Petition.

IN THE COURT OF DISPUTED RETURNS.

In the matter of the Election of a Member of the Legislative Assembly for the Pilbara District holden on the 15th day of March, 1947.

To the Court of Disputed Returns:

THE Petition of Leonard Eaton Taplin of Port Hedland, in the State of Western Australia, Contractor, whose name is subscribed.

1. Your Petitioner was a candidate at the Election of a Member of the Legislative Assembly for the Pilbara District which was holden on the 15th day of March, 1947.

2. At the said Election William Hegney and your Petitioner were candidates.

3. On the 27th day of March, 1947, the Returning Officer for the Pilbara Electoral District declared that 234 votes were recorded in favour of the said William Hegney and 234 votes were recorded in favour of your Petitioner, and on the same date the said Returning Officer recorded his casting vote in favour of the said William Hegney thus giving the said William Hegney a majority of one, and declared his name as that of the candidate elected.

4. Your Petitioner says:—(a) That the said Returning Officer wrongfully rejected as invalid two postal vote ballot papers. (b) That the said two postal vote ballot papers were valid and were votes for your Petitioner and should have been recorded for your Petitioner. (c) That a majority of the valid votes cast at the said Election were cast for your Petitioner. (d) That if the votes cast in the said two postal ballot papers or one of them had been recorded for your Petitioner the casting vote of the said Returning Officer would have been unnecessary and should not have been recorded in favour of the said William Hegney.

Whereupon your Petitioner prays that it may be determined and declared:—(a) That the said William

Hegney was not duly elected, and (b) that your Petitioner was duly elected and that your Petitioner's costs may be provided for.

Administration.

2. The Minister for Lands shall be charged with the administration of the Acts.

Land for Settlement.

3. There may be set apart, by notice in the *Government Gazette*, areas of Crown Land or areas of land acquired by negotiation, or areas of land resumed under and by virtue of the Closer Settlement Act, 1927-1945, which have been developed as holdings as required under the War Service Land Settlement Agreement Act, 1945, for the purpose of being disposed of under the Land Act, 1933-1946, to eligible persons exclusively.

Classification of Applicants.

4. All applicants desiring to participate under the Scheme must apply to the Classification Committee for classification and lodge an application in the form of Schedule 1 and must obtain a qualification certificate from the Committee in the form of Schedule 2 to qualify to apply for a holding.

Applications.

5. Applications in the form of Schedule 3 for holdings set apart for selection by eligible persons may be lodged at the Department of Lands and Surveys, Perth, on or before the specified date on which the holdings are gazetted open. If more than one application is received for the same holding on or before the closing date, or for any unselected holdings on the same day after the closing date, the Allotment Board shall decide to whom the holding shall be allotted.

Railway Fares and Freights.

6. Ticket orders for fares and freights for the settler, his family and goods, at reduced rates, may be secured on application to the Director of Land Settlement up to six months from date of approval of a holding in his favour.

Rent.

7. Land rent shall be payable in accordance with the Land Act, 1933-1946, and the War Service Land Settlement Agreement Act, 1945, and shall be paid to the prescribed Credit Authority or to such other authority as the Minister may from time to time direct.

Earnings During Assistance Period.

8. The net proceeds of the holding during the assistance period shall be paid to the Minister and shall be credited against future obligations of a settler in respect of advances for stock, plant and equipment, and improvements, and in respect of rent in a proportion as may be determined, but this requirement may be waived if, in the opinion of the Minister, it is desirable to do so.

Payment for Structural Improvements.

9. All payments towards the purchase of structural improvements shall be made to the prescribed Credit Authority.

Advances.

10. All applications after the expiration of the assistance period for advances for the purpose of providing working capital and paying for and effecting improvements and acquiring stock, plant and equipment, shall be made to and in the manner prescribed by the prescribed Credit Authority: during the assistance period any such advances shall be made at the direction of the Minister.

Residence.

11. Every settler shall personally reside on the holding for at least eleven months of each and every year of the first five years from the date when the holding was first allotted to him. The Minister may, on the recommendation of the Director, after good cause has been shown to the Minister by the settler, exempt such settler from the provisions of this regulation, either wholly or in part.

Transfers.

12. No holding acquired under the Acts shall be transferred, mortgaged or encumbered, except with the consent of the Minister and subject to such conditions as the Minister may prescribe.

(1) Approval shall not be given to any contract of sale or transfer of any holding where the consideration is a premium for the interest in a holding, unless all amounts owing to the Minister and/or the prescribed Credit Authority have been paid.

