LAND OPEN FOR SELECTION.

IT is hereby notified, for general information, that the areas scheduled hereunder are available for selection under Part V. of the Land Act, 1933-1939, and the regulations appertaining thereto, subject to the provisions of the said Act.

Applications must be lodged at the Land Agency Office as specified hereunder not later than the date specified, but may be lodged before such date if so desired.

All applications lodged on or before such date will be treated as having been received on the closing day, and if there are more applicants than one for any block, the application to be granted will be determined by the Land Board. Should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, the applicants for the blocks will be duly notified of the date, time, and place of the meeting of the Board, and there shall be an interval of at least three days between the closing date and the sitting of the Board.

If an applicant wishes to appear before the Land Board in person he may apply to the Head Office or to the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department which, on presentation at the nearest Railway Station will entitle him to a Return Ticket, at Concession Rates, to the place where the Board will sit, available for seven days from the date of issue.

The selector of a Homestead Farm from any location must take the balance thereof, if any, under Conditional Purchase.

All marketable timber, including sandalwood and mallet, is reserved to the Crown, subject to the provisions of clause 18 of the regulations.

MUNICIPAL CORPORATIONS ACT, 1906-1939.

Municipality of Geraldton.

By-law No. 28.

Hoardings, Advertisements, Signboards, Illuminated Signs, etc.

P.W. 1365/35.

IN pursuance of the powers in that behalf contained in the Municipal Corporations Act, 1906-1939, and the Acts amending the same, and in the Town Planning and Development Act, 1928, and of all other powers thereto them enabling, the mayor and councillors of the Municipality of Geraldton do order as follows:—

1. The previous by-law No. 28 be repealed and be replaced by a new by-law No. 28.

2. In the construction of this by-law—

- (a) "Advertising device" shall mean and include sign, signboard, awning, blind, illuminated sign, hoarding, poster, or other advertisement;
- (b) "Approved" shall mean approved by the building surveyor;
- (c) "The building surveyor" shall mean the building surveyor or acting building surveyor for the time being of the Municipality of Geraldton;

(d) "Council" shall mean the Council of the Municipality of Geraldton;

(e) "Illuminated sign" shall mean every sign, signboard, poster, or advertisement lighted or capable of being lighted, whether from within or from without, by electric or other light, if such light is provided solely or mainly for the purpose of lighting such sign, signboard, poster, or advertisement;

(f) "Municipality" shall mean the Municipality of Geraldton;

(g) "Roof sign" shall mean any sign which projects more than 2 ft. above the eaves or parapet of any building. Any sign which projects higher than the ridge of the roof of the building to which it is attached shall be classified as a roof sign, also.

Part I.—Signboards, Awnings, Blinds, etc.

3. No person shall erect or maintain, and no occupier of any premises shall permit to remain on his premises any sign, signboard, awning, blind, or other advertising device, other than an illuminated sign, over or near any footway or roadway within the municipality without a written license from the Council, or, except in accordance with and upon the terms and conditions of such license, and such license shall be granted

only upon the terms and conditions contained in this by-law. Applications for licenses under this Part, which shall be in the form of Schedule 1 or Schedule 3 hereto, shall be made annually, and every license granted hereunder shall expire on the 31st day of October next following the date of issue.

4. (1) In cases where there is a verandah, signs and signboards—

- (a) shall be fixed on the outer plate or fascia of the verandah, parallel with the kerb, and shall be of a maximum depth of two feet, or
- (b) shall be under the roof of the verandah securely and rigidly fixed to the T-iron or rafter and following absolutely the contour of the verandah at right angles to the building line, and of a maximum depth of 12 inches. Signs under the verandah may be fixed to each rib, provided that the minimum distance between any two signs shall be 6 feet; or
- (c) shall be above the roof of the verandah, but not attached thereto, and shall be securely bolted to the building alignment wall, and shall be not more than 2 feet deep. Except, in the case of approved angle signs (see clause 5), shall be parallel to the building alignment wall, and there shall be no intervening spaces between the base of such signs or signboards and the wall, but they may be inclined outwards so that a space of not more than six inches intervenes between the top and the wall. Not more than one such sign or signboard shall be erected on any one storey of a building.

(2) In cases where there is no verandah, signs and signboards shall be securely bolted and attached to the building alignment wall and parallel thereto and not more than 2ft. in depth. There shall be no intervening space between the base of such signs or signboards and the wall, but they may be inclined outwards so that a space of not more than 6in. intervenes between the top and the wall. Not more than one such sign or signboard shall be erected on any one storey of a building.

