AGREEMENT No. 16 of 1942.

(Reg. 21/9/42.)

THIS Agreement, made in pursuance of the Industrial Arbitration Act, 1912-1941, this 21st day of August, one thousand nine hundred and forty-two, between F. H. Stevens and S. J. Faulkner (hereinafter called the "employers"), of the one part, and the West Australian Timber Industry Industrial Union of Workers, South-

West Land Division (hereinafter called the "union"), of the other part, witnesseth that, for the considerations hereinafter appearing, the parties hereto mutually covenant and agree, the one with the other as follows:—

1.—Area.

This Agreement shall have effect over the area comprised within the South-West Land Division in the State of Western Australia.

2.—Term.

This Agreement shall come into force as and from the twenty-second day of October, one thousand nine hundred and forty-one, and shall continue in force for a period of twelve (12) months from that date.

3.—Contract of Service.

(a) The contract of service shall be a weekly one, terminable by one week's notice on either side: Provided that for the first week the engagement shall be on a casual basis (from day to day): Provided further, that the employer may summarily dismiss any worker, without notice, for malingering, inefficiency (otherwise than through temporary illness), neglect of duty or misconduct, and pay such worker up to the time of such dismissal only.

(b) The employer shall be entitled to deduct payment for any day or portion of a day upon which the worker cannot be usefully employed because of any strike by the union or unions affiliated with it, or by any other association or union, or through the breakdown of the employer's machinery or any stoppage of work by any cause that the employer cannot reasonably prevent.

4.—Hours.

(a) Forty-four hours shall constitute a week's work, to be worked in five and one half days, Monday to Saturday, inclusive.

(b) The starting and finishing times for fallers may be mutually agreed upon between the employer and the majority of the workers. Failing agreement, the starting time shall be 8 a.m., Monday to Saturday, inclusive, and the finishing time 5 p.m. Monday to Friday, inclusive, and 12 noon on Saturday. An interval not exceeding one (1) hour shall be allowed for lunch.

(c) The daily spread of hours for truck-drivers, loaders and horse drivers shall be as may be mutually arranged between the employer and the workers concerned.

5.—Overtime.

(a) Fallers: All work performed beyond eight (8) hours in any one day shall be paid for at the rate of time and a half for the first two (2) hours and double time thereafter.

(b) Truck-drivers, loaders and horse-drivers (whilst engaged driving horses only):—All work performed beyond forty-four (44) hours in any one week shall be paid for at the rate of time and half for the first twelve (12) hours and double time thereafter.

(c) Horse-drivers grooming and feeding one or two horses outside ordinary hours shall be paid one shilling (1s.) per day extra and one shilling (1s.) for Sunday. If more than two (2) horses, the rate shall be two shillings (2s.) per day extra and two shillings (2s.) for Sunday.

(d) Work performed on Sunday, except in the case of horse-drivers grooming and feeding horses, shall be paid for at the rate of double time.

6.—Walking Time.

(a) Time occupied by a worker walking to and from his working place, when such is situated beyond one and half (1½) miles from the camp, shall be paid for both ways at ordinary rates on the basis of twenty (20) minutes for each mile between the one and a half (1½) mile point and the working place: Provided that this clause shall not apply to any worker who elects to live or camp elsewhere than at the campsite fixed by the employer.

7.—Holidays.

(a) Twelve (12) paid holidays per annum shall be granted each worker after each twelve (12) months' continuous service: Provided always that New Year's Day,

Good Friday, Easter Monday, Labour Day, Christmas Day, and Boxing Day, or the days observed as such, shall be taken as they come as portion of the holidays. The balance of six (6) days shall be granted as annual leave, at the convenience of the employer, but shall in any event be taken within six (6) months after becoming due.

(b) If, in pursuance of this clause, a worker works on any of the specially named holidays named in sub-clause (a) of this clause, he shall be paid at double time rates.

(c) In the event of a worker being employed by an employer for portion only of a year, he shall only be entitled to such holidays on full pay as are proportionate to his length of service during that period with such employer, and if such holidays are not equal to the holidays given to the other workers, he shall not be entitled to work or pay whilst the other workers of such employer are on holidays on full pay.

(d) When a worker is dismissed for wilful misconduct or dereliction of duty he will not be entitled to the benefits of the provisions of this clause.

(e) Holiday pay shall not accrue during a worker's absence from his work for any cause whatsoever, except:—

- (i) permitted absence through sickness;
- (ii) holidays in pursuance of this clause of the Award;
- (iii) stoppage of work owing to breakdown of machinery, but not exceeding twelve (12) days in twelve (12) months and *pro rata* where the service is less than twelve (12) months.
- (f) The foregoing provisions shall not apply to casual workers.

