6.—Meetings.

(a) Meetings of the Board shall be of two kinds—“Ordinary” and “Special.” Ordinary meetings are the regular meetings held in pursuance of these by-laws for the transaction of the general business of the Board, including meetings adjourned for the purposes of any incomplete business, but an adjourned meeting would not

exclude any business, which was considered necessary to transact. Special meetings are those called under section 131 (2) of the Act, and shall include those called by the chairman in response to a requisition signed by three members, or on his own behalf, and the notices for such special meetings shall have such special business notified thereon for which the meeting was called, and for which each member shall receive seven days' notice. No other business shall be transacted at a special meeting other than that for which the special meeting was called: provided that any matter of emergency can be discussed, with the ruling of the chairman and the consent of those present.

(b) A special meeting may, on the requisition of three members of the Board, be called at any time in the manner prescribed by the Act, but the chairman may call a special meeting of the Board as often as he may think proper.

(c) Notice shall be given in writing by the chairman or the secretary of ordinary meetings and also of every meeting adjourned for a term exceeding thirteen days.

(d) Ordinary meetings shall be held at the Board's office, Harvey, on the second Monday in the month, at 10 a.m., unless otherwise arranged by resolution carried to that effect at the preceding ordinary meeting of the Board.

(e) No business shall be transacted at any ordinary or special meeting, unless a majority of the members of the Board, inclusive of the chairman or the member of the Board chosen to preside in his absence, shall be present. At all meetings of the Board, when there is not a quorum present, or when the Board is counted out (which counting out will take place whenever there shall be less than a quorum present), such circumstances, together with the names of members then present, shall be recorded in the minute book.

(f) A majority of the members present may require the Board Room to be cleared of strangers, and the chairman or other presiding chairman shall immediately give directions to have the order executed.

(g) The ratepayers' meeting shall consist of one called under section 144 of the Act, and the standing orders shall, so far as the Act allows, apply to the proceedings, but the provisions of the Act shall be first dealt with. The chairman, if present, shall preside at all meetings of ratepayers and of the Board, and, in his absence, or, if after being present he shall retire, one of the ratepayers chosen by the ratepayers present shall preside.

(h) The first business of all meetings of the Board shall be the receiving of the printed minutes of the preceding meeting, as circulated to members, for their confirmation.

7.—Minutes of Meetings.

(a) The minute book prescribed by the Act shall be kept, in which any item of business transacted by the Board shall be entered by the secretary. Minutes of special or ordinary meetings shall be confirmed at the next ordinary meeting. No discussion shall take place upon the minutes of proceedings, except as to their accuracy, or for the rectification of a clerical error.

(b) Providing that pasting or otherwise permanently affixing the minutes of the meeting of the Board to the leaves of a book shall be equivalent to entry therein, and the reading of the minutes may be dispensed with when members have been supplied with copies thereof at least three days before the holding of such last-mentioned meeting.

8.—Standing Orders.

(a) The order of business at all ordinary meetings of the Board shall be as follows, that is to say:—

- (1) Receiving and confirmation of minutes of last ordinary meeting, also of special meetings (if any).
- (2) Consideration of business arising out of minutes.
- (3) The chairman shall have the right of directing attention at any meeting to any matter or subject within the jurisdiction or official cognisance of the Board by a minute signed by himself, and such minute shall, when introduced, take precedence of all business before or to come before the Board, and the adoption thereof may be put by him

from the Chair as a motion, without being seconded, but he shall confine himself to the questions contained therein.

- (4) Monthly Financial Statement.
- (5) Accounts.
- (6) Reading of correspondence and taking action as may be deemed expedient in regard thereto.
- (7) Presentation of petitions or memorials and consideration thereof.
- (8) Report of Committees.
- (9) Consideration of tenders and ratification of contracts.
- (10) General business.
- (11) Notice of motions.

(b) In the event of any member having urgent business to place before the meeting, he may move the suspension of the standing orders; if agreed to by the Board, such business shall take precedence to all others.

(c) Any member wishing to rescind any motion shall act in direct compliance with section 136 of the Act, by giving seven days' notice to each member, or submitting to the secretary of the Board notice of his intention in time to enable him to give the necessary notice, prescribed by the Act, to each member.

9.—Order of Debate—Speakers must not Digress.

A member having audience shall not digress from the subject of the debate.

10.—Precedence of Chairman.

When the chairman rises in his place during the progress of a debate, any member then speaking or offering to speak shall immediately resume his seat, and every member present shall preserve strict silence so that the chairman may be heard without interruption.

11.—Mode of addressing Board, etc.

