(2) Such electoral roll when prepared shall be signed on each page thereof by the returning officer, shall be the electoral roll for all the elections aforesaid, and shall continue current and in force until the next triennial electoral roll has been prepared in accordance with these regulations: Provided that—

- (i) if during the currency of any electoral roll an extraordinary vacancy arises which renders an election necessary to fill such vacancy, such electoral roll may, for the purposes of such election, but in the manner authorised by these regulations, be amended by the returning officer by the enrolment thereon of persons who since the preparation thereof have become eligible for enrolment as electors, and by the removal therefrom of the names of persons enrolled thereon who since the preparation thereof have ceased to be eligible for enrolment as electors or to vote at an election;

- (ii) any person whose name is not enrolled as an elector on the electoral roll then in existence and who would be entitled to apply for enrolment on such electoral roll under these regulations, if a new electoral roll were then being prepared under these regulations and who desires to vote as an elector in any election about to be held to fill an extraordinary vacancy, may, at any time before 4 o'clock in the afternoon of the day fixed as the last day for the receipt of nominations of candidates for such election, make application in accordance with regulation 30 of these regulations for enrolment as an elector upon the said electoral roll, and, subject to the requirements of these regulations the returning officer shall enrol the name of the applicant upon such electoral roll, and upon the applicant being so enrolled he shall be entitled to all the rights and privileges of an elector as if he had been enrolled upon such electoral roll when the same was prepared in accordance with these regulations.

(2) In the case of a partnership either one of the partners but not more than one, at any one time may apply for enrolment and be enrolled on the electoral roll upon which the partnership is entitled to be enrolled.

(3) No person shall be entitled to be enrolled on the electoral roll more than once, whether as an elector in his own right or as the representative of a limited liability company or other incorporated body, or as a partner in a partnership, or otherwise.

(4) Every authority given under paragraph (1) hereof shall have effect only in relation to the electoral roll upon which the person authorised thereby is enrolled, and whenever application for enrolment is made by any representative person as aforesaid a fresh authority as aforesaid shall be obtained for the purposes of such application.

Provided that any such cancellation or revocation shall not invalidate any vote given by the representative person enrolled and voting by virtue of such authority at an election held previously to such cancellation or revocation.

(6) Upon receipt of notice of cancellation or revocation of authority as aforesaid, the returning officer shall forthwith remove from the electoral roll the name of the representative person whose authority has been so cancelled or revoked.

(2) Every nomination of a candidate shall be sent or delivered to the returning officer so as to be in his hands not later than 4 o'clock in the afternoon of the nomination day for the election.

(3) Every nomination form received by the returning officer after the time aforesaid shall be rejected by him.

(4) Where any nomination is sent by post, but the postage thereon is wholly unpaid or insufficiently prepaid thereon, the returning officer shall refuse to accept such nomination, and such nomination shall be deemed not to have been sent or delivered to the returning officer within the meaning of these regulations.

(5) Forthwith, after 4 o'clock in the afternoon of the nomination day, the returning officer shall examine all the nominations received by him and satisfy himself that the candidates whose names appear on the nomination forms are eligible for election, and that the persons who have signed the said forms as proposer and seconder are entitled under these regulations so to sign the same.

(6) The returning officer shall reject any nomination form which, in his opinion, is not in order as required by these regulations, and any such rejection shall be final and conclusive as against the candidate.

(7) Where the number of candidates nominated does not exceed the number of candidates to be elected, the returning officer shall forthwith certify that fact, together with the names, addresses, and occupations of the candidates nominated in accordance with Form No. 6 in the Appendix to these regulations to the Minister; and such certificate, when received by the Minister, shall be the final and conclusive evidence of the election of the said candidates as members of the Board.

(8) As soon as reasonably may be after the receipt by him from the returning officer of the certificate mentioned in paragraph (7) hereof, the Minister shall cause a copy thereof to be published in the *Government Gazette*.

(9) When the number of candidates nominated exceeds the number to be elected, the returning officer shall hold an election in accordance with these regulations, as hereinafter provided.

35. (2) The ballot paper shall set forth in a space provided for the purpose notice of the day fixed for the closing of the poll.

36. (2) The returning officer may, before sending the statement aforesaid to an elector, fill in the particulars to be furnished therein so that the same will be ready for signature and completion by the elector when marking his ballot paper.