5. Angle signs will be permitted above verandahs and on the face of buildings where no verandahs exist, providing:—

- (a) no angle sign shall be more than 2ft. in depth;
- (b) the base of each sign (viz., one end) must be actually attached to the wall, fixed securely with bolts. Both ends must be bolted to the wall where two-way angle signs are erected;
- (c) no part of an angle sign will be permitted to extend more than 2ft. from the wall, measured from the face of the wall to the outer face of the sign;
- (d) all angle signs must be securely and rigidly fixed with angle iron brackets bolted to wall. Plan and design of sign showing details of framework and method of fixing to accompany application.

6. In no case shall glass be used in the construction of signs or signboards.

7. Roof signs are prohibited.

8. Sign and signboards shall be so placed as to allow a headway of not less than 8ft. from the lowest portion thereof to the surface of the footway or roadway.

9. Awnings and blinds, other than blinds attached to the face of a building, shall be of a colour to be approved by the building surveyor, and there shall be no advertisement or writing of any kind thereon. They shall be so constructed that the lowest part thereof cannot hang lower than 6ft. 6in. above the level of the footway and, when down, shall be fixed rigidly.

10. No sign, signboard, awning or blind shall be so erected as to obstruct access to or from any door, fire escape, or window other than a window designed for the display of goods.

11. Applications for licenses for signs, signboards, awnings, and blinds, and licenses for the same under this Part of this by-law shall be in the form of Schedules 1, 2, 3 and 4 hereto.

12. (a) A fee of 2/6 shall be paid to the Council on the issue of any license under this Part: Provided, however, that no fee shall be payable on the issue of a license which is purely a renewal of a license issued during the preceding licensing year.

(b) A fee of 2/6 shall be paid by the applicant in respect of approval, under clause 29 of this by-law, of a transfer of a license issued under this Part.

13. Any sign, signboard, awning, or blind for which a license is issued under this Part of this by-law may be removed by the building surveyor, at the cost of the holder of the license, in the event of any of the conditions of the licenses not being complied with.

Part II.—Illuminated Signs.

14. No person shall erect or maintain, and no occupier of any premises shall permit to remain on his premises, any illuminated sign over or near any public place, footway, street, or road without a license in writing issued by the Council and signed by the building surveyor.

15. Applications for licenses under this Part, which shall be in the form of Schedule 5 hereto, shall be made annually, and every license granted hereunder shall expire on the 31st day of October next following the date of issue.

16. Roof signs are prohibited.

17. Licenses for illuminated signs shall only be issued subject to the following conditions:—

- (a) Illuminated signs under verandahs or balconies:
 - (i) shall be at right angles to the building line;
 - (ii) the bottom of such signs shall be at least 8 ft. from surface of footway or roadway;
 - (iii) shall be so fixed that the centre coincides with the centre line of the verandah or balcony;
 - (iv) shall be so fixed that the minimum distance between any two signs shall be six feet.

(b) Illuminated box signs under verandahs or balconies shall comply with the provisions of paragraph (a) hereof and also with the following provisions, namely:—

- (i) the depth of the sign shall not exceed 1 ft., the width shall not exceed 8 in., and the length shall not exceed 8 ft.;
- (ii) the sign shall be rigidly attached to an approved manner, either to a rafter of a pillar verandah or to a truss of a cantilever verandah;
- (iii) the sign shall not exceed in weight ten pounds per lineal foot.

(c) Horizontal illuminated signs (excluding signs under verandahs and balconies) shall not be of a greater depth than 2 ft., nor shall project more than 2 ft. from the face of the building to which they are attached. Only one sign shall be permitted to each storey of a building, but such sign may occupy laterally the full width of the storey.

(d) Vertical illuminated signs shall not have a projection of more than 2 ft. beyond the face of the building to which they are fixed, excluding embellishments thereon; shall not have a width of more than 2 ft. 6 in., measured on the face of the building to which they are fixed; and shall have a clear horizontal space of not less than 12 ft. between each such sign.

(e) No alteration of the characters or other matter on a sign shall be made without the written approval of the Council, and application for such approval shall be made by the holder of the license in respect of such sign and shall be accompanied by a fee of 5s.

(f) Materials and designs:—All illuminated signs shall be constructed of materials and after a design to be approved by the building surveyor; with the exception of the insulation of wires, all materials shall be incombustible; lamps must not be enclosed with bunting or other combustible material.

(g) Construction and installation; illuminated signs shall be constructed, installed, and maintained in a safe, secure, and workmanlike manner and to the satisfaction of the building surveyor.

