Upon the closure of the rolls by the directors the said rolls shall be final and binding for such election.

86. Delete the whole of Article 86 and substitute:—Should any casual vacancy occur among the directors the remaining directors shall have power to fill up such vacancy by appointing a qualified person but any person so chosen shall hold office only until the close of the next ordinary general meeting when he shall retire but shall be eligible for re-election if properly qualified.

The directors to retire shall be those who have been longest in office since their last election. As between directors of equal seniority the directors to retire shall be selected by lot. A retiring director shall be at any time eligible for re-election if properly qualified. Directors shall be elected each year to fill the vacancies so caused and also vacancies caused by the retirement of directors appointed under Article 86 and any casual vacancies.

90. Delete Article 90 and substitute:—The method of election of directors shall be by postal ballot conducted on such basis of preferential voting as the Company may from time to time determine in general meeting and shall be carried out as follows:—(a) The directors shall appoint a returning officer each year prior to the holding of an election for the purpose of conducting the ballot, taking charge of the voting papers and counting the votes cast at such an election. The returning officer shall declare the result of the ballot at the ordinary general meeting in the year of election and such declaration by the returning officer shall be final and conclusive. At the time of the appointment

of the returning officer the directors shall also fix the time and date for the closing of nominations and for the closing of the poll. (b) The returning officer shall at least 14 days before the close of nominations cause an advertisement to be inserted in "The West Australian," "Wheatgrower" and "Primary Producer" newspapers and/or such other papers as the directors may determine from time to time advising shareholders that a ballot is to be held, stating the vacancies that are occurring and are to be filled at the election and calling for nominations for the said vacancies from those eligible to stand for election and stating the time and date on which nominations will close. (c) A candidate for election as a director must be nominated by five shareholders other than himself who are eligible to vote in respect of his candidature. Nomination papers shall be in such form as may be prescribed by the directors and shall be signed by the nominators and by the candidate and shall be lodged with the Company prior to the closing of nominations. (d) At any election of directors no person or persons shall be permitted to nominate for more than one position. (e) Upon the close of nominations the returning officer shall have the necessary ballot papers prepared and shall post a paper or papers to each shareholder eligible to vote at the election together with a notification of the hour and date of the close of the poll and such directions for the completion of ballot papers as may be deemed necessary by the Board. (h) Attorneys and proxies shall not be eligible to vote at an election of directors and unless a corporation's common seal is affixed to the lower part of a ballot paper such voting paper shall be deemed invalid. (i) If there be no more duly qualified candidates for any election than vacancies to be filled no ballot shall be held and the Chairman of the Annual Meeting shall at such meeting declare such candidates elected. (j) A retiring director shall remain in office until the close of the ordinary General Meeting notwithstanding the declaration of the election of his successor. (k) Each candidate for election as a director may at his own expense either be present himself or appoint another member to be present at the examination of the voting papers and the counting of votes by the returning officer.

91. Delete Article 91 and substitute:—Should any candidate for the position of director die or otherwise become ineligible for election between the time of closing nominations and the posting of ballot papers to shareholders the returning officer upon being satisfied that such an event has occurred shall have the candidate's name removed or struck off the ballot papers. And should any candidate die or otherwise become ineligible for election between the posting of the ballot papers to the shareholders and the declaration of the poll then upon satisfying himself that such is the case the returning officer when counting the votes shall disregard all votes allocated to such candidate and distribute such votes amongst the other candidates in the order of preference indicated by the voter upon his ballot paper.

92. Delete Article 92 and substitute:—For the purpose of the first election of directors in connection with

the handing over to the growers every grower who is eligible to become a shareholder under clause 5 of the Deed of Trust shall for the purpose of all articles dealing with the election of directors be deemed to be a shareholder (but so that paragraph (g) of Article 90 shall nevertheless apply as if the scrip for the shares had been issued). The returning officer appointed for the said election shall declare the result of the poll at the Extraordinary General Meeting to be held in accordance with the Deed of Trust and the elected candidates shall take office at the close of such meeting.

Second Schedule.

An Agreement under seal made this _____ day of _____, One thousand nine hundred and forty-three between _____ Co-operative Bulk Handling Limited, a Company duly registered under the Companies Act 1893 as amended by the Companies Act Amendment Act 1929 and having its registered office at 569 Wellington Street, Perth, in the State of Western Australia (hereinafter called "the Company") of the one part and James Lampard Paton formerly of Saint George's House, Saint George's Terrace, Perth, in the said State, now of Pastoral House, Saint George's Terrace, Perth, aforesaid as Trustee and Agent for and on behalf of the "Growers" as defined in the Deed of Trust hereinafter referred to (the said James Lampard Paton being hereinafter called "the Trustee") of the other part.

