(c) the word "chairman" shall include a vice-chairman or person acting in that behalf;

(d) the word "secretary" shall mean the secretary of the Board or any duly authorised person acting in that behalf;

(e) the word "hirer" shall mean the person whose signature appears on the application form for use of the hall, or any organisation or club, association, committee, etc., for whom such person signs as agent.

2. Applications for the use of the hall or any portion thereof shall be made on Form No. 1 of these by-laws and such application shall be accompanied by the full amount due for such hire and set out in the schedule of charges. The name and place of abode of the actual and responsible person or persons hiring the building and furniture shall be shown on the application form. Such entry, however, shall not relieve the person making application of his responsibility as hirer, as set out in the interpretation clause (e). All applications must be made to the secretary.

3. The hire fees shall be as set out in the Schedule to these by-laws.

4. The hirer shall not be entitled to the use of the bio room, unless by special arrangement with the Board.

5. The hours for which the building and furniture may be hired shall be—(a) Day, 9 o'clock a.m. until 7 o'clock p.m.; (b) evening, 7 o'clock p.m. until 10 o'clock a.m., except when the booking commences on Saturday evening and an extension is desired after midnight, in which case it shall be necessary to obtain authority from the police or other authority having jurisdiction.

6. In the event of two or more applications being made for hire of the hall and furniture at the same date and hour the Board may, without considering priority of application, determine to which applicant the hire of the hall and furniture shall be granted.

7. The hirer shall comply with the provisions of the Health Act, Entertainment Tax Act, and any other Act in force for the time being applicable to the hiring and use of the hall. If in the opinion of the Board all the necessary actions have not been taken to comply with the provisions of the Acts abovementioned, the Board may at any time prior to or during the term of engagement forbid and prevent the use of the hall.

(a) The hirer must accept full responsibility, in the event of any dispute arising in connection with compliance with the provision necessary under this by-law.

(b) In the event of the use of the hall being forbidden or prevented under this by-law, the hirer shall forfeit the full amount paid for the hire of the hall, as if the hire had been duly fulfilled, and the Board shall not be responsible to the hirer for any loss or damage thus sustained or incurred by the hirer.

8. No decorations whatever shall be allowed in the main hall, but this shall not be meant to apply to the use of movable scenery on the stage, nor to the decorations of tables at any authorised function or banquet etc. The usual form of decoration is permissible in the supper room, if agreed to in writing by the Board. In the event of such permission being given, the hirer shall see that such decoration is carried out, using for the purpose any existing nails or hooks, etc., but on no account shall the hirer cause or permit the use of further hooks or nails, etc., and it shall be an offence under these by-laws for any person other than an agent of the Board to attempt to drive nails, screws, hooks or such fittings into any part of the walls, windows, doors, etc., or to otherwise deface the building in any way. Any authorised decoration, including table decorations, shall be removed by the hirer from the hall premises within 24 hours from the commencement of the function concerned.

9. The use of confetti or any similar material is prohibited in the hall, and any hirer of the hall, causing or permitting, or any person committing such breach, shall be liable to a penalty under these by-laws.

10. The Board may at any time demand that the hirer shall, prior to the term of engagement, deposit an amount decided by the Board and sufficient to cover any damage that might occur during the term of such engagement, and upon such demand being made, the hirer shall immediately deposit such estimated sum with the Board.

11. The Board reserves the right to refuse to let the hall or any part thereof to any applicant, without assigning any reason for such refusal.

12. The Board may at any time cancel any booking or engagement of the hall by giving reasonable notice in writing, except as set out in by-law 7, in which case the provisions of that by-law shall apply so far as notice is concerned.

13. No spirituous liquors, wine, ale, beer, porter, cider, or sherry shall be brought into and/or consumed in the hall during the term of any engagement, except when permission has been granted by the Board, in writing.

14. No person shall smoke any tobacco, cigar, cigarette, or other similar substance, nor strike or otherwise ignite any light in the hall during any ball or public entertainment, or at any gathering of persons in the hall, whether such persons have been admitted by the payment of money or otherwise, except at a banquet or smoke social.

