(1) Whenever the Council or the subcommittee aforesaid considers any house, building, or premises suitable for use as a morgue, and obtains the approval of the Commissioner of Public Health to the use of such house, building, or premises as a morgue, the Council or the subcommittee may, after serving twenty-four hours' notice of its intention so to do, upon the owner or occupier of such house, building, or premises, enter and take possession thereof and establish the same as a morgue for the purposes of these regulations: Provided that, in a case of extreme urgency, the Council or the subcommittee may enter any house, building, or premises without giving any notice as aforesaid to the owner or occupier.

(2) Whenever the Council or the subcommittee enters and takes possession of any house, building, or premises under this regulation, the owner or occupier thereof shall forthwith give to the Council or subcommittee full vacant and uninterrupted possession and enjoyment of the same.

(3) If any owner or occupier refuses to give to the Council or the subcommittee possession of any house, building, or premises as provided in paragraph (2) hereof, or resists, hinders, obstructs, or in any manner attempts to prevent the Council or the subcommittee from obtaining such possession, the Council or the subcommittee may use such force as may be necessary to obtain such possession, and the owner or occupier offending as aforesaid shall be guilty of a contravention of these regulations within the meaning of section twelve of the Act.

107. Whenever the Council or the subcommittee requisitions any vehicle, article, or thing in exercise of the power in that behalf contained in regulation 103 hereof, the owner, or the person for the time being in control or possession of such vehicle, article, or thing, shall forthwith comply in every respect and duly carry out any direction given to him by the Council or the subcommittee in relation to the taking or use of such vehicle, article, or thing, including the driving of the vehicle by such owner or person:

Provided that—

- (i) this regulation shall not authorise the requisitioning, taking, or using of any vehicle which is employed in any service which the Council declares to be an essential service; and
- (ii) where the vehicle is a motor vehicle, the owner or person in control thereof shall not be required to drive such vehicle unless he is supplied either by the Council or the subcommittee or some other authority with such motor spirit or other fuel as is necessary for the use of such vehicle.

108. (1) Whenever the Council or the subcommittee, in the exercise of the powers contained in regulation 103 hereof, requisitions any vehicle, article, or thing, it shall make such requisition in writing, and serve the same upon the owner or person apparently in control of the vehicle, article, or thing requisitioned, and, if requested so to do by such owner or person, shall give to him a receipt or acknowledgment in respect of the vehicle, article, or thing requisitioned.

(2) Every receipt or acknowledgment given by the Council or the subcommittee as provided for in this regulation shall, as far as possible, state the nature, number or quantity, condition, and value of the vehicle, article, or thing requisitioned.

109. The property in any vehicle, article, or thing requisitioned under these regulations shall remain in the owner thereof, subject to the requisitioning thereof, and where any loss of or damage or injury to any such vehicle, article, or thing (other than fair wear and tear) is occasioned by negligence or wrongful conversion on the part of any person other than the Council or the subcommittee, the owner of such vehicle, article, or thing shall be entitled to recover from such person compensation in respect of such loss, damage, or injury in an action for tort.

110. The Council and the subcommittee and the members thereof shall not be personally liable for any loss of or damage or injury to any vehicle, article, or thing which has been lawfully requisitioned under these regulations.

111. When any vehicle, article, or thing which has been requisitioned is no longer required for the purpose for which it has been requisitioned, the Council or the subcommittee shall cause the same to be returned to the owner or other person from whom it was requisitioned.

112. If any owner or person from whom any vehicle, article, or thing is requisitioned under these regulations fails in any respect to comply with the lawful directions of the Council or the subcommittee in relation to the requisitioning of such vehicle, article, or thing, or obstructs or hinders or prevents or attempts to obstruct or hinder or prevent the requisitioning or taking or using of the vehicle, article, or thing requisitioned, he shall be guilty of a contravention of these regulations within the meaning of section twelve of the Act.

113. (1) It shall be the duty of every member of the civilian population, when called upon so to do by the Council or the subcommittee, to assist the Council or the subcommittee to the best of his ability, in accordance with its directions in connection with the work in relation to which his assistance is required.

(2) Any person who, without reasonable excuse, refuses or fails to comply with or carry out any directions given by the Council or the subcommittee in contravention of these regulations, shall be guilty of a contravention of these regulations within the meaning of section twelve of the Act.