37. (1) For the purpose of casting his vote at the election the elector shall mark his vote on the ballot paper received by him as aforesaid in the manner hereinafter provided and shall then place the same in the envelope marked "Ballot Paper Envelope," and seal the envelope. He shall then sign and complete the statement in accordance with the directions stated therein and then place the sealed envelope, with the ballot paper enclosed therein and the statement signed and completed in the envelope addressed to the returning officer, and seal such last-mentioned envelope.

(2) The elector may then send by prepaid letter post or may deliver the envelope addressed to the returning officer, with its said enclosures, to the returning officer at his address shown on the envelope, but so that such envelope shall be in the hands of the returning officer not later than 4 o'clock in the afternoon of the day fixed for the closing of the poll.

(3) Where any envelope containing the ballot paper is sent by post to the returning officer but the postage thereon is wholly unpaid or insufficiently paid thereon, the returning officer shall refuse to accept the same, and such envelope, with its enclosures, shall be deemed not to have been sent or delivered to the returning officer within the meaning of these regulations.

38. If, prior to the closing of the poll, an elector satisfies the returning officer that he has not received a ballot paper and is entitled to vote at the election, or that the ballot paper or envelopes received by him have been lost or destroyed and that he has not already voted at the poll, the returning officer may post or give personally to such elector a ballot paper and envelopes or a further ballot paper and envelopes, as the case may be.

39. (1) Voting shall be by means of a preferential ballot.

(2) When only one candidate is to be elected and there are not more than two candidates, the elector shall mark his vote on the ballot paper by placing the numeral 1 opposite the name of the candidate for whom he votes.

(2) He shall thereupon examine the statement and satisfy himself that the same is in order and that the elector who signed the statement is enrolled on the electoral roll and entitled to vote.

(3) If and when he is so satisfied, he shall place the statement in some place of security for safe keeping and shall immediately place the envelope containing the ballot paper unopened in the said ballot box and so leave the same until the close of the poll.

(4) If upon examining the statement as aforesaid the returning officer is not satisfied that the statement is in order, or that the person who signed the same is enrolled on the electoral roll and entitled to vote, he shall retain such statement and the envelope containing the ballot paper unopened in a safe place and at once notify the elector in writing that his ballot paper has not been accepted for the reasons to be stated in the notice.

(5) If, before the closing of the poll, a voter who has received notice as provided for in paragraph (4) hereof satisfies the returning officer that he is an elector and entitled to vote at the election, the returning officer shall forthwith place the sealed envelope containing such voter's ballot paper unopened in the said ballot box and so leave the same until the closing of the poll.

(6) If a voter who has received notice as provided for in paragraph (4) hereof fails to satisfy the returning officer in the manner required by paragraph (5) hereof, the returning officer shall reject the ballot paper received from such voter. Upon such rejection he shall indorse on the envelope containing the ballot paper the word "rejected" and sign the same, and then place such envelope unopened in some place of security for safe keeping until after the election.

PURSUANT to section 41 of the Bulk Handling Act, 1935, His Excellency the Lieutenant-Governor in Council hereby makes regulations dealing with the receipt, handling, and delivery of a grade of wheat, to be styled "Grade Western Australia No. 2," and prescribes a standard for that grade as follows.

16th November, 1939.

L. JONES,
Under Secretary for Agriculture.

Grade Western Australia No. 2, 1939-1940 Wheat Season

1. The Company may receive wheat of the 1939-1940 wheat season which complies with the standard hereinafter specified.
2. All such wheat shall be handled separately from and binned separately from other wheat received by the company.
3. The following shall be a description of the standard:—
 - (a) Subject to the conditions stated hereunder, it will include wheat which is below the limits of variation allowed for other prescribed grades.
 - (b) The wheat shall be dry, free from weevils or other insects and free from smutty, musty, or other commercially objectionable smell.
 - (c) The bushel weight of the grain as received by the company will be less than 60 lbs., with a limit of variation to 56 lbs.
4. The company shall issue a distinctive warrant for every parcel of wheat received of this grade so that the wheat can be clearly distinguished from other grades prescribed.
5. The form of warrant may be the same as that issued for Western Australian Standard White, except that it shall have a distinct statement at the head of the warrant that the warrant is issued in respect of Grade Western Australia No. 2 wheat, and shall be on a different coloured form from that used for the 1939-1940 wheat season for Western Australian Standard White.

6. The dockages shall be as prescribed in the Act.

7. The company shall be entitled to make a charge to cover the actual cost of any extra railage reasonably incurred by reason of the special nature of the wheat; for example, by reason of the light weight of the wheat, trucks cannot be loaded to their full capacity in weight.

