PROCLAMATION

WESTERN AUSTRALIA, } By His Excellency Sir James Mitchell,
TO WIT. } K.C.M.G., Lieutenant-Governor in and
JAMES MITCHELL, } over the State of Western Australia
Lieutenant-Governor, } and its Dependencies in the Common-
[L.S.] } wealth of Australia.

WHEREAS it is enacted by section 15 of the Wheat Products (Prices Fixation) Act, 1938, that the Governor may from time to time, on the recommendation of the Wheat Products Prices Committee as constituted by the said Act, by Proclamation fix minimum and maximum prices at which substances included in the definition of flour, or in the definition of wheat products, may be sold in the State, or in any specified part of the State, by any person, and that the Governor may from time to time revoke or vary any Proclamation under the said section by a subsequent Proclamation: And whereas the Governor, by a Proclamation dated the 31st day of August, 1939, and published in the *Government Gazette* on the same day, fixed certain prices in relation to flour, bread, and other substances therein specified at which flour, bread, and the other substances aforesaid might be sold by any person in the various parts of the State therein specified: And whereas the Governor by a further Proclamation dated the 30th day of November, 1939, and published in the *Government Gazette* on the same day, varied the first hereinbefore-mentioned Proclamation in the manner set forth in the last hereinbefore-mentioned Proclamation: And whereas it is now deemed necessary and expedient to cancel and revoke the two Proclamations aforesaid and in lieu thereof to issue this present Proclamation fixing, in relation to flour, bread, and the other substances hereinafter mentioned the prices at which flour, bread, and the other substances aforesaid may be sold by any person in the various parts of the State hereinafter specified: Now, therefore I, the said Lieutenant-Governor, acting with the advice and consent of the Execu-

tive Council and in accordance with the recommendation of the Wheat Products Prices Committee aforesaid, and in exercise of the power in this behalf conferred upon me by the said Act, do hereby cancel and revoke the said hereinbefore mentioned Proclamations dated respectively the 31st day of August, 1939, and the 30th day of November, 1939, and published in the *Government Gazette* respectively on the 31st day of August, 1939, and the 30th day of November, 1939, as aforesaid, and also do by this present Proclamation, but, subject as hereinafter provided, fix the prices at which flour, bread, and the other substances hereinafter specified, being wheat products within the meaning of the said Act, may be sold by any person in the various parts of the State specified hereunder, in accordance with the various prices set forth hereunder in relation to flour, bread, and the other substances aforesaid respectively: Provided that this Proclamation shall not apply in the case of sales of flour, bread, and the other substances aforesaid under contract to public charitable institutions or to Government institutions:—

1. The prices (both minimum and maximum) in relation to best bakers' flour, bran, pollard, flaky bran, and semolina are fixed as follows:—

(A) Best bakers' flour, which expression includes whole-wheatmeal, standard wheatmeal, and every other flour similar in quality to best bakers' flour, but does not include any flour which is of a special quality superior to that of best bakers' flour, the cost of the manufacture whereof is greater than the cost of manufacture of best bakers' flour, and which is declared by the Wheat Products Prices Committee to be superior to best bakers' flour:—

- (i) when sold for delivery in the area served by the railway from South Beach, Fremantle, to Midland Junction, and by the railway from Perth to Camington, and delivered on buyers' premises in bags or other containers of approximately 150 lbs. weight—£12 8s. 6d. per ton of 2,000 lbs.;
- (ii) when sold for delivery in the area served by the railways aforesaid and delivered to buyers elsewhere than on buyers' premises in bags of approximately 150 lbs. weight—£12 8s. 6d. per ton of 2,000 lbs.;

