At a meeting of the Board of Management of the Jarrahdale District Hospital on the tenth day of June, 1941, the following resolution was passed:—Whereas, under the provisions of section 23 of the Hospitals Act, 1927, a Board may itself establish and manage a Medical Fund, the object of which shall be to secure for its subscribers medical attendance, hospital treatment, or other similar benefits; and may, by by-laws, provide for the regulation and control of such Fund: And whereas a Medical Fund has been established by the Board of Management at the Jarrahdale District Hospital: Now, therefore, the said Board of Management, acting pursuant to section 23 of the Hospitals Act, 1927, do hereby make by-laws for the regulation and control of the said Medical Fund in the manner set forth in the Schedule hereunder.

SCHEDULE.

By-laws for the Control of Medical Funds under section 23 of the Hospitals Act, 1927.

1. The term "subscriber" shall mean any person, male or female, who has paid his or her subscription and is financial and has paid at least two weeks' subscription prior to seeking any benefits or privileges, and shall include, so far as benefits are concerned, all dependants of the subscriber.

2. The subscription to be paid by a subscriber shall be 7s. per month, or £1 1s. per quarter, as the subscriber may elect.

3. The word "dependant" shall mean the wife, parents, and grandparents of a subscriber, the sons, daughters, brothers, and sisters not over sixteen years of age of a subscriber who are actually residing with and wholly dependent on him at the date of the illness or accident which the Medical Officer is required to treat.

(b) If the Medical Officer is not aware or is in doubt as to whether any person is or is not a dependant he may refer the matter to the secretary and be guided by his decision.

4. Every subscriber and his dependants shall, if required, submit to a medical examination by the Medical Officer of the Fund before he is accepted as a subscriber.

5. Every subscriber shall be entitled to medical and hospital treatment as an indoor or outdoor patient and to medicine, dressings, and appliances, subject to the conditions and limitations set forth in these by-laws, for so long as the Medical Officer deems necessary, free of charge.

6. Subscribers employed by any mining company shall be deemed to be financial as from the date of their employment; provided that the Mine Management undertakes the collection of their subscriptions from wages due.

7. Subscribers shall not receive free treatment in any of the following cases:—

- (a) Incurable diseases.
- (b) Disorders for the cure of which other establishments are provided.
- (c) Any person requiring food and not medicine and who is more properly the subject for a benevolent institution.

- (k) Pathological examination fees.
- (l) Major operations, with the exception of urgent operations. (An urgent operation is one where the postponing of the operation for more than 24 hours after the decision to operate has been made, would, in the opinion of the Medical Officer, be detrimental to the health of the patient.)
- (m) No patent medicines or any medicines prepared and sold under any proprietary name will be supplied free of charge to any subscriber or his dependants, unless the Board decide that any particular medicine may be included as a benefit. In all other cases any patent medicine or proprietary line prescribed by the Medical Officer must be paid for by the subscriber at a price to be fixed by the Board.
- (n) Infectious diseases cases.

8. (a) The Board shall have discretionary powers regarding the payment of hospital maintenance incurred in any subsidised public hospital by subscribers or their dependants who are temporarily outside the district, and who suddenly become seriously ill or meet with a serious accident which precludes their returning to the hospital covered by their Fund. In approved cases the Board will be responsible for payment to the other hospital concerned at the rate of 7s. 6d. per day, for a period not exceeding 60 days in any one year, but any amount in addition to this, charged as fees by the other hospital, will be a matter for settlement between the subscriber and the hospital concerned. The Board will not be responsible for any payment to doctors for treatment of such cases.

(b) If the Medical Officer of the Fund recommends the transfer of a patient to another hospital because he deems the appliances at hand inadequate for the proper treatment of such patient, then the Board will pay, for a period not exceeding 60 days in any one year, the hospital to which this patient is transferred, at the rate of 7s. 6d. per day. The Board will not, however, be responsible for any fares or cost of transfer.

9. (a) Subscribers and their dependants requiring outpatient attendance shall attend at the Medical Officer's surgery between such times as shall be fixed by the Board from time to time. In the event of their not being able to attend, a message should be left at the Medical Officer's surgery or residence before 9 a.m.

(b) The Medical Officer shall be in attendance at his surgery for treatment of subscribers at the hours fixed by the Board.

10. When a subscriber, residing outside a radius, to be fixed by the Board, requires the services of a Medical Officer, he shall pay the Medical Officer mileage at such rates as shall be arranged between the Fund and the Medical Officer.

11. The doctor shall keep such records as the Board may determine from time to time.
