G. L. NEEDHAM, Under Secretary for Lands.

Public Cemetery, Wannamal—By-laws.

By virtue of all powers in that behalf vested in the Board of the Wannamal Cemetery, the said Board makes the following By-laws:—

1. All fees and charges payable to the Board as set forth in Schedule A shall be paid at the times and manner therein mentioned, unless otherwise ordered.

2. Any person desiring to inter any dead body in the cemetery shall make an application in the form contained in Schedule B.

3. All applications for interment shall be made at the office of the Board in such time as to allow at least eight working hours' notice being given to the officer at the cemetery prior to the time fixed for burial, otherwise an extra charge shall be made.

4. The Board shall cause all graves to be dug, and vaults, brick graves, or graves to be re-opened as and when required.

5. Every coffin shall have upon the lid an approved metal plate bearing the name of the deceased stamped or otherwise indelibly inscribed in legible character thereon. No coffin not complying with this by-law shall be admitted to or be interred in the cemetery.

6. Every grave shall be at least 7ft. deep at the first interment, and no interment shall be allowed in any grave with a less depth than 3ft. from the top of the coffin to the original surface of the surrounding ground.

7. In the case of an application for interment in any private grave or vault to which the deceased had no claim during life, the written and verified consent of the grantee shall be handed in with the application.

8. No burial shall be allowed to take place in the cemetery nor shall any coffin be allowed to enter the cemetery unless a certificate from a District Registrar of Deaths that the death has been registered or a Coroner's order for burial is handed to the Secretary, at the latest, upon the funeral entering the cemetery. Should the undertaker or his representatives be unable to produce the said certificate from the Registrar, he shall give a written guarantee to produce same within three days, and satisfactory reasons must be

given for the non-production of such certificate in the first instance. Horses shall not be allowed to proceed faster than at a walking pace within the cemetery, and shall proceed at and by such roads as directed by the Superintendent or other officer of the Board from time to time. Any driver or other person failing or neglecting to observe such directions may be forthwith expelled from the cemetery. No bicycle, shall be ridden within the cemetery.

13. If application be made to the Board to exhume any corpse for the purpose of examination or identification, or for the purpose of its being buried elsewhere in accordance with the wishes of the deceased or of his family, an order from the Governor or the warrant of a Coroner or of a Justice of the Peace issued in accordance with the law authorising the Board to permit of the exhumation must be attached to the application form.

23. Subject to the by-laws, and to the directions of the Board, the Secretary shall exercise a general supervision and control over all matters pertaining to the cemetery, including the conduct of all funerals and interments within the cemetery.

24. Any person requiring an "Exclusive Right of Burial" in any part of the cemetery shall apply to the Board, in writing, specifying the location of the grave, and whether it is proposed to erect a brick grave or vault, and in each case submitting plans and specifications of the proposed work. Such application shall also state the names of any already deceased person whose remains it is proposed to inter therein.

25. Upon being satisfied of the matters aforesaid, and of the suitability of the said work, plans, and specifications, the Board may authorise the construction and erection thereof, or if no work is to be done, may issue a "Grant" in the Form "C" in the schedule.

26. Upon the completion of the work aforesaid, the Board may, if and when such work is done to their complete satisfaction, issue a "Grant" in the form prescribed.

27. Every such grant shall be subject to the by-laws for the time being, and no interment in any such grave or vault shall be allowed unless upon production of the "Grant" aforesaid, nor shall any such grave or vault be opened, unless with the consent of the Board.

28. Every coffin placed in any such bricked grave or vault shall be bricked in, cemented, and any space surrounding such coffin to be filled in with charcoal, dry earth, or other suitable material, and covered with a slab of stone, slate or iron, unless special written exemption be obtained from the Board.

29. In the event of such exemption being obtained from the Board, each coffin placed in any brick grave or vault shall be properly lead-lined and hermetically sealed.

30. If application be made for an "interment" in any grave or vault of the remains of any person other than the person to whom the grant was issued, or his registered assign, the written and verified consent of such grantee or assignee shall be produced, together with the "Grant of Right of Burial."

31. Should the grantee be unable to produce the "Grant of Right of Burial" on making application for a grave to be re-opened for the purpose of interment, through having lost same, the said grantee, shall make a sworn declaration to this effect, and shall pay the fee for a copy of such "Grant of Right of Burial," as prescribed in Schedule A, before the interment takes place.

32. Any person desiring to place or erect, or to alter or add to any monument, tombstone, or enclosure in any part of the cemetery must first obtain the written consent and approval of the Board and otherwise comply with section 23 of the principal Act (61 Vict., No. 23).
