4. In these By-laws and Regulations, subject to the context—"The Governors" means the Governors of Hale School as constituted under the said Act. "School year" means the year commencing on the first day of January.

Part II.—Proceedings of the Governors.

Meetings.

5. The Governors shall hold meetings for the transaction of business at least once in every month of the School year, except in the month of January, and may in addition hold meetings in the month of January whenever the same is deemed necessary.

6. So far as meetings of the Governors are held on specified dates, such dates shall be those which are fixed from time to time by the Governors.

7. Not less than three days' notice in writing of every meeting of the Governors shall be given or sent by post to each Governor.

8. At any time upon the written requisition of two Governors, who shall specify the particular business for which the meeting is required, the Chairman of the Governors shall convene a special meeting of the Governors to be held at any time after the expiration of seven days from the receipt of such requisition, but not later than 14 days from the date of the receipt of such requisition. Notice of such special meeting when given to the Governors shall state the purpose for which such special meeting is convened.

9. At the first meeting of the Governors held in the month of February in each year the Governors present at such meeting shall elect one of their number to be Chairman for the current year, and such Chairman shall hold office until the election of the Chairman for the year then next ensuing. Provided that if in the course of a current year the Chairman resigns, dies, is absent from the State for six calendar months or otherwise vacated his office, the Governors may elect another of their number to be Chairman for the remainder of such current year.

10. Any meeting of the Governors may be adjourned from time to time as often as may be necessary to conclude any unfinished business.

11. At all meetings of the Governors the Chairman (if present) shall preside, and in the absence of the Chairman, a Chairman for such meeting shall be chosen by a majority of the Governors present.

17. (a) Any Governor who wishes to have rescinded any resolution carried at any previous meeting shall give to the Secretary of the Governors in writing at least seven days' notice of his intention to move at a meeting of the Governors that the said resolution be rescinded. (b) Particulars of such notice of motion shall be furnished to the Governors in the notice of the meeting at which the motion for rescission of the resolution will be moved.

Motions and Amendments.

18. A motion once it has been moved shall not be withdrawn except with the consent of the majority of the Governors present at the meeting.

19. Any number of amendments may be proposed on a motion before the meeting. Provided that when more than one amendment is moved the question shall first be put on the last amendment, then on the next in succession and so on until all the amendments are voted on, and lastly, on the original motion in the reverse order in which they were moved.

20. Unless seconded neither a motion nor an amendment shall be discussed by any Governor other than the mover or be put to the meeting by the Chairman.

21. When an amendment is carried the motion as amended thereby shall become the substantive motion upon which further amendments may be moved before it is finally dealt with.

22. When submitting a motion or an amendment to the meeting the Chairman shall put the question first for the affirmative and then for the negative.

Sub-committees.

23. Provided that:—(I) The Governors may at any time and from time to time delegate to the Headmaster authority to appoint and employ persons to and in any of the positions or services mentioned in this by-law. (II) Any authority delegated to the Headmaster as aforesaid may be so delegated with such restrictions and limitations and subject to such conditions as the Governors may think fit to impose.

(2) Each school term shall consist of not less than 12 weeks and not more than 14 weeks as the Governors shall from time to time determine. (3) The commencing and finishing dates of each school term respectively shall be such as the Headmaster shall recommend and the Governors approve.

28. Public holidays falling during the currency of a term may be observed or not as the Headmaster thinks fit and special holidays may be granted by the Headmaster during the currency of any school term provided the approval thereof of the Chairman of the Governors is first obtained.

School Hours.

29. The school hours shall be such hours as the Governors shall from time to time on the recommendation of the Headmaster by resolution prescribe.

30. Subject as hereinafter provided the school shall be open on all week days. Provided that the Governors may from time to time determine that the school shall not be open on Saturdays.

Fees.

31. (1) The school fees both for boarders and day boys shall be assessed and payable for and in respect of each school term at such rate or rates respectively as shall from time to time be prescribed by resolution by the Governors. (2) The school fees payable by boarders shall include the fee for tuition. (3) In fixing the rate or rates of the school fees the Governors may prescribe such concessions rebates or discounts in relation to two or more brothers attending the school at the same time as they may think fit. (4) In necessitous or exceptional cases the Governors may waive payment of school fees either in whole or in part. (5) The Governors may grant such free scholarships or bursaries as they may deem desirable from time to time.

32. All fees shall be paid to the Secretary and shall be payable in advance at the commencement of each school term.

33. For the purpose of the assessment and payment of school fees the attendance of boys at the school shall be deemed to run from school year to school year, and the rate or rates of school fees as prescribed by the Governors may be varied either by increasing or reducing the same from time to time as the Governors think fit. Provided that the parent, guardian or next friend of a boy attending the school and liable for the payment of school fees in relation to such boy shall not be liable for payment of school fees at an increased rate unless and until he shall have received from the Secretary of the Governors one term's notice in writing of the increase which has been made in the rate or rates of school fees applicable to such boy.

34. The person who, whether as parent, guardian or next friend of a boy attending the school, signed the application for the admission of such boy to the school shall be liable for the payment of the school fees chargeable by the Governors in respect of such boy.