(2) No contract of sale, sub-lease, conveyance or other dealing in respect to any holding shall be entered into without the approval of the Minister. Any breach of this regulation may cause forfeiture of the holding.

(3) Until the full amount of any indebtedness to any Crown authority has been paid in respect to any holding, such holding shall not be mortgaged or otherwise encumbered other than to the prescribed Credit Authority.

(4) If, within the first five years of acquiring a holding, on account of ill health or any other reason, a lessee wishes to sell his interest in a holding, it shall be surrendered, but the lessee shall be compensated for any improvements effected by him which are essential for the working of the holding, after allowing for any amount owing to any Crown authority, and up to 10 years of acquiring the holding a transfer of the holding will not be approved to other than an eligible and qualified person, unless it is proved to the satisfaction of the Minister that there is no eligible and qualified person willing to acquire the holding and capable of working it, but in no case shall a transfer of a holding be approved to a person who is already the lessee of a holding under the Acts.

(5) In the event of the insolvency or bankruptcy of a lessee during the first ten years, a holding shall not be transferred to other than an eligible and qualified person, and in the event of the death of a lessee within the first 10 years a holding may be transferred to the lawful beneficiary of the lessee entitled in distribution in intestacy or named in the last will and testament of the lessee.

(6) No person who has held and surrendered or transferred a holding under these Acts will be eligible to hold another holding under these Acts, except under special circumstances approved by the Minister.

Care of Improvements.

13. All buildings, fences and other permanent improvements on a holding shall be kept in good and tenable order and condition by the lessee, allowance being made for reasonable wear and tear or damage by fire or tempest, and the Minister or his authorised agent may at any time enter upon a holding to ascertain if the conditions of this regulation are being performed and observed by a settler. Failure to comply with the conditions will render a holding liable to forfeiture at the discretion of the Minister.

Purchase of Improvements.

14. All structural improvements on a holding shall be purchased by a settler, payment therefor to be made by equal half-yearly instalments together with interest thereon at the rate of 3¼ per centum per annum, such instalments to be paid at the same time as that prescribed for rental payments, until the full amount of purchase money has been paid, and on any default in payment of rent or instalment, the holding and all improvements thereon, as well as any purchase money that may have been paid, may be forfeited. The Minister shall have the sole right of determining what improvements made to the holding by the Minister under the War Service Land Settlement Agreement Act, 1945, are structural improvements.

15. In the event of an authority to investigate and determine matters in dispute between a settler and the Minister not being established as provided for in clause 18 of the Agreement contained in the War Service Land Settlement Agreement Act, 1945, the following procedure shall apply:—

(a) A lessee who is dissatisfied with any assessment or valuation made by the Minister with reference to any lease granted under the Land Act, 1933-1946, in conjunction with the War Service Land Settlement Agreement Act, 1945, or is dissatisfied with any matter in reference to such lease may, within 42 days after service by post of the notice of assessment or valuation, post to or lodge with the Minister an objection in writing against the assessment or valuation or matter in dispute, stating fully and in detail the grounds on which he relies.

(b) The Minister shall then consider the objection and may either disallow it or allow it either wholly or in part.

(c) The Minister shall give to the lessee written notice of his decision on the objection.

(d) A lessee who is dissatisfied with the decision of the Minister may, within 30 days after the service by post of notice of the decision of the Minister, in writing request the Minister to treat his objection as a request to have his objection settled by arbitration, and in such case all disputes and questions whatsoever which shall during the term of the lease granted to the lessee arise between the lessee and the Minister shall be referred to a single arbitrator in case the parties to the lease agree upon one, otherwise to two arbitrators, one to be appointed by each party to the difference in accordance with and subject to the provisions of the Arbitration Act, 1895, or any statutory modification thereof for the time being in force.

Insurance of Improvements.

16. It shall be compulsory, until the full amount of purchase money and interest thereon have been paid, for a settler to insure and keep insured, all improvements being purchased, to their full insurable value, in the joint names of the Minister and the settler in some public insurance office approved by the Minister, or with such insurer as the Minister directs, against loss or damage by fire. The settler shall deposit with the Minister the policy of such insurance and the receipt or receipts for the annual or other premium payable thereon. All moneys received under and by virtue of such insurance shall, in the event of loss or damage by fire be laid out and expended in making good the loss or damage. If a settler fails to effect and continue such insurance the Minister may, but shall not be obliged so to do, insure the improvements or improvement and pay any premiums therefor, and any premiums so paid and all incidental expenses shall be repaid by a settler to the Minister on demand.

