(iii) This subclause shall remain in operation only until otherwise determined by the Court.

9.—Mixed Functions.

10.—Contract of Service.

(a) Except in the case of a casual worker, whose engagement shall be by the hour, the contract of hiring of every worker shall be a weekly contract terminable by one week's notice on either side, given on any working day.

(b) Subject to clause 13 hereof, any worker not attending for duty shall lose his pay for the actual time of such non-attendance.

(c) This clause does not affect the right to dismiss for misconduct, and in such case wages shall be paid up to the time of dismissal only.

11.—Holidays.

(a) The following days, or the days observed in lieu, shall be allowed as holidays without deduction of pay, namely:—New Year's Day, Australia Day, Good Friday, Easter Monday, Anzac Day, Labour Day, State Foundation Day, Christmas Day and Boxing Day.

(b) All work performed on any of the foregoing days shall be paid for at the rate of double time.

(c) If after one month's continuous service in any qualifying twelve-monthly period a worker lawfully leaves his employment, or his employment is terminated by the employer, through no fault of the worker, the worker shall be paid one-sixth (1/6th) of a week's pay at his ordinary rate of wage in respect of each completed month of continuous service.

(d) Any time in respect of which a worker is absent from work, except time for which he is entitled to claim sick pay, or time spent on holidays or annual leave as prescribed by this Award shall not count for the purpose of determining his right to annual leave.

(e) In the event of a worker being employed by an employer for portion only of a year, he shall only be entitled, subject to subclause (c) of this clause, to such leave on full pay as is proportionate to his length of service during that period with such employer, and if such leave is not equal to the leave given to the other workers he shall not be entitled to work or pay whilst the other workers of such employer are on leave on full pay.

Payment hereunder may be adjusted at the end of each calendar year or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply when the worker is entitled to compensation under the Workers' Compensation Act.

(b) A worker shall not be entitled to receive any wages from his employer for any time lost through any accident wherever sustained arising out of his own wilful default or for sickness arising out of his own wilful default.

(c) No worker shall be entitled to the benefits of this clause unless he produces proof satisfactory to his employer of sickness, but the employer shall not be entitled to a medical certificate unless the absence is for three (3) days or more.

(c) No worker shall have any claim upon an employer for additional pay in the event of the age or length of service of the worker being wrongly stated on the certificate. If any worker shall wilfully mis-state his age or length of service in the above certificate, he alone shall be guilty of a breach of this Award.

(c) deciding any other matter that the Court may refer to such Board from time to time.

An appeal shall lie from any decision of such Board in the manner and subject to the conditions prescribed in the regulations to the Industrial Arbitration Act, 1912-1941, which for the purpose are embodied in this Award.

Nothing herein contained shall entitle an employer to reduce the wage of any worker who at the date of this Award was being paid a higher rate of wage than the minimum prescribed for his or her class of work.

#### 20.—Meal Interval.

No female worker or junior male worker shall be employed for a longer period than five (5) hours without a break for a meal. The time allowed for each meal required shall not be more than one (1) hour.

#### 21.—Under-rate Workers.

(a) Any worker who by reason of old age or infirmity is unable to earn the minimum wage may be paid such lesser wage as may from time to time be agreed upon in writing between the Union and the employer.

(b) In the event of no agreement being arrived at, the matter may be referred to the Board of Reference for determination.

(c) After application has been made to the Board and pending the Board's decision the worker shall be entitled to work for the employer at the proposed lesser rate.

#### 22.—Piecework.

(a) An employer may make a contract with a worker or group of workers for payment by results by piecework.

(b) A worker working under any system of payment by results shall be paid at least the time rate of pay apportioned if necessary.

(c) Where a worker works part of a week at piecework rates and part at time rates he shall be paid so much as he is entitled to receive under piecework rates for the amount of work done, and, in addition thereto, such proportionate amount at time rates as prescribed in this Award for the portion of the week worked at time rates.

(d) In the event of any dispute regarding piecework rates occurring and remaining unsettled between the employer and the workers, the employer or the Union may refer such dispute to the Board of Reference.
