No. 21 of 1948.

Between The Metropolitan Wine & Spirit Warehouse Employees' Industrial Union of Workers, W.A., Applicant, and Burns, Philp & Co. Ltd., Penfolds Wines Limited and others, as per Schedule of Respondents shown in clause 1, Respondents.

WHEREAS an industrial dispute existed between the abovenamed parties, and whereas the said dispute was referred into Court for the purpose of hearing and determination, and whereas the parties subsequently met and conferred and have arrived at agreement on all matters in difference, and whereas the parties have this day appeared before the Court by their respective representatives and requested the Court to make the said Agreement an Award of the Court: Now, therefore, the Court, pursuant to section 65 of the Industrial Arbitration Act, 1912-1941, and all other powers therein enabling it, hereby declares the memorandum hereunder written to have the same effect as and be deemed an Award of the Court.

## Memorandum of Agreement.

(Note.—Wherever the word "Award" occurs herein, it shall be taken to mean and include "Agreement.")

## 1.—Area and Scope.

This Agreement shall be limited in its effect to the area comprised within a radius of fifteen (15) miles from the G.P.O., Perth, and shall apply to workers following the vocations set out in clause (19) Wages, in the industries carried on by the following respondents:—

Burns, Philp & Co. Ltd.; Connabeer & Co., R.; Distillers Agency Ltd.; Ferguson, C. W.; Gramp & Sons Ltd., G.; Holmes & Co. Ltd., R.; Noonan Ltd., J.; Penfolds Wines Ltd.; Samson & Son, Lionel; Seppelt & Sons Ltd., B.; Seward & Co., J. M.; Smith & Son Ltd., S.; Tate & Son Pty. Ltd., A.

## 2.—Term.

This Agreement shall operate for a period of one (1) year from its date.

## 3.—Hours.

Forty (40) hours shall constitute a week's work to be worked between the hours of 7.30 a.m. and 5.30 p.m., Monday to Friday inclusive: Provided that the actual times at which work is commenced or finished shall be mutually agreed upon and arranged between the employer and his workers.

## 4.—Overtime.

(a) All time worked outside the normal hours from Monday to Friday inclusive or on Saturday shall be paid for at the rate of time and a half for the first four (4) hours and double time thereafter.

(b) All time worked on the holidays prescribed in clause 6 hereof shall be paid for at the rate of double time.

(c) No worker shall be required to work on a Sunday.

(d) In the computation of overtime each day shall stand by itself.

(e) Notwithstanding anything contained in this Agreement—

(i) An employer may require any worker to work reasonable overtime at overtime rates and such worker shall work overtime in accordance with such requirement.

(ii) No organisation, party to this Agreement, or worker or workers covered by this Agreement, shall in any way, whether directly or indirectly, be a party to or concerned in any ban, limitation, or restriction upon the working of overtime in accordance with the requirements of this subclause.

(iii) This subclause shall remain in operation only until otherwise determined by the Court.

## 5.—Meal Money.

When a worker without being notified on the previous day is required to continue working after the usual knock-off time for more than one (1) hour he shall be provided with any meal required or shall be paid the sum of two shillings (2s.) in lieu thereof. Provided that this clause shall not apply in the case of a worker living in the same locality as his place of employment who can reasonably return home for a meal.

## 6.—Holidays.

(a) The following days, or the days observed in lieu thereof, shall, subject to clause 4 hereof, be allowed as holidays without deduction of pay, namely:—New Year's Day, Anniversary Day, Good Friday, Easter Saturday, Easter Monday, Anzac Day, Labour Day, Foundation Day, Christmas Day, Boxing Day, and Union Picnic Day: Provided that picnic day shall be held on the second Monday of September in each year.

(b) On any public holiday not prescribed as a holiday under this Agreement the employer's establishment or place of business may be closed, in which case a worker need not present himself for duty and payment may be deducted, but if work be done, ordinary rates of pay shall apply.

## 7.—Annual Leave.

(a) Except as hereinafter provided, a period of two consecutive weeks' leave with payment of ordinary wages as prescribed shall be allowed annually to a worker by his employer after a period of twelve months' continuous service with such employer.

(b) If any prescribed holiday falls within a worker's period of annual leave and is observed on a day which in the case of that worker would have been an ordinary working day, there shall be added to that period one day being an ordinary working day for each such holiday observed as aforesaid.

(c) If after one month's continuous service in any qualifying twelve-monthly period a worker lawfully leaves his employment, or his employment is terminated by the employer through no fault of the worker, the worker shall be paid one-sixth of a week's pay at his ordinary rate of wage in respect of each completed month of continuous service.

(d) Any time in respect of which a worker is absent from work, except time for which he is entitled to claim sick pay or time spent on holidays or annual

leave as prescribed by this Agreement, shall not count for the purpose of determining his right to annual leave.

(e) In the event of a worker being employed by an employer for portion only of a year, he shall only be entitled, subject to subclause (c) of this clause, to such leave on full pay as is proportionate to his length of service during that period with such employer, and if such leave is not equal to the leave given to the other workers he shall not be entitled to work or pay whilst the other workers of such employer are on leave on full pay.

(f) A worker who is dismissed for misconduct or who illegally severs his contract of service shall not be entitled to the benefit of the provisions of this clause.

(g) The provisions of this clause shall not apply to casual workers.

## 8.—Higher Duties.

Any worker carrying out work classified at a higher minimum than his usual rate shall be paid whilst so engaged on such work at the higher rate prescribed therefor.

## 9.—Under-rate Workers.

(a) Any worker who by reason of old age or infirmity is unable to earn the minimum wage may be paid such lesser wage as may from time to time be agreed upon in writing between the Union and the employer.

