## Schedule.

(1) The term "subscriber" shall mean any person, male or female, who has paid his or her subscription and is financial and has paid at least two weeks' subscription prior to seeking any benefits or privileges, and shall include, so far as benefits are concerned, all dependants of the subscriber.

(2) The subscription to be paid by the subscriber shall be 7s. per calendar month or £1 1s. per quarter. The rate for subscribers under 21 years earning less than the basic wage shall be 3s. 6d. per calendar month, or 10s. 6d. per quarter.

(2a) No subscription shall be deemed necessary whilst a subscriber is incapacitated from work.

(3) The word "dependant" shall mean the wife, parents, and grandparents of a subscriber, the sons, daughters, brothers, and sisters not over sixteen years of age of a subscriber who are actually residing with and wholly dependent on him at the date of the illness or accident which the Medical Officer is required to treat.

(b) If the Medical Officer is not aware or is in doubt as to whether any person is or is not a dependant, he may refer the matter to the secretary and be guided by his decision.

(4) Every subscriber and his dependants shall, if required, submit to a medical examination by the Medical Officer of the Fund before he is accepted as a subscriber.

(5) Every subscriber shall be entitled to medical and hospital treatment as an indoor or outdoor patient and to medicine, dressings, and appliances, subject to the conditions and limitations set forth in these by-laws for so long as the Medical Officer deems necessary, free of charge.

(6) Cost of transport of subscribers or dependants from out-centres to Yarloop to consult the Medical Officer, or, in his absence, the matron, shall be borne by the Board only when such journeying to Yarloop is authorised by the Medical Officer or matron (telephone day and night) before the journey is undertaken. (m) No patent medicines or any medicines prepared and sold under any proprietary name will be supplied free of charge to any subscriber or his dependants, unless the Board decide that any particular medicine may be included as a benefit. In all other cases any patent medicine or proprietary line prescribed by the Medical Officer must be paid for by the subscriber at a price to be fixed by the Board.

In approved cases, the Board will be responsible for payment to the other hospital concerned at the rate of 7s. 6d. per day, or such lesser sum as may be the prevailing charge, for a period not exceeding 60 days in any one year, but any amount in addition to this, charged as fees by the other hospital, will be a matter for settlement between the subscriber and the hospital concerned. The Board will not be responsible for any payment to doctors for treatment of such cases.

(8b) If the Medical Officer of the Fund recommends the transfer of a patient to another hospital because he deems the appliances at hand inadequate for the proper treatment of such patient, then the Board will accept liability for a maximum sum of 26 guineas in any one year, in respect of the cost of transfer and treatment at the rate of 7s. 6d. per day, or such lesser sum as may be the prevailing charge, at the hospital to which this patient is transferred.

(8c) If the subscriber or dependant transferred is treated as an out-patient, the Board will not be responsible for fees exceeding the in-patient daily rate, or the total amount for which liability is accepted under rule 8b, even, though it be deemed necessary for a guardian to accompany the patient. If out-patient treatment is to extend for a period of more than seven days the subscriber or dependant must notify the Board in writing on or before the expiration of seven calendar days from the date of the first attendance, or Fund benefits shall be forfeited.

(9) Subscribers and their dependants requiring out-patient attendance shall attend at the Medical Officer's surgery between such times as shall be fixed by the Board from time to time. In the event of their not being able to attend, a message should be left at the Medical Officer's surgery or residence before 9 a.m.

(9b) The Medical Officer shall be in attendance at his surgery for treatment of subscribers at the hours fixed by the Board.

(10) When a subscriber residing outside a radius to be fixed by the Board requires the services of a Medical Officer, he shall pay the Medical Officer mileage at such rates as shall be arranged between the Fund and the Medical Officer.

## INDUSTRIAL AGREEMENT.

(No. 16/1941.)  
(Reg. 8/10/41.)

