IN THE COURT OF ARBITRATION OF WESTERN AUSTRALIA.

In the matter of the Industrial Arbitration Act, 1912-1941, and in the matter of Part VII. of the said Act.

Basic Wage.

The 29th day of July, 1943.

THE Court is in receipt of index numbers and other statistical information from the Government Statistician relating to the June quarter, 1943. These indicate an increase in the basic wage for adult males of approximately two shillings (2/-) for each of the districts.

As regards the amount of the basic wage, for reasons expressed in previous judgments, I must disclaim any personal responsibility as from August, 1942, when the power to deal with the basic wage was taken out of the hands of the Court. It is also worthy of note that in addition to the amount of the basic wage for each district there is at present imposed by another industrial authority a loading of three shillings (3/-) per week for all railway workers, including railway officers, and an amount of six shillings (6/-) per week for workers in the Collie coal industry, termed in each case "war loading," almost all of which increased payments are borne by the State Treasury.

A perusal of the Order will show clearly the amount by which the Federal basic wage obtaining in this State has to be supplemented to accord with the West Australian basic wage.

The Order will read as follows:—

Basic Wage.

In pursuance of the provisions of the above Act, and subject to the conditions therein prescribed, the Court of Arbitration hereby adjusts and amends the basic wage declaration made on the 11th day of June, 1943, so as to read and have effect as follows:—

Adult Males.

- (1) Metropolitan Area, which for this purpose shall be deemed to be that portion of the State comprised within a radius of fifteen (15) miles from the General Post Office, Perth:—

	Per Week.
	£ s. d.

Federal prosperity allowance ..	0 4 0
Total Federal basic wage ..	4 14 0
West Australian loading ..	0 7 1
West Australian basic wage ..	£5 1 1

- (2) Agricultural Areas, namely the South-West Land Division of the State, except such portion thereof as is comprised within the Metropolitan Area as defined herein:—

	Per Week.
	£ s. d.
Federal "Needs" basic wage (Northam)	4 10 8
Federal prosperity allowance ..	0 4 0
Total Federal basic wage ..	4 14 8
West Australian Loading ..	0 5 7
West Australian basic wage ..	£5 0 3

- (3) Goldfields Areas and all other portions of the State exclusive of the South-West Land Division:—

	Per Week.
	£ s. d.
Federal "Needs" basic wage	4 17 3
Federal prosperity allowance ..	0 4 0
Total Federal basic wage ..	5 1 3
West Australian loading ..	0 6 7
West Australian basic wage ..	£5 7 10

Adult Females.

- (4) The basic wage for adult females shall be 54 per cent. of the amount of the total basic wage as above appearing.

Apprentices and Junior Workers.

- (5) The wages being paid to these workers will be altered proportionately to the alterations in the basic wages above declared by the application of the percentage where such is fixed in the appropriate Award or Industrial Agreement and by direct proportion where the amount and not a percentage is prescribed.

Contract of Employment.

- (6) Payment shall be *pro rata* where the term of employment is for less than one (1) week.

This Order shall take effect from the commencement of the first pay period commencing in August, 1943.

By the Court,

(Sgd.) WALTER DWYER,
President.