(b) In the event of no agreement being arrived at, the matter may be referred to the Board of Reference for determination.

(c) After application has been made to the Board, and pending the Board's decision, the worker shall be entitled to work for and be employed at the proposed lesser rate.

## 10.—Record.

(a) Each employer shall keep or cause to be kept a time and wages record wherein shall be entered:—

(i) The name of each worker.

(ii) The nature of his employment.

(iii) The time he commences and finishes work each day.

(iv) The total hours worked each day and each week.

(v) The wages (and overtime if any) received therefor.

(vi) The ages of junior workers.

(b) Any system of automatic recording by means of machines shall be deemed a compliance with this clause to the extent of the information recorded.

(c) Such record shall be entered up each day in legible English characters and shall be signed weekly only if correct by each worker.

(d) The record shall be open for inspection by a duly accredited official of the Union at the employer's office during ordinary office hours.

## 11.—Contract of Service.

(a) The contract of hiring of every worker other than a casual worker shall be deemed to be a contract of hiring by the week. Provided that no termination of the contract of service shall become effective until at least one week's definite notice in writing to that effect has been given to or received by the worker or the employer concerned.

(b) Nothing in this clause shall deprive the right to the employer to summarily dismiss a worker for misconduct.

## 12.—Young and Female Workers.

No male person under the age of seventeen years nor any female person shall be employed in any cellar or room in which wines or spirits are drawn, broken down, or bottled.

## 13.—Proportion of Male Junior Workers.

Junior workers seventeen years of age and under twenty-one years of age shall be allowed in the proportion of one (1) junior worker to every four (4) or fraction of four (4) adult workers employed.

## 14.—Absence Through Sickness.

(a) A worker other than a casual hand shall be entitled to payment for non-attendance on the ground of personal ill-health for one-twelfth (1/12th) of a week for each completed month of service: Provided that payment for absence through such ill-health shall be limited to one week in each calendar year. Payment hereunder may be adjusted at the end of each calendar year, or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

(b) A worker shall not be entitled to receive any wages from his employer for any time lost through the result of an accident not arising out of or in the course of his employment or for any accident, whereover sustained, arising out of his own wilful default or for sickness arising out of his own wilful default.

(c) No worker shall be entitled to the benefits of this clause unless he produces proof satisfactory to his employer of sickness, but the employer shall not be entitled to a medical certificate unless the absence is for three (3) days or more.

## 15.—Junior Workers' Certificate.

(a) Junior workers, upon being engaged, shall, if required, furnish the employer with a certificate containing the following particulars:—

(1) Name in full.

(2) Age and date of birth.

(b) No worker shall have any claim upon an employer for additional pay in the event of the age of the worker being wrongly stated on the certificate. If any junior worker shall wilfully misstate his age in the above certificate, he alone shall be guilty of a breach of this Agreement.

## 16.—Breakdowns, Etc.

The employer shall be entitled to deduct payment for any day or portion of a day upon which the worker cannot be usefully employed because of any strike by the Union or Unions affiliated with it, or by any other Association or Union, or through the breakdown of the employer's machinery, or any stoppage of work by any cause which the employer cannot reasonably prevent.

Between Australian Workers' Union, Westralian Branch, Industrial Union of Workers, Applicant, and Swan Portland Cement Ltd., Respondent.

WHEREAS an industrial dispute existed between the abovesaid parties, and whereas the said dispute was referred into Court for the purpose of hearing and determination, and whereas the parties subsequently met and conferred and have arrived at agreement on all matters in difference, and whereas the parties have this day appeared before the Court by their respective representatives and requested the Court to make the said Agreement an Award of the Court: Now, therefore, the Court, pursuant to section 65 of the Industrial Arbitration Act, 1912-1941, and all other powers therein enabling it, hereby declares the memorandum hereunder written to have the same effect as and be deemed an Award of the Court.

## Memorandum of Agreement.

(Note.—Wherever the word "Award" occurs here in, it shall be taken to mean and include "Agreement.")

## 1.—Area.

This Agreement shall have effect over the area comprised within a radius of fifteen (15) miles from the G.P.O., Perth.

## 2.—Scope.

This Agreement shall apply to all workers employed in the manufacture of cement provided that it shall not apply to workers who are at present covered by any other Award of the Court of Arbitration of Western Australia or by any other Agreement registered in accordance with the Industrial Arbitration Act, 1912-1941.

## 3.—Term.

This Agreement shall operate for a period of twelve (12) months from its date.

## 4.—Hours.

(a) For shift workers on continuous process the ordinary working hours shall not exceed one hundred and twenty (120) in twenty-one (21) consecutive days.

(b) Forty (40) hours shall constitute a week's work for ordinary day workers, to be worked eight (8) hours daily, from Monday to Friday inclusive.

(c) Crib time for shift workers shall be taken in relays at such time as not to cause a stoppage of work and no deduction shall be made therefor from the worker's wages.

## 5.—Overtime and Holiday Rates.

(a) Overtime shall be paid for at the rate of time and a half for the first two (2) hours and double time thereafter.

(b) Time and a half shall mean one half day's wages in addition to the prescribed minimum rates, or pro rata, if there is more or less than a day.

(c) All work done on Sundays by day workers shall be paid for at the rate of double time and by shift workers at the rate of time and a half. All work performed on the holidays prescribed by clause 7 (a) hereof shall be paid for at the rate of double time.

(d) Work done in the meal hour, or any portion thereof, shall be paid for at the rate of double time, but this shall not apply to cases involving completion of work commenced before the lunch hour and not occupying more than fifteen (15) minutes from the commencement of the lunch hour, in which case the lunch hour shall be extended by fifteen (15) minutes beyond the ordinary time. This subclause shall not apply to shift workers who are provided for under clause 4 (c).

