ROYAL COMMISSION

WESTERN AUSTRALIA, } By His Excellency Sir James Mitchell,
TO WIT. } K.C.M.G., Lieutenant-Governor in and
JAMES MITCHELL, } over the State of Western Australia
Lieutenant-Governor. and its Dependencies in the Common-
[L.S.] } wealth of Australia.

To John Smith Teasdale, of 30 Jutland Parade, Dalkeith; Stephen Bede Donovan, of 8 Mount's Bay Road, Crawley; John Sadler, of Goomalling, and Richard Philip Roberts, of the Department of Agriculture, Perth:

Greeting.

KNOW ye that I, the said Lieutenant-Governor, acting with the advice and consent of the Executive Council, do hereby appoint you John S. Teasdale, Stephen Bede Donovan, John Sadler and Richard Philip Roberts to be a Royal Commission for the following purposes, that is to say:—

1. With the object of ascertaining whether it would be in the best interests of the State and its wheat growers to adopt any, and, if any, what, scheme for the stabilisation and marketing of wheat:—

(a) To enumerate and examine the factors involved including the effect of the most recent Federal wheat legislation including the imposition of retrospective Federal taxation on the proceeds of the 1945-1946 crop.

(b) To ascertain what schemes or courses of action are open to the State both before and after the termination of Commonwealth control of wheat marketing, including the possibility of the creation of a Western Australian pool independent or as part of a national stabilisation scheme.

(c) To compare such schemes and courses with schemes and courses relating to the same subject matter contemplated by or open to the Commonwealth, stating the advantages and disadvantages of each.

(d) To examine whether a marketing scheme, either State or Commonwealth controlled, should operate with the sole object of marketing wheat to the best advantage or whether, and to what extent, the machinery of marketing should be linked with and form an integral part of a general scheme aiming to stabilise the industry for a period of years.

(e) To examine measures taken in American countries in relation to the stabilisation of their wheat-growing industries, and whether it would be practicable and desirable to adopt similar measures in Australia.

(f) To ascertain whether a Western Australian pool may be legally and satisfactorily organised on a compulsory basis, and, if so, to advise whether it would be necessary or advisable for the State to acquire the rights, title and interest in the wheat, or merely to act in a fiduciary capacity and market the wheat on behalf of the producer.

(g) To ascertain whether it would be desirable to include in a State marketing scheme any form of forward price guarantee, and, if so, the extent thereof and from what sources the funds for implementing the guarantee should be obtained.

2. To make recommendations in regard to any one or more of such schemes or courses and the machinery for implementing the same.

3. To inquire into any other aspect of wheat marketing which the Commission may deem desirable.

And I hereby appoint you, the said John Smith Teasdale to be Chairman of the said Royal Commission.

And I declare that you shall by virtue of this Commission be a Royal Commission within the Royal Commissioners' Powers Act, 1902, as reprinted in the Appendix to the Sessional Volume of the Statutes for the year 1928 and that you shall have the powers of a Royal Commission and of the Chairman thereof under that Act.

It is desired that the whole of your inquiries should be made within the State or from material which can be made available within the State from sources outside.

And I hereby request you, as soon as reasonably may be, and not later than the 1st day of May, 1947, to report to me in writing the result of this your Commission.

Given under my hand and the Public Seal of the said State, at Perth, this 5th day of February, 1947.

(b) Every subscriber and dependant shall be entitled to medical treatment whilst being attended by the fund medical officer as an out-patient, within the fund district, subject to the limitations and conditions set forth in these by-laws.

7. i. Where the subscriber or dependant consults the approved doctor outside the fund area payment shall be made of the first consultation fee only, to a maximum of 2 guineas, the cost of transport to and from Yarloop, the mode of which shall be determined by the fund medical officer, and a maximum subsistence payment of 18s., computed at the rate of 6s. per day.

8. (a) The Board of Management shall have discretionary powers regarding payment for out-patient treatment only, incurred at any hospital by a subscriber or dependant when such subscriber or dependant becomes suddenly ill or meets with an accident while temporarily outside the district and is unable to return for treatment by the fund medical officer.

The rate of payment for transport from such out-centres shall be as fixed by the Board from time to time.

10. The fund shall provide each out-centre with drugs and dressings for use in emergency.

Limitations.
