(Sgd.) A. H. TELFER,

Schedule.

The abovementioned Civil Defence Regulations, 1941, reprinted and further amended as aforesaid are amended as follows:—

(1) Regulation 2 (*Gazette* 9/4/1943) is amended by adding at the end thereof and in a separate line the words—

PART IX: rr. 126 to 134—REGULATION OF MARKETING OF CERTAIN GOODS.

(2) A new Part, to stand as Part IX, is added to the said regulations after regulation 125 (*Gazette* 9/4/1943), as follows:—

PART IX: REGULATION OF MARKETING OF CERTAIN GOODS.

126. For the purposes of the regulations contained in this Part—

“Goods” includes all the articles of merchandise mentioned in regulation 127 of these regulations.

“Metropolitan area,” notwithstanding paragraph (3) of regulation 1 of these regulations, means that portion of the State comprised within an imaginary circle having a radius of thirty miles from the General Post Office at Perth as the centre thereof.

“The Sub-Committee” means the War Emergency Marketing Sub-Committee appointed in accordance with regulation 128 of these regulations.

127. The regulations contained in this Part shall apply to all the following articles of merchandise, that is to say:—Fruit, vegetables, fish, poultry, eggs, butter, dairy produce, grain, straw, chaff, hay, and other produce, products, and provisions now usually marketed in the Metropolitan Market at Perth as constituted and carried on under the provisions of the Metropolitan Market Act, 1926.

128. (1) For the purposes of the regulations contained in this Part, but subject to regulation 19 of these regulations, the Council shall appoint a Sub-Committee to be called “The War Emergency Marketing Sub-Committee.”

(2) The Sub-Committee shall consist of four members.

(3) The members of the Sub-Committee may appoint one of their number to be the executive officer thereof.

(4) The executive officer shall have and may exercise, subject to the control, supervision, and direction of the Sub-Committee such powers, functions, and authorities and shall perform and carry out such duties as the Council, on the recommendation of the Sub-Committee, may from time to time by resolution approve.

129. (1) The rights, powers, and authorities conferred and the duties imposed upon the Sub-Committee by the regulations contained in this Part shall not be exercisable by or be required to be performed or carried out by the Sub-Committee unless and until—

(a) the Metropolitan Market established and carried on under the provisions of the Metropolitan Market Act, 1926, has been destroyed or damaged as the direct result of enemy action; and

(b) the Council by a notice published in the *Government Gazette* declares that in consequence of the destruction or damage of the said Metropolitan Market by enemy action and by reason of such emergency this Part shall apply, and the Sub-Committee shall function under and in accordance with the regulations contained in this Part.

(2) When the Council publishes any declaration under paragraph (1) of this regulation, and until the Council revokes and cancels such declaration by a notice published in the *Government Gazette*, the Sub-Committee may, subject to these regulations, exercise all the rights, powers, and authorities conferred and shall perform and carry out all the duties imposed upon it by the regulations contained in this Part.

(3) Whilst the Sub-Committee is able to exercise its rights, powers, and authorities and is required to perform and carry out its duties in accordance with the provisions of paragraph (2) of this regulation the Sub-Committee shall, for the purposes of these regulations, supersede the Metropolitan Market Trust constituted under the Metropolitan Market Act, 1926, and the operation of the provisions of that Act in so far as they relate to the control or regulating of the marketing of any goods shall be suspended.

130. For the purpose of controlling and regulating the sale and storage of goods, the Sub-Committee may, subject at all times to the control and directions of the Council, do all or any of the following things, namely:—

 - (vii) by notice published in the *Government Gazette* and in such other manner as the Council may direct prohibit the sale by wholesale within the metropolitan area of any kind or classes of goods specified in the notice elsewhere than in a market or distributing centre established by the Sub-Committee during such period as shall be stated in the notice; and by a subsequent notice published in like manner cancel or revoke any such first-mentioned notice;
- (d) subject to conditions or rules to be approved by the Council—
- (i) regulate and control the occupation and use of any market or distributing centre established by or under the control of the Sub-Committee under the authority of these regulations, or any part of such market or distributing centre, by persons who desire to occupy and use such market or distributing centre or a part of such market or distributing centre for the sale or storage of goods;

 - (iv) conduct sales of goods by auction or otherwise as the Sub-Committee may think fit in any market or distributing centre aforesaid by or through any servants or agents of the Sub-Committee;
 - (v) provide for the inspection, seizure, and destruction of goods found in a market or distributing centre aforesaid and, in the opinion of an inspector acting for the Sub-Committee, unfit for sale;
 - (vi) fix, levy, and collect rents, tolls, fees, and charges to be paid by persons for the use of any market or distributing centre aforesaid, or any part of such market or distributing centre, in connection with the sale or storage of goods:
- Provided that any such rents, tolls, fees and charges when received by the Sub-Committee shall be held by it in trust for and on behalf of the Council, and, subject to the direction of the Council, shall be applied, firstly—in or towards the payment of any expenses or the discharge of any liabilities incurred or to be incurred by the Sub-Committee in or in connection with the exercise by the Sub-Committee of any of the rights, powers, and authorities conferred upon it by these regulations, and secondly—as to any amount remaining unexpended as aforesaid, to or for such purposes as the Council may require or direct;

(e) subject to conditions or rules, to be approved by the Council, regulate and control the sale, supply, and distribution in and from any market or distributing centre aforesaid of any goods and for any of such purposes—

- (i) order growers to deliver goods of their own production and specified in such order to a market or distributing centre, or to wholesalers, retailers, or consumers (as the case may be) as may be specified in the order: Provided that every such order shall be in writing signed by the chairman of the Sub-Committee, and shall be communicated to the growers concerned in such manner as the Council may direct;
- (ii) order the removal of stocks of goods specified in the order from any place or position in which they are stored or kept or held to any other place or position which the Sub-Committee may consider to be more convenient for the distribution of such goods to consumers:
Provided that every such order shall be in writing signed by the chairman of the Sub-Committee and shall be communicated to the persons affected thereby in such manner as the Council may direct;
- (iii) divert all traffic-carrying goods to any market or distributing centre or other place from such market or distributing centre or other place to any other market or distributing centre or other place at which the Sub-Committee desires the goods to be delivered;
- (iv) give to growers and retailers of goods such directions as the Sub-Committee may think necessary, desirable, or expedient regarding the use of vehicles under their control, either for bringing goods to a market or distributing centre or removing or delivering goods from a market or distributing centre;
- (v) regulate the quantities of goods which may be delivered at any one time or during any specified period to retailers or consumers from any market or distributing centre, and, if the Sub-Committee think the same to be necessary, desirable, or expedient, for the purpose of more effectively giving effect to the power conferred by this subparagraph, cancel or reduce any selling or buying order already made between vendors and purchasers.

Where any selling or buying order is cancelled or reduced as aforesaid the vendor or purchaser (as the case may be) shall not incur any liability to the other party concerned as for a breach of contract, nor shall such vendor or purchaser have against the Sub-Committee or any members or employees or agents thereof any claim or right of action or other redress in respect of any loss or damage suffered by reason of the cancellation or reduction of such order.

131. 133. The Sub-Committee shall not expend any moneys or incur any financial liability or assume or enter into any commitments involving an expenditure of money unless and until the Sub-Committee has submitted to the Council in writing particulars of its proposals, and the Council has approved thereof.