THIS Agreement, made in pursuance of the Industrial Arbitration Act, 1912-1935, this first day of October, one thousand nine hundred and forty-one, between Soap Distributors, Limited (hereinafter called "the employer"), of the one part, and the Metropolitan and South-Western Federated Engine-drivers and Firemen's union of Workers of Western Australia (hereinafter called "the union"), of the other part, witnesseth that, for the considerations hereinafter appearing, the parties hereto mutually covenant and agree the one with the other, as follows:—

## 1.—Area.

This Agreement shall apply over the area comprised within a radius of fifteen (15) miles from the General Post Office, Perth.

## 2.—Term.

This Agreement shall continue in force for a period of three (3) years from its date.

## 3.—Hours.

(a) Forty-four (44) hours shall constitute a week's work, to be worked at the option of the employer, in five and one half (5½) or five (5) days.

(b) Any shift (whether day, afternoon or night) shall be worked in a continuous period. Meal interval shall not be deemed to break a shift. All shifts shall be worked at times to suit the convenience of the employer.

## 4.—Overtime.

(a) All work performed beyond forty-four (44) hours in any one week shall be paid for at the rate of time and a half for the first four (4) hours and double time thereafter.

(b) Work done on Sunday, Good Friday, Easter Saturday, Easter Monday, Labour Day, Christmas Day, or Boxing Day shall be paid for at double time rates.

## 5.—Holidays.

(a) The following days, or the days observed in lieu thereof, shall be holidays, and no deduction shall be made from the wages of workers for such holidays:—Good Friday, Easter Saturday, Easter Monday, Labour Day, Christmas Day, and Boxing Day.

(b) As to any other public holidays, the employer may make a deduction from the wages of any worker in respect of same, if no work is done on any such days.

(c) If work is performed on any of the other public holidays referred to in subclause (b) of this clause ordinary rates shall be paid.

## 6.—Annual Leave.

(a) A holiday of one week on full pay shall be granted to each worker on the completion of each year of service. A worker not completing one year of service shall be granted pay in lieu thereof in proportion to his length of service.

(b) Where practicable, annual leave shall be granted by the employer at Christmas time.

(c) Holiday pay shall not accrue during a worker's absence from his employment for any cause whatsoever.

(d) A worker dismissed for misconduct or who illegally severs his contract of service shall lose all rights under this clause.

## 7.—Payment for Sickness.

A worker shall be entitled to payment for non-attendance, on the grounds of personal ill-health, for one half day for each completed month of service: Provided that payment for absence through such ill-health shall be limited to six (6) days in any calendar year. Payment hereunder may be adjusted at the end of each calendar year, or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred.

This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

## 8.—Change and Mess Room.

A suitable change and mess room shall be provided for in all establishments.

## 9.—First Aid Equipment.

Adequate first-aid equipment shall be provided in all establishments.

## 10.—Contract of Service.

All workers other than casuals shall be engaged and paid by the week, and one week's notice shall be given by either party: Provided, however, that an employer may at any time dismiss a worker for refusal or neglect to obey orders or for misconduct.

## 11.—Wages.

(a) Basic wage—Adult males, £4 10s. 5d. per week.

(b) Adults:—Boiler attendant—Margin per week, 10s. 6d.

(c) Casual workers:—"Casual worker" shall mean a worker who is employed for a period of less than six (6) days. Casual workers shall be paid ten per cent. (10%) in addition to the ordinary rate.

## 12.—No Reduction.

Nothing herein contained shall entitle an employer to reduce the wage of any worker who at the date of this Agreement was being paid a higher rate of wage than the minimum rate prescribed in this Agreement.

## 13.—Time and Wages Book or Record.

The employer shall keep and enter up, or cause to be kept and entered up a book or record containing the name of each of his workers to whom this Agreement applies, the class of work performed by and the wages paid to each worker and the time during which each such worker has been employed. Such book or record shall be open for inspection by a representative of the union during all working hours.

## 14.—Breakdowns, etc.

The employer shall be entitled to deduct payment for any day or portion of a day upon which the worker cannot be usefully employed because of any strike by the union or unions affiliated with it, or by any other association or union, or through the breakdown of the employer's machinery, or any stoppage of work by any cause which the employer cannot reasonably prevent.

