Wheat Products (Prices Fixation) Act, 1938.

### PROCLAMATION

WESTERN AUSTRALIA, } By His Excellency Sir James Mitchell,  
TO WIT. } K.C.M.G., Lieutenant-Governor in and  
JAMES MITCHELL, } over the State of Western Australia  
Lieutenant-Governor. } and its Dependencies in the Common-  
[L.S.] } wealth of Australia.

WHEREAS it is enacted by section 15 of the Wheat Products (Prices Fixation) Act, 1938, that the Governor may from time to time, on the recommendation of the Wheat Products Prices Committee as constituted by the said Act, by Proclamation fix minimum and maximum prices at which substances included in the definition of flour or in the definition of wheat products may be sold in the State, or in any specified part of the State, by any person: And whereas by Proclamation dated the 9th day of March, 1939, and published in the *Government Gazette* on the 10th day of March, 1939, amongst other things the Lieutenant-Governor fixed the prices therein at which flour, bread and the other substances therein specified may be sold by any person in the various portions of the State specified therein, and such Proclama-

tion is still in force and operation: And whereas by a subsequent Proclamation dated the 11th day of May, 1939, and published in the *Government Gazette* on the 12th day of May, 1939, the Lieutenant-Governor varied the first-mentioned Proclamation in the manner mentioned in the last-mentioned Proclamation: And whereas the Lieutenant-Governor, by a further supplementary Proclamation dated the 11th day of May, 1939, and published in the *Government Gazette* on the 12th day of May, 1939, which was to be read as being supplementary to and not in amendment or variation of the Proclamation dated the 9th day of March, 1939, aforesaid, as varied by the Proclamation varying the same dated the 11th day of May aforesaid, temporarily increased the prices fixed in relation to best baker's flour and standard wheatmeal by and under subparagraph (A) of paragraph 1 of the said Proclamation dated the 9th day of March, 1939, aforesaid, as varied by the Proclamation dated the 11th day of May, 1939, aforesaid, by a supplementary addition thereto in every case of the sum of ten shillings per ton of 2,000 lbs: And whereas it is deemed expedient, without in any way affecting, varying, or amending the said Proclamation dated the 9th day of March, 1939, and published in the *Government Gazette* on the 10th day of March, 1939, as varied by the Proclamation varying the same dated the 11th day of May, 1939, and published in the *Government Gazette* on the 12th day of May, 1939, to revoke and cancel the said supplementary Proclamation which temporarily fixed a supplementary additional price for best baker's flour and standard wheatmeal as aforesaid, and also by this Proclamation temporarily to increase by way of a supplementary addition certain prices as fixed by and under the said Proclamation dated the 9th day of March, 1939, varied as aforesaid by the Proclamation dated the 11th day of May, 1939, varying the same, but so that such Proclamation shall not be deemed to be further amended or varied by this Proclamation, but shall continue in operation and have effect according to the tenor thereof and be merely supplemented by this Proclamation and so that if and when this Proclamation is revoked the said hereinbefore-mentioned Proclamation, varied as aforesaid shall, until revoked by a subsequent Proclamation, continue in force and operation and have effect, according to the tenor thereof, subject always to any further variation in its terms which may be made from time to time as if this present Proclamation had not been issued: Now, therefore I, the said Lieutenant-Governor, acting with the advice and consent of the Executive Council

and in accordance with the recommendation of the said Wheat Products Prices Committee, and in exercise of the power in that behalf conferred upon me by the said Act, do hereby revoke and cancel the hereinbefore-mentioned supplementary Proclamation dated the 11th day of May, 1939, and published in the *Government Gazette* on the 12th day of May, 1939, whereby prices previously fixed in relation to best baker's flour and standard wheatmeal by the Proclamation dated the 9th day of March, 1939, as aforesaid, were temporarily increased by a supplementary addition thereto of ten shillings per ton of 2,000 lbs., and also do hereby declare that during the continuance of this present Proclamation the prices as fixed in relation to best baker's flour and standard wheatmeal by and under subparagraph (A) of paragraph 1 of the said Proclamation dated the 9th day of March, 1939, and published in the *Government Gazette* on the 10th day of March, 1939, and varied as aforesaid by the Proclamation varying the same, dated the 11th day of May, 1939, and published in the *Government Gazette* on the 12th day of May, 1939, and as affected by paragraph 1a of the said Proclamation shall be and are hereby supplemented by the addition thereto in every case of the sum of five shillings per ton of 2,000 lbs., and that such additional sum is hereby fixed accordingly as a temporary addition only to the said prices heretofore fixed and in operation as aforesaid: And I do further declare that, save and except as to the revocation and cancellation of the supplementary Proclamation hereinbefore provided, this present Proclamation shall operate and have effect, and be read and construed as operating and having effect, as being supplementary to and not in variation or amendment of the said Proclamation dated the 9th day of March, 1939, and published in the *Government Gazette* on the 10th day of March, 1939, and varied as hereinbefore mentioned, and so that the said last-mentioned Proclamation shall continue and have effect, according to the tenor thereof, and be merely supplemented by this present Proclamation, and so that if and when this present Proclamation is revoked by a subsequent Proclamation, the said Proclamation to which this present Proclamation is declared to be supplementary as aforesaid shall continue in force and operation and have effect, according to the tenor thereof, subject always to any further variation or amendment in its terms which may be made from time to time as if this present Proclamation had not been issued: And I further declare that, insofar as any of the prices, other than those fixed under subparagraph (A) of paragraph 1 of the Proclamation aforesaid are based upon any of the prices fixed under the said subparagraph (A) of paragraph 1 aforesaid, such first-mentioned prices shall during the continuance of this present Proclamation be deemed to be based upon the said last-mentioned prices as supplemented by the additional sum of five shillings per ton by this present Proclamation: And I lastly declare that this Proclamation shall take effect as from and after the publication thereof in the *Government Gazette*.

Given under my hand and the Public Seal of the said State, at Perth, this 25th day of May, 1939.

By His Excellency's Command,

F. J. S. WISE,  
Minister for Lands.

## LAND OPEN FOR PASTORAL LEASING

Under Part VI. of the Land Act, 1933-1938.

IT is hereby notified that the land described hereunder will be available for general selection under Part VI. of the Land Act, 1933-1938, on and after the date specified:—

WEDNESDAY, 7th JUNE, 1939.

ALBANY LAND AGENCY.

South-West Division.

Kent District.

Corres. 1953/37. (Plan 447/80, D3.)

The unsurveyed area, containing about 11,000 acres, bounded on the north by an east and west line passing through Survey Mark P2; on the eastward, southward, and south-westward by the Indian Ocean; on the west by a line in prolongation south of the east boundary of Reserve 21718.

PERTH LAND AGENCY.

Eastern Division.

Bulga District (near Dromedary Hills).

Corres. 839/37. (Plan 36 and 41/300.)

These areas of unsurveyed lands, containing about 28,056 acres and 62,000 acres, being J. A. & J. C. O'Leary's and K. J. O'Leary's forfeited Pastoral Leases Nos. 395/826 and 395/825.

North-West Division.

Hardey District (near Capricorn Range).

Corres. 1680/35. (Plan 93/300.)

That area of unsurveyed land, containing about 61,840 acres, being G. H. Parker's forfeited Pastoral Lease No. 394/1191; subject to payment for improvements.

G. L. NEEDHAM,  
 Under Secretary for Lands.

## LAND OPEN FOR SELECTION.

IT is hereby notified, for general information, that the areas scheduled hereunder are available for selection under Part V. of the Land Act, 1933-1938, and the Regulations appertaining thereto, subject to the provisions of the said Act.

Applications must be lodged at the Land Agency Office as specified hereunder not later than the date specified, but may be lodged before such date if so desired.

All applications lodged on or before such date will be treated as having been received on the closing day, and if there are more applicants than one for any block, the application to be granted will be determined by the Land Board. Should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, the applicants for the blocks will be duly notified of the date, time, and place of the meeting of the Board, and there shall be an interval of at least three days between the closing date and the sitting of the Board.

If an applicant wishes to appear before the Land Board in person he may apply to the Head Office or to the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department which, on presentation at the nearest Railway Station will entitle him to a Return Ticket, at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

The selector of a Homestead Farm from any location must take the balance thereof, if any, under Conditional Purchase.

All marketable timber, including sandalwood and mallet, is reserved to the Crown, subject to the provisions of Clause 18 of the Regulations.

By-laws for the Management and Use of the Yarloop Hall.

P.W. 1425/37.

WHEREAS by the Road Districts Act, 1919-1938, the Road Board of any district is empowered to make by-laws for all or any of the purposes mentioned in the said Act; and whereas the Harvey Road Board, in pursuance of the powers vested in the said Board, under and by virtue of the said Act and of every authority enabling it in that behalf, doth hereby make and publish the following by-laws:—

1. Interpretation clause:—In the construction of these by-laws:—

- (a) The word "Board" shall mean the Harvey Road Board
- (b) The word "Committee" shall refer to the Committee appointed as described hereunder, to act for the Board in the management and control of the hall.
- (c) The word "Hall" shall mean the Yarloop Hall, and shall include any room, corridor, stairway, or annex of such hall.
- (d) The word "Chairman" shall include a vice-chairman or person acting in that behalf.

2. A Committee shall be appointed, under the control of the Board, to represent the Board in matters pertaining to the hiring, maintenance, and general control of the hall. Such Committee shall consist of five members, to be nominated by the Board, and, in addition to this number, the two members representing the North Ward on the Board shall be *ex officio* members of the Committee.

3. The chairman of the Committee shall be the chairman of the Board, as provided by section 137 (2) of the Road Districts Act, and the vice-chairman shall be one of the members of the Board for the North Ward.