Rates and Taxes.

17. A settler shall be responsible for payment of all existing and future rates assessments and taxes in respect of a holding.

Living Allowance to Settlers during Assistance Period.

18. The rates of living allowance payable to settlers during the assistance period shall be as follow:—

	£	s.	d.
Settler with no dependants	3	5	0
Settler with one adult dependant	4	16	0
Settler with more than one dependant (including one adult dependant)	5	5	0

A settler with one or more dependent children, but no dependent adult, will be paid £3 5s. per week plus nine shillings per week for each child, but the maximum weekly payment in any one case shall not exceed £5 5s.

Over	42 0	Nil	

The wife (other than a separated wife) and child of an applicant are deemed to be totally dependent on the applicant.

(a) "Settler with no dependants" means a single man, widower, or divorcee not maintaining his children.

(b) "Child of a settler" means a child who is not sixteen years of age and includes a step-child, illegitimate child or adopted child.

Regulations made under the Land Act, 1933-1946, unless it is proved to the satisfaction of Our said Minister that there is no such "eligible and qualified person" as aforesaid willing to acquire the holding and capable of working it; provided nevertheless that in no case shall a transfer be approved to a person who is already the Lessee of a holding under the War Service Land Settlement Agreement Act, 1945;

(i) that in the event of the insolvency or bankruptcy of the Lessee during the first ten years of this lease the holding shall not be transferred to other than an eligible and qualified person as aforesaid under the War Service Land Settlement Agreement Act, 1945;

(j) that in the event of the death of the Lessee within the first ten years of this lease the holding may be transferred to the lawful beneficiary of the Lessee entitled in distribution in intestacy or named in the last Will and Testament of the Lessee.

(k) that the lessee shall maintain in good order and tenantable condition all non-structural improvements the property of the Crown on the land hereby demised and at all times take such steps as may be necessary to prevent soil erosion and to maintain the fertility of the soil and for these purposes if necessary the Minister may direct him subject to his right of appeal hereinafter provided—

(i) to take such measures of the kinds and in the manner required by him to regenerate worn or deteriorated natural pasture;

(ii) to replace natural pasture by sown pasture;

(iii) to apply manures or fertilisers in the manner and at such times as the Minister may require for the promotion of soil conserving vegetation;

(viii) to permit the Minister and any officer authorised by him to enter on the land hereby demised or any part thereof at all reasonable times;

(ix) to take all necessary steps to protect the land hereby demised from bushfires;

(x) to undertake not to grant any grazing rights over the land hereby demised or agist stock thereon without the consent in writing of the Minister being first had and obtained;

(xi) that if at any time the Minister is satisfied on such evidence as he shall deem sufficient that by reason of incompetency or personal disability the Lessee is incapable of managing the land hereby demised with advantage to himself, or that the Lessee has neglected to work the land hereby demised satisfactorily or has been guilty of serious misconduct during his occupation thereof, the Minister may by notice in writing given to the Lessee determine the lease upon and subject to such terms and conditions as the Minister shall think fit, upon the expiration of three months from the giving of such notice the lease and the right of the lessee to possession of the land hereby demised shall cease and determine and be void;

(xii) that if the Lessee shall fail to comply with any of the provisions of this lease the said lease shall be liable to cancellation subject to the provisions contained herein regarding compensation for improvements owned by the Lessee;

(xiii) that the Lessee shall not overstock the land hereby demised, and should the Minister deem it necessary for preservation of the fertility of the farm or for the prevention of erosion he may determine the maximum number of stock that may be depastured on the holding and the Lessee shall not permit this number to be exceeded;

(xiv) that the net proceeds of the holding during the assistance period shall be paid to the Minister and shall be credited against future obligations of a settler in respect of advances for stock, plant and equipment and improvements, and in respect of rent in a proportion as may be determined, but this requirement may be waived if in the opinion of the Minister it is desirable to do so.

