IN THE COURT OF ARBITRATION OF WESTERN AUSTRALIA.

No. 82 of 1948.

Between The Western Australian Clothing and Allied Trades' Industrial Union of Workers, Perth, Applicant, and Western Knitters Pty Ltd., Sekem Products Pty. Ltd., Franklyn Hosiery Mills and South-Western Woollen and Textile Mills Ltd., Respondents.

WHEREAS an industrial dispute existed between the abovenamed parties, and whereas the said dispute was referred into Court for the purpose of hearing and determination, and whereas the parties subsequently met and conferred and have arrived at agreement on all matters in difference, and whereas the parties have this day appeared before the Court by their respective representatives and requested the Court to make the said Agreement an Award of the Court: Now, therefore, the Court, pursuant to section 65 of the Industrial Arbitration Act, 1912-1941, and all other powers therein

enabling it, hereby declares the memorandum hereunder written to have the same effect as and be deemed an Award of the Court.

Memorandum of Agreement.

(Note.—Wherever the word "Award" occurs herein, it shall be taken to mean and include "Agreement.")

1.—Scope.

This Award shall apply to the making of hosiery and all knitted garments, including knitted wool, silk or artificial silk or cotton.

2.—Hours.

(a) The ordinary working hours for all workers shall not exceed forty (40) in any one week.

(b) Such hours shall be worked by female workers between the hours of 7.30 a.m. and 6 p.m. from Monday to Friday, inclusive; and by male workers at any time during the twenty-four (24) hours of each day from Monday to Friday, inclusive.

(c) The actual times at which shift or other work is commenced and finished shall be mutually arranged and agreed upon between the employer and the worker.

(d) A notice shall be posted up in each factory setting out the starting and finishing times of shift or other work in operation for the time being in the factory or workshop.

(e) No alteration of such starting and finishing times shall be introduced until seven (7) days shall have elapsed after the Union has received notification of such alteration.

3.—Overtime and Meal Money.

(a) Any worker who is employed in excess of the hours fixed for any one day, or in excess of forty (40) hours in any one week, shall be paid overtime at the rate of time and a half.

(b) Each day shall stand alone, and a minimum overtime payment of one shilling (1s.) shall be made for each day on which overtime is worked.

(c) When a worker, without being notified on the previous day, is required to continue working after the usual knock-off time for more than one (1) hour, he shall be provided with any meal required or shall be paid one shilling and sixpence (1s. 6d.) in lieu thereof.

(d) Notwithstanding anything contained in this Award—

(i) an employer may require any worker to work reasonable overtime at overtime rates, and such worker shall work overtime in accordance with such requirement;

(ii) no organisation party to this Award, or worker or workers covered by this Award, shall in any way, whether directly or indirectly, be a party to or concerned in any ban, limitation, or restriction upon the working of overtime in accordance with the requirements of this sub-clause;

(iii) this subclause shall remain in operation only until otherwise determined by the Court.

4.—Suspension of Work.

One day's notice shall be given of suspension of work, or that a worker (which term includes an apprentice) will not be wanted to attend at the factory or workshop, and the employer shall be liable only for payment of wages up to the time of the expiration of such notice.

If at any time work is suspended or a worker is told that he will not be wanted to attend at the factory or workshop, without such one day's notice having been given, a worker shall nevertheless be entitled to one day's pay, or to payment for such lesser time as work may be suspended or the worker is not wanted to attend at the factory or workshop respectively, unless the suspension of work arises from some cause beyond the employer's control, in which case, and subject to the provisions of clause 18 hereof, the employer shall not be liable to pay any worker for the time during which work is so suspended.

A worker shall give similar notice to his employer when he desires to be absent from work, except in the case of sickness or emergency beyond his control.

Provided that, if an apprentice is put on broken time under this clause, the apprentice shall receive his six-monthly increases in wages in the same manner as would

be the case if he had worked full time, and he shall have the period of service allowed in full: Provided that he passes the periodical examinations to the satisfaction of the examiners.

In the event of the worker's services being terminated whilst suspended from work under this clause, the provisions of clause 13 shall apply, and the worker shall either receive or give the necessary notice or pay in lieu as therein provided.

The worker in such case shall also be paid for any holidays to which he is entitled under the provisions of clause 16 hereof.