15. No person shall, in any part of the hall or grounds thereof:—

- (a) enter or be allowed to enter whilst under the influence of liquor;
- (b) use profane or improper language;
- (c) be guilty of any misbehaviour whatever;
- (d) damage, mark, or deface any wall or other part of the building or outhouses; any person who does, permits, or suffers any such damage to be done, shall be liable to pay the cost of such damage, in addition to any penalty imposed by these by-laws;
- (e) stand, loiter, or cause any obstruction whatsoever in the entrance porch, hall, exits, or passage ways of the hall, or on the hall grounds.

Any person or persons so doing shall immediately disperse, on being requested so to do by the secretary, caretaker of the hall, or any other person duly authorised by the Board, and any police constable, whether in uniform or otherwise.

16. No offensive impersonations or representations of living persons, or anything calculated to produce a disturbance, riot, or breach of the peace, shall be permitted in the hall.

17. The hirer of the hall shall be responsible for:—

- (a) maintaining good order and the due observance of these by-laws by persons in, upon, or about the hall;
- (b) any damage done to the building, fixtures, fitting, furniture, crockery, cutlery, kitchenware, or other property of the Board at or attached to the hall or outhouses.

18. The chairman, secretary, caretaker, or other person duly authorised by the Board shall be permitted to have free ingress to the hall or any part thereof, and every facility shall be given them for enforcing these by-laws. This by-law shall not apply to functions of a strictly private nature.

19. Every person who does, permits, or suffers any act, matter, or thing contrary to these by-laws, or commits or permits any breach or neglect thereof, shall be deemed to be guilty of an offence against these by-laws, and shall be liable to a penalty not exceeding £20 for each such offence.

for at ordinary rates and included as part of their  
ordinary shift-work hours.

(e) In all cases of reckoning time of duty all time  
necessarily occupied in raising steam, in starting up or

cluded.

5.—Holidays.

health shall be limited to six (6) days in each calendar  
year. Payment hereunder may be adjusted at the end  
of each calendar year, or at the time the worker leaves  
the service of the employer, in the event of the worker  
being entitled by service subsequent to the sickness to a  
greater allowance than that made at the time the sick-  
ness occurred.

is entitled to benefit under the Workers' Compensation  
Act.

(b) Unionists shall be given preference of employment and an employer who employs a non-unionist commits a breach of this Award, if during such employment there are unionists competent to do the work and available and ready to perform it.

#### 19.—Posting Notices.

No employer shall prevent an official of the organisation at any time from posting a copy of this agreement, or any notice of the organisation, not exceeding fourteen inches by nine inches, in a suitable place on any job. Such notice shall not be destroyed by any person before the completion of the job.

#### 20.—Definition.

The term "carpenter and joiner" shall mean a worker engaged upon the erection, repair, ornamentation, or any form of constructional work, as well as the making, preparing, and fixing of all necessary woodwork and fitting in connection therewith, including metal shop fronts and fittings and aircraft work.

#### 21.—Apprentices.

(a) In this Agreement the term "Apprentice" means an apprentice duly registered with the Clerk of the Court in accordance with the provision of this clause, and the term "probationer" means a person working as apprentice on probation, of whose probationary

period notice has been given to the Clerk of the Court in accordance with the provisions of this clause: Provided, that an apprentice or probationer shall be deemed to be duly registered during the period of fourteen days allowed for registration.

(b) Any employer hereafter taking a probationer or an apprentice shall, within fourteen days thereafter, duly register such probationer or apprentice by giving notice thereof to the Clerk of the Court in the prescribed forms.

(c) If at the date of this Award any employer is employing any person as an apprentice or a probationer who has not been duly registered as such, he shall register such apprentice or probationer within fourteen days thereafter.

(d) The maximum number of apprentices allowed to any employer shall be in the proportion of one apprentice to every two or fraction of two journeymen employed by him.

