Perth, 24th July, 1940.

C.L.D. No. 4915/39; Ex. Co. No. 1508.

HIS Excellency the Lieutenant Governor in Executive Council has been pleased to approve:—

1. Under section 50 of the Fire Brigades Act, 1916, to consent to the sum of £950, portion of a loan of £5,000 raised by the Fire Brigades Board for the acquisition of and improving of the St. John Ambulance property which adjoins the Headquarters Fire Station at Murray street, Perth, being used and expended—(a) as to £500 thereof, on the purchase of a new fire engine for the Town of York; (b) as to £350 thereof, on the purchase of a new service truck for Perth; and

(c) as to £100 thereof, on the installation of sewerage connections at the South Perth Fire Station and the quarters appurtenant thereto, instead of being used and expended on the improving of the said St. John Ambulance property, and that the improving of the said St. John Ambulance property be deferred accordingly, as recommended in the annexed memorandum signed by the Minister for the North-West as the Minister for the time being charged with the administration of the said Act.

(Sgd.) L. JONES,
Under Secretary for the North-West.

To His Excellency the Lieutenant-Governor in Council. WHEREAS the Fire Brigades Board, acting in accordance with section 40 of the Fire Brigades Act, 1916, prepared estimates of the probable expenditure to be incurred in the operation of the said Act within each district during the next following year, and such estimates included a schedule of works dated the 21st day of December, 1939, which provided for the acquisition of and improving of the St. John Ambulance property which adjoins the Headquarters Fire Station at Murray street, Perth, at an estimated cost of £5,000; And whereas your Excellency the Lieutenant-Governor in Council, acting pursuant to section 50 of the said Act, consented to the said Board borrowing the said sum of £5,000 for the purposes of the said works, as evidenced by Executive Council Minute No. 464, dated the 6th day of March, 1940; And whereas the said Board, having borrowed the said sum of £5,000, is about to acquire the said St. John Ambulance property at a cost of £4,050, but has been advised that the matter of improving the said property is bound up with alterations generally at Headquarters Fire Station at Murray street, Perth, aforesaid, and that it will not be wise or economic to proceed with the said improvements to the said St. John Ambulance property until the complete alteration scheme can be undertaken, and the said Board is therefore of the opinion that the said improvements should be deferred in favour of more urgent works: And whereas the deferment of the said improvements as aforesaid will leave in the hands of the Board unexpended or not utilised the sum of £950, balance of the said Loan of £5,000, which can be applied and used more conveniently for the other urgent works aforesaid: And whereas the said Fire Brigades Board has now recommended that the said sum of £950, instead of being applied and expended in improving

the said St. John Ambulance property shall be applied and expended in the following manner, that is to say:—

- (a) as to £500 thereof, on the purchase of a new fire engine for the Town of York to replace the present fire engine, which is 12 years old, as requested by the York Municipal Council, which has declared that such new fire engine is essential for the more effective fire protection of its district;
- (b) as to £350 thereof, on the purchase of a new service truck for Perth, which is urgently required to replace an old unit, in the servicing of fire appliances in buildings in the City of Perth, and which purchase has been approved by the Council of the City of Perth; and
- (c) as to £100 thereof, on the installation of sewerage connections at the South Perth Fire Station and the quarters appurtenant thereto, which are now urgently required:

Now, therefore I, the undersigned, Minister for the time being charged with the administration of the said Act, do hereby recommend that your Excellency the Lieutenant-Governor in Council, acting pursuant to sec-

tion 50 of the said Act consent to the said unexpended balance of £950 of the said Loan of £5,000 being used and expended in and for the purposes mentioned and described in paragraphs (a), (b), and (c) above respectively, instead of being used and expended in improving the St. John Ambulance property aforesaid as originally proposed, and to the improving of the said St. John Ambulance property being deferred accordingly.

Dated the 12th day of July, 1940.
