IN THE COURT OF ARBITRATION OF WESTERN AUSTRALIA.

No. 191 of 1942.

Between Swan Brewery Company, Limited; Emu Brewery, Limited, and Redcastle Brewery, Limited, Applicants, and Federated Coopers of Australia, W.A. Branch, Industrial Union of Workers, Respondent.

WHEREAS an industrial dispute existed between the abovenamed parties: And whereas the said dispute was referred into Court for the purpose of hearing and determination: And whereas the parties subsequently met and conferred and have arrived at agreement on all matters in difference: And whereas the parties have this day appeared before the Court by their respective representatives and requested the Court to declare the said agreement an Award: Now, therefore, the Court, pursuant to section 63 of the Act and all other powers therein enabling it, hereby declares the memorandum hereunder written to have the same effect as and be deemed an Award of the Court:—

Memorandum of Agreement.

1.—Area.

This Agreement shall operate over an area comprised within a radius of fifteen (15) miles from the G.P.O., Perth.

2.—Term.

This Agreement shall operate as from the date hereof and shall continue in force for a period of one year.

3.—Scope.

This Agreement shall apply to adult male coopers and apprentices employed by breweries.

4.—Weekly Hiring.

Save as is hereinafter provided, the engagement of workers under this Agreement shall be for a weekly hiring, and the employment shall be terminable by the employee by one week's notice or by the employer by one (1) week's notice given on any day or by payment of one (1) week's pay: Provided, however, that during the first fourteen (14) working days following an engagement for employment with any employer, the hiring shall be a hiring from day to day, and one (1) day's notice or payment of one (1) day's pay shall be deemed due and sufficient notice, as in the event of the employment of any such worker being so determined within such period, then he shall be deemed to have been a "casual worker" and entitled to the wages provided by clause 8 (b) hereof.

5.—Hours.

Forty-four (44) hours shall constitute an ordinary week's work and shall be worked during the period be-

tween Monday to Friday, inclusive, and between the hours of 7.30 a.m. and 5 p.m. on days within that period which are hereinafter called "working days."

6.—Overtime.

All work performed outside the hours prescribed by the preceding clause shall be overtime and paid for at the following rates:—

- For working days and Saturdays, time and a half;
- For Sundays, double time;
- For the holidays herein prescribed, ordinary rates in addition to the day's pay which the worker would ordinarily receive in respect of such holiday.

7.

Workers required to work and working on after 6 p.m. on any day shall be provided with tea at the employer's expense, unless at least twenty-four hours' notice has been given to such workers that they will be required to work after 6 p.m.

8.—Wages.

(a) The minimum rate of wage payable to weekly workers engaged on work within the scope of this Agreement shall be:—

	Per Week.
	£ s. d.
Basic wage	4 17 9
Margin and allowance	2 8 7

The wages herein prescribed include a special allowance, during the term of this Agreement, of nineteen shillings (19/-) per week in each case which sum is not nor to be deemed to be standard nor any part of recognised margins of wages.

(b) Casual workers, three shillings and fivepence (3/5) per hour.

(c) Foremen:—Whilst the foreman is away on annual or sick leave a deputy shall be appointed in his stead and shall be paid 10/- per week in addition to the agreed general rate of pay, while so acting.

(d) Cooper in charge of washing sheds at the Swan Brewery shall receive 5/- per week in addition to the agreed general rate of pay.

(e) When the Emu Brewery commences bulk production, cooper in charge of that Brewery shall receive 10/- per week in addition to the agreed general rate of pay.

9.

(a) Annual leave of ten working days on full pay shall become due to workers with twelve months' service, such leave to be taken at times suitable to the convenience of the employer. A worker who on leaving has not completed twelve months' service shall be en-

titled to annual leave or pay in lieu thereof in proportion as the length of his service is to the full year's employment.