(e) Double time shall mean one day's wages, in addition to the prescribed minimum rate, or pro rata, if there is more or less than a day.

(f) Nothing in this Agreement shall entitle a worker working any overtime, either on week days, Sundays or holidays to more than twice the ordinary rate of pay.

(g) Notwithstanding anything contained in this Agreement—

(i) An employer may require any worker to work reasonable overtime at overtime rates and such worker shall work overtime in accordance with such requirement.

(ii) No organisation, party to this Agreement or worker or workers covered by this Agreement, shall in any way, whether directly or indirectly, be a party to or concerned in any ban, limitation, or restriction upon the working of overtime in accordance with the requirements of this subclause.

(iii) This subclause shall remain in operation only until otherwise determined by the Court.

## 6.—Meal Money.

When a worker, without being notified on the previous day, is required to continue working after the usual knock-off time for more than one (1) hour, he shall be provided with any meal required or shall be paid the sum of two shillings (2s.) in lieu thereof.

## 7.—Holidays and Annual Leave.

(a) The following days or the days observed in lieu, shall, subject to clause 5, be allowed as holidays without deduction of pay, namely, New Year's Day, Australia Day (26th January), Good Friday, Easter Monday, Anzac Day, Labour Day, State Foundation Day, Christmas Day and Boxing Day.

(b) On any public holiday not prescribed as a holiday under this Agreement the employer's establishment or place of business may be closed, in which case a worker need not present himself for duty and payment may be deducted but if work be done ordinary rates of pay shall apply.

(c) Except as hereinafter provided a period of two consecutive weeks' leave with payment of ordinary wages as prescribed shall be allowed annually to a worker by his employer after a period of 12 months' continuous service with such employer.

(d) If any prescribed holiday falls within a worker's period of annual leave and is observed on a day which in the case of that worker would have been an ordinary working day there shall be added to that period one day being an ordinary working day for each such holiday observed as aforesaid.

(e) If after one month's continuous service in any qualifying 12-monthly period a worker lawfully leaves his employment, or his employment is terminated by the employer through no fault of the worker, the worker shall be paid one-sixth of a week's pay at his ordinary rate of wage in respect of each completed month of continuous service.

(f) Any time in respect of which a worker is absent from work except time for which he is entitled to claim sick pay or time spent on holidays or annual leave as prescribed by this Agreement shall not count for the purpose of determining his right to annual leave.

(g) In the event of a worker being employed by an employer for portion only of a year, he shall only be entitled, subject to subclause (e) of this clause, to such leave on full pay as is proportionate to his length of service during that period with such employer, and if such leave is not equal to the leave given to the other workers he shall not be entitled to work or pay whilst the other workers of such employer are on leave on full pay.

(h) A worker who is dismissed for misconduct or who illegally severs his contract of service shall not be entitled to the benefit of the provisions of this clause.

(i) The provisions of this clause shall not apply to casual workers.

## 8.—Soft Clay.

(a) Workers engaged in removing soft wet clay shall be paid at the rate of time and a quarter whilst so working.

(b) Any dispute as to whether clay is soft wet clay shall be decided by the management and a duly authorised official of the Union. Failing agreement the matter may be referred to the Board of Reference for determination.

## 9.—Raincoats.

Raincoats shall be supplied to men working outside: Provided, however, that if a second raincoat is required by any worker within two (2) years from the issue of the first, such worker must show that the necessity for the second raincoat is not due to any negligence on his part.

## 10.—Accommodation.

(a) The employer shall provide all necessary sanitary accommodation, change rooms, bathrooms, and dining rooms, and shall keep same in a clean condition.

(b) The employer shall provide a sufficient supply of boiling water at meal times, and, so far as practicable, cool drinking water shall be made available.

## 15.—Mixed Functions.

Workers called upon to temporarily work at a higher grade shall be paid the rates for such higher grade for the actual time so employed.

## 16.—Hiring.

For the sake of convenience, the rates of pay are set out on a weekly basis, but this Agreement doth hereby declare that—

(a) Except in the case of casual workers, one day's notice on either side shall be deemed to be sufficient notice of termination of the contract of service.

(b) This clause shall not affect the right to dismiss for misconduct and in such cases wages shall be paid up to the time of dismissal only.

#### 17.—Breakdowns, etc.

The employer shall be entitled to deduct payment for any day or portion of a day upon which the worker cannot be usefully employed because of any strike by the union or unions affiliated with it, or by any other association or union, or through the breakdown of the employer's machinery, or any stoppage of work from any cause which the employer cannot reasonably prevent.

#### 18.—Casual Workers.

(a) Any worker who, by reason of old age or infirmity, is unable to earn the minimum wage may be employed at such lesser wage as may be agreed upon in writing between the employer and the Union.

(b) In the event of no agreement being arrived at, the matter may be referred to the Board of Reference for determination.

(c) After application has been made to the board and pending the board's decision the worker shall be entitled to work for and be employed at the proposed lesser rate.

#### 20.—Absence through Sickness.

(a) A worker shall be entitled to payment for non-attendance, on the ground of personal ill-health for one-twelfth (1/12th) of a week for each completed month of service: Provided that payment for absence through such ill-health shall be limited to one week in each calendar year. Payment hereunder may be adjusted at the end of each calendar year or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

(b) A worker shall not be entitled to receive any wages from his employer for any time lost through the result of an accident not arising out of or in the course of his employment or for any accident, wherever sustained, arising out of his own wilful default or for sickness arising out of his own wilful default.