4. The vice-chairman shall preside at all meetings, except when the chairman is present, and, in the absence of both, the members of the Committee present shall elect one of their number to act.

5. The Committee shall elect one of its number to act as secretary.

6. A quorum shall consist of a majority of the members. Meetings shall be held as often as necessary, and at least once a quarter in each year. Special meetings may be called under the direction of the chairman, or on the written request of two-thirds majority of the members of the Committee, and also at the written request of ten ratepayers of the North Ward.

Any member of the Committee other than a Road Board member who is absent from three consecutive ordinary meetings of the Committee shall forfeit his seat, which shall automatically become vacant, and the Board shall proceed to appoint another member to fill the vacancy for the unexpired portion of the retired member's term.

7. The duties of the secretary shall be to attend all meetings of the Committee and keep a correct record of the minutes of same; to summon members to attend meetings of the Committee; to conduct all correspondence on behalf of the Committee; to keep a proper account, in an approved manner, of all moneys received and disbursed on behalf of the Committee; to prepare a report and balance sheet when required to do so; to carry out the reasonable instructions given at Committee meetings and recorded in the minutes; and to do all things within reason for the benefit of the Committee.

8. The duties of the Committee shall be:—

- (a) to do all things for the proper administration, maintenance, control, and preservation in good order of the hall;
- (b) to control the hiring of the hall;
- (c) to receive rents accruing from such hiring, and to hand such money to the Board at regular periods, not exceeding seven days;

From the date of coming into operation of this by-law, all previous by-laws made by the Board relating to buildings are repealed.

## 4.—Definitions.

In this by-law, subject to the context—

“Act” means the Road Districts Act, 1919-1938.

“Alteration” means any work made or done for any purpose in, to, or on a building (except that of necessary repairs not affecting the construction of any external, cross, or party wall), or any change in the purpose for which any building or erection or any part thereof shall be used.

“Approved” means approved by the Board in writing or, in case where the surveyor is authorised by the Board to do so, approved by the surveyor in writing.

“Area” applied to a building means the sum of the superficies of the horizontal sections of each storey made at the point of the greatest surface of each floor, inclusive of the external walls and such portion of the party walls as belong to the building.

“Board” means the Melville Road Board.

“Building” means and includes erection, structure, detached room, outbuilding, hoarding and every structure of whatever kind capable of affording protection or shelter, either roofed or intended or adapted to be roofed, and whether enclosed by roofs or not, and every part of such structure and any addition or alteration thereto.

“Builder” means the master builder or other person employed to execute any work, or, if there is no master builder or other person so employed, then the owner of the building or other person for whom or by whose orders such work is to be done.

“Dwelling-house” means a building used or adapted to be used wholly or principally for human habitation.

“District” means the Melville Road Board District.

“Fire-resisting” used with reference to any materials includes:—

- (a) brickwork constructed of good bricks (well burnt hard and sound), properly bonded and solidly put together with good lime or cement mortar;
- (b) any stone suitable for building purposes by reason of its solidity or durability;
- (c) sheet metals or other similar materials which are in the opinion of the Board fire-resisting;
- (d) iron or steel (when used for columns, girders, or wall framing) encased in cement concrete or other incombustible or non-conducting external coating;
- (e) slate, tiles, brick, and terra cotta, when used for covering, or corbels;
- (f) concrete composed of broken bricks, stone chippings, or ballast and lime cement or calcined gypsum.

“External wall” means an outer wall of a building, not being a party wall, even although it adjoin a wall of another building.

“Frontage” means the distance measured at right angles to one of the sides of the land from the terminal point thereof to the opposite side, or a continuation of such opposite side.

“Garage” means any building used for the housing of a motor or motor vehicle (not being a garage carried on as a business undertaking).

“Height,” in relating to any building, means measurement taken from the level of the footway (if any) immediately in front of the centre of the building or, when there is no such footway, from the level of the ground before excavation to the level of the ceiling or tie of the topmost storey.

“Height” in relation to storeys, means—

- (a) in the case of the topmost storey, the measurement between the floor and the ceiling thereof or between the floor and the under-surface of the tie of the roof, or, if there is no tie, then up to the level of half the vertical height of the rafters or other support of the roof;
- (b) in the case of every storey other than the topmost storey, the measurements between its floor and the floor above.

“Hoarding” includes any erection or structure erected, built, constructed, or used or that may be used for the purpose of writing, painting, pasting or posting thereon notices, advertisements, placards, or other printed, painted, or written matter are printed, written, painted, pasted, or posted, but shall not apply to a hoarding erected in a street for the purpose of carrying on building operations only, or to any dwelling-house or shop or any fence 7 feet or under in height, or to “To-Let or For Sale” boards not exceeding 20 square feet in area.

“Main rooms” mean and include all rooms used or intended to be used as bedrooms, dining rooms, ordinary living rooms or kitchens.

“New building” includes—

- (a) any building erected or commenced to be erected after the date of this by-law coming into operation;
- (b) any building which for more than half its cubical contents has been taken down or destroyed by fire, tempest, or otherwise, and is re-erected or commenced to be re-erected wholly or partially on the same site after the date of this by-law coming into operation;
- (c) any space between walls and/or buildings which is roofed or commenced to be roofed after the date of this by-law coming into operation;
- (d) any building removed or transported wholly or in sections into the district or from one part of the district to another part after the date of this by-law coming into operation.

“Outbuilding” means any building on the curtilage of any dwelling, shop, or combined shop and dwelling used as a work shop or storeroom, not being a building for the storage of inflammable materials, nor for the housing of any animal or animals, including birds, and not exceeding 329 feet in area or 15 feet in height.

“Party wall” means a wall built to be used as a separation of two or more buildings, or a wall forming part of a building built upon the dividing line between adjoining premises for the common use.

“Person” includes corporation.

“Public place” has the same meaning as in the Act.

“Reinforced concrete” means a form of construction in which cement concrete is reinforced with iron or steel, these materials being so combined that the iron or steel will take up and resist substantially the whole of tensional stresses and assist in the resistance to shear, while the concrete will take up and resist the compressional stresses and assist in resistance to shear.

“Right of way” means any lane or right of way, not a road, over which any person other than the owner thereof has a right of carriage way.

“Road” has the same meaning as in the Act.

“Surveyor” means the building surveyor or acting building surveyor for the time being of the Board or other officer having for the time being the administration of this by-law.

“Shop” means a building in which goods are regularly offered or exposed for sale, or in which meals or refreshments are regularly offered or provided, for payment, and also includes the saloons or shops of barbers and hairdressers and offices of agents and auctioneers and other businesses or trades. A *bona fide* private boarding house shall not be included in this definition by reason only of the fact that meals or refreshments are occasionally supplied for payment to persons other than boarders.

“Square” applied to the measurements of any area means the space of 100 square feet.

“Surface” or “ground level” means the mean level of the ground as determined by the surveyor.

“Wood or wooden buildings” means buildings of wood or having wooden frames.

#### 5.—Classes of Buildings.

For the purpose of this by-law buildings shall be divided into three classes:—

Class A.—“Domestic class,” which includes all buildings subject to small vibration and light loading of floors, such as dwelling-houses, residential shops, offices, hotels, private schools, club-houses and studios.

Class B.—“Warehouse class,” which includes all buildings subject to vibration and heavy loading of floors, such as warehouses, factories, mills, and places for the storage and manufacture of goods.

Class C.—“Public building class,” which includes all buildings designed to accommodate an assemblage of people such as theatres, churches, chapels, assembly halls, museums, libraries, public schools, hospitals, lecture rooms, and other like buildings.

In case of doubt the surveyor shall finally determine to which class any particular building belongs.

#### Part 2.—Notice of intention to Build or Demolish and Lodging of Plans.

##### 6.—Notice to be given.

No builder shall commence any building or any addition or alteration to any building without first delivering at the Office of the Board a written application in the form of the First Schedule hereto, before so commencing and delivering to the surveyor.

##### Plans and specifications:

(a) Properly prepared plans and specifications of such building, alteration, or addition, together with a tracing or copy of the plan of such building, addition, or alteration, and also details and dimensions, sizes, and qualities of all materials, and enumerating any old materials proposed to be used in the construction of same.

##### Block Plan:

(b) A block plan showing the relation of the building to adjoining buildings and boundaries.

##### Purpose:

(c) A statement in writing of the purpose for which the building is intended to be used.

##### Drainage:

(d) Particulars of the proposed method of drainage.

##### Further particulars:

(e) Such further particulars in writing regarding the same as shall be necessary to enable the Board or its surveyor to determine if all the provisions of this by-law applicable thereto are being complied with.

#### 7.—Tracing Retained.

The tracing or copy of the plans and details of the materials shall be retained by the surveyor, and the original plans and specifications, when approved, shall be returned to the owner or his agent.

Such approval shall be evidenced by writing indorsed on the plans and specifications and signed by the Board.

#### 8.—Plans, etc., to be kept at Building.

Such plans and specifications shall be kept at the building therein referred to, and shall be available for inspection by the surveyor, or the accredited officer of the Board, at all reasonable times, on demand, during the construction or erection or alteration or addition, as the case may be, and for 14 days after the completion thereof.

#### 9.—Permits and Fees.

No person shall commence any building, or any addition, alteration to any building or demolish any building without having first obtained from the Board a written permit for the commencement of same, and without having first paid to the Board fees in accordance with the scale set out in the Second Schedule hereto, having regard to the class of building.

#### 10.—Area of new Building.

The decision of the Board as to the area of a new building or value of an addition shall be final and conclusive.

