G. K. BARON HAY, Under Secretary.

Schedule.

Resolution.

That, subject to the consent of the Governor under section 12 of the Bulk Handling Act (1935), the Articles of Association be amended as follows:—Add to Article 5 the following proviso:—“Provided that the number of shares which may be held by or by and on behalf of any one shareholder shall be limited to five, that no person shall be allotted or registered as the holder of more than five shares, that no transfer shall be approved by the Directors if its registration would result in the transferee being the registered holder in his own name or otherwise beneficially entitled to more than five shares in the aggregate and that the shares shall not be quoted for sale or purchase at any stock exchange or in any other public manner whatever.”

Insert the following new Article after Article 5, namely:—“5. (a) The Company may purchase out of its reserve funds any shares of a member of the Company but the shares so purchased and not sold or disposed of shall not at any time exceed one-twentieth part of the paid-up capital of the Company. The shares so purchased shall not be deemed to be cancelled nor to be a reduction of capital but may be sold re-allotted or otherwise disposed of by the Company in terms of Article 5 hereof.”

In Article 37 delete the word and figures “Article 40” and substitute the following words and figures, namely:—“Articles 5 and 40 and 44 (a) to 44 (d) inclusive hereof.”

Insert at the commencement of each of Articles 43 and 44 hereof the following words and figures, namely:—“Subject to Article 5 hereof.”

Insert the following new Articles after Article 44, namely:—

“44. (a) Subject to Articles 5 and 40 hereof a share may be transferred by a member or other person entitled to transfer the same to any member selected by the transferor; but save as aforesaid and save as provided by Article 44 (d) hereof no share shall be transferred to a person who is not a member so long as the Company or any of its members or any person (being an active grower of wheat) selected by the Directors as one whom it is desirable in the interests of the Company to admit to membership is willing to purchase the same at its par value.

“For the purpose of this and succeeding Articles the term ‘par value’ shall be deemed to be the amount paid up or properly credited as paid up on such share.

“44. (b) Except where the transfer is made pursuant to Article 44 (d) hereof the person proposing to transfer any shares (hereinafter called the ‘proposing transferor’) shall give notice in writing (hereinafter called a ‘transfer notice’) to the Company that he desires to transfer the same. Such notice shall constitute the Directors his agents for the sale of the share to the Company or to any member of the Company or person selected as aforesaid at the par value. A transfer notice may include several shares and in such case shall operate as if it were a separate notice in respect of each. A transfer notice shall not be revocable except with the sanction of the Directors.

“44. (c) If the Company shall within the space of twelve calendar months after being served with a transfer notice decide to purchase the share itself or find a member or person selected as aforesaid willing to purchase such share, and shall give notice thereof to the proposing transferor then the proposing transferor shall be deemed to have sold the share accordingly and the Company may then or at any time thereafter cause the

name of the purchaser to be entered in the register as the holder of the share and shall hold the purchase money in trust for the proposing transferor and pay the same to him upon delivery up to the Company for cancellation of the certificate for such share. The receipt of the Company for the purchase money shall be a good discharge to the purchaser and after his name has been entered in the register in purported exercise of the aforesaid power the validity of the proceedings shall not be questioned by any person.

“44. (d) If the Company shall not within the space of twelve calendar months after being served with a transfer notice purchase the shares itself or find a member or person selected as aforesaid willing to purchase the shares and give notice in manner aforesaid the proposing transferor shall at any time within three calendar months afterwards be at liberty subject to Articles 5 and 40 hereof to sell and transfer the shares or those not placed to any person and at any price.

“44. (e) Should it come to the notice of the Directors that a member has died or has had a sequestration order in bankruptcy made against his estate or has assigned his estate for the benefit of his creditors under any Act for the time being in force for the relief of insolvent debtors or has ceased to be or is not an active grower of wheat in his own right the Directors shall resolve that this Article shall apply to the shares registered in the name of such member and thereupon such member or other person entitled to transfer such shares shall be deemed to have served the Company with a transfer notice pursuant to Article 44 (b) hereof. Without detracting from the right of the Directors to act at any time on information received the fact that no wheat grown by a particular member shall have been received by the Company during the last two completed seasons shall for the purposes of this Article and of Article 94 be conclusive evidence that such member is not or has ceased to be an active grower of wheat unless such member proves to the satisfaction of the Directors that such failure to deliver wheat to the Company in either season has been occasioned by drought, flood, fire, storm or other untoward happening to his crop.”

In Article 59 delete the word “three” and substitute the words “twenty-five.”

Add the following paragraph to Article 94:—“(e) If he ceases to be an active grower of wheat in his own right.”

Delete Article 65 and substitute:—“65. Twelve members present in person shall form a quorum for a General Meeting.”

Delete Article 71 and substitute:—“71. A poll may be demanded by the Chairman presiding at any meeting or by five or more members present personally or by proxy or attorney and if demanded but subject to Article 72 hereof such poll shall be taken by postal voting in accordance with such directions as shall be given by the Chairman presiding at such meeting. The result of such poll shall when notified to the Company by the returning officers or scrutineers appointed by the Chairman be deemed to be the resolution of the Company in general meeting.”

Delete Article 76 and substitute:—“76. On a show of hands and also in case of a poll taken under Article 72 hereof every member whether present in person or by attorney or proxy shall have one vote only and a member present in person and being attorney or proxy of or for another member or members may cast his own vote and also a vote for each other member whom he so represents.”

“At a poll taken under Article 71 hereof every member shall have one vote but he shall not be entitled to vote by proxy or attorney.”

In Article 78 interpolate before the words “that one of said persons” the words “and also in the case of a poll taken under Article 71 hereof.”

In Article 79 interpolate after the words “General Meeting” the words “or any poll taken under Article 71 hereof.”

Approved by His Excellency the Lieutenant-Governor in Executive Council, this 22nd day of December, 1943.

R. DOIG, Acting Clerk of the Council.