(c) No worker shall be entitled to the benefits of this clause unless he produces proof satisfactory to his employer of sickness, but the employer shall not be entitled to a medical certificate unless the absence is for three (3) days or more.

#### 21.—Board of Reference.

The Court may appoint for the purpose of this Agreement a Board of Reference. Such board shall consist of a chairman and two other representatives, one to be nominated by each of the parties as prescribed by regulations.

#### Memorandum of Agreement.

(Note: Wherever the word "Award" occurs herein, it shall be taken to mean and include "Agreement.")

## 1.—Term.

## 3.—Hiring.

(a) A week's notice of intention to terminate the employment shall be given on either side, except in the case of casual workers.

(b) The employer shall be under no obligation to pay for any day not worked upon which the worker is required to present himself for duty, except such absence from work is due to illness and comes within the provisions of clause 10, or such absence is on account of holidays to which the worker is entitled under the provisions of the Award.

(c) This clause does not affect the right to dismiss for misconduct, and in such case wages shall be paid up to the time of dismissal only.

(d) The employer shall be entitled to deduct payment for any day or portion of a day upon which the worker cannot be usefully employed because of any strike by the union or unions affiliated with it, or by any other association or union, or through the breakdown of the employer's machinery, or any stoppage of work by any cause which the employer cannot reasonably prevent.

## 4.—Employment.

(a) Subject to the provisos contained hereunder, preference of employment in the industry to which this Award relates shall be given to members of The West Australian Plumbers and Sheet Metal Workers' Industrial Union of Workers, Perth, or to members of any other registered industrial union which is a party to an award or industrial agreement in the gold mining industry or to persons who give the employer an undertaking in writing to make application to join any such registered union, within one month of accepting employment.

Provided that:—

(i) There are members of the relevant union or intending members applying as aforesaid, equally qualified with other workers offering their services to perform the particular work to be done and ready and willing to undertake the same; and

(ii) The rules of such union shall permit any worker of good character with the requisite qualifications (if any) coming within the scope of this Agreement to become a member of the union upon payment of the subscription and/or entrance fee prescribed by the registered rules.

(b) Where a worker, not having been a member of the relevant union at the time of his engagement, applies for membership of the union within one month of his engagement it shall be deemed that no question of preference has arisen.

(c) If during the continuance of this Agreement anything in the nature of a strike occurs in the industry hereby regulated, or if there is any restriction in output by the workers or any section thereof acting in concert, the benefit of this clause shall thereupon cease and determine insofar as the particular union or unions involved is, or are, concerned.

For further assurance, and without modification of or prejudice to the foregoing provisions of this sub-clause, the employer may at any time apply to the Court, upon giving seven (7) days' notice to the union, for a declaration hereunder and the consequential cancellation of this clause, and the Court, upon cause being shown, shall make a declaration and order accordingly appropriate to the particular case.

#### 9.—Annual Leave and Holidays.

(a) Each worker shall be entitled to three (3) weeks' annual leave on full pay, or, should the period of continuous employment be less than one year, the worker shall be paid holiday pay in proportion as his length of service is to the full year's employment. Annual leave shall be taken at a time suitable to the convenience of the employer; provided that, where a worker is dismissed for wilful misconduct he will not be entitled to the benefits of this clause. (e) Any worker who has taken part in a strike (including a slow strike) or a general or sectional stoppage of work unauthorised by the employer during the period of service in respect of which the above-mentioned annual holidays are granted, shall forfeit one day of such annual holidays for every day or part of a day during which he takes part in a strike or in such unauthorised stoppage of work.

(f) Any time in respect of which a worker is absent from work, except time for which he is entitled to claim sick pay under the provisions of clause 10 hereof, shall not count for the purpose of determining his right to holidays.

#### 10.—Payment for Sickness.

(a) A worker shall be entitled to payment for non-attendance on the ground of personal ill-health for one-twelfth (1/12th) of a week's pay at the Award rate for each completed month of service. Provided that payment for absence through such ill-health shall be limited to one week's pay in each calendar year. Payment hereunder may be adjusted at the end of each calendar year, or at the time the worker leaves the service of

the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

(b) A worker shall not be entitled to receive any wages from his employer for any time lost through the result of an accident not arising out of or in the course of his employment or for any accident, wherever sustained, arising out of his own wilful default, or for sickness arising out of his own wilful default.

(c) No worker shall be entitled to the benefits of this clause unless he produces proof satisfactory to his employer of sickness, but the employer shall not be entitled to a medical certificate unless the absence is for three days or more.

(d) Any time in respect of which a worker is absent from work except time for which he is entitled to claim sick pay under the preceding provision shall not count for the purpose of determining his right to holidays.

#### 11.—Payment of Wages.

Pay day shall be in accordance with section 55 of the Mines Regulation Act. Any worker leaving or being discharged shall be paid the full amount of wages due to him within one hour of ceasing work, or within one hour of the opening of the office, if such office was closed at the time of his ceasing work, whenever same is practicable.

#### 12.—Representative Interviewing Workers.

In the case of a disagreement existing or anticipated concerning any of the provisions of this Agreement, an accredited representative of the Union shall be permitted to interview the workers during the recognised meal hour, on the business premises of the employer, but this permission shall not be exercised, without the consent of the employer more than once in any one week.

#### 14.—Special Rates and Provisions.

(a) Tool Lock-up: The employer shall, where practicable, provide a place on each job for the safe keeping of the workers' tools when not in use.

(b) Change Room: The employer shall provide on each job a proper change room where the worker may change his clothes, and such place shall not be used for any other purpose.