(h) Electric installations:—The electric installation in connection with illuminated signs shall be carried out in a workmanlike manner, to the satisfaction of the manager of the Electricity Department of the Municipality of Geraldton, and in accordance with the regulations of the Municipality of Geraldton and of the Fire Underwriters' Association of Western Australia.

(i) If any glass is embodied in the construction of any illuminated sign such glass shall be so protected that, in case of breakage, it shall be prevented from falling to the footway or roadway.

(j) No part of any illuminated sign shall be less than 8ft. above the footway or 10ft. above a roadway.

(k) Illuminated signs shall be descriptive, whether by words or symbols only, of:—

- (i) the name of the occupier or occupiers of the premises to which such signs are attached;
- (ii) the business carried on by such occupier or occupiers on such premises;
- (iii) one or more things sold by such occupier or occupiers in course of such business.

18. The maintenance and use of illuminated signs shall be in accordance with the following conditions:--

- (a) the light from illuminated signs shall at no time be sufficiently intense to cause any annoyance to the public.
- (b) Flashing and intermittent illuminated signs shall be allowed to continue the flashing and intermittent effects between only such hours as the Council shall at their discretion from time to time prescribe.
- (c) Illuminated signs shall at all times be maintained as illuminated signs, and shall be kept in safe, secure, proper, and cleanly condition, to the satisfaction of the building surveyor and in accordance with the provisions of this by-law.

19. Licenses shall be granted, continued, and renewed at the absolute discretion of the Council, and on any failure by any license holder to comply with all or any of the conditions or requirements set forth in this by-law, the Council may serve on such license holder notice in writing to conform to the by-laws, or to remove the illuminated sign in respect of which the breach of this by-law has been committed, within eight days, and on the failure of such license holder to comply with the requirements of such notice, the Council may forthwith, at the risk and expense of such license holder, remove or have removed such illuminated sign: Provided that, if any illuminated sign is in the opinion of the building surveyor in a condition dangerous to the public, the building surveyor may forthwith, without any notice to the license holder, and at the license holder's expense and risk, remove or have removed such illuminated sign.

20. Licenses granted under this Part of this by-law shall be in the form of Schedule 6 hereto.

21. (a) A fee of 5/- shall be paid to the Council on the issue of any license under this Part: Provided, however, that no fee shall be payable on the issue of a license which is purely a renewal of a license issued during the preceding licensing year.

(b) A fee of 5/- shall be paid by the applicant in respect of approval under clause 29 of this by-law of a transfer of a license issued under this Part.

22. No license under Part I. of this by-law shall be necessary in respect of any sign for which a license under this Part is in force.

Part III.—General.

23. Immediately this by-law becomes law, every advertising device shall, if it does not already do so, be altered to conform with this by-law and be licensed, or otherwise it shall be taken down and removed.

24. (a) Nothing in this by-law contained shall be deemed to authorise or permit any act, matter, or thing which is prohibited by any Town Planning Scheme passed by the Council under the Town Planning and Development Act, 1928.

(b) No person shall erect or maintain, and no occupier of any premises shall permit to remain on his premises, any hoarding, and no person shall post any bill, or paint, stencil, place or affix an advertisement upon any hoarding, or upon any building, fence, verandah or other place abutting upon or facing into any street, or way, except in so far as the doing that act or thing is permitted or authorised by or under the foregoing provisions hereof, and is not prohibited by any such Town Planning Scheme.

25. No advertising device shall be constructed wholly or partly of calico, canvas, paper, or other flimsy material, except that a license may be issued for any such advertising device of a temporary nature; such license to be for a maximum period of one month.

26. The Council shall have the absolute right to refuse a license for any advertising device.

27. No advertising device shall be erected so as to obstruct any view from any roadway or public place which in the opinion of the Council should not be obstructed.

28. Every advertising device shall bear on its face at the top left hand corner, in figures legible from the nearest road or way, the number of the license under which it is erected or displayed.

29. Any license issued under this by-law may, with the approval of the Council and upon payment of the prescribed fee, be transferred by the licensee to any persons who has acquired, as purchaser, lessee, or otherwise, the possession of the premises upon which the sign the subject of the license is erected, but subject, as aforesaid, a license shall enure for the benefit of the licensee named therein only.

30. If any person shall contravene any of the provisions of this by-law he shall be liable to a penalty not exceeding £20, or, if such contravention is in the nature of a continuing offence, then to a daily penalty not exceeding £2.

IN PARLIAMENT, SESSION 1940.

Notice of intended Application for Leave to bring in
a Private Bill.