35. At least one term's notice in writing of an intention to withdraw a boy from the school shall be given to the Secretary of the Governors by the person who in accordance with by-law 34 hereof is responsible for payment of the school fees of such boy; and where any boy is withdrawn from the school without the requisite notice being given in accordance with this by-law, the person responsible for payment of the school fees as aforesaid shall be liable for, and the Governors may recover from him as a debt, the amount of one school term's fees at the rate payable in respect of the boy in lieu of such notice.

Admission of Boys to the School.

36. The Governors may from time to time by resolution prescribe:—(a) the minimum age at which boys shall be admitted to the school. (b) the minimum educational tuition which boys shall have received in order that they shall be eligible for admission to the school.

37. Any person who desires that a boy shall be admitted to the school shall make application in writing signed by him on a form from time to time prescribed by the Governors and shall deliver or send the same addressed to the Governors at the school.

38. When a boy is admitted to the school pursuant to such an application such application and such admission shall constitute a contract between the Governors and the person who has signed the application whereby the Governors agree to board and provide tuition in the case of a boarder, or to provide tuition in the case of a day boy in accordance with the Act and these by-laws and regulations and the person who has signed the application agrees to pay the school fees payable in respect of the boy and in all respects to observe, perform and comply with and to be bound by the provisions of the Act and these by-laws and regulations.

39. (1) Every application for the admission of a boy to the school shall be considered in the first instance by the Headmaster who may make such inquiries and investigations as he may think fit to determine whether or not the boy is a fit and proper person to be admitted. (2) If satisfied that a boy may properly be admitted to the school, the Headmaster may admit such boy accordingly without the prior approval of the Governors but shall report the fact of such admission to the Governors at their next meeting. (3) When the Headmaster admits a boy to the school without the prior approval of the Governors as provided for in paragraph (2) of this by-law, the Governors may at any time thereafter by notice to the person who signed the application for admission of such boy to the school cancel and revoke such admission and thereupon such boy shall cease to be entitled to attend the school. (4) Instead of admitting a boy to the school in the first instance as provided for

in paragraph (2) of this by-law the Headmaster may refer the application for admission to the Governors, and in such case the Governors shall determine whether or not the boy shall be admitted to the school.

40. Whenever a boy is admitted to the school his name and such other particulars as the Governors may require shall be entered in a school register to be kept by the Headmaster for the purpose.

41. (1) The Headmaster may of his own motion and shall if directed so to do by the Governors, expel or otherwise request the parent, guardian or next friend to withdraw from the school any boy whose expulsion or withdrawal from the school is, in the opinion of the Headmaster or of the Governors (as the case may be), warranted in the interests of the school. (2) The expulsion or withdrawal from the school of a boy shall not relieve his parent, guardian or next friend from his liability to pay the school fees chargeable in respect of such boy for the school term during which the boy is expelled or removed.

Part IV.—Duties of Masters.

The Headmaster.

(a) See that these by-laws and regulations and any special rules not inconsistent with these by-laws and regulations which may from time to time be approved by the Governors are duly and faithfully observed performed and complied with by all persons affected thereby. 45. Every master, teacher, instructor or other servant shall, if required so to do by the Governors, sign and execute with the Governors a written contract setting forth the period for which, the rate of salary at which and the terms and conditions upon which he is employed by the Governors as such master, teacher, instructor or other servant.

Part V.—Duties of Boys.

(c) When absent from school contrary to paragraph (b) hereof, furnish to the Headmaster upon the day when they next attend school an explanation in writing signed by their parent, guardian or next friend, of the reason for their absence from school as aforesaid.

47. Any boy who absents himself from school except on account of sickness or other reason satisfactory to the Headmaster shall be liable to forfeit his standing in the school and in his class, and his right to attend the school for the remainder of the then current term.

48. (1) Every boy, who is admitted to the school, and is duly registered, shall attend at the commencement of each term and continue in punctual attendance until the close of such term or until he is regularly withdrawn from the school by notice to that effect given in accordance with the provisions of these by-laws and regulations. (2) Any boy violating paragraph (1) hereof shall not be entitled to continue in the school until such violation is certified by the parent, guardian or next friend of the boy either personally or in writing to have been necessary and unavoidable.

49. The boys shall be responsible to the Headmaster for any misconduct on the school premises, or when going to or returning home from school, except when they are accompanied by a parent, guardian or next friend or by some person appointed by them or on their behalf.

50. Every boy entitled thereto shall, when he leaves the school, receive from the Headmaster a certificate of good conduct and standing if in the opinion of the Headmaster the granting of such certificate is warranted.

Part VI.—Miscellaneous.

55. Subject at all times to the approval, and, if thought fit, to the direction of the Governors, the Headmaster, with the assistance of the other masters, teachers, and instructors and of the boys may establish within the school any club or society, of which the boys may become members, for the purpose of promoting and encouraging literature, science and art, the playing or taking part in healthy games, exercises and open air pastimes, or for any other object or purpose which may be beneficial to the boys in their physical and mental development.