(c) Wet Work: While working in any place where water is continually dripping so that the worker's clothing becomes wet with soakage, or where there is water under foot so that the worker's feet become wet, the worker shall be paid ten per cent. (10%) in addition to the prescribed rate. This subclause shall not apply to natural surface, made wet by rain.

(d) Excessively Dirty Work: Workers who do excessively dirty work shall be paid threepence (3d.) per hour, with a minimum payment for four (4) hours when excessively dirty work is carried out. For the purpose of this paragraph "excessively dirty work" is defined to mean the work which is likely to render the worker or his clothes dirtier than the normal run of work, and in the event of any dispute arising under this clause the same will be referred to the Board of Reference to be constituted under this Agreement.

#### 15.—Posting Awards and Union Notices.

No employer shall prevent an official of the worker's union from posting a copy of this Agreement or any union notice, not exceeding fourteen (14) inches by nine (9) inches in a suitable place on any job.

#### 16.—Piecework.

(a) Subject to the minimum wage rates and other conditions herein prescribed, an employer may remunerate any of his workers under any system of payment by results.

(b) The Union may, during the currency of the Agreement, apply to the Court for the correction or regulation of any piecework rate, time bonus rate, task rate or any other system of payment by results.

#### 17.—Board of Reference.

(a) The Court appoints, for the purposes of the Agreement a Board of Reference for each mine. Each Board shall consist of a chairman, who shall be a person selected by the representative of the parties, if such may be agreed upon, or, failing such agreement, the Warden or Resident Magistrate, if agreeable and willing to act, and, if not, a Government Inspector of Mines and two (2) other representatives, one to be the manager of the mine in which the difference or dispute arises, or his nominee, representing the employer, and the other a representative of the Union appointed for such purpose by the Union, which may at any time by notification to the employer and the Registrar change such representative.

(b) There shall be assigned to such Board the functions of:—

(i) Deciding matters specifically referred to in the Agreement as being the subject matter of a decision of the Board;

(ii) adjusting any matters of difference which may arise between the parties from time to time, except such as involve interpretations of the provisions of the Agreement or any of them;

(c) The term "manager" includes the person acting as such for the time being.

#### 18.—Apprentices.

(a) The provisions of Schedule 1 attached hereto, marked "Apprenticeship Regulations" subject to any modifications or alterations contained in this clause, are hereby embodied in and form part of this Agreement.

(c) If the apprentice be employed on a mine and the mine ceases any operations in which the apprentice is engaged, the apprenticeship may be terminated, in which case the apprentice shall be given a certificate to show the time he has served, and the employer shall endeavour to find him another employer willing to complete the term. Should the apprentice desire to complete his apprenticeship with another employer, the certificate he has received from the former employer shall be prima facie evidence of the wages he is entitled to receive and the period necessary to complete his apprenticeship.

(d) If the apprentice shall at any time during the said term be wilfully disobedient to the lawful orders of the employer, his managers, foreman, or other servants having authority over the apprentice, or be slothful or negligent or dishonest, or shall otherwise grossly misbehave himself, or shall not conduct himself as a good and faithful apprentice should do, or should not faithfully observe and keep his part of his agreement, then it shall be lawful for the employer, with the consent of the Court to discharge the apprentice from his service.

(e) The Court may in its discretion for any cause which it may deem sufficient, on the application of any party to an apprenticeship agreement, abrogate or cancel the agreement, either unconditionally or subject to such terms and conditions as it may deem advisable.

(f) Apprentices shall be allowed to the following:—  
Plumbing.

#### 19.—Under-rate Workers.

(1) Any worker who by reason of old age or infirmity is unable to earn the minimum wage, may be paid at a lesser wage as may from time to time be agreed upon in writing between the Union and the employer, or failing such agreement within twenty-four hours after such worker shall have applied in writing to the secretary of the Union stating his desire that such wage should be fixed.

(2) In the event of no agreement being arrived at, the matter may be referred to the Board of Reference for determination.

(3) After application has been made to the Board, and pending the Board's decision, the worker shall be entitled to work for and be employed at the proposed lesser rate.

#### 20.—Definitions.

Notwithstanding any of the provisions herein contained the wages schedule of Award No. 24/1937 (as amended by Order No. 182/1940) shall continue in operation until a further order of the Court.

(1) Every apprentice shall be employed on probation for a period of three months to determine his fitness or otherwise for apprenticeship, and shall work only for such hours per day and for such remuneration as may be prescribed by the Award. In the event of his becoming an apprentice such probationary period shall be counted as part of the term of apprenticeship.

(2) The Court may in any case where it seems expedient to do so, order that the probationary period of employment be extended for a further period not exceeding three months.

4. (a) Any employer taking an apprentice on probation shall within 14 days thereafter register such probationer by giving notice thereof to the Registrar in the prescribed form. (b) At the end of the period of probation of each apprentice, if mutually agreed upon by the employer and the legal guardian of the boy, but not otherwise, he may become an apprentice under an agreement.

5. The employer of every apprentice shall keep him constantly at work and teach such apprentice or cause him to be taught the industry, craft, occupation, or calling in relation to which he is bound apprentice, by competent instruction in a gradual and complete manner, and shall give such apprentice a reasonable opportunity to learn the same, and receive, during the period of his apprenticeship, such technical, trade, and general instruction and training as may be necessary. (iii) The Board shall be invested with the following powers and functions in addition and without prejudice to those mentioned in (i):—

- (b) to draw up syllabi of training and to arrange for the periodical examination of apprentices;

(v) The decision of the Board shall be the decision of the majority of the members and shall be signed by the chairman and forwarded to the Registrar.

(vi) Either party, with the consent of the Court, may at any time alter its representative.