THE COMMONWEALTH OIL REFINERIES,
LIMITED (PRIVATE) ACT, 1940.

Power to The Commonwealth Oil Refineries, Limited, to construct, maintain, and repair works for the receipt, storage, supply, and distribution of oil, liquid fuel; petroleum spirits, kerosene, and petroleum products; compulsory user of roads, etc.; power to lay down pipes, etc.; in streets, under railways, and in Crown lands, and along wharves, and exercise other powers:

NOTICE is hereby given that application is intended to be made to Parliament in the present Session for leave to bring in a Bill for effecting all or some of the purposes following (that is to say):—

(1) To empower The Commonwealth Oil Refineries, Limited (hereinafter called "the Company"), upon all or any lands and premises now or hereafter to be acquired by it, or any part thereof respectively, to erect, construct, lay down, establish, fix, maintain, and repair all necessary works, and do and perform all such other acts and things as may be thought necessary for receiving, storing, supplying, and distributing oil, liquid fuel, petroleum spirits, kerosene and petroleum products in, on, or under any street, or in, on, or under any Crown lands, or in, on, or under any railway or wharf.

(2) To empower the company to open, break up, and interfere with any Crown lands, street, railway, or wharf, and any sewer, water pipe, drain or tunnel on or under any Crown lands, street, railway, or wharf, and to lay down and place in, on, or under any Crown lands, street, railway or wharf, mains, conduits, service pipes, and other works for receiving, storing, supplying, and distributing oil, liquid fuel, petroleum spirits, kerosene, and petroleum products, and also from time to time to repair, alter, or remove the same,

and for the purposes aforesaid to remove or use all earth and material, in, on, or under such Crown lands, street, railway, or wharf.

(3) To vary or extinguish all or any rights and privileges inconsistent with or which would or might interfere with the objects of the intended Bill and to confer other rights and privileges.

The limits of the area to be covered by the works and powers proposed to be authorised by the Bill shall extend to and include:—

- (a) the area within the boundaries of the Municipality of North Fremantle;
- (b) so much of the area of the lands and property vested in the Fremantle Harbour Trust Commissioners as is contained within the boundaries described in the first paragraph of the Schedule to the Fremantle Harbour Trust Act, 1902, or which may hereafter be vested in, acquired, or held by the said Commissioners, or which may be placed or be in the custody, possession, or control of the said Commissioners, or over which the said Commissioners may exercise authority or control;
- (c) so much of the area of any Crown lands or lands vested or which may become vested in the Honourable the Minister for Railways, or the Minister of the Crown administering the Government Railways Act, 1904-1933, for the time being respectively as adjoins or abuts on the lands and property of the Fremantle Harbour Trust Commissioners above described, or lies between the same lands and property and the boundaries of the Municipality of North Fremantle; and
- (d) so much of the area of any Crown lands as is affected by the works proposed to be authorised by the Bill.

The existing reservoirs of the company are situated upon the land of the company comprising North Fremantle Town Lot 23 and part of North Fremantle Town Lot 28, and the termini and situations of the three pipe lines of the company are as follows:—

1. Two pipe lines commence at a point in Ocean parade, North Fremantle, on a projection of John street, North Fremantle, at a point 816 feet west of the north-west corner of the company's land. From this starting point, where they join the Shell Company's wharf lines, which are the subject of The British Imperial Oil Company, Limited (Private) Act, 1925, the two pipe lines run in an easterly direction across Ocean parade, and then along John street and terminate on NF 23;
2. The third line commences opposite tank No. 5, erected on the property of The Vacuum Oil Company, Proprietary, Limited, at North Fremantle, comprising N.F. 212, the subject of Crown Lease 1630/1926, and runs through Crown lands comprising N.F. 216; N.F. 30, and N.F. 31, into Swan street, North Fremantle, and terminates on part of N.F. 28.

And notice is hereby further given, that on the seventh day of October, 1940, duplicate plans and sections showing the lines, situations, and levels of the intended works, with a book of reference of such plans and a copy of this notice as published in the *Government Gazette*, will be deposited for public inspection with the Clerk of the Legislative Assembly, and that on the seventh day of October, 1940, a copy of so much of the said plans, sections, and book of reference as relates to the area comprised in the district of the Municipality of North Fremantle in which any of the intended works will be made, together with a copy of the notice as published in the *Government Gazette*, will be deposited with the Clerk of the said Municipality of North Fremantle.

Printed copies of the intended Bill will be deposited in the Office of the Clerk of the Legislative Assembly on the 8th day of November, 1940.

Dated this 16th day of September, 1940.