#### 11.—Permits shall lapse after Six Months.

A permit obtained pursuant to this by-law shall lapse and be of no effect, unless the building for which such permit was granted shall be commenced within three months and completed within six months from the date of such permit, unless the special permission of the Board is obtained for an extension of time for the completion of the building, and no building which is intended to be used as a dwelling-house, and no addition to any such building shall be built within 25 feet, measured horizontally from the road the building fronts, unless a building line at a different distance from such road has been fixed by the proper authority, and no building intended to be used as a dwelling-house, and no addition to any such building, shall be built within 3 feet, measured horizontally, from the boundary of the allotment on which the building is erected.

#### 12.—The Surveyor may enter and inspect.

The surveyor at all reasonable times during the progress and after the completion of any building affected by this by-law may enter and inspect such building or addition or alteration.

#### 13.—The Surveyor may stop Work if contrary to any By-law.

The surveyor may at any time stop the progress of any building, and withdraw or suspend any permission given by the surveyor under this by-law, in the event of his not being satisfied that all the provisions of this by-law are being complied with, and any person who continues or builds or erects or works on the site after notice from the surveyor to desist, shall be guilty of an offence against this by-law.

#### 14.—Demolition or removal of Building.

When a building is to be demolished or removed the owner or contractor shall give 48 hours' notice to the Board of such intended demolition or removal.

#### 15.—Nuisance to be avoided.

Provision shall be made so as to avoid all nuisance from dust or falling refuse by playing water on same by means of a hose or other approved method.

#### Part 3.—Outbuildings and Garages.

##### 16.—Materials.

Outbuildings may, subject to the limitations herein, be built and constructed of brick or other materials approved by the Board.

#### 17.—No wooden Building to be extended within 8 feet of Outbuildings.

No wooden building may be extended in such a manner that an outbuilding and dwelling shall thereafter be within 8 feet of each other, but this provision shall not prevent the owner of a building on land adjoining that on which such outbuilding has previously been erected in different occupation from extending such building, subject to the provisions of this by-law.

#### 18.—Outbuildings on Corner Blocks.

No outbuilding shall be erected on a corner block at a less distance from the road on the side boundary than the adjoining building is from such road, or if there is no adjoining building, at a less distance than 25 feet from such road.

#### 19.—Stables erected with Walls of Brick.

Stables may be erected with walls of brick, stone, or concrete, provided that, in stables of more than two squares in area, the distance of any wall of such stable from land not in the same occupation or possession shall not be less than the vertical height of such wall, including the vertical portion of a gable and roof from the boundary of the land not in the same occupation or possession.

## 20.—Distance of Stables from Boundaries.

No stable may be erected nearer than 50 feet to any dwelling nor than 10 feet to the boundary of land not in the same occupation.

## 21.—Fowl-houses.

Fowl-houses of not more than two squares in area and not more than 6 feet in height may be erected at rear of any dwelling and not less than 4 feet from the boundary of land not in the same occupation; provided that the nearest portion of such fowl-house is at least 80 feet from any road and 30 feet from any dwelling-house, church, schoolroom, hall or factory. The walls and roof covering of such fowl-houses must be of iron or other fire resisting material approved by the Board. Fowl-houses of more than two squares in area must comply with the regulations for buildings generally, and not be nearer to the boundary of land not in the same occupation than 5 feet and not exceed 7 feet in height.

## 22.—Position of Building.

Where the Board has prescribed a building line, no building shall be erected on any parcel or allotment of land, unless it is erected at the prescribed minimum distance of the street alignment.

Where the Board has not declared a building line, no building shall be erected closer to the street boundary of any parcel or allotment of land than 25 feet; provided that, where a building line has been prescribed or not, no building on any lot between the nearest street corners to the land or allotment in question, on the same side of the street, shall be erected closer to the street than the mean distance which the nearest existing buildings on the same side of the street are set back from the street boundary.

## 23.—Doors of Garages.

The doors of any garage when open shall not encroach on any road.

## 24.—Materials for Garages.

Every garage shall be constructed of fire-resisting material, but corrugated iron shall not be used for walls. Where fire-resisting sheets are used for walls, framing and dado of approved hardwood may be used.

## 25.—Garage incorporated with Dwelling.

Where a garage is incorporated as part of the main building, it shall in all respects conform thereto, but must have a ceiling of fireproof material approved by the Board.

## 26.—Garages on corner Blocks.

No garage shall be erected on a corner block at a less distance from the road on the side boundary than the adjoining building is from such road, or, if there is no adjoining building, at a less distance than 25 feet from such road.

*Part 4.—Materials.*

## 27.—Quality of Materials.

All materials used in any building must be of good quality and shall be subject to the approval of the Board, and the Board shall have the power to condemn and to order the removal of or to remove at the expense of the owner any material which in its opinion is not suitable for use for the purpose for which it considers it is intended to use same, and no person shall use any material so condemned for any building, alteration, or addition.

## 28.—Second-hand Material.

No old or second-hand material may be used unless approved in writing by the Board.

## 29.—Bricks.

Bricks used in any building must be good, hard, and well burnt. When old bricks are used in any wall they shall be thoroughly cleaned before being used and shall be whole and good, hard well burnt bricks.

## 30.—Sand.

Sand used for mortar and concrete in any building shall be clean and sharp, free from loam, dirt, salt, and organic matter.

## 31.—Lime and Mortar.

Lime mortar shall be composed of freshly burnt lime and sand in the proportion of at least 1 part by measure of lime and not more than 3 parts by measure of sand. All lime intended to be used for mortar shall be thoroughly burnt, of good quality, and be properly slaked before being mixed with sand. Cement mortar consisting of one part cement to 5 parts of sand may be substituted for lime mortar.

## 32.—Cement.

Cement mortar shall be composed of clean broken stone or other hard material, approved by the Board, mixed with clean sharp sand in the proportion of at least 1 part by measure of cement and not more than 4 parts by measure of sand, and shall be used before initial setting has commenced.

## 33.—Concrete.

Concrete for foundations shall be composed of clean broken stone or other hard material approved by the Board, broken to a gauge not exceeding 2 inches, and sand well mixed on a wooden floor or in an approved concrete mixer with cement in the proportions of 1 part by measure of cement to not more than 5 parts of the other materials. Concrete for purposes other than foundations shall be as specified above, except that for walls less than 6 inches in thickness and for reinforced work the stone used shall be broken to a gauge not exceeding three-quarters of an inch.

## 34.—Timber.

All timbers and wooden beams used in any building shall be good sound material, free from large or loose knots, shakes, or other imperfections whereby the strength may be impaired, and shall be of such sizes, dimensions, and spaces as set forth in clause 62 of this by-law, subject, however, to clause 36 hereof.

## 35.—Lintels.

All lintels cast in concrete shall have the brand of the manufacturer stamped thereon, such manufacturer to be approved of by the Board. Builders casting lintels in position shall submit to the Board a plan showing position and details of reinforcements and specification of materials to be used, such design to be approved at the same time as the plan. Lintels up to 6 feet span shall be three courses in depth; lintels from 6 to 8 feet span shall be four courses in depth. All door and window heads shall be by concrete lintel or cement mortar joint brickwork, with camber bar.

All such lintels shall be reinforced with at least 3½ inch bars and shall have a proper bearing at each end.

## 36.—Dimensions of Timber.

The timber used in brick dwelling-houses shall conform to not less than the following minimum sizes:—

Bottom wallplates 3in. by 2in.

Floor joists 4in. by 2in. at 1ft. 6in. centres.

Bearers 4in. by 3in., not exceeding 6ft. centres, and shall be at least 6in. clear of the ground.

Top plates 4in. by 1½in.

Rafters 4in. by 2in. at 2ft. centres for other than iron roof, or 3ft. centres for iron roof.

Purlins 4in. by 3in. for tile roof well strutted.

Ceiling joists 4in. by 2in. at 2ft. centres.

Ceiling hangers 6in. by 1½in.

Collar ties 4in. by 1½in.

Ridge 7in. by 1½in.

Hips and valleys 8in. by 1½in.

*Part 5.—Construction.*

## 37.—Excavations and inspection of Trenches.

All excavations for footings shall be taken down to a solid foundation, to be approved by the Board, but not less than 12 inches below the natural surface of the ground, except in cases of special construction of foundation approved by the Board. No footing shall be placed in position until at least 24 hours' notice shall have been given to the Board that the trenches are ready for inspection.

## 38.—Drainage under Floors.

The surface of the ground between all walls of buildings shall be levelled up higher than the finished surface outside and evenly graded to prevent any accumulation of water or drainage beneath the floors, and such surface shall, if required by the Board, be covered with properly mixed tar composition laid to a uniform thickness of not less than 2 inches in every part, rolled, rammed, and finished so as to be impervious to water and other inhalations.

In all wet or bad ground subsoil drainage shall be provided and laid as directed in writing by the Board.

## 39.—Walls to have Footings.

Unless with the consent of the Board every external wall and every party wall not carried on a "bressumer" and every pier and storey post shall have footings.

## 40.—Dimensions of Footings.

The width of the bottom of the footing of every such wall shall be at least one half greater than the thickness of the wall at the ground floor level, but in no case less than 16 inches wide, unless approved by the Board, and the height of such footing shall be at least equal to the thickness of the wall at its ground floor level, but in no case less than 9in.

## 41.

In the case of wooden buildings the foundations thereof for all walls shall be in accordance with clause 62 of this by-law.

## 42.—External Walls.

All external walls shall consist of brick, stone, concrete, reinforced concrete, or other hard fire-resisting material, approved by the Board: provided that any building used or intended to be used solely as a dwelling-house may have walls constructed of wood and/or asbestos, subject to the conditions set out in this by-law for buildings wholly or partly in wood.

## 43.—Construction of External Walls.

Every wall constructed of brick, stone, or other similar materials shall be properly bonded and solidly put together with mortar, and no part of such wall shall overhang any part underneath it, except to the extent of 9 inches and as approved by the Board, and provided that the projection is well and solidly corbelled out and that the inside of the wall carrying such corbelling is carried up vertically in continuation of the lower face thereof. All return walls shall be properly bonded together.