114. Whenever the Council or the subcommittee requests a Justice of the Peace to discharge the duties of a coroner in relation to a body, the Justice of the Peace, without any further authority than such request, shall have and may exercise all the powers and authorities of a Coroner under the laws of the State relating to Coroners, and, whenever a Justice of the Peace does discharge the duties of a coroner in relation to a body, he shall sign and furnish a certificate in the Form 17 in the Appendix to these regulations.

115. Any request by the Council or the subcommittee to the trustees, board, or other controlling person or body of a cemetery, made under the authority of regulation 103 of these regulations, shall be made in writing, and such trustees, board, or other controlling person or body may, without any further authority than such request, and shall, do such acts, matters, and things as may be necessary to comply with and give effect to such request.

116. (1) Whenever the Council or the subcommittee, acting under the authority conferred by regulation 103 of these regulations, requires a funeral director to take delivery of and dispose of a body, such funeral director shall, as soon as reasonably may be, comply with such request.

(2) Any funeral director who, without reasonable excuse, refuses or fails to comply with any request as provided for in paragraph (1) hereof, shall be guilty of a contravention of these regulations within the meaning of section twelve of the Act.

117. (1) Subject to these regulations, bodies shall be removed from the place where they are found to the nearest morgue, and, whenever possible, shall be so removed by first-aid parties, civilian ambulances, or other available means of transport.

(2) The person in charge of a vehicle who receives a body for removal as aforesaid, or, where such removal is effected otherwise than by means of a vehicle, the person who undertakes such removal shall as soon as possible after receiving the body for removal and before finally giving delivery thereof at the morgue, fill in and attach to the body a label in the Form No. 18 in the Appendix to these regulations.

118. When sufficient means of conveyance are not available to remove at the one time all the bodies which may be found at any place from such place to a morgue, any bodies remaining at such place or elsewhere for such removal later shall, pending such removal—

(a) be placed inside a canvas container, to be provided and carried for the purpose by any persons who are charged with or undertake the duty of removing bodies to morgues; or

(b) be covered or removed from public view by any person referred to in paragraph (a) hereof until such time as they are removed to a morgue.

119. While a body remains in a morgue, the police officer at such morgue shall have the custody thereof and be responsible in respect thereof.

120. (1) Every morgue established under these regulations—

(2) The periods of attendance of the police officer and the staff of persons engaged in connection with a morgue shall be so arranged that, on the occasion of every emergency, there will be a police officer and a sufficient number of persons aforesaid in attendance at the morgue throughout the whole twenty-four hours of every day during which such emergency continues.

121. The functions and duties of the police officer at a morgue shall include the following:—

(a) he shall receive all bodies delivered at the morgue and give to the person delivering the same a receipt in the Form No. 19 in the Appendix to these regulations;

- (m) he shall take measures to arrange within twenty-four hours after the delivery of a body at the morgue for the disposal of the body according to law.

122. Where a member of the civilian population is killed outright or dies from the result of any hostile enemy action before being placed under medical supervision, then a certificate in the Form No. 17 in the Appendix to these regulations signed and given by a Coroner or a Justice of the Peace shall, notwithstanding any other law or statutory provision to the contrary, be a sufficient warrant and authority for the burial or cremation of the body of such member of the civil population.

123. Where a member of the civil population is injured in consequence of any hostile enemy action, and having been removed to a hospital or placed under medical supervision, dies subsequently thereto, a certificate of the death of such member in the Form No. 22 in the Appendix to these regulations, signed and given by a medical practitioner in charge of such member whilst in the hospital or under the medical supervision aforesaid, shall, notwithstanding any other law or statutory provision, be a sufficient warrant and authority for the burial or cremation of the body of such member of the civil population.

## 17.—Weekly Wage.

Wages shall be paid, at least, weekly.

Except for casual workers, the contract of service shall be on a weekly basis: Provided that one day's notice of termination of service may be given on either side.

## 18.—Board and Lodging.

For all workers, except in the case of junior females, where board is provided, the employer shall be entitled to deduct eighteen shillings and twopenny halfpenny (18s. 2½d.) for males and seventeen shillings and ninepenny (17s. 9d.) for females per week; and, where lodging is provided, eight shillings (8s.) for males and seven shillings and tenpenny halfpenny (7s. 10½d.) for females per week. The board and lodging deductions prescribed shall vary proportionately with the rise or fall in the basic wage.