8. (a) No employer shall refuse employment to any person, or dismiss any worker from his employment, or injure him in his employment or alter his position to his prejudice, by reason merely of the fact that the worker is a member of the Board, or by reason merely of anything said or done or omitted to be done by any such person or worker in the course of his duty as such member.

(b) In any proceeding for any contravention of this subclause it shall lie upon the employer to show that any person proved to have been refused employment, or any worker proved to have been dismissed or injured in his employment or prejudiced whilst acting as such member was refused employment or dismissed or injured in his employment or prejudiced for some reason other than that mentioned in this subclause.

#### Agreement of Apprenticeship.

9. (a) All agreements of apprenticeship shall be drawn up on a form approved by the Court, and signed by the employer, the legal guardian of the apprentice, the apprentice, and the Registrar. No employer, guardian, or apprentice shall enter into any agreement or undertaking purporting to add to, vary, alter or amend any such agreement without the approval of the Court.

(b) There shall be three copies of each agreement, of which one copy shall be held by the employer, one shall be held by the legal guardian of the apprentice, and one copy shall be retained by the Registrar.

(c) The apprenticeship agreement shall be completed within one month of the termination of the probationary period.

(d) Every agreement of apprenticeship shall be subject to the provisions of the Award in force for the time being applicable to apprenticeship in the industry.

10. Every agreement entered into by the employer and the legal guardian of the apprentice shall be for a period of five years, or such other period as may be prescribed by the Award, but this period may be reduced in special circumstances with the approval of the Court.

11. Every agreement of apprenticeship entered into shall contain—

(a) The names and addresses of the parties to the agreement.

(b) The date of birth of the apprentice.

(c) A description of the industry, craft, occupation or calling or combination thereof to which the apprentice is to be bound.

(d) The date at which the apprenticeship is to commence and the period of apprenticeship.

(e) A condition requiring the apprentice to obey all reasonable directions of the employer and requiring the employer and apprentice to comply with the terms of the industrial Award so far as they concern the apprentice.

(f) A condition that technical instruction of the apprentice, when available, shall be at the employer's expense, and shall be in the employer's time, except in places where such instruction is given after the ordinary working hours.

- (g) A condition that in the event of any apprentice, in the opinion of the examiners, not progressing satisfactorily, increased time for technical instruction shall be allowed at the employer's expense to enable such apprentice to reach the necessary standard.
- (h) The general conditions of apprenticeship.

#### Transfer of Apprentices.

12. (a) The Court shall have power to transfer an apprentice from (a) one employer to another and/or (b) from one trade to another, either temporarily or permanently—

- (i) if the employer does not provide the necessary facilities for the apprentice to become proficient in his trade; or

- (ii) upon the application of the employer or the apprentice for good cause shown.

(b) The transfer of every agreement shall be made out in quadruplicate and shall, unless the Court otherwise directs, be signed by the late employer or his assigns, the legal guardian of the apprentice, the apprentice, the Registrar, and the new employer. The transfer form shall be completed within two months of the date on which the transfer is effected.

(c) One copy of the transfer agreement shall be held by the late employer, one shall be held by the new employer, one shall be held by the legal guardian of the apprentice, and one shall be retained by the Registrar.

13. Should an employer at any time before the determination of the period of apprenticeship desire to dispense with the service of the apprentice he may with the consent of the apprentice and guardian transfer him to another employer carrying on business within a reasonable distance of the original employer's place of business, willing to continue to teach the apprentice and pay the rate of wages prescribed by the Court in its Award or otherwise according to the total length of time served, and generally to perform the obligations of the original employer.

14. On the transfer or termination of any apprenticeship, from whatever cause, the employer shall give the apprentice a statement in writing setting forth the time he has served, full particulars of the branches of the trade or industry in which he has received instruction and the proficiency attained (see Form B hereof); and he shall also notify the Registrar stating the cause of such transfer or termination. On any such transfer the original employer shall be relieved from all obligations under the contract.

15. In the event of an employer being unable to provide work for the apprentice or to mutually agree with the legal guardian of the apprentice to cancel the agreement or to arrange a transfer, application may be made to the Court to arrange for such transfer or to have such agreement cancelled.

16. Where a person is apprenticed to partners his agreement of apprenticeship shall upon the retirement or death of any partner be deemed to be assigned to the continuing partner or partners.

#### Cancellation of Agreement.

17. Every agreement shall include a provision that it may be cancelled, by mutual consent, by the employer and the legal guardian of the apprentice giving one month's notice in writing to the Court and to the parties concerned that such apprenticeship shall be terminated.

18. If the apprentice shall at any time be wilfully disobedient to the lawful orders of the employer, his managers, foremen or other servants having authority over the apprentice, or be slothful, negligent, or dishonest, or shall otherwise grossly misbehave himself, or shall not conduct himself as a good and faithful apprentice should do, or shall not faithfully observe and keep his part of his agreement, then it shall be lawful for the employer, with the consent of the Court, to discharge the apprentice from his service.

19. The Court may in its discretion for any cause which it may deem sufficient on the application of any party to an apprenticeship agreement vary or cancel the agreement, either unconditionally or subject to such terms and conditions as it may deem advisable.

20. No apprentice employed under a registered agreement shall be discharged by the employer for alleged misconduct until the registration of the agreement of apprenticeship has been cancelled by order of the Court on the application of the employer.

Provided, however, that an apprentice may be suspended for misconduct by the employer, but in any such case the employer shall forthwith make an application for cancellation of the agreement of apprenticeship, and in the event of the Court refusing same the wages of the apprentice or such portion thereof, if any, as the Court may order shall be paid as from the date of such suspension, and, in the event of the application for cancellation being granted, such order may take effect from the date when the apprentice was suspended.