8.—Absence through Sickness.

(a) A worker shall be entitled to payment for non-attendance, on the ground of personal ill-health, for one-half ($\frac{1}{2}$) day for each completed month of service: Provided that payment for absence through such ill-health shall be limited to six (6) days in each calendar year. Payment hereunder may be adjusted at the end of each calendar year, or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

A worker shall not be entitled to receive any wages from his employer for any time lost through the result of an accident not arising out of or in the course of his employment, or for any accident, wherever sustained, arising out of his own wilful default, or for sickness arising out of his own wilful default.

No worker shall be entitled to the benefits of this clause unless he produces proof, satisfactory to his employer, of sickness, but the employer shall not be entitled to a medical certificate unless the absence is for three (3) days or more.

9.—Time and Wages Record.

The employer shall keep or cause to be kept a Time and Wages Record showing the following particulars:—

- (i) The name of each worker;
 - (ii) The occupation of each worker;
 - (iii) The time worked by each worker;
 - (iv) The wages and overtime paid therefor.
- This record shall be signed by the worker if correct.

Such record shall be open for inspection by the secretary of the union (or such other person authorised in writing by the union) during working hours.

10.—Under-rate Workers.

(a) Any worker who by reason of old age or infirmity is unable to earn the minimum wage, may be paid such lesser wage as may from time to time be agreed to in writing between the union and the employer.

(b) In the event of no agreement being arrived at, the matter may be referred to the Board of Reference for determination.

(c) After application has been made to the Board, and pending the Board's decision, the worker shall be entitled to work for and be employed at the proposed lesser rate.

11.—Board of Reference.

(a) The Court may appoint, for the purpose of the Award, a Board or Boards of Reference. Each Board shall consist of a chairman and two other representatives, one to be nominated by each of the parties, as prescribed by the regulations. There are assigned to each such Board, in the event of no agreement being arrived at between the parties to the Award, the functions of:—

- (i) adjusting any matters of difference which may arise between the parties from time to time, except such as involve interpretations of the provisions of the Award or any of them;
- (ii) classifying and fixing wages, piecework rates, and conditions for any occupation or calling not specifically mentioned in the Award;
- (iii) deciding any other matter that the Court may refer to such Board from time to time.

(b) An appeal shall lie from any decision of such Board, in the manner and subject to the conditions prescribed in the regulations to the Industrial Arbitration Act, 1912-1941, which for this purpose are embodied in this Award.

12.—General.

(a) Wages shall be paid once fortnightly, in cash.

(b) No junior worker shall be employed on work covered by this Award unless such junior worker be paid the full adult rate prescribed in clause (14).

(c) Nothing herein contained shall entitle an employer to reduce the wage of any worker who at the date of this Agreement was being paid a higher wage than the minimum wage herein prescribed.

13.—Piecework.

(a) An employer may make a contract with a worker or group of workers for payment by result by piecework.

(b) All disputes between employers and workers or groups of workers, or between the employers and the union, concerning any matter relating to payment by results shall, in default of agreement between the employer and his workers, or between the employer and the union be referred to a Board of Reference for determination.

(c) When entering into a contract for piecework the rate of payment shall be fixed on the basis that it shall be sufficient to yield to a worker of average capacity over a period of three (3) months, if the contract were to be of that duration in the locality specified, for a full week's work of the ordinary hours as prescribed herein for day workers ten per cent. (10%) or more above the minimum time rate of pay as prescribed herein for such week's work.

A worker working under any system of payment by results shall receive or be credited with at least the time rate of pay apportioned, if necessary. Notwithstanding anything elsewhere in this Award contained, when any question arises as to whether any pieceworker has received his time rate of pay, the total payment received by him during the past three (3) months, or during the duration of the contract for piecework, whichever period is the shorter, shall be averaged.

(d) The earnings of a pieceworker shall be increased or decreased, as the case may be, by any increase or decrease in the basic wage as proclaimed by the Court from time to time.

(e) Where a worker works part of a week at piecework rates and part at time rates, he shall be paid so much as he is entitled to receive under piecework rates for the amount of work done and, in addition thereto, such proportionate amount at time rates of pay as prescribed in this Award for the portion of the week worked at time rates.

(f) A contract for piecework may be terminated at any time, by either the employer or the worker, in which case payment shall be made for the work done up to date.

(g) For the purpose of this clause the minimum piecework rate agreed to at the date of this Agreement, is two shillings and threepence (2s. 3d.) per ton on weighbridge weight.