8. For extra services occasioned by special handling and binning of this grade of wheat the company shall be entitled to make an additional charge of ¼d. per bushel.

9. The company shall not be bound to accept wheat of this standard at any particular siding where there is not sufficient quantity of the wheat offering to justify the company economically in receiving the wheat:

Provided that any person aggrieved by reason of the refusal of the company to receive any wheat of this standard at any particular siding for reasons stated in this regulation may appeal within fourteen days after such refusal to the Minister, whose decision shall be final.

10. Delivery of wheat of this grade shall be made only at the port in the zone in which it was delivered, unless the grower has declared some other destination upon delivery of such wheat or unless the company can conveniently arrange delivery at some other destination.

Metropolitan Weekly Newspapers.

Journalists' Agreement.

(Registered 12/10/39.)

THIS Agreement, made in pursuance of the Industrial Arbitration Act, 1912-1925, this 1st day of September, one thousand nine hundred and thirty-nine, between the Western Press, Limited, proprietors of the newspapers "The Sunday Times" and "The Mirror" of the one part, and the Metropolitan Journalists' Industrial Union of Workers of Western Australia, a Union registered under the said Act, of the other part: Whereby it is agreed that the following rates and conditions shall govern employment with respect to the said newspapers.

This Agreement shall operate over an area comprised within a radius of fifteen (15) miles from the General Post Office, Perth.

This Agreement shall come into force on and be operative as from the fourth day of September, 1939, and shall continue in operation until the 31st day of August, 1942, and thereafter until a new Agreement is entered into between the parties.

1.—Minimum Rates of Pay.

The minimum weekly rates of pay shall be as follows and shall not be affected by any increase or decrease in the basic wage as declared by the Court of Arbitration so that the total rates of pay hereinafter shall not be altered in any way during the currency of this Agreement:—

Basic wage:—Males, £4 2s. 2d.; females, £2 4s. 4d.

	£	s.	d.
(a) Sub-editors	12	5	0

2.—Cadets.

(a) An employee who is constantly or regularly in training for journalism, or who substantially performs the work of one in training for journalism, and has not had four (4) years' experience in journalism, shall for the purpose of this Agreement be termed a cadet, and shall become a member of the Metropolitan Journalists' Union within two months of his appointment, unless he makes a statutory declaration to the effect that he has conscientious objections to doing so.

(b) The services of a cadet shall be regarded as continuous, notwithstanding that he may have been employed on more than one newspaper during his period of cadetship.

(c) Not more than one cadet shall be employed to every six (6) members or part thereof of the employer's staff.

(e) The period of cadetship shall not exceed four (4) years.

Provided, however, that after the completion of the period of cadetship, should there be no vacancy on the classified staff to which he could be appointed, a cadet may, with the consent of the Metropolitan Journalists' Union, continue in such employment at the rate provided for a fourth-year cadet until such time as a vacancy for a junior occurs under the percentage grading prescribed in this Agreement within a period consented to by the Union. In the event of his services being terminated by his employer without just cause in law during such period, or should the Union refuse to consent to a further period, which consent shall not be unreasonably withheld, the cadet shall receive the difference between the fourth-year cadet rate and the rate for a junior journalist, from the time of completion of his fourth-year cadetship until the date of termination of his services. If the cadet leaves his employment of his own accord during or after such periods no such extra payment shall be made.

(f) Except by agreement between the parties no person shall commence his cadetship unless he has a knowledge of English equivalent to the standard of the Intermediate or Junior Examination at any Australian University.

(g) A cadet shall be fully and thoroughly taught and instructed by his employer in the profession of journalism.

Such instruction shall include:—

(h) Each cadet shall be permitted by his employer to absent himself during ordinary working hours for periods not exceeding a total of four (4) hours in any one week for the purpose of attending shorthand and typewriting classes, University or other lectures, or classes in literature, economics, civics, history, logic, and other subjects covered in the course of any Diploma of Journalism granted by any Australian University.

(i) All lecture and other fees, and the requisite books for such studies, shall be provided by the employer.

3.—Casual Journalists.

(a) A casual journalist shall be one who may be employed on the ordinary routine work of the Literary Staff for not more than seven (7) days in any period of one month, except when he is engaged to replace a permanent journalist absent on sick, holiday, or other emergency leave.