## 44.—Damp Course.

Every wall or fireplace of brick, stone, or similar material shall have a damp-proof course or courses of asphalt, distilled tar and hot sand or other approved impervious material, at least 6 inches above the surface of the ground below the lowest floor, and, in cases where it is not desirable to place the same throughout the building at one uniform level, then the said damp-proof course must be laid in horizontal layers connected at the end by a vertical course of the same materials and shall not be less than half an inch thick.

## 45.—Hollow Walls.

External walls shall be constructed as hollow walls and constructed in accordance with the following rules, unless the permission of the Board is first obtained to build the wall in solid foundation:—

- (a) The inner and outer parts of the wall shall be separated by a cavity, which shall throughout be of a width not exceeding 2in. or less than one inch.
- (b) The inner and outer parts of a wall shall be securely tied together with suitable bonding ties of adequate strength, formed of galvanised iron, glazed stoneware, or other approved material. Such ties shall be placed at distance apart not exceeding 3 feet horizontally and at least every fifth course vertically.
- (c) The thickness of each part of the wall shall throughout be not less than  $4\frac{1}{2}$  inches.
- (d) The aggregate thickness of the two parts, excluding the width of the cavity, shall throughout be not less than the minimum thickness prescribed for solid walls of the same height and length.
- (e) No hollow wall of not more than eleven inches in thickness shall be greater in superficial extent than three squares in any one storey, unless strengthened by a partition wall, fireplace, or projection pier, to the satisfaction of the Board.

## 46.

Concrete blocks shall contain not less than 1 part cement to 5 parts mixed aggregate, and shall be kept damp for a period of not less than 4 days and shall not be used green. Unless with the approval of the Board, no block shall be used within 14 days of the date of construction. The blocks shall be bedded and jointed in cement mortar.

## 47.—Thickness of Walls—Domestic Class.

No external wall in brick, stone, concrete, or cement block shall have less than the thickness prescribed in the following Table A:—

Table A.

## Buildings of Domestic Class.

Length of Wall.	No. of Storeys.	Thickness of Wall—inches.
Walls built with Lime Mortar:		
Not exceeding 30 feet	1	9
	2	9 9
Exceeding 30 feet	1	$13\frac{1}{2}$
	2	$13\frac{1}{2}$ 13 $\frac{1}{2}$
Walls built with Cement Mortar:		
Not exceeding 30 feet	1	9
	2	9 9
Exceeding 30 feet	1	9
	2	$13\frac{1}{2}$ 9

## 48.

If any storey exceeds in height 18 times the thickness prescribed for the walls of such storey, thickness of each external and party wall throughout such storey shall be increased to that thickness, but any such additional thickness may be confined to piers properly distributed, of which the collective widths amount to one fourth part of the length of the wall. No increase in thickness of brick walls shall be less than  $4\frac{1}{2}$  inches.

## 49.

The height of any storey may be 20 times the thickness of the walls prescribed for such storey, if built with cement mortar.

## 50.—Thickness of Walls—Warehouse Class.

The external and party walls of buildings of the warehouse class shall be made of not less thickness than that specified in the following Table B:—

Table B.

## Buildings of the Warehouse Class.

Length of Wall.	No. of Storeys.	Thickness of Wall—inches.
Walls built with Lime Mortar:		
Not exceeding 75 feet	1	$13\frac{1}{2}$
	2	18 13 $\frac{1}{2}$
	3	18 18 13 $\frac{1}{2}$
Exceeding 75 feet	1	18
	2	18 18
	3	$22\frac{1}{2}$ 18 18
Walls built with Cement Mortar:		
Not exceeding 75 feet	1	$13\frac{1}{2}$
	2	$13\frac{1}{2}$ 13 $\frac{1}{2}$
	3	18 13 $\frac{1}{2}$ 13 $\frac{1}{2}$
Exceeding 75 feet	1	$13\frac{1}{2}$
	2	18 13 $\frac{1}{2}$
	3	18 18 13 $\frac{1}{2}$

## 51.—Thickness of Walls under certain conditions.

Walls under 75 feet in length may be constructed 9in. thick: provided they are strengthened with  $4\frac{1}{2}$ in. piers, equally spaced, of which the collective widths amount to one fifth of the length of the wall. The height shall not exceed 12 feet when built with lime mortar or 13 feet 6 inches when built with cement mortar.

## 52.

The thickness of walls under twenty feet in length may be two-thirds the thickness required for external or party walls, as stated in Tables A and B, but in no case no less than 9 inches.

## 53.

If in any storey of a building of the warehouse class the thickness of the wall as determined by the provisions of this Part of this by-law is less than one sixteenth part of the height of such storey, the thickness of the wall shall be increased to one sixteenth part of the height of the storey, and the thickness of each external and party wall below that storey shall be increased to that thickness, but any such additional thickness may be confined to piers properly distributed of which the collective widths amount to one fifth part of the length of the wall. No increase in thickness of brick walls shall be less than  $4\frac{1}{2}$  inches.

The height of any storey built in cement mortar may be 18 times the thickness prescribed for such storey.

## 54.—Lengths—How measured.

Walls are deemed to be divided into distinct lengths by return walls and the length of every wall is measured from the face of one return wall to the face of another: provided that such return walls are external party or cross walls of the thickness required by this Part of this by-law and bonded into the walls so deemed to be divided.

## 55.—Cross Walls.

The thickness of a cross wall shall not be less than two thirds of the thickness hereinbefore required for an external or party wall of the same dimensions and belonging to the same class of building, but never less than 9 inches, and no wall subdividing shall be deemed to be a cross wall unless it is carried up to the plate level of the topmost storey and unless in each storey the aggregate extent of the vertical faces or elevations of all the recesses and that of all the openings therein taken together does not exceed one half of the whole extent of the vertical face or elevation of the wall. If a cross wall is carried on a girder across the ground storey and is supported by piers to the satisfaction of the Board, it shall be deemed to be a cross wall in accordance with this regulation. But in one storey buildings of the domestic class 4½-inch cross walls will be permitted, provided the unsupported length of any wall does not exceed 25 feet.

## 56.—Cross Wall becoming external Wall.

Wherever a cross wall becomes in any part an external wall, the external part of such cross wall shall be of the thickness required for an external wall of the same height and length and belonging to the same class of building, but no portion of such cross wall shall be of less thickness than is required for the external portion thereof.

## 57.—Internal and partition Walls.

(1) All external bearing walls and partition walls shall be constructed in such a manner as may be approved by the Board and shall be of brick, stone, concrete or cement block.

All such walls shall be not less than 4½ inches thick: provided that where such walls form a division between flats, then such walls shall be not less than 9 inches thick.

(2) Unless with the consent of the Board every such wall, unless carried on a bressummer, shall have footings, and such footing shall be of at least twice the thickness of the wall resting upon it.

## 58.—Isolated Piers.

No isolated brick or stone piers shall exceed in height 8 times the least diameter of same, if built of lime mortar, and 12 times, if built of cement mortar.

## 59.—Parapet to Walls on Boundary.

Where the external wall of any building is erected on the boundary of the land on which the same stands, or where the overhanging eaves or gutter of any building would be within 2 feet of such boundary, then the external wall of such building shall be carried up to form a parapet 15 inches at the least in height above the roof or above the highest part of any flat or gutter, as the case may be.

## Parapet, Warehouse class:

In buildings of the warehouse class, the thickness of such parapet shall be equal to the thickness of such walls in the topmost storey, and in any other building of a thickness of 9 inches at least.

## 60.—Party Walls.

Every party wall shall be carried up for a height of 15 inches above the roof, measured at right angles to the slope thereof, or 15 inches above the highest part of any flat or gutter, as the case may be, and of a thickness (in buildings of the warehouse class) equal to the thickness of such wall in the topmost storey, and, in any other building, of a thickness of 8½ inches at the least. Provided, however, that in the case of domestic buildings, where not more than two buildings are erected under one roof, it shall be sufficient if the party wall is carried up at least 8½ inches in thickness to the underside of the roof covering, and such roof covering of iron, slate, or other material must be bedded in good mortar, to the satisfaction of the Board, and the top of such party wall shall not be hidden from view until it has been approved by the Board.

## 61.

Every party wall shall be carried up of the thickness aforesaid above any turret, dormer, lantern light, or other erection of combustible materials fixed upon the roof of any flat or building within 4 feet of such party wall, and shall extend at the least 15 inches higher and wider on each side than such erection, and every party wall shall be carried up above any part of any roof opposite thereto and within 4 feet therefrom.

## 62.—Buildings wholly or partly in Wood.

The external walls of all wooden buildings shall not exceed in height 15 feet, measured from the floor level to the top of the wall plates. Every such building shall be wholly in one occupation, or be constructed or adapted so to be.

The following conditions shall apply as to scantlings and spacing of timber:—

Stumps (jarrah) 4in. by 4in. spaced not more than 4ft. apart, sunk not less than 18in. below natural surface of the ground, and tarred to a height of not less than 12in. above surface of ground.

Sole plates (jarrah)—12in. by 6in. by 1½in.

Bottom plate and bearers—4in. by 3in. hardwood or jarrah.

Floor joists—4in. by 2 in. hardwood or jarrah, 18in. centres, supported at least every 5ft.

Vermin plate—4in. by 2in. hardwood or jarrah.

Bearers—4in. by 3in.

Studs—4in. by 2in., 2ft. centres.

Angle studs—4in. by 4in.

Top plates, wooden buildings—4in. by 2in.

Rafters—4in. by 2in., 2ft. centres for tiles, or, for iron roof, 3ft. centres.

Under purlins—4in. by 3in. for tile roof.