21. Subject to the provisions of the Acts relating to Bankruptcy and Insolvency and the Winding-up of Companies, the following provisions shall apply:

- (a) The Trustees or Liquidator, as the case may be, may give written notice to the apprentice and his parent or guardian of his intention to discontinue the employment of the apprentice from a date to be named in such notice, and thereupon the agreement shall be deemed to be terminated from the said date.

- (b) Neither the apprentice, his parent or guardian, shall have any right of action against the employer unless the Court specifically authorises the same after consideration of the circumstances, and in any event, any proceedings for damages hereunder authorised by the Court must be commenced within six weeks after the service on the apprentice of the notice referred to in subclause (a) hereof, otherwise any claim for damages shall be deemed to be waived and forfeited.

- (c) If the contract of apprenticeship is transferred on the bankruptcy or insolvency of the employer, to another employer, the apprentice named in such contract shall not be counted in calculating the proportion of apprentices to other labour.

#### Extension of Term.

22. Subject to regulation 38, time lost by the apprentice through sickness or any other cause whatsoever may, with the consent of the Court on the application of any party, be added to the original term in the apprenticeship agreement at the end of the year of service in which the time has been lost or at the termination of the apprenticeship period.

23. The term of apprenticeship may be extended by the Court on the failure of an apprentice to pass two successive periodical examinations, either by ordering a continuation of any particular year of the apprenticeship, in which case the next year of service shall not commence until after the expiration of the extended period, or by adding the period of extension to the last year of service. It shall be the duty of the examiners to make any recommendation they see fit to the Court for the purpose of such extension. Any extension of the term of apprenticeship shall be subject to all the conditions and stipulations in the original agreement, except as to rates of wages, which shall be such amount as the Court may determine. (See also regulations 34 and 35.)

#### Technical Education Classes.

24. (a) Every apprentice shall attend regularly and punctually a Government or other approved technical school vocational classes or classes of instruction, for instruction in such subjects as are provided for his trade. This clause shall be deemed to have been complied with if the apprentice takes a course in an approved correspondence school: Provided, however, that attendances shall not be compulsory when the apprentice is resident outside a radius of 12 miles from the place where instruction is given, or in the case of illness of the apprentice the proof whereof lies on him. Provided also that if technical instruction is not available in the locality in which the apprentice is employed and is available by correspondence, at reasonable cost to be approved by the Court, the Court may prescribe such correspondence course as the technical instruction to be taken by the apprentice and paid for by the employer.

- (b) The fees for the classes attended by the apprentice shall be paid by the employer.

(e) The period during which apprentices are to attend such technical school or classes if any shall be four hours per week.

25. Any apprentice who:

- (a) fails without reasonable cause, the proof whereof lies on him, to attend any technical school or class punctually when such is available for instruction, at the time appointed for the commencement of the school or class, or leaves school or class before the time appointed for leaving, without the permission of the teacher; or
  - (b) fails to be diligent or behaves in an indecorous manner while in such school or class; or
  - (c) destroys or fails to take care of any material or equipment in such school or class
- shall be deemed to commit a breach of the Award and shall be liable for each such breach to a penalty not exceeding two pounds.

26. Where in any case it is shown to the satisfaction of the Court that any apprentice, by reason of his engagement on country work or other good cause, cannot conveniently attend a technical school or other prescribed classes, such of these regulations as relate to attendance at a technical school or other prescribed classes, and to examinations, shall not apply to such apprentice, but he shall be subject to such conditions as the Court may direct.

27. If the examiners or the industrial union or employer concerned make representations to the Court that the facilities provided by the technical school or other place of vocational training for the teaching of apprentices, are inadequate, the Court may make such investigations and make report to the Minister controlling such technical school, or such other place, as it deems necessary.

28. When an apprentice attends a technical school, vocational classes, or other class or classes of instruction during his ordinary working hours, where such is prescribed, the time so occupied shall be regarded as part of the term of his apprenticeship, and the employer shall not be entitled to make any deduction from the wages of the apprentice for such time.

#### Examinations.

29. (a) Every apprentice shall be bound to submit himself to examination at the places and times appointed by the Registrar after consultation with the examiners.

(b) Every apprentice shall, prior to submitting himself to examination, if required by the examiners, produce to the examiners a certificate that he has made at least 70 per centum of attendances at the technical school or other place of instruction, unless he is exempted from such attendance for good cause.

(c) The Registrar shall notify the examiners of the names and addresses of the apprentices required to submit themselves to examination and the attendances made by them at the technical school, should such information be in his possession.

(d) The employer shall place at the disposal of the examiners such material and machinery on his premises as may be required by them, and shall in all ways facilitate the conduct of the examination.

30. (a) The examiners shall be persons skilled in the industry and appointed by the Court. In the event of a disagreement between the examiners, the matter in dispute shall be referred to a third person agreed to by them or nominated by the Court or the President, at the request of any of the examiners, and the decision of such person shall be final and conclusive.

(b) It shall be the duty of the examiners to examine the work, require the production of the certificate of attendance, inquire into the diligence of each apprentice, and as to the opportunities provided by the employer for each apprentice to learn, and to submit a report to the Court in writing as to the result of the examination within one month from the date of holding the examination, but this period may be extended by the Court.

(c) Such examination shall, where possible, include theory and practice as applied to the trade, industry, craft, occupation, or calling to which the apprentice is indentured.

31. The Registrar shall, after each examination, issue a certificate to each apprentice indicating the results and the term of apprenticeship served.