2. It is mutually agreed and covenanted by and between the parties hereto as follows:—

(a) That all marketable timber on the land hereby demised is reserved to the Crown, save that the Lessee may fell such timber and use the same for his own reasonable requirements for domestic purposes or in the construction and maintenance of fences, stockyards, buildings or other erections in connection with farming operations on the demised land and with the consent of Our Conservator of Forests first obtained, and not otherwise, ringbark, fell, or otherwise destroy such timber in the ordinary course of clearing the demised land for *bona fide* cultivation with full liberty to Us, Our heirs and successors and persons authorised by Us or by any person or corporation in whom the control of forests is for the time being vested, to enter, fell and remove the same, and for that purpose or for the purpose of extracting timber

from any other land in the locality, full liberty for Us and any of the persons aforesaid to pass and re-pass over the demised land with or without workmen, machinery, horses or cattle, and to take water from any spring, stream, well or waterhole, and to lay down and construct pipe lines for conveying such water, and to make roads and ways and construct and maintain timber tramways on the demised land, subject, however (where such road, way, tramway or pipe line is for the purpose of extracting timber or conveying water from any other land in the locality) to no other direct and satisfactory route being available through Crown lands, reserves or State forests without making to the Lessee, his heirs, executors, administrators or assigns, any compensation in respect of any of the matters aforesaid.

(b) That We, Our heirs and successors, will make good the actual amount of any structural damage done to any buildings, erections or fences in the exercise of such rights, and where a fence forming part of a cattle or sheep proof enclosure is opened, provide and maintain cattle pits and other efficient means to prevent the escape therefrom of sheep and cattle.

(c) That it shall at all times be lawful for Us, Our heirs and successors, or for any person or persons acting in that behalf by Our or their authority, to resume and enter upon possession of any part of the said land which it may at any time by Us, Our heirs and successors, be deemed necessary to resume for roads, tramways, railways, railway stations, bridges, canals, towing paths, harbour or river improvement works, drainage or irrigation works, quarries, and generally for any other works or purposes of public use, utility or convenience, and for the purposes of exercising the power to search for minerals hereinafter reserved, and such land so resumed to hold to Us, Our heirs and successors as of Our or their former estate.

(h) Except as hereinafter provided a period of two (2) consecutive weeks' leave with payment of ordinary wages as prescribed shall be allowed annually to a worker by his employer after a period of twelve (12) months' continuous service with such employer.

(i) If any award holiday falls within a worker's period of annual leave and is observed on a day which in the case of that worker would have been an ordinary working day, there shall be added to that period one day being an ordinary working day for each such holiday observed as aforesaid.

(j) A worker may be rostered off and granted annual leave with payment of ordinary wages as prescribed prior to his having completed a period of twelve (12) months' continuous service, in which case should the services of such worker terminate or be terminated prior to the completion of twelve (12) months' continuous service, the said worker shall refund to the Minister the difference between the amount received by him for wages in respect of the period of his annual leave and the amount which would have accrued to him by reason of the length of his service up to the date of the termination of his services.

(k) (i) Subject to paragraph (ii), when computing the annual leave due under this clause no deduction shall be made from such leave in respect of the period that a worker is on annual leave and/or holidays; provided that no deductions shall be made for any approved period a worker is absent from duty through sickness with or without pay unless the absence exceeds three (3) calendar months, in which case deduction may be made for such excess only.

(ii) Approved periods of absence from work caused through accident sustained in the course of employment shall not be considered breaks in continuity of service, but the first six (6) months only of any such period shall count as service for the purpose of computing annual leave.

(l) In the event of a worker being employed by an employer for portion only of a year, he shall only be entitled to such holidays on full pay as are proportionate to his length of service during that period with such employer.

(m) Any worker who may resign or be dismissed from the service for any cause, other than for peculation or theft, shall be entitled to receive payment for any annual leave which may have been due up to the time of leaving the service; provided always that if the worker has been dismissed for peculation or theft no claim for annual leave shall be recognised. Misconduct herein referred to shall not affect accumulated annual leave or payment therefor.

(n) When work is closed down for the purpose of allowing annual leave to be taken, workers with less than a full year's service shall only be entitled to payment during such period for the number of days' leave due to them; provided that nothing herein contained shall deprive the Minister of his right to retain such workers at work during the close down period as may be essential.

(o) Workers regularly working for the Government North of South Latitude 26 shall be allowed to accumulate annual leave for two (2) years, subject to the convenience of the Department. Such workers who proceed to Fremantle and Geraldton during the period of such leave shall be allowed once in each two (2) years reasonable travelling time on the forward and return journeys between the place of their employment and either of the said ports.

(p) "Ordinary wages" for the purpose of sub-clause (h) hereof shall mean the rate of wage the worker has received for the greatest proportion of the calendar month prior to his taking the leave.