Members shall on all occasions, when at a meeting, address all their remarks to the chairman, and shall not speak directly to any member or officer present at the meeting. When so addressing the Chair, members shall refer to each other or to officers of the Board by their official designations as chairman or secretary, as the case may be, and, with the exception of the chairman, shall rise in their places and stand while speaking (except when prevented from so doing by bodily infirmity).

12.—Speaker not to be Interrupted if in Order.

No member shall be interrupted while speaking, except for the purpose of calling him to order, as herein-after provided, or in pursuance of by-law.

13.—Limitation as to Number of Speeches.

The mover of an original motion shall have the right of general reply to all observations which have been made in reference to such motion, and to any amendment moved therein, as well as the right to speak upon every such amendment. Every member, other than the mover of an original motion, shall have the right to speak once upon such motion and once upon every amendment moved thereon. No member shall, without the consent of the Board, speak more than once upon any one question, or for longer than ten minutes at any one time, unless when misrepresented or misunderstood, in which case he may be permitted to explain without adding any further observations than may be necessary for the purpose of such explanation.

14.—Notice of Question to be given.

Sufficient notice of every question shall be given to the chairman or member expected to reply thereto, to permit of consideration of such reply, and, if necessary, reference to other persons or to documents.

15.—Questions to be put without Argument.

Every such question shall be put categorically and without argument.

16.—Replies and Objections and subsequent Motions received.

No discussion shall be permitted respecting any reply or refusal to reply to any question.

18.—Petitions.

Every petition or memorial shall be respectful and temperate in its language, and shall be presented to the Board by a member only, and any member presenting a petition or memorial to the Board shall affix his name to the beginning thereof, with the number of signatures; and any member presenting a petition or memorial shall acquaint himself with the contents thereof and ascertain that it does not contain language disrespectful to the Board. The nature or prayer of every petition or memorial shall be stated to the Board by the member presenting the same.

19.—Tenders.

Tenders for work shall be opened and dealt with when the subject-matter of the tenders comes to be considered at the meeting of the Board, or by a committee appointed for the purpose.

20.—Notice of Motion—Absence of Mover.

Except as elsewhere provided, no motion, after being placed on the business paper, shall be withdrawn without the consent of the Board.

22.—Motions to be Seconded.

No motion shall be debated unless or until it has been seconded.

24.—Amendment may be Moved.

When a motion has been proposed and seconded, any member shall be at liberty to move an amendment thereon, but no such amendment shall be debated unless or until it has been seconded.

25.—Motions and Amendments to be in Writing.

No motion or amendment shall be debated unless or until it has been reduced to writing, if the chairman so directs.

26.—Further Amendment may be Moved on Amended Question.

If an amendment has been carried, the question as amended thereby shall become itself the question before the Board, whereupon any further amendment upon such question may be moved.

27.—How subsequent Amendments may be Moved.

If an amendment, whether upon any original question or upon any question amended as aforesaid has been negatived, then a further amendment may be moved to the question to which such first-mentioned amendment was moved, and so on; provided that no more than one question and one proposed amendment thereof shall be before the Board at one time.

28.

A motion or amendment not seconded cannot be discussed by any member, except the mover, nor put by the chairman.

29.

In submitting a motion or amendment the chairman shall put the question first in the affirmative and then in the negative.

30.

When an amendment is carried the motion amended thereby becomes a substantive motion, upon which further amendments may be moved before it is finally dealt with.

31.—Unopposed Notices of Motion.

The chairman may call over the notices of motion on the business paper in the order in which they appear thereon; and, if objection is not taken to a motion being taken as a formal motion, may call upon the mover to move the same, and upon the motion being seconded, may then, without discussion, put the motion to the Vote.

32.—Voting.

At all meetings of the Board, save where it is otherwise provided, all the members present shall vote, and the questions there considered shall be decided by open voting and by the majority present. Each member, including the chairman, shall have one vote only, and, in the case of an equality of votes on any question, such question shall pass in the negative.

33.—All Members to Vote.

Upon a vote being taken the chairman and all members present within the Board Room, unless disqualified from voting, shall, unless so disqualified, upon the question being put, record their respective votes in the affirmative or negative, as each shall deem desirable, but if a member other than the chairman neglects or refuses to vote, his vote shall be counted for the negative. When any member dissents he may request that his name be recorded in the minutes as opposed to the motion, and it shall be so recorded.

34.—Chairman May Repeat Questions.

The chairman shall be at liberty to put any question as often as may be necessary, to enable him to form his opinion as to the result of the voting and declare the same.

35.—Motion for Adjournment.

