Farms available for Selection by Qualified Ex-Servicemen.

IT is hereby notified for the information of ex-servicemen who have been classified by the War Service Land Settlement Classification Committee as suitable and sufficiently experienced (or suitable but requiring only eight weeks' intensive training), that the land described hereunder is available for selection under the Land Act, 1933-1946, and the War Service Land Settlement Agreement Act, 1945, and the regulations appertaining thereto.

Applications must be lodged not later than the date specified hereunder but may be lodged before such date if desired. The Allotment Board will examine the applications and arrange for such applicants as is considered necessary to appear before it for further examination. The Board shall then make its recommendation as to whom farms shall be allotted. Holdings will be allotted under perpetual leasehold tenure.

When the lease is granted to a successful applicant he must agree to purchase the structural improvements owned by the Crown at a valuation made in accordance with the provisions of the War Service Land Settlement Agreement Act, payment to be secured by a mortgage extending over a period but not exceeding 40 years.

Applicants are requested to supply all the information required as indicated on the application form and questionnaire. It will not be necessary for those applicants who are unsuccessful to repeat this information in subsequent applications for other holdings which may be advertised from time to time. Preferences only then will be necessary.

Application forms, questionnaires, particulars of farms, plans showing position of improvements, and other information may be obtained after the 28th February, 1947, from the Rural and Industries Bank at Bruce Rock, Busselton, Carnamah, Corrigin, Dalwallinu, Denmark, Geraldton, Goomalling, Katanning,