32. Whenever it is possible so to do, the examiners, before entering upon the examination, shall draw up a syllabus showing what, in their opinion, is the stage of proficiency which an apprentice should attain at each of the examinations prescribed. The syllabus shall be subject to review by the Court at any time, and shall be kept as a record by the Registrar and a copy handed to the examiners before each examination. The said syllabus may be subject to alteration from time to time by the examiners, who shall forthwith notify the Registrar thereof.

33. In lieu of, or in addition to, examiners above referred to the Court may appoint, wholly or partly, examiners to be recommended by the Superintendent of Technical Education for the whole or any portion of the subjects of instruction.

34. On the failure of an apprentice to pass any of the examinations, the employer may, if the examiners so recommend, withhold the increase in wages accruing to the apprentice in accordance with the scale set forth in the Award, for such period as may be recommended by the examiners, but not exceeding twelve months. (See also regulation 23.)

35. Upon the failure of an apprentice to pass two consecutive examinations, it shall be the duty of the examiners to report same to the Court, with a recommendation as to the extension of the apprenticeship period, the cancellation of the apprenticeship agreement, or such other remedial measures (i.e., increased time for technical instruction) as they may deem advisable. The Court, after notice to all parties concerned, may cancel the agreement or make such other order in the circumstances as it may deem necessary. (See also regulation 23.)

36. Upon completion of the period of training prescribed or any authorised extension thereof, each apprentice shall, if he has passed the final examination to the satisfaction of the examiners, be provided with a certificate to that effect by the Registrar. This certificate shall also be signed by the examiners.

#### Lost Time.

37. The employer shall pay the apprentice for all time lost through sickness or the holidays prescribed by this Award: Provided—

- (a) payment for such sickness shall not exceed a total of two weeks in each year;
- (b) where the time lost through sickness exceeds four consecutive working days, the employer may demand from the apprentice the production of a medical certificate, and a further certificate or certificates may be required if any time is lost through sickness within seven days from the date of resumption of duty, the cost if any of such certificate or certificates not exceeding 5s. to be borne by the employer;

38. The employer shall pay the apprentice, in respect of time lost through compulsory military or naval training (but not exceeding two weeks in any year of service), the amount by which the wages prescribed by the industrial award for the trade, calling, craft, occupation, or industry exceeds the amount received by the apprentice from the Department of Defence: Provided, however, that this clause shall not apply to military or naval training imposed through failure to attend compulsory parades.

All time lost by reason of compulsory military or naval training other than the additional training mentioned in the above proviso shall count as part of the apprenticeship.

39. When an apprentice is absent from work for any cause other than sickness or in pursuance of the provisions of these regulations, the employer shall be entitled to deduct from the wages of the apprentice an amount proportionate to the time so lost.

#### Part-time Employment.

40. When an apprentice cannot be usefully employed because of a strike, the employer shall be relieved of his obligations under the apprenticeship agreement during the period of the strike.

41. Where in any case an employer is temporarily unable to provide work to employ an apprentice for his full time, application may be made by the employer to the Court for permission—

- (a) to employ the apprentice for such lesser time per week or per month and at such remuneration as the Court may determine, being not less than the proportionate amount of the rate of wages prescribed by the industrial Award or Agreement for the trade, calling, or industry; or
- (b) to suspend the contract for such period and on such terms as the Court thinks fit.

If the Court grants the application, holidays will be reduced *pro rata*.

#### Miscellaneous.

42. (1) The Registrar shall prepare and keep a roll of apprentices containing—

- (a) a record of all apprentices and probationers placed with employers;
- (b) a record of all employers with whom apprentices are placed;
- (c) a record of the progress of each apprentice, recording the result of the examiners' reports;
- (d) any other particulars the Court may direct.

(2) These records shall be open to inspection by employers and the union of workers interested upon request.

43. (1) (a) For the purpose of ascertaining the number of apprentices allowed at any time the average number of journeymen employed on all working days of the 12 months immediately preceding such time shall be deemed to be the number of journeymen employed.

(b) Where the employer is himself a journeyman regularly and usually working at the trade he shall be counted as a journeyman for the purpose of computing the number of apprentices allowed. In the case of a partnership each partner shall be deemed a journeyman for the purpose of this subclause.

(c) Where a business is in operation for less than 12 months the method of ascertaining the number shall be as agreed by the union and the employer, or if no agreement is arrived at, as determined by the Court.

(2) Notwithstanding the provisions of subclause (1) hereof the Court may in any particular case—

- (a) In special circumstances permit the taking or employment of an apprentice by an employer notwithstanding that the quota fixed by the Award may be exceeded.
- (b) Refuse the registration of an agreement of apprenticeship or the taking of an apprentice in any case when in the opinion of the Court the circumstances are such that the apprentice is not likely to receive the instruction and training necessary to qualify him as a tradesman.

44. Every industrial inspector appointed in pursuance of the provisions of the Industrial Arbitration Act, 1912-1941, shall have the power to enter any premises, make such inspection of the premises, plant, machinery, or work upon which any apprentice is employed or could be employed, interview any apprentice or employee, examine any books or documents of the business relating to the wages and conditions of apprentices, interrogate the employer in regard to any of the above-mentioned matters.

45. With a view to determining whether the number of apprentices being trained is sufficient to meet the future requirements of the industry in the matter of skilled artisans, the Registrar may require any employer to furnish him with any specified information relating to the said industry, or relating to the workers engaged therein.

46. In every application under clauses 15, 18, 19, 20, and 41 hereof, the union of workers registered may intervene and make such representations at the hearing as it may deem necessary. Similarly, in the case of an application under clause 22, the employer may intervene and, in an application under clause 23, both the employer and the union may intervene. Where such intervention is made, a representative or agent shall be appointed in the manner laid down by section 65 of the Act.