No discussion shall be permitted upon any motion for adjournment of the Board. If upon the question being put on any such motion the same is negatived, the subject then under consideration or next on the business paper shall be discussed, and it shall not be competent for any member to again move a motion for adjournment until half an hour has elapsed from the time of moving the one that has been negatived.

36.—Mover of Adjournment—when entitled to Priority.

On resuming any discussion which has been adjourned, the mover of such adjournment shall be entitled, if he has not already spoken on the subject under discussion, to speak first.

37.—Acts of Disorder.

Any member who at any meeting of the Board or any Committee commits a breach of any by-law, or moves or attempts to move any motion or amendment embodying any matter beyond the legal jurisdiction of the Board or Committee, or who in any other way raises or attempts to raise any question, or addresses or attempts to address the Board or Committee upon any subject which the Board or Committee have no legal right to entertain or discuss, or who uses any language which, according to the common usage of gentlemen would be held disorderly, or makes use of any expression inconsistent with good order and decorum, or who says or does anything calculated to bring the Board or Committee into contempt, shall be guilty of an act of disorder.

IN THE COURT OF ARBITRATION OF
WESTERN AUSTRALIA.

No. 534 of 1939.

Between the Commissioner of Railways for the State of Western Australia, Applicant, and West Australian Locomotive Engine-drivers, Firemen, and Cleaners' Union of Workers, Respondent.

The sixth day of December, 1939.

UPON Hearing Mr. E. McKenna, on behalf of the Commissioner of Railways, and Mr. W. Rudinger, on behalf of the respondent Union, and by consent, the Court hereby orders and declares that Award, No. 5 of 1927, as amended, is hereby further amended so as to read as follows:—

1.—Term of Award.

This Award shall operate from the third day of December, 1939, and shall remain in force for three (3) years from that date; provided that, at any time after the expiration of the first twelve (12) months from that date, and after the expiration of any subsequent period of twelve (12) months, either party shall have the right to approach the Court of Arbitration to amend or vary the Award.

2.—Area and Scope of Award.

This Award shall apply only to workers employed by the Commissioner in and about the working of the State Railways, and, subject to necessary adjustments to be agreed upon between the Commissioner and the Union, to any other railway over which the Commissioner may work traffic under an agreement giving him running powers; provided that, in the event of the parties being unable to arrive at an agreement, the matter may be referred to the Court for decision.

If electric or other power is installed as a substitute for steam haulage, members of the Union shall be employed to operate under the new power.

3.—Interpretation.

“Worker” means a member of the Union employed as driver, fireman, cleaner, washout-man, washout-man's assistant, packer, or trimmer.

“Attended barracks” means any building attended to by a whole or part-time caretaker appointed for that purpose, which is provided with bed, clean bedding, cooking utensils, and light, and lighting facilities, water and fuel. This shall include a van used to supplement the building accommodation, when such is not sufficient to accommodate the workers.

“Unattended barracks” means any van used as a barracks provided with the accommodation mentioned in the previous definition, and any building which, whilst provided with the accommodation mentioned therein is wholly unattended.

“Main depot” means a depot where six (6) or more locomotives are stationed.

“Married man” includes a single man who has a parent or child solely dependent on him and resident in the State of Western Australia, but does not include a married man whose wife and family are neither resident with nor dependent upon him.

“The Union” means the West Australian Locomotive Engine-drivers, Firemen's and Cleaners' Industrial Union of Workers.

“Suburban area” means Fremantle to Bellvue; East Perth to Maddington, and Kalgoorlie-Kamballie, if suburban train service exists.

4.—Promotion.

Promotion from cleaner to fireman and from fireman to driver shall be made—

- (a) automatically by reason of acting work, in accordance with the next succeeding clause; and
- (b) independently of acting work, as vacancies arise, according to seniority combined with proficiency and good conduct; provided that the necessary examinations have been passed,

5.—Acting Work.

(1) (i) When a fireman or cleaner has acted in the capacity of a driver or fireman respectively for three hundred and thirteen (313) days, appointments, in order of seniority, shall be made to the higher grade as follows:—

(ii) Where the worker concerned is below the fifth position on the seniority list the five (5) senior firemen or cleaners, as the case may be, eligible for promotion, shall be promoted to the higher grade;

(iii) Where the worker concerned is not below the fifth position on the seniority list, he shall, with any workers senior to him and eligible for promotion, be promoted to the higher grade.

(iv) The date of any such promotion shall, notwithstanding subsequent regression, be taken as determining when advancement from class to class becomes due.

Provided, however, that the foregoing provision shall not apply to any fireman or cleaner who, during the preceding twelve (12) months, has lost the opportunity of himself getting the benefit of acting work by reason of his failure to accept a transfer from one depot to another.

