Schedule.

By-laws for the Control of Medical Funds under section 23 of the Hospitals Act, 1927.

1. The term "subscriber" shall mean any person, male or female, who has paid his or her subscription and is financial and has paid at least two weeks' subscription prior to seeking any benefits or privileges and shall include, so far as benefits are concerned, all dependants of the subscriber.

2. The subscription to be paid by a subscriber shall be two shillings per week or £1 6s. per quarter, as the subscriber may elect.

3. (a) The word "dependant" shall mean the wife, parents and grandparents of a subscriber, the sons, daughters, brothers and sisters not over sixteen years of age of a subscriber who are actually residing with and wholly dependent on him at the date of the illness or accident which the Medical Officer is required to treat.

(b) If the Medical officer is not aware or is in doubt as to whether any person is or is not a dependant he may refer the matter to the Secretary and be guided by his decision.

4. Every subscriber and his dependants shall, if required, submit to a medical examination by the Medical Officer of the Fund before he is accepted as a subscriber.

5. Subject to the conditions and limitations set forth in these by-laws every subscriber shall be entitled, free of charge, to medical treatment, hospital treatment as an out-patient and to medicine, dressings and appliances, for so long as the Medical Officer deems necessary.

In all other cases any patent medicines or proprietary line prescribed by the Medical Officer must be paid for by the subscriber at a price to be fixed by the Board.

(2) Every nomination of a candidate shall be sent or delivered to the Returning Officer so as to be in his hands not later than 12 o'clock noon of the nomination day for the election.

(3) Every nomination form received by the Returning Officer after the time aforesaid shall be rejected by him.

(5) Forthwith, after 12 o'clock noon of the nomination day, the Returning Officer shall examine all the nominations received by him and satisfy himself that the candidates whose names appear on the nomination forms are eligible for election, and that the persons who have signed the said forms as proposer and seconder are entitled under these regulations so to sign the same.

(6) The Returning Officer shall reject any nomination form which, in his opinion, is not in order as required by these regulations, and any such rejection shall be final and conclusive as against the candidate.

(2) The ballot paper shall set forth in a space provided for the purpose notice of the day fixed for the closing of the poll.

13. (1) When the ballot papers have been printed as aforesaid, the Returning Officer shall send by prepaid letter post to each person, whose name appears as an elector on the electoral roll, to his postal address as shown on his application for enrolment, one ballot paper, with the initials of the Returning Officer, or of some other person authorised in that behalf by the Returning Officer, indorsed on the back thereof, together with an envelope marked "Ballot Paper Envelope," and another envelope addressed to the Returning Officer and a form of statement in the Form F in the Appendix to these regulations, to be completed and signed by the elector.

(2) The Returning Officer may, before sending the statement aforesaid to an elector, fill in the particulars to be furnished therein so that the same will be ready for signature and completion by the elector when marking his ballot paper.

14 (1) For the purpose of casting his vote at the election, the elector shall mark his vote on the ballot paper received by him as aforesaid in the manner hereinafter provided, and shall then place the same in the envelope marked "Ballot Paper Envelope," and seal the envelope. He shall then sign and complete the statement in accordance with the directions stated therein and then place the sealed envelope, with the ballot paper enclosed therein and the statement signed and completed in the envelope addressed to the Returning Officer, and seal such last-mentioned envelope.

(2) The elector may then send by prepaid letter post or may deliver the envelope addressed to the Returning Officer, with its said enclosures, to the Returning Officer at his address shown on the envelope, but so that such envelope shall be in the hands of the Returning Officer not later than 12 o'clock noon of the day fixed for the closing of the poll.

(3) Where any envelope containing the ballot paper is sent by post to the Returning Officer, but the postage thereon is wholly unpaid or insufficiently paid thereon, the Returning Officer shall refuse to accept the same, and such envelope, with its enclosures, shall be deemed not to have been sent or delivered to the Returning Officer within the meaning of these regulations.

15. If, prior to the closing of the poll, an elector satisfies the Returning Officer that he has not received a ballot paper and is entitled to vote at the election, or that the ballot paper or envelopes received by him have been lost or destroyed, and that he has not already voted at the poll, the Returning Officer may post or give personally to such elector a ballot paper and envelopes or a further ballot paper and envelopes, as the case may be.