Purlins—3in. by 1½in. for iron roof.

Ceiling joists—4in. by 2in., 2ft. centres.

Ceiling hangers—8in. by 1¼in., not more than 7ft. apart.

Collar ties—4in. by 1½in.

Ridge—7in. by 1¼in.

Hips—8in. by 1¼in.

Fascia—9in. by 1in.

Flooring boards—1in. thick by varying widths.

Weatherboards—1¼in. lap.

Washhouses, w.c.'s, and wood sheds not under main roof to be of not less than 3in. by 2in. framing.

W.C. shall be constructed not less than 5ft. by 3ft. internal dimensions.

## 63.—Vermin Plates.

Vermin plates must be used in the construction of all wooden buildings, except sheds, and must be of at least 8in. by 8in.

## 64.—Roughcast.

Stucco or roughcast work must be done with not less than 1½in. by 14-gauge mesh, unless applied to brick-work.

## 65.—Interior of Walls.

The interior of all walls and ceilings of every wooden building which is intended to be used or shall or may be used as a dwelling-house shall be constructed of plaster sheets, or of approved wood, or fire-resisting materials.

## 66.—Roofs.

The roof of every building shall be constructed of tiles, slates, metal or other material approved by the Board.

## 67.—Reinforced concrete Buildings.

In all cases where reinforced concrete is employed, whether in buildings as a whole, or in portions of buildings before the actual carrying out of the work or any portion thereof, complete drawings of such work or portion shall be delivered to the Board, showing all details of the construction and the size, spacing, and arrangement of all the reinforcing members.

## 68.—Public Buildings.

In any case in which the plans of any proposed building are required by law to be approved by the Public Works Department such approval shall be obtained before such plans are submitted for the Board's approval.

## 69.—United Buildings.

Buildings not to be united:

Buildings shall not be united, except where they are wholly in one occupation, but doorways may be allowed in party structures opening on to staircases, landings, or passages provided they are protected with iron-cased or tin-clad doors. Such doors shall be hung so as not to block the staircases, landings, or passages.

## 70.

Buildings shall not be united if, when so united and considered as one building only, they would not be in conformity with the provisions of this by-law.

## 71.—Buildings ceasing to be in one Occupation.

Whenever any buildings which have been united cease to be in one occupation, all openings made for the purpose of uniting the same in any party wall between the buildings or in any external wall, where such wall is over 8½ inches in thickness, shall be stopped with materials similar to that of which the wall is constructed, or material approved by the Board. Openings in all walls shall be stopped as above to the full thickness of the wall. Any timber placed in the wall shall be removed if it would no longer comply with the provisions of this by-law.

## 72.—Notice to Board.

Whenever any buildings which have been united cease to be in one occupation, the owner thereof, or, if the buildings are the property of different owners, then each of such owners, shall forthwith give notice to the Board, and shall cause any openings made in the party or external walls to be stopped, as provided in the last preceding clause.

## 73.—Buildings deemed to be United.

Buildings shall be deemed to be united when any opening is made in the party wall or the external walls dividing such buildings, or when such buildings are so connected that there is access from one building to the other without passing into the open air; provided that buildings shall not be deemed to be united when they are connected only by an open gangway.

## ALTERATIONS, ADDITIONS, ETC.

## 74.—Alterations.

Except with the consent of the Board, no alteration shall be made in any building in such manner that when so altered it will by reason of such alteration not be in conformity with the provisions of this by-law relating to new buildings.

## 75.—Rebuilding party or external Walls.

Unless in any case the Board otherwise allows, where a party or external wall not in conformity with this by-law has been taken down, burnt, or destroyed to the extent of one half thereof (measured in superficial feet), every remaining portion of the old wall not in conformity with this by-law shall either be made to conform therewith or be taken down before the rebuilding thereof.

## 76.—Additions or Alterations.

Every addition to or alteration of a building and any other work made or done for any purpose in or upon a building (except that of necessary repairs not affecting the construction of any external cross or party wall) shall, so far as regards such addition or alteration or other work, be subject to the provisions of this by-law relating to new buildings.

## Part 6.—Ventilation, Lighting, and Drainage.

## 77.—Height of Rooms.

The rooms in all buildings shall be in every part not less than 10 feet from floor to ceiling.

Attic rooms.—Provided that, in the case of buildings of more than one storey, living rooms wholly or partially in the roof may be not less than 8 feet 6 inches in height from floor to ceiling over two-thirds of the floor area.

## 78.—Minimum area of Rooms.

No room shall have less floor area than 100 sq. ft.; provided this clause shall not apply to bathrooms, store rooms, pantries, and kitchens.

## 79.—Windows and Ventilators.

All rooms in a building intended to be used as a dwelling shall have one or more windows opening directly into the external air, the area of such windows to be equivalent to at least one tenth of the floor area, and shall be ventilated by ventilators communicating directly with the outside air placed near the ceiling of each room and of an area satisfactory to the Board.

## 80.—Application to Shops.

(a) The provisions of this Part of this by-law relating to the height, lighting, and ventilation of main rooms in dwellings shall, as far as applicable, apply to all shops, save that the windows need not be constructed so as to open if other approved provision for ventilation be made and that the minimum height of walls in shops shall be 12 feet.

(b) The width of all shops shall be at least 20 feet as measured along the frontage to the roadway and not as measured diagonally to the frontage of the roadway.

## 81.—Floors.

Floors shall be fixed level, and in all buildings the floor immediately above the ground, if of wood, shall have a space of not less than 6 inches between the ground and the underside of the bearers.

## 82.—Space under Floors.

The space under the ground floor of every building shall have a sufficiency of openings through all walls under the floor thoroughly to ventilate same.

## 83.—Water not to be allowed to drip on any Public place.

Roofs, gutters and flashings of any building, and of any projection therefrom, and also balconies, verandahs, and shop fronts shall be so arranged and constructed and supplied with gutters and pipes as to prevent the water therefrom dropping or running over any public way. All such pipes, gutters, flashings shall be made of metal and shall be maintained in good conditions.

## 84.—Permit may be refused if Drainage not satisfactory.

The Board may refuse to approve the plan of any building, or of any addition or alteration to any building, until it is satisfied that the proposed building or addition or alteration and the site and the curtilage thereof will be properly drained.

## 85.—Septic Tanks.

The plans for a new building where a public sewer is not available shall include provision for the proper disposal of sewerage by means of the septic tank system, excepting that area west of the Road Board Offices and properties where the M.W.S. S. & D. Department mains are not available for service.

## 86.—Drainage waste Water.

Every person who shall erect a building shall provide proper drains, sufficient for carrying away all waste waters into properly constructed soak wells, in accordance with the Health Act by-laws.

## 87.—Drains, Baths, Sinks, etc.

Waste water pipes from baths, sinks, and wash troughs shall be of wrought iron, with trap fittings at all right angles, and shall discharge over a proper earthenware "P" trap with 4in. glazed earthenware drain-pipes properly cemented at joints and communicating with a properly constructed soak well at least 20ft. from any dwelling.

## 88.—Roof Water disposal.

All buildings shall be provided with pipes for carrying off rain water from the roof thereof to at least 2ft. clear of the foundations, to the satisfaction of the Board.

## 89.

The total floor areas of all buildings on any lot shall not amount to a greater area than half the area of the lot or parcel of land on which the buildings are erected, and no dwelling shall be erected on a less area than 6,000 square feet; provided that this restriction to 6,000 square feet for each dwelling shall not apply where a Certificate of Title has been issued for a lot or parcel of land of smaller area prior to the date of the by-laws.

*Part 7.—Removal of Buildings.*

90.

If any building is removed from outside the district to within the district, or from a site within the district to another site within the district, whether on the same or another block of land, such building shall be deemed, for the purpose of this by-law, to be a new building erected for the first time on the site whither it is removed.

*Part 8.—Verandahs, Projections, Signs, Hoardings, Fences.*

91.

(a) No person shall erect, or cause or permit to be erected, any portico or verandah over the footway of any road in the district, without first obtaining the consent of the Board in writing, and such portico or verandah shall be of the shape, figure, dimensions, and materials as set forth on the plan and specifications for the time being adopted by resolution of the Board, but the lowest part of the frieze or rails of such portico or verandah shall in no case be of less height than 9ft. above the level of the outer edge of the footway.

(b) No opening shall be made in the roof of such verandah for the purpose of affording light, unless such opening be properly framed and glazed with approved glass, protected underneath with a fine mesh wire netting or armoured glass, to the satisfaction of the Board.

(c) No verandah, portico, or awning shall be erected over any portion of any public street or way, excepting of the cantilever type.

## 92.—Porch, Landing, etc.

Every porch, gangway, outside landing, and outside step shall be of fire-resisting material, and shall not project beyond the boundary of any public place or road.

## 93.—Shop Windows.

Shop windows intended to be used for the display of goods or business advertisements shall consist of plate or approved glass, jointed and fixed in metal or approved timber frames, the level of the sill of such frames to be not higher than 30 inches nor within 12 inches of the level of the footpath immediately adjoining same.

## 94.—Woodwork abutting on Roads.

Woodwork shall not be fixed flush with the face of any wall abutting on a road, unless it is cased with metal of not less than 22 gauge.

## 95.—Signboard, Hanging Lamp, etc.

No signboard, hanging lamp, or other fixture shall be erected on or attached to any building or verandah projecting over any road, unless the permission in writing of the Board be first obtained. Each such signboard, hanging lamp, or other fixture shall be of material, construction, and design approved by the Board, and shall be in no part less than 8ft. 6in. above the level of the footpath or road. No signboard shall exceed in depth 3ft. nor, unless attached to a verandah, project over the footpath or road.