(v) To ascertain the number of days' acting work performed by a worker, all acting work heretofore or hereafter shall be counted, and the total number of hours worked by him in the higher capacity up to the 31st December, 1925, shall be divided by eight (8) and the total number of hours after that date divided by seven and one-third (7 1/3rd).

(2) For the purpose of maintaining the present order of seniority amongst the workers the Commissioner shall, as far as practicable, arrange that firemen and cleaners shall have the benefit of acting work according to seniority, and to that end shall transfer them from one depot to another, as may be necessary.

(3) A driver or fireman may, when traffic conditions so require, be temporarily employed as fireman or cleaner respectively, but whilst acting in the lower grade shall be paid the rate which he was receiving as driver or fireman respectively.

(4) A review of work performed in advanced capacity during the previous three (3) months shall be made after the close of the last period in the months of March, June, September, and December. Any adjustment of the staff to date from the fifteenth day after the close of each review period.

(5) When the average of all the advanced capacity work performed is found to be more than equal to full time for twenty (20) firemen as drivers and/or forty (40) cleaners as firemen during the quarter ending March, and more than equal to fifteen (15) firemen as drivers and/or thirty (30) cleaners as firemen during the quarters ending June, September, and December, cleaners or firemen equal to the number in excess of that specified shall be promoted to firemen and drivers respectively.

(6) When the average of all the advanced capacity work performed is found to be less than equal to full time for twenty (20) firemen as drivers and/or forty (40) cleaners as firemen during the quarter ending March, and less than equal to full time for fifteen (15) firemen as drivers and/or thirty (30) cleaners as firemen during the quarters ending June, September, and December, drivers and firemen equal to the number less than that specified shall be regressed to firemen and cleaners respectively.

(7) In the event of an abnormal decrease in the traffic to be handled in any one year, the margins provided for in paragraphs (5) and (6) may be referred to a Board of Reference for review, and the Board shall have power to amend those margins in such manner as it may deem fit.

(8) Each fortnight a return, showing all the acting work performed during the previous two (2) weeks, shall be supplied to the secretary of the Union.

(9) Workers appointed under subclause (1) may be regressed; provided that the total amount of advanced capacity work performed during the two (2) weeks preceding that in which such appointments became due is less than the margin stipulated in subclauses (5), (6), and (7); should the advanced capacity work performed for the same period be in excess of the

margin provided in subclauses (5), (6), and (7), appointments equal to such excess shall be retained. Regressions under this subclause to be made within a fortnight of such appointments becoming due.

(10) No driver or fireman in any class shall be regressed until all the drivers and firemen respectively in the classes (if any) below him shall have been similarly regressed. After such regression, and whilst doing work in the lower grade, the drivers and firemen so regressed shall be paid the maximum rates provided for firemen and cleaners respectively. Notice of intention to regress to be served on the Union.

6.—Retirement and Dismissal.

(a) No worker after six (6) months' continuous service shall leave the service of the Commissioner until the expiration of fourteen (14) days' written notice of his intention so to do, without the approval of the Commissioner.

(b) Except in the case of summary dismissal for misconduct, fourteen (14) days' written notice shall be given by the Commissioner to any worker whose services are no longer required, and the reason for his dismissal shall be included in such notice.

7.—Qualifications.

(1) Engine-drivers:—No person shall be employed as a driver on the State Railways without the approval of the Head of the Branch. Such driver shall pass a satisfactory examination and hold a certificate from Head of Branch that he is competent. He must also have served as a fireman on the State Railways, or been employed as a driver or acting driver on other railways, either within or outside the service of the State Railways, unless in the opinion of the Head of the Branch there is no fully qualified worker available in the employ of the State Railways, when he shall report to the Commissioner, who may thereupon authorise the appointment of such person or persons, as may be deemed necessary; always provided that the Union shall receive due notice of any such proposed appointments.

(2) (a) Firemen: No person shall be employed as a fireman on the State Railways without the approval of the Head of the Branch. Such fireman must pass a satisfactory examination and hold a certificate from the Head of the Branch that he is competent; he must also have served as a cleaner on the State Railways, or have been employed as a driver, fireman, or cleaner on other railways within or outside the State of Western Australia; provided always that no person from outside the service of the State Railways shall be employed as fireman unless, in the opinion of the Head of the Branch, there is no worker in the employ of the State Railways fully qualified and available, when he shall report to the Commissioner, who may thereupon authorise the appointment of such person or persons as may be deemed necessary; always provided that the Union shall receive due notice of any such proposed appointments.