(b) In addition to the aforementioned annual leave, workers shall be entitled to the twelve following paid holidays, if in employment when they respectively occur:—Christmas Day, New Year's Day, Foundation Day, W.A. (in June), Brewery Employees' Picnic Day, Good Friday, Easter Monday, Anzac Day, April 25th; Labour Day, King's Birthday, Show Day, Boxing Day, Anniversary Day (in January), or such other days as may be substituted by law or custom in lieu thereof. When any of the aforesaid days falls upon a Sunday, some other day shall be substituted therefor. When any of the aforesaid holidays fall upon a Saturday, one half day's wages shall be paid in lieu thereof and shall be included in the following week's pay.

(c) Paragraphs (a) and (b) of this clause shall not relate to "casual workers."

10.—Lead Patches.

Old casks shall not be first patched with lead and then filled, but should a cask apparently sound be filled and subsequently and before leaving the brewery be found to be leaking, lead patching may be applied for the purpose of saving the waste.

11.—Apprentices.

If and when any apprentices are employed by any party bound by this Agreement, then the following wages shall be paid to such apprentices:—

	% of Male Basic Wage per Week.
1st year	22
2nd year	30
3rd year	50
4th year	60
5th year	80

All apprentices shall be bound by the Schedule of Apprenticeship Regulations made by the Board of Reference under the Award of the Commonwealth Court of Conciliation and Arbitration, a copy of which is annexed hereto and marked Schedule A.

12.—Absence through Sickness.

A worker shall be entitled to payment for non-attendance, on the ground of personal ill-health, for one-half (½) day for each completed month of service: Provided that payment for absence through such ill-health shall be limited to six (6) days in each calendar year. Payment hereunder may be adjusted at the end of each calendar year, or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

A worker shall not be entitled to receive any wages from his employer for any time lost through the result of an accident not arising out of or in the course of his employment, or for any accident, wherever sustained, arising out of his own wilful default, or for sickness arising out of his own wilful default.

No worker shall be entitled to the benefits of this clause, unless he produces proof satisfactory to his employer of sickness, but the employer shall not be entitled to a medical certificate unless the absence is for three (3) days or more.

I certify, pursuant to section 63 of the Industrial Arbitration Act, 1912-1941, that the foregoing is a copy of the Agreement arrived at between the parties mentioned above.

Dated at Perth this 23rd day of December, 1942.

In the event of his becoming an apprentice, such probationary period shall be counted as part of the term of apprenticeship.

(b) The Board may in any case where it seems expedient to do so, order that the probationary period of employment be extended for a further period not exceeding three (3) months.

(3) (a) Any employer taking an apprentice on probation shall within fourteen (14) days thereafter register such probationer by giving notice thereof to the Registrar in the prescribed form. If at the date of the coming into operation of these regulations an employer is employing any apprentice or probationer who has not been duly registered as such, he shall forthwith apply for the due registration of such apprentice or probationer.

(b) At the end of the period of probation of each apprentice, if mutually agreed upon by the employer and the legal guardian of the boy, but not otherwise, he may, subject to the approval of the Board, become an apprentice under an Agreement.

(4) The employer of every apprentice shall keep him constantly at work and teach such apprentice or cause him to be taught the industry, craft, occupation, or calling in relation to which he is bound apprentice, by competent instruction in a gradual and complete manner, and shall give such apprentice a reasonable opportunity to learn the same, and receive, during the period of his apprenticeship such technical, trade, and general instruction and training as may be necessary. And every apprentice shall during the period of his apprenticeship faithfully serve his employer for the purpose of being taught the industry, craft, occupation, or calling in relation to which he is bound, and shall also conscientiously and regularly, accept such technical, trade, and general instruction and training as aforesaid, in addition to the teaching that may be provided by his employer.

(5) An employer shall be deemed to undertake the duty which he agrees to perform as a duty enforceable under an Award of the Court.

(6) The number of apprentices to be allowed to each employer shall be as determined by the Board from time to time on the application of the particular employer.