- (iv) wheresoever sold or delivered, when contained in—
 - (a) 25 lb. bags—the price fixed under sub-subparagraph (i), (ii), or (iii) hereof, as the case may be, plus £1 2s. 6d.;
 - (b) double 25 lb. bags—the price fixed under sub-subparagraph (i), (ii), or (iii) hereof, as the case may be, plus £2 10s. 0d.;
 - (c) in 50 lb. bags—the price fixed under sub-subparagraph (i), (ii), or (iii) hereof, as the case may be, plus 15s.;
 - (d) in double 50 lb. bags—the price fixed under sub-subparagraph (i), (ii), or (iii) hereof, as the case may be, plus £1 10s. 0d.;
 - (e) in 3 double 50 lb. bags in cornsack—the price fixed under sub-subparagraph (i), (ii), or (iii) hereof, as the case may be, plus £1 17s. 6d.;
 - (f) in 3 single 50 lb. bags in cornsack—the price fixed under sub-subparagraph (i), (ii), or (iii) hereof, as the case may be, plus £1 2s. 6d.;
 - (g) in double sacks—the price fixed under sub-subparagraph (i), (ii), or (iii) hereof, as the case may be, plus 5s.;
 - (h) in 100 lb. bags—the price fixed under sub-subparagraph (i), (ii), or (iii) hereof, as the case may be, plus 7s. 6d.;
- (v) the prices fixed in sub-subparagraph (iii) above of this subparagraph (A), include delivery to buyers on buyers' premises as well as ex mill or ex mill store, in the case of sales for delivery at Albany, Rockingham, and Spearwood;
- (vi) where the flour is sold F.O.B. ship at Fremantle or Geraldton for delivery at any other coastal port, the prices fixed hereby in respect of

such flour by the foregoing provisions of this Proclamation are by this paragraph increased by the sum of 2s. 6d. above the said prices for such flour as fixed for flour sold and delivered at Fremantle or Geraldton, as the case may be.

(B) Bran sold in any part of the State—

- (i) when delivered at mill door, at mill siding, or ex mill store—£5 5s. 0d. per ton of 2,000 lbs.;
- (ii) when delivered on rails at railway stations—the appropriate price per ton of 2,000 lbs. as fixed by the Schedule hereunder.

(C) Pollard sold in any part of the State—

- (i) when delivered at mill door, at mill siding or ex mill store—£5 5s. 0d. per ton of 2,000 lbs.;
- (ii) when delivered on rails at railway stations, the appropriate price per ton of 2,000 lbs. as fixed by the Schedule hereunder.

(D) Semolina—the prices as fixed for best bakers' flour, plus £1.

(E) Flaky bran—the prices as fixed for bran, plus 10s.

2. The minimum price in relation to flour other than best bakers' flour as hereinbefore defined shall, in accordance with that part of the State in which it is sold for delivery, be the same as the minimum price fixed for best bakers' flour when sold for delivery in the same place.

3. The prices as fixed for flour delivered ex mill or ex mill store or on buyer's premises are so fixed on the basis of sales of six long tons (2,240 lbs.), the prices as fixed for bran or pollard delivered ex mill or ex mill store are so fixed on the basis of sales of six long tons (2,240 lbs.) or of four tons of 2,000 lbs. each, if the latter be part of a total consignment of six long tons of any mill products, and the prices as fixed for flour, bran, or pollard delivered on rails at railway other than on mill siding are so fixed on the basis of sales of six long tons (2,240 lbs.). Therefore, where in any sale a quantity less than that used as the basis for fixing the price as aforesaid is sold and by reason thereof the net profit to the seller will be reduced as a consequence of the corresponding increase in the expense of cartage from mill to siding, or in the expense of freight from siding to siding in relation to such less quantity charged against the seller, the seller shall charge against the buyer, in addition to the fixed price, a further amount equivalent to such reduction in net profit.

Provided that—

- (i) for the purpose of calculating the expense incurred by the seller for freight, the freight deemed to be payable by the seller shall be the freight which would be payable if the goods had been supplied from the mill nearest to the buyer's railway station and not from the mill actually delivering the goods, and
- (ii) the term "the mill nearest to the buyer's railway station" means that mill whose goods could be landed at the railway station nearest to the buyer's place of delivery most cheaply after adding to the mill door price the cost of freight from such mill to such railway station.