Where a worker notifies the employer on the day immediately preceding his or her day off, or half day off, as the case may be, that he or she does not desire a meal or meals to be provided on such day off or half day off, the foregoing deductions for board shall be reduced by a proportionate amount for each such meal.

The employer may require plain white headbands to be worn by female employees.

## 21.—Change and Rest Rooms.

Adequate change and rest rooms shall be provided by the employer, in cases where the employees do not reside on the premises.

## 22.—Under-rate Workers.

(b) In the event of no agreement being arrived at the matter may be referred to the Board of Reference for determination.

(c) After application has been made to the Board, and pending the Board's decision, the worker shall be entitled to work for and be employed at the proposed lesser rate.

## 23.—Record.

(a) The employer shall keep, or cause to be kept at his business premises, or at each of them, if more than one, a Time and Wages Book, wherein shall be entered the name, occupation and, in the case of junior workers, the age on his or her last birthday, the time each worker commences and finishes work each day, and the total hours worked each week, and the wages paid to each worker.

(b) The record shall be entered up from day to day.

(c) The word "book," for the purpose of this clause, shall include loose leaves, if bound together and numbered consecutively.

(d) The employer and the worker shall be severally responsible for the proper daily entering of the record, which shall be initialed, if correct, by the worker daily. The hours shown as worked in the Record Book shall be prima facie evidence of the correctness thereof in any proceedings for the enforcement of this Award.

(e) The book shall be open to inspection by a duly accredited representative of the union, at the office of the employer, on days other than Saturday and Sunday, between the hours of 9 a.m. and 5 p.m. (except from 1 p.m. to 2 p.m.).

## 24.—Higher Duties.

Any worker performing work for more than two (2) hours in any day on work carrying a higher prescribed rate of wage than that in which he is engaged shall receive such higher wage for the time so employed.

## 25.—Payment for Sickness.

(a) A worker shall be entitled to payment for non-attendance, on the ground of personal ill-health, for one half (½) day for each completed month of service: Provided that payment for absence through such ill-health shall be limited to six (6) days in each calendar year. Payment hereunder may be adjusted at the end of each calendar year, or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

(b) A worker shall not be entitled to receive any wages from his employer for any time lost through the result of an accident not arising out of or in the course of his employment, or for any accident, wherever sustained, arising out of his own wilful default, or for sickness arising out of his own wilful default.

(c) No worker shall be entitled to the benefits of this clause unless he produces proof satisfactory to his employer of sickness, but the employer shall not be entitled to a medical certificate unless the absence is for three (3) days or more.

## 26.—Junior Worker's Certificate.

Junior workers, upon being engaged shall, if required, furnish the employer with a certificate containing the following particulars:—

- (1) Name in full.
- (2) Age and date of birth.
- (3) Name of each previous employer.
- (4) Class of work performed for each previous employer.

No worker shall have any claim upon an employer for additional pay, in the event of the age of the worker being wrongly stated on the certificate.

## 27.—Board of Reference.

(a) The Court hereby appoints, for the purpose of the Award, a Board of Reference.

The Board shall consist of a chairman, to be appointed by the Court, and two other representatives, one to be appointed by each of the parties.

The Board is hereby assigned the following functions, in the event of a disagreement between the parties bound by the Award:—

- (i) classifying and fixing wages, rates, and conditions for any occupation or calling not specifically mentioned in the Award, but so as not to contravene any of the provisions herein;
- (ii) adjusting any matters of difference which may arise between the parties from time to time, except such as involve interpretations of the provisions of the Award or any of them;
- (iii) deciding any other matter that the Court may refer to the Board from time to time.

(b) The provisions of regulation 92 of the Industrial Arbitration Act, 1912-1935, shall be deemed to apply to any Board of Reference appointed hereunder.

## 28.—No Victimisation.

No employer shall dismiss any worker from his employment or injure him in his employment, or alter his position to his prejudice, by reason merely of the fact that the worker is a member of the Hotel, Club, Caterers, Tearoom, and Restaurant Employees' Industrial Union of Workers, or by reason of the fact that such worker is entitled to all the benefits of this Award.

I certify, pursuant to section 63 of the Industrial Arbitration Act, 1912-1941, that the foregoing is a copy of the Agreement arrived at between the parties mentioned above.

Dated at Perth this 15th day of April, 1942.