(e) For the purpose of ascertaining the number of apprentices allowed to be taken at any time the number of journeymen employed shall be deemed to be the average number of journeymen employed on all working days of the six months immediately preceding such time.

(f) The term of apprenticeship shall be five years. A probationary period of three months previous to being bound shall be lawful. Such probationary period shall be deemed portion of the period of apprenticeship.

(g) (i) Should any employer from any cause whatsoever be unable to carry out his obligations to his apprentice he shall be allowed, with the consent of the union and the apprentice and the parent or guardian of the apprentice, to transfer the apprentice to another employer, who shall thereupon be bound by the covenants, conditions, and stipulations of the agreement of apprenticeship and of this Agreement, and be held to indemnify the former employer from all actions, claims, and demands in respect of same. The agreement of apprenticeship shall be indorsed to this effect and signed by the new employer and the other parties thereto, and a clause shall be inserted providing that the indenture may be cancelled by mutual consent.

(ii) It shall be incumbent upon such former employer to notify the Registrar of the date of such transfer and such particulars thereof as may be required.

(h) The followings provisions shall apply in respect of all apprenticeships:—

(i) An employer shall be deemed to undertake the duty which he agrees to perform as a duty enforceable under this Agreement, and shall, subject to the provisions of subclause (n) pay the apprentice the rate of wages herein provided.

(ii) At the end of the period of apprenticeship, the employer shall give the apprentice a certificate in the prescribed form to show that he has served his apprenticeship. Should the employer at any time before the termination of the term of apprenticeship desire to dispense with the service of the apprentice, he may, with the consent of the apprentice, transfer him to another employer carrying on business within a reasonable distance of the original employer's place of business willing to continue to teach the apprentice and to pay the rate of wages prescribed by this Agreement, according to the total length of time served and, generally, to perform the obligations of the original employer. He shall also give to the apprentice a certificate of the time served and of the rate of wages paid, and shall give notice to the Clerk of the Court of such transfer in the form prescribed. It shall not be obligatory upon the employer to find the apprentice another employer, if he shall so misconduct himself as to entitle the employer to discharge him, but he shall nevertheless give him a certificate for the time actually served.

(iii) An employer shall be deemed to fail in his duty towards his apprentice if he neglects to keep him constantly at work, but slackness of work may form a proper ground for transferring him to a master willing to undertake the responsibility of teaching him.

(iv) Before an apprentice employed under a registered agreement is discharged by the employer

for alleged misconduct, the registration of the agreement of apprenticeship shall first have been cancelled by the order of the Court.

- (v) It shall be provided in every agreement of apprenticeship that technical instruction of the apprentice, when available, shall be at the employer's expense and shall be in the employer's time, except in places when such instruction is given after the ordinary working hours.
- (vi) It shall be provided in every agreement of apprenticeship that, in the event of the apprentice, in the opinion of the examiners, not progressing satisfactorily, increased time for technical instruction shall be allowed, at the employer's expense, to enable such apprentice to reach the necessary standard.
- (i) The minimum wage payable to an apprentice shall be:—

Apprentices' wages:—	Percentage of Basic Wage and Industry Allowance.
First six months .. .. .	20
Second six months .. .. .	25
Second year .. .. .	30
Third year .. .. .	45
Fourth year .. .. .	65
Fifth year .. .. .	85

(j) Every apprentice shall be bound to submit himself to examination by a Board of Examiners, hereinafter constituted, once in each year of his service, when called upon by the Clerk of the Court so to do, and shall in each year of his apprenticeship attend at a technical school the classes for instruction in the trade covered by this Agreement.

(k) The Clerk of the Court shall notify the Board of Examiners of the names and addresses of all candidates required to submit themselves to examination. The examination will be held at such place as shall be from time to time appointed by the Clerk of the Court, and it shall be the duty of each employer to supply such necessary material and machinery as may be required, and in all ways facilitate the conduct of the examination.