Preferential Voting.

16. (1) Voting shall be by means of a preferential ballot.

(2) When only one candidate is to be elected and there are not more than two candidates, the elector shall mark his vote on the ballot paper by placing the numeral 1 opposite the name of the candidate for whom he votes.

(3) When only one candidate is to be elected and there are more than two candidates, the elector shall mark his vote on the ballot paper by placing the numeral 1 opposite the name of the candidate for whom he votes as his first preference, and he shall give contingent votes for all the remaining candidates by placing the numerals 2, 3 and so on (as the case requires) opposite their names, so as to indicate by such numerical sequence the order of his preference.

(4) When two candidates are to be elected, the elector shall mark his vote on the ballot paper by placing the numeral 1 opposite the name of the candidate for whom he votes as his first preference and the numeral 2 opposite the name of the candidate for whom he votes as his second preference, and he shall give contingent votes for all the remaining candidates by placing the numerals 3, 4 and so on (as the case requires) opposite their names so as to indicate by such numerical sequence the order of his preference.

Ballot Papers.

17. (1) The Returning Officer shall keep a locked and sealed ballot box, with the words "Potato Marketing Board Ballot Box" marked thereon, and, as and when the envelope containing the ballot paper and the statement is received by him from an elector, he shall open the outer envelope and extract therefrom the statement and the sealed envelope containing the ballot paper.

(2) He shall thereupon examine the statement and satisfy himself that the same is in order and that the elector who signed the statement is enrolled on the electoral roll and entitled to vote.

(3) If and when he is so satisfied, he shall place the statement in some place of security for safe keeping and shall immediately place the envelope containing the ballot paper unopened in the said ballot box and so leave the same until the close of the poll.

(4) If, upon examining the statement as aforesaid, the Returning Officer is not satisfied that the statement is in order, or that the person who signed the same is enrolled on the electoral roll and entitled to vote, he shall retain such statement and the envelope containing the ballot paper unopened in a safe place and at once notify the elector in writing that his ballot paper has not been accepted for the reasons to be stated in the notice.

(5) If, before the closing of the poll, a voter who has received notice as provided for in paragraph (4) hereof satisfies the Returning Officer that he is an elector and entitled to vote at the election, the Returning Officer shall forthwith place the sealed envelope containing such voter's ballot paper unopened in the said ballot box and so leave the same until the closing of the poll.

(6) If a voter who has received notice as provided for in paragraph (4) hereof fails to satisfy the Returning Officer in the manner required by paragraph (5) hereof, the Returning Officer shall reject the ballot paper received from such voter. Upon such rejection he shall indorse on the envelope containing the ballot paper the word "Rejected," and sign the same, and then place such envelope unopened in some place of security for safe keeping until after the election.

Scrutineers.

18. (1) Each candidate at an election shall be entitled to appoint, in writing, one scrutineer to be present when the envelopes containing ballot papers relating to such election are being opened at the commencement of the scrutiny and to remain during the scrutiny.

(2) Every scrutineer shall, before he acts, make and sign, before the Returning Officer a declaration in accordance with Form G in the Appendix.

The Scrutiny.

19. (1) The counting of the votes cast at an election shall be carried out by the Returning Officer, in the presence of the scrutineers, at the office of the Board, and shall not commence until after 4 o'clock on the election day. The Returning Officer may from time to time adjourn the scrutiny to a day and hour fixed by him and notified to the scrutineers.

(2) The Returning Officer may appoint such officers as he deems necessary to assist in the conduct of an election and count thereof.

(3) Subject as hereunder provided, the method of conducting the count shall be the same as that prescribed under the Electoral Act, 1907-1936, for the counting of the votes taken at an election of members of the Legislative Assembly. Provided that—

(a) When two candidates are to be elected the count of the votes will proceed until one candidate has received an absolute majority, when he shall be declared elected. The first elected candidate shall then be eliminated from the count, and to proceed with the election of the second candidate, all the ballot papers, including those which have been set aside as exhausted, shall be brought into operation and again sorted into first preference votes. The first preference votes of the eliminated successful candidate shall be distributed according to the second preference markings shown thereon to the remainder of the candidates, and when added to their respective first preference votes shall constitute the first count for the second candidate. The procedure from then on shall be the same as in the counting of votes for the election of one candidate.