Agreement of Apprenticeship.

(7) (a) All agreements of apprenticeship shall be drawn up on a form approved by the Board and signed by the employer, the legal guardian of the apprentice, the apprentice, and the Registrar. No employer, guardian, or apprentice shall enter into any agreement or undertaking purporting to add to, vary, alter, or amend any such agreement without the approval of the Board.

(b) There shall be three copies of each agreement, of which one copy shall be held by the employer, one shall be held by the legal guardian of the apprentice, and one copy shall be retained by the Registrar.

(c) The apprenticeship agreement shall be completed within one month of the termination of the probationary period.

(d) Every agreement of apprenticeship shall be subject to the provisions of the Award in force for the time being applicable to apprenticeship in the industry.

(8) Every agreement entered into by the employer and the legal guardian of the apprentice shall be for a period of five years.

(9) Every agreement of apprenticeship entered into shall contain:—

- (a) the names and addresses of the parties to the agreement;
- (b) the date of birth of the apprentice;
- (c) a description of the industry, craft, occupation or calling or combination thereof to which the apprentice is to be bound;
- (d) the date at which the apprenticeship is to commence and the period of apprenticeship;
- (e) a condition requiring the apprentice to obey all reasonable directions of the employer and requiring the employer and apprentice to comply with the terms of the industrial Award, so far as they concern the apprentice;
- (f) the general conditions of apprenticeship.

Transfer of Apprentices.

(10) (a) The Board shall have power to transfer an apprentice from one employer to another, either temporarily or permanently:—

- (i) if the employer does not provide the necessary facilities for the apprentice to become proficient in his trade; or
- (ii) upon the application of the employer or the apprentice for good cause shown.

(b) The transfer of every agreement shall be on a form approved by the Board, and shall be made out in quadruplicate, and shall, unless the Board otherwise directs, be signed by the late employer or his assigns, the legal guardian of the apprentice, the apprentice, the Registrar, and the new employer. The transfer form shall be completed within two months of the date on which the transfer is effected.

(c) One copy of the transfer agreement shall be held by the late employer, one shall be held by the new employer, one shall be held by the legal guardian of the apprentice, and one shall be retained by the Registrar.

(11) Should an employer at any time before the determination of the period of apprenticeship desire to dispense with the service of the apprentice, he may with the consent of the apprentice and guardian transfer him to another employer carrying on business within a reasonable distance of the original employer's place of business, willing to continue to teach the apprentice and pay the rate of wages prescribed by the Court in its Award or otherwise, according to the total length of time served, and generally to perform the obligations of the original employer.

(12) On the transfer or termination of any apprenticeship, from whatever cause, the employer shall give the apprentice a certificate stating what time he has served, full particulars of the branches of the trade or industry in which he has received instruction, the proficiency attained, and shall also notify the Registrar and the cause thereof.

(13) In the event of an employer being unable to provide work for the apprentice, or to mutually agree with the legal guardian of the apprentice to cancel the agreement or to arrange a transfer, application may be made to this Board to arrange for such transfer or to have such agreement cancelled.

(14) Where a person is apprenticed to partners, his agreement of apprenticeship shall, upon the retirement or death of any partner, be deemed to be assigned to the continuing partner or partners.

Cancellation of Agreement.

(15) Every agreement shall include a provision that it may be cancelled, by mutual consent, by the employer and the legal guardian of the apprentice giving one month's notice in writing to the Board and to the parties concerned that such apprenticeship shall be terminated.

(16) If the apprentice shall at any time be wilfully disobedient to the lawful orders of the employer, his managers, foremen, or other servants having authority over the apprentice, or be slothful, or negligent, or dishonest, or shall otherwise grossly misbehave himself, or shall not conduct himself as a good and faithful apprentice should do, or shall not faithfully observe and keep his part of his agreement, then it shall be lawful for the employer, with the consent of this Board, to discharge the apprentice from his service.