## 96.—Unsightly, dangerous Fence.

When any fence abutting on or within 10ft. of any road or public place within the district is in a dangerous or unsightly state, the Board may by notice in writing to be served on the owner of such fence require such owner within 14 days from receipt of such notice to take down or repair such fence, as the case may require, and such owner shall comply with such notice.

## 97.—Fences and Walls.

Every fence to be hereafter erected abutting on any road or public place shall have affixed thereto a plinth at least 9 inches high, unless the Board shall consent in writing to such plinth being of less height, and every wall of brick, stone, concrete, or other similar substance shall be constructed with a base, to be approved by the Board.

*Part 9.—Chimneys, Flues, Fireplaces, and Heating Apparatus.*

## 98.—Foundations, Footings, etc.

(1) Chimney shall be built on solid foundations and with footings similar to the footings of the wall against which they are built, unless they are carried on iron girders with direct bearings upon party, external, or

cross walls, to the satisfaction of the Board, or on corbels of brick, stone, or other incombustible material and the work so corbelled out does not project from the wall more than the thickness of the wall, measured immediately below the corbel.

(2) Chimneys may be corbelled out 14 inches from walls 9 inches in thickness on corbels of stone or other incombustible material not less than 10 inches in depth and of the full width of the jambs.

## 99.—Chimneys with soot Doors.

(1) Chimneys and flues having proper soot doors of not less than 40 square inches may be constructed at such angle as is approved by the Board, but in no other case shall any flue be inclined at a less angle than 45 degrees to the horizon, and every angle shall be properly rounded.

## Position of soot Doors:

(2) All soot doors shall be distant at least 15 inches from any woodwork.

## 100.—Arches.

An arch of brick or stone of sufficient strength shall be built over the opening of every chimney to support the breast thereof. Every camber arch shall have the abutments tied in by an iron bar or bars of sufficient strength turned up or down at the ends and built into the jamb for at least 4½ inches on each side.

## 101.—Flues.

A flue shall not be adapted to or used for any new oven, furnace, steam boiler, or other fire used for any purpose of trade or business, or to or for the range or cooking apparatus of any hotel, tavern, or eating-house, unless the flue is surrounded with brickwork at least 9 inches thick or reinforced concrete 6 inches thick from the floor of the storey on which such oven, furnace, steam boiler, or other fire is situate, to 12 inches above the roof.

## 102.—Flues in connection with Engines.

A flue shall not be used in connection with a steam boiler or hot-air engine, unless the flue is at least 20ft. in height measured from the level of the floor on which such engine is placed.

## 103.—Lining, etc., of Flues.

The inside of every flue, and also the outside where passing through any floor or roof or space enclosed by the roof or behind or against any woodwork, shall be rendered or pargeled, or lined with fire-resisting piping or stoneware.

## 104.—Jambs.

The jambs of every fireplace opening shall extend at least 9 inches on each side of the opening thereof.

## 105.—Incombustible Material in certain Cases.

The breast of every chimney shall be of incombustible material at least 4 inches in thickness, and the brickwork surrounding every smoke-flue shall be at least 4½ inches in thickness. Provided that where a ventilating flue is carried up with a smoke flue, they may be separated by a properly constructed iron wythe of cast-iron not less than one inch in thickness.

## 106.—Backs of Fireplaces.

The back of every fireplace opening in party or internal walls from the hearth up to a height of 12 inches above the lintel or arch shall be brickwork at least 9 inches thick. No flue shall be within 2 inches of the centre line of any party wall.

## 107.—Thickness of Flues.

The thickness of the upper side of every flue when its course makes with the horizon an angle of less than 45 degrees shall be at least 9 inches.

## 108.—Height.

Every chimney, flue, or chimney shaft shall be carried up in brick or stonework at least 4 inches thick throughout to a height of not less than 3ft. above the roof, flat, or gutter adjoining thereto, measured at the highest point in the line of junction with such roof, flat, or gutter.

## 109.

The highest six courses of every chimney stack or shaft shall be in cement mortar.

110.—Chimney Shafts.

The brickwork or stonework of any chimney shaft, except that of the furnace of any steam engine, brewery, distillery, or manufactory shall not be built above the roof, flat, or gutter adjoining thereto higher than a height equal to six times the least width of such chimney shaft, at the level of such highest point in the line of junction, unless such chimney shaft is built with and bonded to another chimney shaft, not in the same line with the first, or otherwise rendered secure, to the approval of the Board.

111.—Slabs.

There shall be laid level with the floor of every storey, before the opening of every chimney, a slab of stone, slate, or other incombustible material, at the least 6 inches longer on each side than the width of such opening, and at the least 14 inches wide in front of the breast thereof.

How to be laid:—On every floor, except the lowest floor, such slab shall be laid wholly on stone or iron bearers, or upon brick trimmers or other incombustible materials, but on the lowest floor it may be bedded on concrete, covering the site, or on solid materials placed on such concrete.

112.—Hearths, etc.

The hearth or slab of every chimney shall be bedded wholly on brick, stone, or other incombustible substance, and shall, together with such substance, be solid for a thickness of 6 inches at least beneath the upper surface of such hearth or slab.

113.—Flues in party Walls.

A flue shall not be built in or against any party structure or existing wall, unless it is surrounded with good sound brickwork or other approved material, at least 4½ inches in thickness, properly bonded, to the satisfaction of the Board.

114.—Cutting into Chimney Shaft.

A chimney shaft, jamb, breast or flue shall not be cut into, except for the purpose of repair or doing one or more of the following things:—

- (a) letting in or removing or altering pipes, flues, or funnels for the conveyance of smoke, hot air, or steam;
- (b) forming openings for soot doors, each opening to be fitted with a close iron door and frames;
- (c) making openings for the insertion of ventilating valves: provided that an opening shall not be made nearer than 12 inches to any timber or combustible substance.

115.—Position of Timber Work.

Timber or woodwork shall not be placed—

- (a) under any chimney opening within 6 inches from the upper surface of the hearth of such chimney opening;
- (b) within 2 inches from the face of the brickwork or stonework of any chimney or flue, unless the face of such brickwork or stonework is rendered.

116.—Position of Wooden Plugs.

Wooden plugs shall not be driven nearer than 3 inches to the inside of any flue or chimney opening, nor any iron holdfast or other iron fastening nearer than 2 inches thereto.

117.—Ironwork.

No iron or steel joists or other ironwork shall be placed in any flue, except in so far as the same may be required for insuring stability.

118.—Floors above Furnaces or Ovens.

The floor or roof over any room or enclosed space in which a furnace is fixed, and any floor within 18 inches from the crown of an oven, shall be constructed of fire-resisting materials.

Part 10.—Exempted Buildings.

119.—Ferries, Aviaries.

This by-law shall not apply to any greenhouse, fernery, aviary, or to an outbuilding, if such outbuilding is on an area of not less than 5 acres, used for agricultural or similar purposes only, or to temporary and removable offices and sheds used by builders during the construction of any building at or about the site of such building for a period not exceeding six months.

Part 11.—Enforcement of By-laws and Penalties.

120.—No Building may be erected except in compliance with this By-law.

No person shall erect, build, or construct, or remove, or make any alteration or addition to, or cause to be erected, built, or constructed, removed, or make any alteration or addition to any building contrary to the provisions of this by-law.

121.—Penalty for Breach.

Any person who shall be guilty of any breach of any of the provisions of this by-law, or shall fail to duly comply with any notice thereunder, shall be liable for every such offence to a penalty of not less than one pound and not exceeding twenty pounds.

122.

If the surveyor shall certify in writing to the Board that any building has been removed into or erected or re-erected in the district or occupied contrary to the provisions of this by-law, or that any building is in such a dilapidated, ruinous, or unsafe condition as to be dangerous to the public safety, the Board or any officer thereof may give to the owner, occupier, or builder, or leave upon the site of such building a notice in writing requiring such owner to alter or repair, or to remove or pull down such building within such time as is limited by such notice, and such owner, occupier, or builder shall comply with such notice within the time therein limited.

123.—Notice to make Building conform to By-law.

If any building shall be wholly or partly built or erected, added to, or altered, contrary to or not in conformity with the provisions of this by-law, the Board or any officer thereof may give to the owner, occupier, or builder, or leave upon the site of such building notice in writing to bring such building into conformity with the said provisions, or requiring the pulling down or removal of such building within such time as is limited in the notice, and such owner, occupier, or builder shall comply with such notice within the time therein limited.

124.—Power of Board where Building or erection is contrary to By-law.

If default shall be made in complying with any notice mentioned in the last two preceding clauses, then, notwithstanding the imposition or recovery of any penalty, it shall be lawful for the said Board by its surveyor, officer, or other authorised agent or agents to enter upon any building and on the site thereof, with a sufficient number of workmen, and for that purpose, to break down any fence surrounding the land on which the building is situate, and to demolish and pull down the said building, or any part or parts thereof and to do any other Act that may be necessary for the purpose and to remove the materials thereof to some convenient place, and if the Board in its discretion thinks fit to sell the same, in such manner as it thinks fit, and all expenses incurred by the Board, its surveyor, officer, or other authorised agent or agents in demolishing and pulling down the said building or any part thereof and selling the same, and in doing other acts as aforesaid, and all fees and penalties due by the owner, occupier, or builder thereof, may be deducted and retained by the Board out of the proceeds of the sale, and the Board shall restore the surplus if any, arising from such sale to such owner, occupier, or builder, or other person legally entitled thereto on demand, and any deficiency shall be made good and paid by the owner, occupier, or builder to the Board on demand.

THE ROAD DISTRICTS ACT, 1919-1933.

Harvey Road Board.  
 Proposed Loan No. 19.

Notice of intention to borrow £4,500.

NOTICE is hereby given that the Harvey Road Board proposes to borrow the sum of £4,500, to be expended upon works and undertakings within the Harvey Road District, such works and undertakings being the bitumen surfacing of approximately four miles six chains of roads in Harvey.