(l) The examination will be held in the month of November in each year. The Board of Examiners shall consist of one person skilled in the trade to be nominated by the workers' union, one person skilled in the trade to be nominated by the employers, or, failing such nomination or nominations, such person or persons as may be appointed for that purpose by the Court. The examiners shall examine the work of and inquire into the diligence of each apprentice and as to the opportunities provided by the employer to each apprentice to learn.

(m) The examiners shall report to the Court in writing as to the result of the examination.

(n) The Clerk of the Court shall supply to each candidate the result of his examination, and it shall be lawful for any employer to withhold the increase in wages accruing in any year in accordance with the scale set forth in subclause (i) hereof from any apprentice who fails to satisfy the examiners at the examination for that year referred to in subclause (l) or (until he has completed the carpentry course) fails to obtain from a technical school a certificate that he has during the year passed an annual examination in carpentry at the school. The employer shall pay the fees payable to the technical school.

(o) If the examiners report to the Court that any employer has not provided sufficient opportunity for the apprentice to learn, the employer shall be deemed *prima facie* guilty of a breach of this Agreement under section 97 of the Act, and may be summoned before the Court. Upon any such proceeding the report may be received in evidence.

(p) Such fees shall be paid by the Clerk to the examiners as the Court shall allow.

(q) The forms referred to in this clause or prescribed therein shall be such as are provided by the Court.

## 22.—Term of Agreement.

This Agreement shall come into force on the day of the date herein, and shall remain in force for the period of three (3) years thence ensuing and thereafter subject to the provisions of the Industrial Arbitration Act, 1912-1935, and shall apply to all works and undertakings carried out by the said employer in the municipality of Boulder.

## 23.—Payment for Sickness.

(a) A worker shall be entitled to payment for non-attendance on the ground of personal ill-health for one half day for each completed month of service; provided that payment for absence through such ill-health shall be limited to six (6) days in each calendar year. For this purpose twenty (20) days shall constitute a month. Payment hereunder may be adjusted at the end of each calendar year, or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act. Provided always that an employer shall be entitled to demand a medical certificate from any worker claiming such payment before he can be required to make any such payment.

(b) Should any of the holidays stated in clause 6, with the exception of Saturday and Sunday, occur during an employee's absence from work through sickness or as the result of an accident, the said employee shall be entitled to receive payment for such holiday.

In witness thereof the parties have hereunto set their hands and seals this day and year first before written.

## IN THE COURT OF ARBITRATION OF WESTERN AUSTRALIA.

(No. 8 of 1941.)

Between the Colonial Sugar Refining Company, Limited, Applicant, and the Sugar Refining Employees' Industrial Union of Workers, Fremantle, W.A., Respondent.

WHEREAS an industrial dispute existed between the abovenamed parties: And whereas the said dispute was referred into Court for the purpose of hearing and determination: And whereas the parties subsequently met and conferred and have arrived at agreement on all matters in difference: And whereas the parties have this day appeared before the Court by their respective representatives and requested the Court to make the said agreement an Award of the Court: Now, therefore, the Court, pursuant to section 63 of the Act and all other powers therein enabling it, hereby declares the memorandum hereunder written to have the same effect as and be deemed an Award of the Court:—

### Memorandum of Agreement.

(Note:—Wherever the word "Award" occurs herein it shall be taken to mean and include "Agreement").

#### 1.—Term.

The Award shall be for a term of three (3) years, subject to the provision of the Industrial Arbitration Act, 1912-1935, relating to a review after the expiration of twelve (12) months.

#### 2.—Area.

The Award shall have effect over the area comprised within a radius of fifteen (15) miles from the General Post Office, Perth.

#### 3.—Definition.

"Casual worker" means a worker employed for less than six (6) consecutive days, with a minimum of two (2) hours in any day. He shall be paid at the rate of ten per cent. (10 per cent.) in addition to the rate prescribed in this Award on an hourly basis.

This shall not apply to a casual worker on raw sugar.

## 4.—Hours.

(a) Subject as hereinafter provided in subclause (c) hereof, the hours of all workers shall be forty-four (44) per week.