For articles (except leading), paragraphs, reports, etc.—twopence (2d.) per line.

For leading articles or verse—2½d. per line.

Members of the classified staff who contribute articles written in their own time shall be entitled to enter the time occupied by such work as provided in clause 7 of this Agreement.

5.—District Correspondents.

District correspondents regularly employed as such shall be paid at least the rates prescribed for junior journalists.

"A district correspondent," for the purpose of this Agreement, means a person from whom the employer regularly accepts reports of suburban news only, except when the district correspondent is employed outside his district, when he shall be paid at casual rates for a half-day or day in addition to his ordinary salary for district work.

6.—Classification of Journalists.

(a) Journalists, with the undermentioned exceptions, shall be classified as follows:—Senior journalists, general journalists, junior journalists.

(b) Classified journalists shall be classified in the following proportions:—Three-fifths of the staff shall be seniors, not more than one-fifth shall be juniors, and the rest shall be generals. Where the calculation of the percentage results in a fraction, such fraction, if over point five, shall be reckoned to the higher integer, and, if point five or less, to the lower integer.

(c) The exceptions to the classifications mentioned in this clause shall be:—

1. Editors in chief, casuals, cadets, district and country correspondents, contributors, and journalists employed outside the Commonwealth.

2. "Contributor" in this subclause means a person who is not employed as a member of the general staff, or to act as if he were a member of the general staff (and who is not a district or suburban or country correspondent as herein-after defined) but who in and at his own time prepares matter to be submitted for acceptance or rejection at the employer's option.

7.—Hours of Employment.

(a) The ordinary working hours for journalists shall not exceed forty-six (46) hours.

(b) There shall be two (2) clear days (one of which may be Sunday) off in each week.

(c) Subject to the next succeeding subclause the period between the time of entering on duty as hereinafter defined and the time signed off as the time of completion shall be reckoned as actual time worked, except such time as is usually occupied in meal time.

(d) After the expiration of a period of eleven (11) hours in any one day from the time of entering on duty as hereinafter defined, all time until the time signed off as the time of completion shall be reckoned as overtime and either allowed off or paid for as hereinafter provided. Provided that, on publishing day (Saturday), a member of the staff may be required to work up to fourteen (14) hours without the right to claim overtime if, notwithstanding this long spread of hours, his weekly total of hours worked does not exceed forty-six (46). Provided also, that in any week where a longer spread than fourteen (14) hours is worked on any one day and the employee's weekly total exceeds forty-six (46) hours, such time in excess of 14 hours shall be paid for at the rate of time and a-half.

(e) When the weekly maximum number of hours is exceeded in any week, time to the amount of the excess shall be deducted from the 46 hours to be worked during the next succeeding week. All time worked in excess of the reduced total of hours for that week shall be reckoned as overtime and dealt with in accordance with subclause (f) and (h) hereof.

(f) The time due as arrears, except as provided for in subclause (d), shall be allowed off continuously: Provided that, by agreement between the employer and the journalist, the time off may be taken in periods of not less than half a day each.

(g) Notice of time off shall as far as possible be given before 5 p.m. on the preceding day.

(h) If the time off is not allowed in the next succeeding week it shall be paid for at the rate of time and a-half.

(b) Except on country engagements, the working day of a journalist shall commence at the time of his entering on duty.

(c) "Entering on duty" means:—

1. arrival at the office for the first time in the day for the purpose of performing duty; or
2. beginning to perform the first engagement, whichever is the earlier, a reasonable time being allowed in the latter case to cover the period required to reach the engagement from home.

(d) Except as otherwise provided, all journalists shall make the following entries in the Time Book: each of them shall personally, on entering on duty, or as soon thereafter as circumstances reasonably permit, sign on in the Time Book and write therein the time of entering upon duty as above defined. He shall also, on completing his work for the day, or as soon thereafter as circumstances permit, sign off, stating the time of completion.

(e) Entries so made, if not disputed within twenty-four (24) hours shall be taken to be correct.

On country engagements time on duty shall be reckoned as follows:—

(a) If the engagement is confined to one day, the whole time during which the journalist is absent from the city.

(b) If the period of absence exceeds eight (8) hours, a third of such time or the actual time worked, whichever is the greater, shall be reckoned as time on duty. A minimum period of eight hours shall be allowed as time on duty.

10.—Expenses.

(a) All employees embraced in this Agreement shall be paid reasonable out-of-pocket expenses incurred while on duty.