4. The prices fixed as aforesaid for flour, bran, pollard, semolina, and flaky bran are so fixed upon the basis that such price shall be payable forthwith on sale. Therefore, where in any sale of any of the mill products aforesaid other than flour, the quantity sold is not less than the quantity mentioned in paragraph 4 hereof as the basis upon which the price of goods sold is fixed, or where in any sale of flour the quantity sold is not less than one ton of 2,000 lbs., and the buyer does not pay cash forthwith on sale or within the times respectively fixed in the table hereunder, that is to say, within—

- (a) seven days, where the place of delivery is within twenty miles of the mill or store; or
- (b) ten days, where the place of delivery is within one hundred miles of the mill or store; or
- (c) fourteen days, where the place of delivery is more than one hundred miles from the mill or store;

the seller shall charge against the buyer, in addition to the fixed price, a further price of five shillings per ton: Provided that, where goods sold are shipped for delivery at any port north of Carnarvon, the said additional price of five shillings per ton may only be charged against the buyer as aforesaid when the buyer fails to make payment of the purchase price by the first postal mail following the receipt by him of the goods.

5. Notwithstanding anything to the contrary contained elsewhere in this Proclamation, where flour, bran, pollard, semolina, or flaky bran is ordered by a purchaser and the vendor accepts the order on the basis that the purchase price shall become payable only as and when in accordance with the order the goods are deliverable by the vendor to the purchaser, and such delivery cannot be made or is not to be made until after the expiration of three clear working days from the date of the acceptance of the order by the vendor, then in such case the purchase price payable by the purchaser for the goods shall be that price which is fixed and in operation, whether under this or another Proclamation, at the time of the delivery of the goods, although the price fixed for such goods under this Proclamation at the date of the acceptance of the order by the vendor may not have been the same as that fixed and in operation at the time of the delivery of the goods.

6. The prices fixed for bread are fixed in respect of sales within the Metropolitan Area as hereinafter defined, as follows:—

Provided, however, that the driver of such vehicle may, when it is safe to do so, having regard to all the circumstances of the case:—

(i) drive the vehicle to or on the right-hand side of such line when he is about to overtake or is overtaking or passing another vehicle proceeding in the same direction;

(ii) drive the vehicle across such line for the purpose of turning to the right into another road or street or when crossing from the left-hand side of such pavement to the other side.

(b) When the driver of such vehicle has driven the vehicle to or on the right-hand side of such line for the purpose mentioned in paragraph (i) of the proviso to subparagraph (a) of this paragraph he shall, as soon as it is practicable, go back to the left-hand side of such line after he has overtaken or passed the other vehicle proceeding in the same direction in which he is proceeding.

(3) (a) Whenever the pavement of any road has been divided into three traffic lanes by marks, lines, or other indications placed thereon, the driver of a vehicle shall keep such vehicle within the lane on the left-hand side of the pavement:

Provided, however, that the driver of such vehicle may, when it is safe to do so, having regard to all the circumstances of the case:—

(4) The driver of a vehicle upon any road the pavement of which has been divided by double longitudinal lines placed at or near the centre of such pavement shall keep such vehicle to the left-hand side of such lines.

Provided, however, that the driver of such vehicle may, when it is safe to do so, having regard to all the circumstances of the case, drive the vehicle across such lines for the purpose of turning to the right into another road or street or when crossing from the left-hand side of such pavement to the other side.

(5) Whenever the pavement of any road has been marked by a double longitudinal line at or near the centre of such pavement and single longitudinal lines on either side thereof, thus dividing the pavement into four traffic lanes, two in each direction, the driver of any vehicle shall keep such vehicle within the left-hand or outer lane of the pavement:

Provided, however—