The plans and specifications of such works and undertakings, an estimate of the cost thereof, and a statement showing the proposed expenditure of the money to be borrowed, including the cost of supervision and initial expenditure in connection with the raising of the Loan, have been prepared and are open for inspection of ratepayers at the offices of the Board, Harvey, between 9 a.m. and 4 p.m. on week days and

between 9 a.m. and 12 noon on Saturdays, within one month from the last publication hereof.

The amount of £4,500 is proposed to be raised by the sale of debentures repayable by forty equal half-yearly instalments, inclusive of interest, over a period of twenty years from the date of the issue thereof, in lieu of the formation of a sinking fund.

Interest at the rate of £4 10s. per centum per annum will be payable on the amount of the Loan and will be payable half-yearly in the instalments as aforesaid.

The amount of the said debentures, inclusive of interest, will be payable at the Bank of New South Wales, Harvey.

The works and undertakings for which the proposed Loan is intended to be raised are in the opinion of the Board of special benefit to portion only of the said Road District, namely, the Central Ward as defined in the *Government Gazette* of the 10th day of August, 1933.

Dated the 15th day of May, 1939.

## ROAD DISTRICTS ACT, 1919-1934.

Form 90.

Notice of Presentation of Petition for Sale of Land for Non-payment of Rates.

In the Local Court at Northam.

In the matter of the Road Districts Act, 1919-1934, and in the matter of an Application by the Meckering District Road Board for Sale of Land for unpaid Rates.

NOTICE is hereby given that a Petition has been presented to the Local Court at Northam by the Meckering District Road Board praying that the lands described in the Schedule to the Petition may be ordered to be sold for non-payment of rates.

A copy of the said Schedule is hereunto attached. And notice is further given that Thursday the twentieth (20th) day of July, 1939, at 10 o'clock in the forenoon, has been appointed as the time when the Magistrate will inquire at the said Court concerning the various matters mentioned in the said Schedule and also whether all notices required by law to be given have been given.

Attention is directed to the following provision of the Act:—

Rule 7. Third Schedule.—Any person who is an owner or ratepayer of any land proposed to be sold or taken possession of, or who is interested in the same as mortgagee or otherwise may, on filing an affidavit proving his title to attend under this rule (of the filing of which affidavit the Clerk shall give the Board notice), attend on the making of the inquiries; but if the Magistrate shall be of opinion that there was no substantial reason for his attendance, the Magistrate may order him to pay the costs occasioned thereby.

Dated the 18th day of May, 1939.

E. P. FOREMAN,  
Clerk of the Court.

## THE NOXIOUS WEEDS ACT, 1924.

Northampton Road District By-laws.

NOTICE is hereby given that the Northampton Road Board, being a local authority within the meaning and for the purposes of the Noxious Weeds Act, 1924, and exercising the power in that behalf conferred upon the said Board by section 26 of the Noxious Weeds Act, 1924, did, at a meeting of the said Northampton Road Board duly held at Northampton, in Western Australia,

on Saturday, the 13th day of May, 1939, by resolution duly passed, make a by-law under and for the purposes of the Noxious Weeds Act, 1924, and in respect of the Northampton Road District, as follows:—

6. (a) When the owner or occupier of any land has received in respect of such land a notice under section 7 of the Noxious Weeds Act, 1924, and such owner or occupier is not exempt from compliance with the requirements of such notice by section 9 of the said Act, such owner or occupier shall not remove, or cause or suffer to be removed from the said land any sheep, cattle, or other animal or any vehicle or other chattel likely to act as a carrier of the seed of any noxious weed from the said land, unless and until such owner or occupier has received from the inspector or other officer of the Board authorised to give the same, either a certificate in writing that all the requirements of the said notice have been carried out to the satisfaction of such inspector or other officer, or a permit in writing from such inspector or other officer for the removal from the said land of the sheep, cattle, or other animal, or the vehicle or other chattel specified in such permit.

(b) Any person who contravenes paragraph (a) of this by-law shall be guilty of an offence and shall be liable to a penalty of any sum not exceeding five pounds.

Dated this 13th day of May, 1939.

(Sgd.) C. T. LAUDER,  
Chairman.

C. F. FRASER,  
Secretary Northampton Road Board.

#### INDUSTRIAL AGREEMENT.

No. 6 of 1939.

(Registered 24/4/1939.)

Between the Federated Clerks' Union of Australia Industrial Union of Workers, W.A. Branch, and the Wyndham Freezing, Canning, and Meat Export Works.

AGREEMENT made in pursuance of the Industrial Arbitration Act, 1912-1935, this fifteenth day of April, one thousand nine hundred and thirty-nine, between The Federated Clerks' Union of Australia Industrial Union of Workers, W.A. Branch, of the one part (hereinafter referred to as the "Union"), and The Wyndham Freezing, Canning, and Meat Export works, of the other part (hereinafter referred to as "the Management"), whereby it is mutually agreed:—

##### 1.—Scope.

This Agreement shall apply to all members of the Clerical Staff employed by the Wyndham Freezing, Canning, and Meat Export Works, hereinafter referred to as "the employees."

##### 2.—Hours.

Ordinary working hours shall be forty-four per week and, unless otherwise mutually agreed, shall be worked between the hours of 7.30 a.m. and 4.30 p.m., from Monday to Friday, inclusive, with one hour off for lunch, and between 7.30 a.m. and 11.30 a.m. on Saturdays. Unless otherwise mutually agreed, lunch hour shall be from 11.30 a.m. to 12.30 p.m.

##### 3.—Overtime.

All time worked in excess of ordinary working hours tallying beef from the freezing chambers into trucks shall be paid for at the rate of time and a half.

Except as provided in the foregoing paragraph, employees required by the Management to work outside the ordinary working hours defined in clause 2 herein shall not be entitled to any extra payment for performing such work.

(i) An allowance of 30s. per week in addition to above rates for females shall be made whilst engaged in Wyndham.

## 5.—Travelling Allowance.

In addition to the wages payable during the journey to and from Wyndham, saloon passages shall be provided together with a travelling allowance each way of 15 per cent. of the single steamer fare.

## 6.—Holidays.

(a) Employees shall be allowed twelve days annual leave after each continuous year of service. If the term of employment be less than one year, holidays shall be paid for on a *pro rata* basis of one day for each month of service.

(b) Employees remaining at Wyndham during the whole of the period during November 1st to March 31st, inclusive, shall be allowed one week's holidays in addition to their annual leave.

(c) Employees called upon to work on New Year's Day, Good Friday, Easter Monday, Anzac Day, Labour Day, Foundation Day, Wyndham Cup Day, Christmas Day, Boxing Day, or Sundays shall be allowed one day in lieu of each day worked, such day or days in lieu thereof to be added to their annual leave as defined in clause 6 (a) hereof.

(d) In the event of any employee not being able to take his or her annual leave in the year in which it accrues because the convenience of the Management renders his or her absence undesirable, the written consent of the Management allowing his leave to accumulate shall be obtained by the employees: provided that such accumulation shall not exceed leave due for three years' service.

## 7.—Long Service Leave.

Employees engaged under this Agreement shall be entitled to long service leave in accordance with the conditions appended hereto.

## 8.—Mess.

The charge for Mess shall be £1 10s. per week for clerks 22 years of age and over.

For juniors the charge for Mess shall be:—

	£	s.	d.	
Over 15 and under 16 years ..	0	15	0	per week.
Over 16 and under 17 years ..	0	16	0	” ”

Over 20 and under 21 years ..	1	1	0	” ”
Over 21 and under 22 years ..	1	3	6	” ”

Employees shall be provided with customary accommodation without extra charge.

## 9.—Preference.

Preference of employment shall be given to members of the Federated Clerks' Union of Australia, W.A. Branch, provided they are competent and qualified to perform their duties to the satisfaction of the Management. Employees engaged who are not already members of the Union shall become members upon being engaged.

## 10.—Engagement.

The termination of engagement of any employee shall be subject to two months' notice by either party, if the employee is at Wyndham, and one month's notice by either party, if the employee is at Perth; such notice to expire on the usual pay day.

## 11.—Arbitration.

(a) Should any dispute arise as to the construction or meaning of this Agreement, or touching anything arising out of its operation, the work is nevertheless to be carried on without interruption, and the matter in dispute shall be submitted to a conference between the Management and representatives of the Union, such conference to be held at the Meatworks as soon as can be arranged.

(b) In the event of a settlement not being arrived at by discussion (referred to in clause 11 (a)), the matter in dispute shall be submitted to the arbitration of an umpire at Wyndham, to be chosen by two representatives appointed for that purpose by the Management and two representatives appointed for that purpose by the Union, and the decision of such Umpire shall be final and conclusive. The umpire may determine by whom the costs of the arbitration shall be paid and may fix such costs.

(c) In the event of the representatives referred to in clause 11 (b) failing to agree on an umpire, the matter in dispute shall be referred to a Board of Reference consisting of two representatives of the Management and two representatives of the Union and a chairman to be mutually agreed upon by the representatives or, in default of such agreement, to be appointed by the Court.

## 12.—Insurance.

The Management shall cover all employees engaged under this Agreement against accident and/or death arising out of his or her employment.

In the event of an accident to an employee while on duty the compensation payable shall be the same as that provided for in the case of a claim payable under the provisions of the Workers' Compensation Act, Western Australia.

## 13.—Term.

The term of this Agreement shall be for twelve calendar months as from 1st April, 1939.

## 14.—Accrued Rights.

Nothing herein contained shall affect any rights or privileges accrued to any officer prior to this Agreement.

In witness whereof the parties hereto have hereunto set their hands and seals.