## 15.—Board of Reference.

The Court appoints, for the purpose of the Agreement, a Board or Boards of Reference. Each Board shall consist of a chairman and two (2) other representatives, one to be nominated by each of the parties. There are assigned to each such Board, in the event of no agreement being arrived at between the parties to the Agreement, the functions of:—

- (i) adjusting any matters of difference which may arise between the parties from time to time, except such as involve interpretation of the provisions of the Agreement or any of them;
- (ii) classifying and fixing wages, rates, and conditions for any occupation or calling not specifically mentioned in the Agreement;
- (iii) deciding any other matter that the Court may refer to such Board from time to time.

An appeal shall lie from any decision of such Board in the manner and subject to the conditions prescribed in the Industrial Arbitration Act, 1912-1935, which for this purpose are embodied in this Agreement.

In witness whereof the parties hereto have hereunto set their hands the day and year first before written.

1. Head messengers:—Head messengers (metropolitan) shall be paid a wage ranging from a minimum of £5 10s. to a maximum of £6 per week.

Where quarters are provided the rates shall be from £5 to £5 10s. per week. Advancement from the minimum to the maximum shall be at the discretion of the bank concerned. The provisions of subclause (i) (1) are deemed to apply.

2. Other messengers:—Messengers (metropolitan) where covered by a State determination or Award shall be paid at the rate prescribed by such determination or Award and, where not covered by a State determination or Award, they shall be paid at the following rates:—

	With Quarters.		Without Quarters.		
	£	s. d.	£	s. d.	
1st year	4	5 0	4	15 0	per week, not exceeding 48 hours.
3rd year	4	7 6	4	17 6	per week, not exceeding 48 hours.
5th year	4	12 6	5	2 6	per week, not exceeding 48 hours.

If during the currency of this Award the Arbitration Court of Western Australia should prescribe a basic wage generally or in any district differing in amount from that now prescribed, then such increase or decrease, as the case may be, shall be deemed to be added to or deducted from the value of the quarters, to the intent that the abovementioned rates shall remain constant: Provided that, where quarters are not provided, the provisions of subclause (i) shall apply.

(d) Female clerks, other than typists, engaged on or before the first day of September, 1920, may be paid the rates prescribed for female typists, but any female clerks other than typists engaged after the first day of September, 1920, are to be paid the rates prescribed for male clerks. Where, however, female clerks are employed on such work as typing, shorthand, indexing, sorting, filing, recording branch remittances, current account of tellers' cash books or slips, perusal or dealing with branch returns or the working of any mechanical appliances, they may be paid the rates prescribed for female typists.

(e) Notwithstanding the provisions of subclause (d) of clause 3, if vacancies occur in any positions, due either directly or indirectly to the absence of male officers on naval, military, or air force service, then such vacancies may be filled temporarily by the employment of female employees at female rates of pay.

(f) The minimum rate at 21 years of age for adult clerks, male and female, shall be at the male rate provided for the sixth year of service, and for adult female typists at the female rate provided for the fifth year of service.

(g) In the case of a male officer who joins the service of a bank when over nineteen years of age, his salary on reaching the age of twenty-eight years shall be not less than that prescribed for an officer in his twelfth year of service, and shall be increased thereafter as though he had completed eleven years' service on reaching his twenty-eighth birthday, but this provision shall not affect or prejudice the established rights of any officer who at the date of this Award was entitled to the benefit of subclause (d) of clause 1 of Industrial Agreement No. 15/1925.

(h) The rates of pay and increases in pay prescribed in clause 3 (b) shall be subject to good conduct, diligence, and efficiency. The certificate of the superintendent, general manager, or chief manager of the bank concerned, or his deputy, shall be accepted as conclusive evidence as to this.

Whenever any salary or increment provided for by this Award shall be withheld from any officer, he shall be informed within a fortnight after the date on which it is decided to withhold such salary or increase.

If such officer within one month afterwards asks in writing to be furnished with the reasons for such withholding, he shall be informed in writing of such reasons within a fortnight from the receipt at head office of the request therefor.