(17) The Board may in its discretion, for any cause which it may deem sufficient, on the application of any party to an apprenticeship agreement, vary or cancel the agreement, either unconditionally or subject to such terms and conditions as it may deem advisable.

(18) No apprentice employed under a registered agreement shall be discharged by the employer for alleged misconduct until the registration of the agreement of apprenticeship has been cancelled by order of the Board on the application of the employer:

Provided, however, that an apprentice may be suspended for misconduct by the employer, but in any such case the employer shall forthwith make an application for cancellation of the agreement of apprenticeship, and in the event of the Board refusing same, the wages of the apprentice, or such portion thereof, if any, as the Board may order, shall be paid as from the date of such suspension, and, in the event of the application for cancellation being granted, such order may take effect from the date when the apprentice was suspended.

(19) Subject to the provisions of the Acts relating to Bankruptcy and Insolvency and the Winding-up of Companies, the following provisions shall apply:—

(a) The trustee or liquidator, as the case may be, may give written notice to the apprentice and his parent or guardian of his intention to discontinue the employment of the apprentice from a date to be named in such notice, and thereupon the agreement shall be deemed to be terminated from the said date, subject, however, and without prejudice to the right of the apprentice, his parent or guardian, to compound, compromise, or agree upon or to sue for and recover such damages (if any) as he may have sustained through such rescission of the agreement as aforesaid.

(b) Any proceedings for damages hereunder must be commenced within six weeks after the service on the apprentice of the notice referred to in subclause (a) hereof, otherwise any claim for damages shall be deemed to be waived and forfeited.

Extension of Term.

(20) Subject to regulation 30, time lost by the apprentice through sickness or any other cause whatsoever may, with the consent of the Board, on the application of any party, be added to the original term in the apprenticeship agreement at the end of the year of service in which the time has been lost, or at the termination of the apprenticeship period.

(21) The term of apprenticeship may be extended by the Board on the failure of an apprentice to pass any of the examinations, and for such purpose it shall be the duty of the examiners to make any necessary recommendation to the Board. Any extension of the term of apprenticeship shall be subject to all the conditions and stipulations in the original agreement, except as to rate of wages, which shall be such amount as the Board may determine.

Examinations.

(22) (a) Every apprentice shall be bound to submit himself to examination at the places and times appointed by the Registrar after consultation with the examiners.

(b) The examination shall be conducted by two examiners appointed by the Board: one on the nomination of the union of workers, and one on the nomination of the employers bound by the Award.

(c) The Registrar shall notify the examiners of the names and addresses of the apprentices required to submit themselves to examination.

(d) The employer shall place at the disposal of the examiners such material and machinery on his premises as may be required by them, and shall in all ways facilitate the conduct of the examination.

(23) (a) The examiners shall be persons skilled in the industry. In the event of a disagreement between the examiners, the matter in dispute shall be referred

to a third person agreed to by them or nominated by the Board at the request of any of the examiners, and the decision of such person shall be final and conclusive.

(b) It shall be the duty of the examiners to examine the work, inquire into the diligence of each apprentice, and as to the opportunities provided by the employer for each apprentice to learn, and to submit a report to the Board in writing as to the result of the examination within one month from the date of holding the examination, but this period may be extended by the Board.

(c) Such examination shall, where possible, include theory and practice as applied to the trade, industry, craft, occupation, or calling to which the apprentice is indentured.

(24) The Registrar shall, after each examination, issue a certificate to each apprentice indicating his degree of proficiency, taking into consideration the term of apprenticeship served. When the final examination has been passed the certificate shall be signed by the examiners.

(25) Whenever it is possible so to do, the examiners, before entering upon the examination, shall draw up a syllabus showing what in their opinion is the stage of proficiency which an apprentice should attain at each of the examinations prescribed. The syllabus shall be subject to review by the Board at any time, and shall be kept as a record by the Registrar, and a copy handed to the examiners before each examination. The said syllabus may be subject to alteration from time to time by the examiners, who shall forthwith notify the Board hereof.