## INDUSTRIAL AGREEMENT.

No. 7 of 1939.

(Registered 4/5/1939.)

THIS Agreement, made pursuant to the Industrial Arbitration Act, 1912-1935, the sixth day of April, one thousand nine hundred and thirty-nine, between Manjimup Dairy Produce Company, Limited; Great Southern Co-operative Butter Company, Limited; the Capel Dairy Company, Limited; South-West Co-operative Dairy Products, Limited; MacFarlane and Company, Limited; Cartwright's Dairy Produce Company; Foggitt Jones Proprietary, Limited; Watson's Supply Stores; The Westralian Farmers, Limited (hereinafter called "the employers'"), of the one part, and Dairy Factories Employees' Industrial Union of Workers (hereinafter called "the Union'"), of the other part, witnesseth that, for the considerations hereinafter appearing, the parties hereto mutually covenant and agree the one with the other as follows:—

## (1)—Area.

This Agreement shall have effect over that portion of the State of Western Australia known as the South-West Land Division of the State: Provided that it shall not apply to workers who are at present provided for in any Award of the Court of Arbitration of Western Australia or in any Industrial Agreement registered in accordance with the Industrial Arbitration Act, 1912-1935, to which another Industrial Union of Workers is a party.

## (2)—Term.

This Agreement shall come into operation as from its date and shall remain in force for a period of three (3) years: Provided that, at any time after the expiration of the first twelve (12) months from that date, and after the expiration of any subsequent period of twelve (12) months, application may be made to the Court by leave of the Court obtained by any party to the Agreement for a review of any of the provisions of the Agreement, and the Court shall have power to vary or rescind such provisions.

## (3)—Wages.

The minimum rate of wages payable under this Agreement shall be as follows:—

(a) Basic wage—Adult males—£4 2s. 2d. per week.	Margin per Week.		
(b) Adults:	£	s.	d.
(i) Tester, grader, and butter-maker, multiple certificate and position	1	1	0
(ii) Butter-maker, with certificate	0	19	0
(iii) Grader of cream for butter-making, with certificate	0	19	0
(iv) Tester of cream for butter-making, with certificate	0	19	0
(v) Pasteuriser of cream for butter-making, assistant butter-maker, and/or weighers of cream for butter-making	0	8	0
(vi) All other workers	Nil.		
(c) Junior male workers:	% of Male Basic Wage.		
15 to 16 years of age	24.67		
16 to 17 years of age	37.00		
17 to 18 years of age	49.33		
18 to 19 years of age	61.66		
19 to 20 years of age	74.00		
20 to 21 years of age	86.33		
and thereafter the prescribed adult rate.			

## (d) Casual hands:

The rates prescribed therein plus ten per cent. (10%).

## (4)—Hours.

(a) Forty-eight hours shall constitute a week's work.

(b) No day's work shall exceed a spread of ten and a half (10½) hours.

(c) Each worker shall be entitled to one half day off duty in each week; such half day off duty shall be granted on the afternoon of the day considered most suitable by the employer. Where practicable, the half day off duty shall be granted on a Saturday.

## (5)—Overtime.

(a) All time worked in excess of forty-eight (48) hours shall be deemed overtime and shall be paid for at the rate of time and a half.

(b) Work performed on Sunday, Christmas Day, Good Friday, Anzac Day, Labour Day, and the worker's afternoon off, referred to in clause (4) (c) shall be paid for at the rate of time and a half.

(c) Overtime shall be limited to sixteen (16) hours in any one (1) week, unless the overtime is necessitated through a breakdown in the plant.

(d) Work performed outside the daily spread shall also be deemed overtime and shall be paid for at the rate of time and a half.

(e) When a worker, without being notified on the previous day, is required to continue working after the usual knock off time for more than one (1) hour, he shall be provided with any meal required, or shall be paid one shilling and sixpence (1s. 6d.) in lieu thereof, providing it is necessary to purchase a meal outside his home or regular boarding house.

## (6)—Holidays.

(a) All workers, except casual workers, shall be entitled to two (2) weeks' annual leave on full pay at the expiration of each twelve (12) months' service: Provided that, if the contract of service is terminated during the year, the worker shall be entitled to holiday pay in the proportion as his length of service bears to the full year's employment. As to any public holiday other than those specified in clause (5) (b), if work is performed, ordinary rates shall apply.

(b) Where a worker is dismissed for misconduct, or where the worker illegally severs his contract of service, he shall lose all rights under this clause.

## (7)—Higher Duties.

A worker who is required to do work which carries a higher rate under this Agreement than that which he usually performs, shall be entitled to payment at such higher rate whilst so employed.

## (8)—Absence through Sickness

(a) A worker other than a casual worker shall be entitled to payment for non-attendance, on the ground of personal ill-health, for one half day for each completed month of service: Provided that payment for absence through such ill-health shall be limited to six (6) days in each calendar year. Payment hereunder may be adjusted at the end of each calendar year, or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act. A worker shall not be entitled to receive any wages from his employer for any time lost through the result of an accident not arising out of or in the course of his employment, or for any accident, wherever sustained, arising out of his own wilful default or for sickness arising out of his own wilful default. No worker shall be entitled to the benefits of this clause unless he produces proof satisfactory to his employer of sickness, but the employer shall not be entitled to a medical certificate unless the absence is for three (3) days or more.

(b) Any time in respect of which a worker is absent from work except time for which he is entitled to claim sick pay under the preceding provision, shall not count for the purpose of determining his right to holidays.

(c) In the event of a national insurance scheme coming into operation, liberty to apply for a review of the provisions of this clause is reserved to any employer bound by this Agreement.

## (9)—Time and Wages Record.

The employer shall keep or cause to be kept at the Factory Office a record, in which shall be entered—

- the name of each worker to whom this Agreement applies;
- the nature of the work he is doing;
- the hours worked each day;
- the amount of wages and overtime (if any) received by each worker each week;
- the ages of junior workers.

The said record shall be open to the inspection of an accredited representative of the Union at any time during the ordinary working hours, and he shall be allowed to take necessary extracts therefrom.

## (10)—Representative Interviewing Workers.

In the case of a disagreement existing or anticipated concerning any of the provisions of this Agreement, an accredited representative of the Union shall be permitted to interview the workers during the recognised meal hour, on the business premises of the employer, but this permission, without the consent of the employer, shall not be exercised more than once in any one week.

## (11)—General.

(a) The employer shall provide the worker with not less than three washable garments each year, such garments shall remain the property of the employer and shall be returned to the employer when the worker leaves the service of the employer.

## (12)—Junior Workers.

(a) Junior workers may be employed in all the classifications covered by this Agreement in the proportion of one (1) junior worker to every three (3) or fraction of three (3) workers receiving the full adult rate of pay prescribed by this Agreement. No junior worker under the age of seventeen (17) years shall be allowed

to work overtime. This subclause, limiting the number of junior workers, shall not operate or be so construed as to require the discharge of any person employed at the date of this Agreement, or to prevent the employment or engagement as a junior worker of any person who at the date hereof was employed in the industry.

(b) A junior worker under seventeen (17) years of age shall not be engaged in weighing or tipping cream or packing bulk butter.

(13)—Contract of Service.

(a) A casual worker shall mean a worker employed for less than six consecutive working days and who may be discharged or leave the employer's service without notice.

(b) The contract of service of workers other than casual workers shall be terminable by one week's notice, given on either side: Provided that such notice shall not apply in the case of a worker summarily dismissed for misconduct or dereliction of duty.

(14)—Full Weekly Wage.

Subject to subclause (a) of clause (6), all permanent employes shall be paid the full weekly wage, irrespective of the hours worked, not exceeding forty-eight (48) hours per week, but the employer shall be entitled to deduct payment for any day or portion of a day upon which the worker cannot be usefully employed, because of any strike by the Union or Unions affiliated with it, or by any other Association or Union, or through the breakdown of the employer's machinery or any stoppage of work by any cause, which the employer cannot reasonably prevent.

(15)—No Reduction.

Nothing herein contained shall entitle an employer to reduce the wage of any worker who at the date of this Agreement is being paid a higher rate of wage than the minimum prescribed in this Agreement for his class of work.

(16)—Junior Workers' Certificate.

Junior workers shall furnish the employer with a certificate showing the following:—

- (i) Name in full.
- (ii) Age and date of birth.
- (iii) Name of each previous employer.
- (iv) Period of employment with each previous employer.

This certificate shall be signed by the worker. No worker shall have any claim upon the employer for additional wages, in the event of his age or period of employment with a previous employer being wrongly stated on the certificate.

(17)—Aged and Infirm Workers.

(a) Any worker who by reason of old age or infirmity is unable to earn the minimum wage may be paid such lesser wage as may from time to time be agreed upon in writing between the Union and the employer.

(b) In the event of no agreement being arrived at the matter may be referred to the Board of Reference for determination.

(c) After application has been made to the Board, and pending the Board's decision, the worker shall be entitled to work for or be employed at the proposed lesser rate.

(18) Board of Reference.

(a) The Court may appoint, for the purpose of the Agreement, a Board or Boards of Reference. Each Board shall consist of a chairman and two (2) other representatives, one to be nominated by each of the parties. There are assigned to each such Board, in the event of no agreement being arrived at between the parties to the Agreement, the functions of:—

- (i) adjusting any matters of difference which may arise between the parties from time to time, except such as involve interpretations of the provisions of the Agreement or any of them;
- (ii) classifying and fixing wages, rates, and conditions for any occupation or calling in butter manufacturing not specifically mentioned in this Agreement;

(iii) deciding any other matter that the Court may refer to such Board from time to time.

An appeal shall lie from any decision of such Board in the manner and subject to the conditions prescribed in the Industrial Arbitration Act, 1912-1935, which for this purpose are embodied in this Agreement.