(i) (1) If during the currency of this Award the Arbitration Court of Western Australia should prescribe a basic wage generally or in any district differing in amount from that now prescribed, then the marginal differences between the present basic wage and the minimum rates herein prescribed shall be deemed to be increased or decreased, as the case may be, to the same extent as the present basic wage may be decreased or increased by the said Arbitration Court as aforesaid, to the intent that the rates herein prescribed shall remain constant.

(2) If during the currency of this Award the Arbitration Court of Western Australia should prescribe a basic wage generally or in any district differing in amount from that now prescribed, then those minimum rates prescribed by this Award which are equal to or less than such altered basic wage shall automatically be deemed to have been increased or decreased, as the case may be, to the intent that the rates herein prescribed shall remain constant.

(j) Except as provided by subclause (e) allowances provided by this Award are not subject to variation in accordance with fluctuations in the basic wage.

#### 4.—Payment of Salaries.

(a) All wages shall be paid twice a month on dates most convenient to individual banks.

(b) Automatic increases shall date from the first pay day after the completed year of service or, at the option of the individual banks, they may date from the nearest half-yearly balance day following the completed year of service. Individual banks may select which of these methods they adopt. But if a bank decides not to adopt the first method set out in this subclause for fixing the date of increases, and the completed year of service falls in the first three months of the half-year, the increase shall date from the end of the half-year preceding the completed year of service.

#### 5.—Travelling Expenses.

Employees when travelling under instructions from the bank shall be entitled to the following travelling expenses:—

- (i) First-class fares by rail or boat and any necessary cab and portage expenses, to be approved of by the bank;
- (ii) Ten shillings (10s.) per day and five shillings (5s.) per half day. No allowance for journeys completed between ordinary meal times;
- (iii) One third of these allowances to be paid when travelling by boat and found.

#### 6.—Relieving Allowance.

(a) An employee sent from the metropolitan area of Perth to relieve an employee outside the metropolitan area, or an employee sent from one country town to another to relieve an employee, and who as a consequence has to reside away from his usual home, shall be paid a minimum relieving allowance at the rate of £1 10s. per week, in the case of clerks and accountants, and £2 2s. per week in the case of managers. These allowances shall be increased to cover any further actual reasonable expenses incurred while relieving. The inspector of the bank concerned shall decide what are reasonable expenses.

#### 7.—Hours.

(a) The ordinary hours of duty of employees, other than messengers, shall not exceed forty-two (42) hours per week, exclusive of meal hours, except at half-yearly balancing periods, when for two (2) weeks, including balancing day, the hours shall not exceed forty-eight (48) per week. Not less than forty-five (45) minutes shall be allowed for meals on all working days, except Saturday. In weeks in which statutory or proclaimed holiday are observed the ordinary weekly hours shall be reduced by seven hours thirty-six minutes for a full holiday, four hours for a half holiday, or for Saturday.

(b) The hours of duty of messengers shall not exceed forty-eight (48) hours per week exclusive of meal hours.

#### 8.—Overtime.

(a) All time worked by employees other than messengers in excess of the hours prescribed in clause 7 (a) shall be paid for at the rate of time and a half ordinary rates. No overtime need be paid to an employee for the time worked looking for errors in his or her own work. The superintendent or general manager or chief manager of the bank concerned, or his deputy, shall decide whether any overtime is to be paid or not. Overtime shall be computed on fortnightly periods of eighty-four (84) hours, except at half-yearly balancing time, when the period shall be ninety-six (96) hours per fortnight.

(b) Overtime need only be paid for if worked by direction of some responsible officer deputed by the bank. No overtime shall be paid to any employee not working under supervision.

(c) No overtime need be paid to an employee drawing a salary in excess of £436 per year, nor to any manager or executive officer.

(d) Overtime shall be paid without an employee being required to make application therefor.

#### 9.—Meal Money.

If any employee other than messengers is required to work after 6.30 p.m. on Monday to Friday, inclusive, or after 1.30 p.m. on Saturday, such employee shall be allowed two shillings and sixpence (2s. 6d.) for a meal, and a further two shillings and sixpence (2s. 6d.), if required to work after 6.30 p.m. on Saturday, in addition to any overtime payment he or she may be entitled to, provided he or she is unable for sufficient reason to go to his or her usual place of abode for such meal.