Whereas:—

(a) This Agreement is supplemented to an Agreement under Seal dated the twenty-fourth day of October One thousand nine hundred and thirty-three made between the parties hereto (hereinafter and in the Bulk Handling Act 1935 referred to as "the Deed of Trust").

(b) The Directors of the Company recently resolved in pursuance of clause 4 of the Deed of Trust that the management and control of the business of the Company should be handed over to the growers (as defined in the Deed of Trust) in October One thousand nine hundred and forty-three.

(c) In order to effect such handing over the Company will shortly comply with the provisions of clause 5 of the Deed of Trust and cause to be allotted and issued to growers the shares therein mentioned and would then (save as varied by these presents) have to comply with the provisions of clauses 6 and 7 of the Deed of Trust which read as follows:—6. Within twenty-eight days after the issue of the shares mentioned in clause 5 hereof an extraordinary general meeting of the Company shall be convened and held. The notice paper convening the meeting shall intimate to the shareholders that the Directors of the Company then in office will resign at such meeting in favour of a new Board of Directors to be appointed by the shareholders and that the business of the meeting shall be (inter alia) to elect Directors in the place of those resigning. 7. At the meeting mentioned in clause 6 hereof the directors of the Company shall resign and shall forthwith transfer their qualification shares to such person as shall be nominated by the shareholders then present. The said shareholders shall then elect a new Board of Directors. Any of the resigning Directors who are growers holding shares issued under clause 5 hereof shall be eligible for re-election.

(d) Clause 21 of the Deed of Trust empowers the Trustee at any time or from time to time at the reasonable request of the Company to vary the terms of the Deed of Trust and enter into any agreements therefor but so that the Deed of Trust shall not be so modified or altered under such clause as to relieve the Company from liability in regard to the toll credits or any of them or to be inconsistent with the general scheme or substance of the Company's arrangements with the growers as evidenced by the Deed of Trust.

(e) Following their resolution to hand over the management and control of the business of the Company to the growers the directors of the Company in response to requests of organisations representing growers of wheat in the said State decided with the approval of the Trustee to vary the method of electing the new Board of Directors as prescribed by clauses 6 and 7 of the Deed of Trust. In consequence of such

decision the Articles of Association of the Company were amended at an extraordinary general meeting of the Company recently convened for such purpose and the amendments were approved by the Governor as required by section 12 of the Bulk Handling Act, 1935. Such amendments provide (inter alia) for the division of the State into certain districts and for the election by postal ballot of District and State Directors who will take office at the close of the extraordinary general meeting of the Company to be convened and held in terms of clause 6 of the Deed of Trust.

(f) The Company has now requested the Trustee to enter into these presents for the purpose of varying as necessary the provisions of clauses 6 and 7 of the Deed of Trust.

Now these presents witness and it is hereby agreed by and between the parties hereto as follows:—

1. Clauses 6 and 7 of the Deed of Trust are hereby varied so that they shall read as follows:—6. Within twenty-eight days after the issue of the shares mentioned in clause 5 hereof an extraordinary general meeting of the Company shall be convened and held. The notice paper convening the meeting shall in addition to other necessary items of business intimate to the shareholders that such of the directors of the Company then in office as shall not have been elected for a further term in accordance with the Articles of Association of the Company will resign at such meeting and that the directors have determined under Article 93 of such Articles that the resigning direc-

tors shall vacate office at the close of such meeting. 7. The directors to resign as indicated in clause 6 hereof shall prior to the meeting mentioned in such clause deliver their written resignations as required by the said Article 93 and they and the other directors of the Company then in office shall forthwith after the said meeting transfer their original qualification shares to such person as shall be nominated by the shareholders then present.

2. As varied as aforesaid the Deed of Trust and every clause thereof shall continue in full force and effect.

In witness whereof the parties hereto have hereunto set their hands and seals the day and year first hereinbefore written.

The Common Seal of Co-operative Bulk Handling Limited was hereunto affixed by the authority of the Directors in the presence of:—

Director.
Secretary.

Signed sealed and delivered by the said James Lampard Paton in the presence of:—

IN THE COURT OF ARBITRATION OF WESTERN AUSTRALIA.

No. 4 of 1943.

Between Coastal Bag, Sack and Textile Manufacturers' Employees' Industrial Union of Workers, Applicant, and Harris Scarfe & Sandovers, Ltd., McLean Bros. & Rigg, Ltd., J. Gadsden Pty., Ltd., Joyce Bros., Attwood Motors (1934), Ltd., and T. Graham, Respondents.