(26) In the event of an apprentice failing to pass any of his examinations, the employer may apply to the Board to disallow the increase in wages prescribed by the Award, and the Board, on any such application, may make such order as the circumstances of the case may seem to require.

(27) Upon the failure of an apprentice to pass two consecutive examinations, it shall be the duty of the examiners to report same to the Board with a recommendation as to the cancellation of the apprenticeship agreement, or such other remedial measures as they may deem advisable. The Board, after notice to all parties concerned, may cancel the agreement, or make such other order in the circumstances as it may deem necessary.

(28) Upon the completion of the period of training prescribed for apprenticeship, each apprentice shall be required to pass the final examination test to the satisfaction of the examiners, and upon passing this test shall be provided with a certificate to that effect by the Registrar.

Lost Time.

(29) The employer shall pay the apprentice for all time lost through sickness or the holidays prescribed by this Award: Provided:—

(a) payment for such sickness shall not exceed a total of seven days in each year;

(b) where the time lost through sickness exceeds four consecutive working days, the employer may demand from the apprentice the production of a medical certificate, and a further certificate or certificates may be required, if any time is lost through sickness, within seven days from the date of resumption of duty.

(c) An apprentice shall not be entitled to receive any wages from his employer for any time lost through the result of an accident not arising out of or in the course of his employment, or for any accident or sickness arising out of his own wilful default.

(30) The employer shall pay the apprentice, in respect of time lost through compulsory military or naval training, the amount by which the wages prescribed by the industrial Award for the trade, calling, craft, occupation, or industry exceeds the amount received by the apprentice from the Department of Defence: Provided, however, that this clause shall not apply to military or naval training imposed through failure to attend compulsory parades.

All time lost by reason of compulsory military or naval training other than the additional training mentioned in the above proviso, shall count as part of the apprenticeship.

(31) When an apprentice is absent from work for any cause other than sickness or in pursuance of the provisions of these regulations, the employer shall be entitled to deduct from the wages of the apprentice an amount proportionate to the time so lost.

(32) When an apprentice cannot be usefully employed because of a strike, the employer shall be relieved of his obligations under the apprenticeship agreement during the period of the strike.

Part-time Employment.

(33) Where in any case an employer is temporarily unable to provide work to employ an apprentice for his full time, application may be made by the employer to this Board for permission to employ the apprentice for such lesser time per week or per month, and at such remuneration as the Board may determine, being not less than the proportionate amount of the rate of wages prescribed by the industrial Award for the trade, calling, or industry. If the Board grants the application holidays will be reduced *pro rata*.

Miscellaneous.

(34) (i) The Registrar shall prepare and keep a roll of apprentices containing:—

(a) a record of all apprentices and probationers placed with employers;

(b) a record of all employers with whom apprentices are placed;

(c) a record of the progress of each apprentice, recording the result of the examiners' reports;

(d) any other particulars the Board may direct.

(ii) These records shall be open to inspection by employers and the union of workers interested, upon request.

(35) For the purpose of ascertaining the number of apprentices allowed to be taken at any time, the average number of journeymen employed on all working days of the twelve months immediately preceding such time shall be deemed to be the number of journeymen employed. Where the employer is himself a journeyman regularly and usually working at the trade, he shall be counted as a journeyman for the purpose of computing the number of apprentices allowed. Where a business is in operation for less than twelve months, the method of ascertaining the number shall be as agreed by the parties to the Award, or, if no agreement arrived at, as determined by the Board.

(36) With a view to determining whether the number of apprentices being trained is sufficient to meet the future requirements of the industry in the matter of skilled artisans, the Registrar may require any employer to furnish him with any specified information relating to the said industry, or relating to the workers engaged therein.

(37) These regulations shall come into force from the date hereunder.