(b) Votes shall not be deemed to be informal except in the case hereinafter mentioned.

(4) As soon as practicable after the closing of the poll, the Returning Officer shall, in the presence of the scrutineers—

(a) open the ballot box and remove therefrom the envelopes containing the ballot papers; and

(b) open the envelopes containing the ballot papers and extract the ballot papers therefrom; and

(c) examine every ballot paper and satisfy himself that the same bears the authorised officer's initials indorsed thereon and decide whether such ballot paper is formal or informal; and

(d) count all formal ballot papers and reject all informal ballot papers.

(5) The Returning Officer shall be the sole and final judge as to whether a ballot paper is informal.

(6) Any candidate may attend and be present at the counting of the votes.

20. (1) A ballot paper shall be informal—

(a) if it is not initialed by the Returning Officer or the other officer authorised in that behalf;

- (b) if, subject as hereinafter provided, it is marked in any other manner than prescribed in regulation (11) of these regulations; or
- (c) if it has upon it any mark or writing not authorised by these regulations, which in the opinion of the Returning Officer will enable any person to identify the elector; or
- (d) if it does not indicate the elector's vote, or, if when there are more than two candidates it is not marked so as effectively to indicate the elector's preference as regards all candidates; or
- (e) if no mark is indicated on it.

(2) A ballot paper shall not be informal for any reason other than the reasons stated in paragraph (1) hereof, but shall be given effect to according to the elector's intention so far as his intention is clear, and, in particular when only one candidate is to be elected and there are only two candidates, a ballot paper shall not be informal by reason only of the elector having indicated his vote or first preference by a cross instead of the numeral 1.

21. As and when the Returning Officer shall have completed the counting of the votes, he shall declare the result of the election in the presence of the scrutineers and of any candidates who may be present at the time.

22. (1) When the result of an election has been ascertained and declared, the Returning Officer shall forthwith furnish to the Board a certificate of such result in accordance with Form H in the Appendix to these regulations, and state therein the names, addresses, and occupations of the candidates who have been elected; and such certificate, when received by the Board, shall be final and conclusive evidence of the election of the said candidates as members of the Board.

(2) As soon as reasonably may be after the receipt by the Board from the Returning Officer of the certificate mentioned in paragraph (1) hereof, the Board shall cause a copy thereof to be published in the *Government Gazette*, and a newspaper published in Perth.

23. Where any person whose name appears on the electoral roll to be used at any election has since such enrolment ceased to be a commercial producer within the meaning of the Act, such person shall not be entitled to vote at any election held subsequently to his ceasing to be a commercial producer as aforesaid merely because his name appears as an elector on the said electoral roll, and in any such case the Returning Officer, upon it coming to his knowledge that the person is no longer a commercial producer shall cause his name to be struck off such roll.

24. The Returning Officer shall retain all ballot papers and statements received by him in connection with any election held under these regulations until the expiration of three months after the declaration of the result of such election, and may then cause the same to be destroyed.

25. Any person who, not being entitled to be enrolled as an elector for the purpose of an election held under the Act and these regulations, makes a claim to be enrolled, and any person who makes any statement which is to his knowledge false in any application for enrolment, or in any statement accompanying a ballot paper verifying the voter's right to vote, shall be guilty of an offence against these regulations and shall be liable to a penalty not exceeding twenty pounds.

26. Subject to subsection (2) of section 8 of the Act, all costs, charges, and expenses as incurred by the Returning Officer in connection with the publication of notices, the receipt of nominations of candidates for election, preparation of electoral rolls, and the conduct of elections, including any fee that may be allowed, or in connection with any other matters incidental thereto and as certified in writing by the Returning Officer under his hand, and communicated by the Returning Officer to the Board, shall be borne and paid by the Board or reimbursed to the Returning Officer by the Board out of moneys from time to time in its hands: Provided that the Board may at its own expense have the accounts of the Returning Officer audited by the Auditor General, whose decision thereon shall be final as between the parties concerned.