(b) The day's work for workers employed on single shift (i.e., day work only) shall consist of eight (8) hours on the first five (5) working days of the week (Monday to Friday, inclusive) and of four (4) hours on Saturday.

(c) Workers on shift work may be employed five (5) shifts of eight (8) hours each, inclusive of crib time, and one shift of four (4) hours during each week. Such workers shall be employed on day, afternoon, and night shifts on successive weeks.

Provided that these shift hours may be altered at any time by agreement in writing between the union and the employer, subject always to the provision that the average weekly hours shall not exceed forty-four (44). Until any such agreement has been arrived at it shall be permissible for the company to continue the system in operation at the date hereof.

(d) Shift workers referred to in subclause (c) of this clause may commence the work of a night shift at 11 p.m., in which case the time worked between 11 p.m. and midnight on any Sunday or public holiday hereinafter specified shall carry ordinary rate and be included as part of their ordinary shift-work hours.

## 5.—Overtime.

Except as otherwise provided:—

(a) For all work done outside the hours of duty on any day, as hereinbefore prescribed or determined by agreement, payment shall be made at the rate of time and a half for the first four (4) hours, and at double time rate thereafter.

(b) When any worker is required to work overtime by reason of a relieving man not coming on duty at the proper time and failing to give at least three (3) hours' notice of his inability to attend, he shall be paid at ordinary rates for the first two (2) hours, after which his overtime rate shall begin to accrue. The employer shall be entitled to make a *pro rata* deduction for the time not worked, in the case of the worker so failing to attend, and to give notice as aforesaid from any moneys due or becoming due to him.

(c) Subject to the provision in clause 4 (d) hereof, all time worked on Sundays and on the holidays prescribed in clause 7 of this Award shall be paid for at double time rate.

(d) When a worker, without being notified on the previous day, is required to continue working after the usual knock-off time for more than one hour, he shall be provided with any meal required, or shall be paid one shilling and sixpence (1s. 6d.) in lieu thereof.

(e) Where a worker is called on to work a quick shift, he shall be paid at the rate of time and a quarter for that shift.

A "quick shift" shall mean a shift where a worker is brought on to work a full shift before having had at least eight (8) hours off duty.

## 6.—Contract of Service.

(a) Except in the case of a casual worker, whose engagement shall be by the hour for not less than two (2) hours, the contract of hiring of every worker shall be for a weekly engagement, terminable on either side by one week's notice given on any day.

(b) Any worker not attending for duty shall lose his pay for the actual time of such non-attendance, subject to the provisions of clause 14 hereof, as to payment for absence on account of illness. Where any absence extends for more than six (6) days, the employment shall be deemed to have terminated upon the expiration of the said six (6) days.

(c) This clause does not affect the right to dismiss for misconduct, in which case wages shall be paid up to the time of dismissal only.

(d) The employer shall be entitled to deduct payment for any day upon which the worker cannot be usefully employed through any breakdown of the employer's machinery.

## 7.—Holidays.

(a) Twelve (12) paid holidays per annum shall be granted each worker after twelve (12) months' continuous service: Provided always, that New Year's Day, Good Friday, Easter Monday, Labour Day, Christmas Day, and Boxing Day, or the days observed as such, shall be taken as they come as portion of the holidays. The balance of six (6) days, of which a fortnight's notice shall be given, shall be granted as annual leave, at the convenience of the employer, but shall not be allowed to accumulate.

(b) In the event of a worker being employed for portion only of a year, he shall only be entitled to such holidays on full pay as are proportionate to his length of service during that period, and if such holidays are not equal to the holidays given to the other workers, he shall not be entitled to work or pay whilst the other workers of such employer are on holidays on full pay.

(c) Except when employed subject to the conditions of clause 5 (c) (Overtime), no worker shall be required to present himself for duty on any of the specially named holidays in subclause (a) hereof. On any other public holidays the employer's establishment or place of business may be closed, in which case a worker need not present himself for duty, but, if kept open or work done, ordinary rates shall apply.