#### 10.—Holidays.

(a) Employees other than messengers of up to and including ten years' service shall receive not less than two (2) weeks' leave of absence annually on full pay, in addition to all gazetted Bank holidays, and those of over ten years' service three (3) weeks' leave of absence annually on full pay. Messengers shall receive two (2) weeks' annual leave on full pay.

(b) In the event of it being found impracticable to grant such leave in any year the employee concerned shall in the following year be granted two or three weeks' leave, as the case may be, in addition to the leave for such year. Leave shall not accumulate for more than two years.

(c) Where practicable, married officers shall be given at least a fortnight's notice of the bank's intention to send them on annual leave.

(d) Annual leave shall be in respect of each calendar year.

#### 11.—Away From Home Allowance.

Any employee who is required by a bank to live away from his or her usual home shall receive a total remuneration of not less than at the rate of £150 per year. In the absence of any arrangement to the contrary, "usual home" shall be taken to be the place at which he or she is first engaged.

#### 12.—No Reduction.

(a) No employee shall, as a result of this Award, suffer any loss of wages, allowance, or position to which the employee may be entitled under agreement with the bank concerned, and each bank will continue its present practice with regard to sick pay and mining, field, and other special allowances.

(b) Banks will continue their present practice of reviewing periodically the pay of employees other than those provided for by this Award.

#### 13.—Engagement.

(a) All employees under this Award, with the exception of messengers, shall be engaged and employed by the month, except where otherwise mutually agreed to in writing between the individual Banks and their individual employees.

#### 14.—Aged and Infirm Workers.

Any worker who by reason of old age or infirmity is unable to earn the minimum rate of wage herein prescribed may be employed at a lesser rate of wage, to be agreed upon in writing between the worker and the secretary of the union, or, in default of such agreement, within twenty-four hours' after such worker shall have applied in writing to such secretary stating his desire that such wage be agreed upon, such wage shall be fixed by the most convenient Resident or Police Magistrate, upon the application of such worker, after twenty-four hours' notice in writing shall have been given by him to the said secretary, who shall, if he so desires, be heard by the Magistrate upon such application.

After having made application to the secretary, and after lodging the application to the Magistrate, and pending the decision therein in either case, the worker shall be entitled to work for and be employed by the employer at the proposed reduced wage.

The determination of the Magistrate shall have effect for six calendar months from the date thereof, and, after the expiration of the said period, until the wage shall be again fixed in the manner prescribed at the instance of the said secretary.

The secretary may by writing under his hand appoint an agent or substitute to represent the union at the hearing of any such application before the Magistrate.

#### 15.—Disputes.

In the vent of any dispute arising as to any of the matters herein contained, except any question of interpretation, the matter shall be referred to a representative of the Union and a representative of the Bank concerned, and, if they are unable to come to an agreement, the matter shall be referred to the Court, which may determine the matter itself or refer to a board constituted under section 87 of the Act.

#### 16.—Dismissal, etc.

(a) Notwithstanding anything to the contrary contained in or implied by clause 3 hereof, an officer may, subject to sections 92 and 121 (6) of the Industrial Arbitration Act, 1912-1935, be reduced for disciplinary reasons, or for inefficiency or other good cause, in which event he shall be paid such rate as may be agreed upon by the Bank concerned and the secretary of the union. If the Bank is unable to agree with the secretary of the union as to the rate to be paid in such case, the matter shall be dealt with in the manner prescribed by clause 15.

This subclause (a) shall not in any way interfere with the discretionary powers referred to in clause 3 (h).

(b) Whenever an officer is dismissed, suspended, or reduced in salary, or is informed that he is disrated, and within one month afterwards such officer asks in writing to be furnished with the reasons for such action, he shall be informed in writing of such reasons within a fortnight from the receipt at head office of the request therefor.

#### 17.—Term.

This Award shall come into operation as from the beginning of the current pay period and shall remain in force for a period of two (2) years.
