatived, then a further amendment may be moved to the question to which such first-mentioned amendment was moved, and so on until there are no further amendments, and the question is then decided by the final vote in the affirmative or in the negative: Provided that no more than one question and one proposed amendment thereof shall be before the Board at any one time.

34. No discussion shall be permitted upon any motion for the adjournment of the Board.
