(3) Scope.

This Agreement shall apply to all workers employed in the manufacture and/or handling of ice from tanks into store in the Employers' Works: Provided that it shall not apply to workers who are at present provided for in any Award of the Court of Arbitration of Western Australia or in any Industrial Agreement registered in accordance with the Industrial Arbitration Act, 1912-1941.

(4) Term.

The term of this Agreement shall be twelve months from its date.

(5) No Reduction.

Nothing herein shall in itself operate to reduce the wage of any worker below the rate actually received by him at the date hereof.

(6) Hours.

Forty-four (44) hours shall constitute a week's work. For the sake of convenience in the rostering of shifts an eighty-eight (88) hour fortnight may be worked if the employer so desires.

(7) Overtime.

(a) All time worked in excess of eight (8) hours in any one day shall be deemed overtime and shall be paid for at the rate of time and a-half.

(b) All time worked on Sunday shall be paid for at the rate of time and a-half.

(c) Work done on New Year's Day, Labour Day, Xmas Day or Boxing Day shall be paid for at the rate of double time.

(8) Holidays.

(a) Each worker, other than a casual worker, shall be entitled to twelve (12) days annual leave each year on full pay, or should the period of continuous employment be less than one year, the worker shall be paid holiday pay in proportion as his length of service is to the full year's employment. Annual leave shall be taken at a time suitable to the convenience of the employer.

(b) Holidays without deduction of pay shall be limited to twelve days per annum as aforesaid.

(c) The following shall be the days upon which, if the employer's establishment be closed, payment may be deducted, namely:—New Year's Day, Good Friday, Easter Saturday, Easter Monday, Anzac Day, Labour Day, Foundation Day, King's Birthday, Xmas Day, and Boxing Day.

(d) If Xmas Day falls on a Sunday, the following Monday shall be kept.

(e) If the employer's establishment remains open on any of the abovenamed ten days, ordinary rates shall apply except in the case of New Year's Day, Labour Day, Xmas Day and Boxing Day.

(f) A worker who is dismissed for misconduct shall not be entitled to the benefits of the holiday clause.

(9) Rotation of Shifts.

(a) Where a worker works afternoon shift only or afternoon and night shifts in rotation, but does not work day shift one week out of three, he shall receive one shilling (1/-) per shift in addition to the rates prescribed in clause (1).

(b) Where a worker is called upon to work night shift continuously, such worker shall be paid five per cent. (5%) in addition to his ordinary rate, plus one shilling (1/-) per shift.

(10) Casual Workers.

A casual worker shall mean and include a worker competent to do the work he is engaged to do and who is, without any fault of his own, dismissed or refused work (as it is hereby agreed he may be) before the expiration of six (6) days from and including the date he starts work.

Casual workers shall be paid ten per cent (10%) in addition to the rates prescribed in clause (1).

(11) Weekly Engagement.

Except as provided in clause (10), all employment shall be by the week.

(12) Time and Wages Book or Record.

A time and wages book or other record shall be kept by each employer, in which book or record shall be entered:—

(a) The name of each worker.

(b) The nature of the work performed.

(c) The hours worked each day.

Such book or record shall be open to the inspection of an accredited representative of the union at any time during working hours and he shall be allowed to take necessary extracts therefrom.

(13) Board of Reference.

The Court may appoint, for the purpose of this Agreement, a Board or Boards of Reference. Each Board shall consist of a chairman and two (2) other representatives, one to be nominated by each of the parties, as prescribed by the regulations. There are assigned to each such Board, in the event of no agreement being arrived at between the parties to the Agreement, the functions of:—

(i) adjusting any matters of difference which may arise between the parties from time to time, except such as involve interpretations of the provisions of the Agreement or any of them;

(ii) classifying and fixing wages, rates, and conditions for any occupation or calling not specifically mentioned in the Agreement;

(iii) deciding any other matter that the Court may refer to such Board from time to time.

An appeal shall lie from any decision of such Board, in the manner and subject to the conditions prescribed in the regulations to the Industrial Arbitration Act, 1912-1941, which for this purpose are embodied in this Agreement.

(14) Payment for Sickness.

(a) A worker shall be entitled to payment for non-attendance on the ground of personal ill-health for one-half (½) day for each completed month of service: Provided that payment for absence through such ill-health shall be limited to six (6) days in each calendar year. Payment hereunder may be adjusted at the end of each calendar year, or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

A worker shall not be entitled to receive any wages from his employer for any time lost through the result of an accident not arising out of or in the course of his employment or for any accident, wherever sustained, arising out of his own wilful default or for sickness arising out of his own wilful default.

No worker shall be entitled to the benefits of this clause unless he produces proof satisfactory to his employer of sickness, but the employer shall not be entitled to a medical certificate unless the absence is for three (3) days or more.

(b) Any time in respect of which a worker is absent from work except time for which he is entitled to claim sick pay under the preceding provision shall not count for the purpose of determining his right to holidays.

(15) Breakdowns, Etc.

The employer shall be entitled to deduct payment for any day or portion of a day upon which the worker cannot be usefully employed because of any strike by the union or unions affiliated with it, or by any other association or union or through the breakdown of the employer's machinery or any stoppage of work by any cause which the employer cannot reasonably prevent.

In witness whereof the parties hereto have hereunto set their hands the day and year first hereinbefore written.