WHEREAS an industrial dispute existed between the abovenamed parties; and whereas the said dispute was referred into Court for the purpose of hearing and determination; and whereas the parties subsequently met and conferred and have arrived at agreement on all matters in difference; and whereas the parties have this day appeared before the Court by their respective represen-

tatives and requested the Court to declare the said agreement an Award: Now therefore, the Court, pursuant to section 63 of the Act and all other powers therein enabling it hereby declares the memorandum hereunder written to have the same effect as and be deemed an Award of the Court:—

Memorandum of Agreement.

(1) Scope:—This Agreement shall apply to all workers who are employed in the manufacture of jute, hessian, calico and stockingette bags, water bags, tents, tarpaulins, blinds and covers: Provided that it shall not apply to workers who are at present provided for in any Award of the Court of Arbitration of Western Australia or in any Industrial Agreement registered in accordance with the Industrial Arbitration Act, 1912-1941.

(2) Area:—This Agreement shall apply over the area comprised within a radius of fifteen (15) miles from the General Post Office, Perth.

(3) Term:—The term of this Agreement shall be three (3) years from its date.

(4) Hours:—Forty-four (44) hours shall constitute a week's work, which may be worked in five (5) or five and one half (5½) days at the option of the employer.

The ordinary day's work shall be performed between the hours of 7 a.m. and 6 p.m., Monday to Friday, inclusive, and between 7 a.m. and 1 p.m. on Saturday.

(5) Overtime:—(a) All time worked before the usual starting time or after the usual finishing time shall be deemed overtime and be paid for at the rate of time and a half. (b) All time worked on Sunday or the holidays prescribed in clause (6) hereof shall be paid for at the rate of double time.

(6) Holidays:—(a) Subject to subclause (c) of this clause the following days, or the days observed as such, shall be granted as they occur, and be paid for, namely: New Year's Day, Anniversary Day, Good Friday, Easter Saturday, Easter Monday, Anzac Day, Labour Day, Foundation Day, Christmas Day and Boxing Day. (b) A holiday of one (1) week shall be granted to each worker on completion of each year of service. (c) In the event of a worker being in the employ of an employer when any of the abovenamed holidays occur he shall only be entitled to such holidays on full pay as are proportionate to his length of service with such employer, and if such holidays are not equal to the holidays given to the other workers, he shall not be entitled to work or pay whilst the other workers of such employer are on holidays on full pay. (d) Holiday pay shall not accrue during a worker's absence from his employment for any cause whatsoever. (e) A worker who is dismissed for misconduct or who illegally severs his contract of service shall lose all rights under this clause.

(7) Time and Wages Record:—The employer shall keep or cause to be kept a record wherein shall be entered: (a) The name of each worker. (b) The nature of his employment. (c) The total hours worked each day. (d) The wages and overtime (if any) received therefor. (e) The age of each junior worker.

The employer shall be responsible for the proper posting of the record each week, which shall be signed weekly only if correct, by the worker. Such record shall be open for inspection at the factory office by a duly accredited representative of the union during working hours.

(8) Contract of Service:—One (1) week's notice on either side shall be necessary to terminate the contract of service: Provided that an employer may at any time summarily dismiss a worker for misconduct or refusal or neglect to obey orders.

(9) Meal Money:—When a worker without being notified on the previous day is required to continue working after the usual knock-off time for more than one (1) hour he shall be provided with any meal required or shall be paid one shilling and sixpence (1/6d.) in lieu thereof.

(10) Payment for Sickness:—A worker shall be entitled to payment for non-attendance on the ground of personal ill-health for one half (½) day for each completed month of service: Provided that payment for absence through such ill-health shall be limited to six (6) days in each calendar year. Payment hereunder may be adjusted at the end of each calendar year or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

A worker shall not be entitled to receive any wages from his employer for any time lost through the result of an accident not arising out of or in the course of his employment or for any accident wherever sustained arising out of his own wilful default or for sickness arising out of his own wilful default.

No worker shall be entitled to the benefits of this clause unless he produces proof satisfactory to his employer of sickness, but the employer shall not be entitled to a Medical Certificate unless the absence is for three (3) days or more.

(11) Representative Interviewing Workers:—In the case of a disagreement existing or anticipated concerning any of the provisions of this Agreement, an accredited representative of the union shall be permitted to interview the workers during the recognised meal hour on the business premises of the employer, but this permission shall not be exercised without the consent of the employer more than once in any one (1) week.

(12) Board of Reference:—(a) The Court may appoint for the purpose of this Agreement a Board or Boards of Reference. Each Board shall consist of a chairman and two (2) other representatives, one to be nominated by each of the parties.

(b) An appeal shall lie from any decision of such Board in the manner and subject to the conditions prescribed in the Industrial Arbitration Act, 1912-1941, which for this purpose are embodied in the Agreement.