(b) No worker shall be permitted to act as fireman until he is twenty-one (21) years of age, unless, in the opinion of the head of the branch, the requirements of the service otherwise demand it.

(3) Cleaners:—(a) No candidate for the position of cleaner shall be admitted under eighteen (18) years of age or over nineteen (19) last birthday.

(b) Each candidate for the position of cleaner shall require:—

- (i) to pass departmental education test;

(d) Sunday travelling time shall be paid at the same rates and on the same conditions as on week days.

(e) In respect of a worker who is provided with a sleeping berth in a passenger train, travelling time shall not count between 10 p.m. and 7 a.m.; provided this shall not operate to reduce the travelling time to be paid for below four (4) hours in any one day.

(f) A worker when travelling by sea shall be entitled to a first-class accommodation on the boat, and one-fourth only of the usual away-from-home allowance; travelling time shall be paid at ordinary rates; provided that not more than eight (8) hours shall be paid for his travelling time in any one period of twenty-four (24) hours.

(a) Any driver or fireman booked on duty but informed before leaving the shed with his engine that he is not required for work, and who is only called upon to attend to his engine, shall be paid one-quarter day's pay at the rate applicable to that day, but may be called upon for further duty without any further prescribed

period of rest as provided for in clause 16 of this Award. Any driver or fireman who is booked on duty and is called upon to perform work other than attending to his engine, or who has to go out on traffic, shall be allowed not less than four (4) hours' pay at the rate applicable to that day.

(b) Any driver or fireman booked up for duty shall not be entitled to any allowance when at least two (2) hours' notice that he is not required has been left at his place of residence or barracks, as the case may be. Written notice left with person in charge of worker's place of residence will be deemed to be notice under this sub-clause.

(c) If a cleaner is brought on duty and it is found necessary before he has worked two (2) hours to book him off so that he may be available to take up duty as a fireman, he shall be paid a minimum of two (2) hours at the rate applicable to that day, but may be called upon for duty as fireman without the period of rest prescribed in subclause (f) of Clause 16.

(d) Any worker brought on duty shall receive four (4) hours' pay at the rate applicable to that day, except as provided for in subclauses (a), (b) and (c) hereof.

(e) No worker shall be brought on duty on a Sunday for less than four (4) hours' work.

(f) Any worker rostered for duty on Sunday and informed he is not required shall be paid two (2) hours at ordinary rates; provided, however, this provision shall not apply when notice that he is not required has been left at the worker's place of residence at least two (2) hours before his rostered time for duty.

16.—Minimum Time Off Duty.

(a) Each driver and fireman shall be allowed off duty at home station for a minimum of twelve (12) hours, and at foreign stations for a minimum of eight (8) hours, except as provided hereunder.

(b) Enginemen leaving home station for a foreign station which may entail booking off at a number of other stations before returning to home depot, shall be booked off for twelve (12) and eight (8) hours alternatively; provided that the first booking-off may be for a minimum of eight (8) or twelve (12) hours as the department may require; provided further, that unless the worker is notified to the contrary prior to leaving his home station, the first booking-off shall be for a period twelve (12) hours.

(c) When enginemen are required to do anything apart from their rostered run, the department to apply the alternating rest period.

(d) In the event of a crew having been booked-off at a foreign station for eight (8) hours and the department finds it necessary to again book the same crew off on the return journey, the rest period on the second occasion to be twelve (12) hours, so that no crew will be booked-off eight (8) hours twice in succession.

(e) When relieving at a foreign station or temporarily transferred, the temporary station will for the purpose of this clause be treated as the home station for the first and each subsequent booking-off thereat.

(f) After a cleaner, washout-man, washout-man's assistant, or worker acting in that capacity has gone off duty he shall be allowed ten (10) hours before coming on duty again: Provided that, if a worker has been employed during part of the shift as a fireman, he shall be allowed rest period specified for fireman.

(g) When a worker is brought on duty without the prescribed period of rest, he shall be paid continuous duty as from the time he booked on on the previous shift till booking-off on the shift for which he had less than the stipulated rest period, excepting where the time by which the rest period falls short of the prescribed time does not exceed sixty (60) minutes, in which case he shall be paid at the rate of double time for the time between the actual rest period and the minimum period of rest prescribed in this award: Provided that, in either case, he shall be deemed to have been booked off duty, in so far as the computation of lodging allowance is concerned.

(h) The foregoing conditions shall not apply in cases of emergency, when the attendance of a worker is required before the prescribed rest period has elapsed.

(i) (i) The only recognised cases of emergency shall be—

- (1) washaways or damage to the roads of such an extent as to bring about delays to trains;