(ii) Whenever any holiday falls on an employee's ordinary working day and the employee is not required to work on such day he shall be paid for the ordinary hours he would have worked on such day if it had not been a holiday. If he is required to work on a holiday he shall be paid for the time worked as if it was an ordinary working day and shall, in addition, be allowed a day's leave with pay to be added to the annual leave or to be taken at some subsequent date if the worker so agrees.

(iii) In the case of workers working a five day week, no payment or a day in lieu shall be granted for any public holiday falling on a Saturday.

(iv) Payment for holidays shall be in accordance with the usual hours of work.

(v) When a worker is off duty owing to leave without pay or sickness, including accidents on or off duty, except time for which he is entitled to claim sick pay, any holiday falling during such absence shall not be treated as a paid holiday. Where the worker is on duty or available on the working day immediately preceding a holiday, or resumes duty or is available on the working day immediately following a holiday, as prescribed in this clause, the worker shall be entitled to a paid holiday on all such holidays.

be granted three (3) weeks and four (4) days, i.e., twenty-five (25) consecutive working days' (including Sundays) leave with payment of ordinary wages as prescribed.

(b) If any award holiday falls within a worker's period of annual leave and is observed on a day which in the case of that worker would have been an ordinary working day, there shall be added to that period one day being an ordinary working day for each such holiday observed as aforesaid.

(c) A worker may be rostered off and granted annual leave with payment of ordinary wages as prescribed prior to his having completed a period of twelve (12) months' continuous service, in which case should the services of such worker terminate or be terminated prior to the completion of twelve (12) months' continuous service, the said worker shall refund to the Minister the difference between the amount received by him for wages in respect of the period of his annual leave and the amount which would have accrued to him by reason of the length of his service up to the date of the termination of his services.

Provided that no deductions shall be made for any approved period a worker is absent from duty through sickness with or without pay unless the absence exceeds three (3) calendar months, in which case deduction may be made for such excess only.

(ii) Approved periods of absence from work caused through accident sustained in the course of employment shall not be considered breaks in continuity of service, but the first six (6) months only of any such period shall count as service for the purpose of computing annual leave.

(e) In the event of a worker being employed by the Minister for portion only of a year, he shall only be entitled to such holidays on full pay as are proportionate to his length of service during that period with the department.

(f) Any worker who may resign or be dismissed from the service for any cause, other than for peculation or theft, shall be entitled to receive payment for any annual leave which may have been due up to the time of leaving the service: Provided always that if the worker has been dismissed for peculation or theft no claim for annual leave shall be recognised. Misconduct herein referred to shall not affect accumulated annual leave or payment therefor.

(g) When work is closed down for the purpose of allowing annual leave to be taken, workers with less than a full year's service shall only be entitled to payment during such period for the number of days' leave due to them: Provided that nothing herein contained shall deprive the Minister of his right to retain such workers at work during the close-down period as may be essential.

(h) "Ordinary wages" for the purpose of paragraph (a), hereof, shall mean the rate of wage the worker has received for the greatest proportion of the calendar month prior to his taking the leave.

(i) The provisions of this subclause shall not apply to casual workers.

(j) Annual leave rights under this subclause shall commence to accrue as from 1st January, 1946.

(b) Whenever any holiday falls on an employee's ordinary working day and the employee is not required to work on such day, he shall be paid for the ordinary hours he would have worked on such

day if it had not been a holiday. Subject to paragraph (a) hereof, if he is required to work on a holiday he shall be paid for the time worked as if it was an ordinary working day and shall, in addition, be allowed a day's leave with pay to be added to the annual leave, or be taken at some subsequent date if the worker so agrees: Provided that if he be called upon to work on Labour Day or Christmas Day he shall be paid at the rate of double time for all time worked on such days. Provided further that in the case of casual watchmen for all work performed on holidays they shall receive twenty-five per cent. (25%) in addition to the ordinary watchmen's rate.

(c) In the case of workers working a five-day week, no payment or a day in lieu shall be granted for any public holiday falling on a Saturday.

(d) Payment for holidays shall be in accordance with the usual hours of work.

(e) When a worker is off duty owing to leave without pay or sickness, including accidents on or off duty, except time for which he is entitled to claim sick pay, any holiday falling during such absence shall not be treated as a paid holiday. Where the worker is on duty or available on the working day immediately preceding a holiday, or resumes duty or is available on the working day immediately following a holiday as prescribed in this subclause, the worker shall be entitled to a paid holiday on all such holidays.