(d) The foregoing provisions shall not apply to casual workers.

## 8.—Time and Wages Record.

The employer shall keep and enter up, or cause to be kept and entered up, a record containing the names of each of his workers to whom this Award applies, the class of work performed by and the wages paid to each such worker, and the time during which each such worker has been employed. Such record shall be open for inspection by a representative of the union of workers during the usual office hours.

## 9.—Board of Reference.

(a) The Court hereby appoints for the purpose of the Award a Board of Reference.

(b) The Board shall consist of a chairman and two (2) other representatives, one to be nominated by each of the parties.

(c) In the event of a disagreement between the parties bound by this Award, in any of the matters hereinafter mentioned, the Board is hereby assigned the following functions:—

(1) classifying and fixing wages, rates and conditions for any machine, occupation, or calling not specifically mentioned in the Award, but so as not to contravene any of the provisions herein;

(2) adjusting any matters of difference which may arise between the parties from time to time, except such as involve interpretations of the provisions of the Award or any of them;

(3) deciding any other matter that the Court may refer to the Board from time to time.

(d) The provisions of regulation 92 of the Industrial Arbitration Act shall be deemed to apply to any Board of Reference appointed hereunder.

## 10.—Representative Interviewing Workers.

In the case of disagreement existing or anticipated concerning any of the provisions of this Award, an accredited representative of the union shall be permitted to interview the workers during the recognised meal hour on the business premises of the employer; and, accompanied by a representative of the employer, if so desired, to inspect during the progress of the work the operations affected; but this permission shall not be exercised without the consent of the employer more than once in any one week.

## 11.—Recognition of Union—Notices.

(a) Should any matters relative to terms and conditions of employment arise during the currency of this Award affecting the workers generally, the union shall have the right by appointment to interview and to be heard by the employer's representatives thereon, with a view to arriving at some understanding.

(b) A copy of this Award shall be posted in a suitable place agreed upon between the employer and the union.

(c) The accredited union representative shall not be prevented from posting any lawful notice of the union in a suitable place agreed upon between the employer and the union.

12.—Mixed functions.

Where a worker is employed for four (4) hours or less during any day on work in a higher grade than his ordinary occupation, he shall be paid for the time so occupied at the higher rate. If so employed for more than four (4) hours he shall be paid at the higher rate for the whole of the shift.

13.—Under-rate Workers.

Any worker who by reason of old age or infirmity is unable to earn the minimum rate prescribed by this Award may be paid such lesser rate as may from time to time be agreed upon in writing between the employer and the secretary of the applicant union, or, failing such agreement within twenty-four (24) hours after such worker shall have applied in writing to the secretary of the union stating his desire that such wage should be agreed upon, such wage as shall be fixed by the most convenient Resident or Police Magistrate, upon the application of such worker after twenty-four (24) hours' notice in writing shall have been given by him to the said secretary, who shall, if he so desires, be heard by the Magistrate upon such application. After having given notice to the secretary, and after lodging the application mentioned, and pending the Magistrate's decision thereon, the worker shall be entitled to work for and be employed at the proposed lesser rate. The determination of the Magistrate shall have effect for the period of six (6) calendar months from the date thereof and after the expiration of the said period, until the wage shall have again been fixed at the instance of the said secretary in the manner prescribed. The secretary of the union may by writing under his hand appoint an agent or substitute to represent the union at the hearing of the application before the Magistrate.

14.—Sickness.

(a) A worker shall be entitled to payment for non-attendance, on the ground of personal ill-health, for one half-day for each completed month of service: Provided that payment for absence through such ill-health shall be limited to six (6) days in each calendar year. Payment hereunder may be adjusted at the end of each calendar year, or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred.

(b) This clause shall not apply where the worker is entitled to benefit under the Workers' Compensation Act.

(c) Personal ill-health does not include ill-health which is the result of an accident sustained away from the place of employment or ill-health the result of the worker's own misconduct, but the onus of proof in such case shall rest with the employer.

15.—Wages and Allowances.