(b) If a member's duty compels him to take more than one meal a day from his home, such meal or meals in excess of one day shall be paid for by the employer.

(c) Women members employed upon work requiring attendance in evening dress shall be provided with reasonable vehicular facilities.

11.—Holiday Leave.

(a) All journalists regularly employed on salaries, and district correspondents fully employed as such, shall receive three (3) consecutive weeks' holiday after forty-nine (49) weeks' service, on full pay, irrespective of sick leave: Provided that, in any year in which the member concerned travels to any point east of Adelaide, the holiday leave shall be four (4) consecutive weeks on full pay irrespective of sick leave.

(b) If a journalist is not employed for a full year, then a proportional part of the annual leave shall be granted.

(c) The term "full pay" in this clause relating to district correspondents shall be taken to mean pay at the rate as that of a junior journalist's.

(d) Members of the classified staff shall have a clear day off on full pay on Christmas Day and on Good Friday, or, in lieu thereof, on the day before or after each of these days. This shall be in addition to the ordinary weekly two days off.

12.—Sick and Incapacity Pay.

(a) All members regularly employed on salary, and all district correspondents solely employed, shall, in every year of their employment, be paid weekly whilst absent through illness or *bona fide* incapacity (upon production of a medical certificate, if required) at not less than the following scale:—

1. For every two months or part of two months he has been employed up to six (6) months, and shall be paid the first week at full pay, the second week at half pay, and the third week at quarter pay;
2. After he has been employed six months, he shall be paid for the first four weeks at full pay, the second four weeks at half pay, and the third four weeks at quarter pay.
3. After he has been employed five (5) years, he shall be paid the first two months at full pay; the second two months at half pay, and the third two months at quarter pay.

(b) In the case of district correspondents, "full pay" in this clause means £5 7s. 6d. a week.

(c) Where any other provision has been made for the case of an employee's illness, either alone or in conjunction with any other contingency, that provision shall be substituted in whole or in part, and either generally as to all employees, or as to any individual case, in the place of the provision for sick pay made by this clause, if there be obtained the written consent of the Union and of the Company, and the certificate of the Registrar that in his opinion the substituted provision is as beneficial to the member of the Union as the provisions hereby made.

(d) If in any particular case the Company is required by law to make any payment or compensation to the journalist who is ill then, to the extent of such payment or compensation actually made, the provision in this Agreement for sick pay, or in any substituted provision, shall abate.

(e) For the purpose of this division, the period or periods absent in twelve (12) months shall be regarded as cumulative, and not as applying to separate illnesses and/or incapacity that may occur during the course of twelve months.

13.—Relieving.

Any journalist or cadet temporarily taking the place of another of higher grade, shall, while doing so, be paid the higher rate: Provided that this does not apply to holiday or sick leave where the absent journalist or cadet is paid by the employer.

14.—Termination of Employment.

Termination of employment of journalists who have been in the employ of the Company for two months or more shall be subject to four (4) weeks' notice: Provided that, in the case of subeditors, the period shall be four (4) months, and, in the case of seniors, two (2) months; but in cases where a journalist has been guilty of misconduct or refusal of duty, the Company shall be entitled to dismiss such journalist immediately.

15.—Salaries and Conditions to Continue.

Any journalist who prior to this Agreement coming into force was in possession of status and conditions of employment better than those prescribed herein shall not have such status or conditions reduced or abrogated in any way.

16.—Names to be Furnished.

(a) The names of all journalists employed by the Company, together with a statement as to the grade in which they are employed, shall be entered and, when necessary, added to or corrected by, or on behalf of the Company, in a book to be kept by the Company for the purpose.

(b) A copy of such entries shall, on application in writing by the secretary of the Metropolitan Journalists' Industrial Union of Workers of Western Australia at any time be furnished by the Company to any member of the said Union authorised in writing to receive it.

17.—Preference.

It shall be a condition of the employment of any new member of the classified staff, or any district correspondent, that he shall either be a member of the Union or become one within a period of three (3) months from the commencement of such employment, unless he makes a statutory declaration to the effect that he has conscientious objections to doing so. The Union shall not refuse admittance to its membership of anyone applying for same under this clause. A member of the Union in employment before this Award shall remain a member, unless he make a statutory declaration of conscientious objections, or leaves the profession.

The making of a statutory declaration of conscientious objection by a member who is in arrears with his financial obligations to the Union shall not exempt him from his obligation to remain a member.
