(b) No worker shall have any claim upon the employer for additional wages, in the event of his age being wrongly stated on this certificate: Provided that this subclause shall operate only for the first three (3) months from the date of the worker's first engagement, thereby enabling the employer, if he so desires, to obtain proof of the junior worker's age.

#### 27.—Payment for Sickness.

A worker shall be entitled to payment for non-attendance, on the ground of personal ill-health, for one half ( $\frac{1}{2}$ ) day for each completed month of service: Provided that payment for absence through such ill-health shall be limited to six (6) days in each calendar year. Payment hereunder may be adjusted at the end of each calendar year or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

The worker shall, if required by the employer, produce proof satisfactory to the employer of sickness.

I certify, pursuant to section 63 of the Industrial Arbitration Act, 1912-1935, that the foregoing is a copy of the Agreement arrived at between the parties mentioned above.