#### 5.—Outdoor Work.

All work shall be done in the workshop provided and controlled by the employer, except as hereinafter provided:—

(1) Should an employer desire to employ, or a worker desire to be employed outside the factory, he or she may, for such purpose, make application to the Chief Inspector of Factories for a permit.

(2) On receipt of any such application, the Chief Inspector of Factories shall send a copy thereof by registered letter to the Secretary of the Union.

(3) If the Chief Inspector is satisfied that—

- (a) the person to whom it is proposed to give such work cannot work on the employer's premises owing to old age, infirmity, or domestic ties; or  
(b) the accommodation in the employer's factory is fully occupied,

he may grant such permit: Provided that no employer shall be allowed to employ more than one such worker to every ten (10) or fraction of ten (10) indoor workers, and, except for the reasons set forth in subclauses (a) and (b), no permit shall be issued. A worker shall be deemed to have "domestic ties" if he has at least one person wholly dependent upon him.

(4) Persons doing outdoor work shall not employ labour, except members of their family resident with them.

(5) Such outdoor work shall be paid for at the piecework rates provided in this Award.

(6) Outdoor workers shall be provided free of charge with cotton, silk, thread, and all other sewings and trimmings used in the manufacture of garments.

#### 7.—No Reduction.

Nothing in this Award shall in itself operate to reduce the wage of any worker, other than pressers, below the rate actually received by him at the date hereof.

#### 8.—Piecework.

(a) An employer may make a contract with any worker or group of workers for payment by results by piecework.

(b) The rate of payment shall be fixed on the basis that it shall be sufficient to yield to a worker of average capacity for a full week's work of the ordinary hours, at least the minimum time rate of pay as prescribed herein for such week's work: Provided that, where a worker works part of a full week at piecework rates and part at time rates, he shall be paid so much as he is entitled to receive under such piecework rates, plus the proportionate amount which he is entitled to receive under this Award at time rates of pay.

(c) A worker working under any system of payment by results shall receive at least the time rate of pay as prescribed herein.

(d) In the event of any dispute regarding piecework rates occurring and remaining unsettled between the employer and the workers, the employer or the Union may refer such dispute to the Board of Reference.

(e) The employer shall supply to each worker employed on piecework, before the work is put in hand, a docket containing the particulars of and the rates to be paid for such work.

(f) In cases where an employer requires from a time-worker a minimum quantity of work in return for a specified rate of pay, the following conditions shall apply:—

(1) The employer shall supply the worker with a docket showing the quantity of work required and the rate at which such work is calculated; or

(2) These particulars shall be posted in a conspicuous place in the factory or workshop.

(3) The rate shall not be less than the recognised piecework rate for similar work; or

(4) If there be no recognised piecework rate, the conditions of (a), (b) and (c) of this clause shall apply.

(5) The same piecework rate shall be paid to all pieceworkers doing the same operation, whether they be junior or adult or fully-paid workers.

#### 9.—Respite.

Where a female worker is employed for more than four (4) hours continuously, she shall be allowed an interval of ten (10) minutes for refreshment during such period, without deduction from the wage, and such interval shall be computed as part of her working time.

#### 10.—Junior Workers.

(a) "Junior worker" means a worker over the age of fourteen (14) years, in the case of males, and over the age of fifteen (15) years in the case of females, and under the age of twenty-one (21) years in both cases.

(b) Junior workers may be employed in all branches of the industry.

(c) Junior workers, upon being engaged, shall furnish the employer with a certificate showing the following particulars:—

- (1) Name in full.

- (2) Age and date of birth.
- (3) Name of each previous employer; and
- (4) Length of service with each previous employer.

This certificate shall be signed by the worker.

No worker shall have any claim upon an employer for additional pay, in the event of the age or experience of the worker being wrongly stated on the certificate. If any worker shall wilfully mis-state his age or experience in the above certificate, he alone shall be guilty of a breach of this Award.

Any such certificate shall be open for inspection by the Union representative during working hours.

(d) Junior workers shall not be employed in excess of the following proportions:—

Three (3) juniors to each adult or fully-paid worker: Provided that, where no adult or fully-paid worker is employed, one junior worker may be employed.

Any employer shall have the right to apply to the Board of Reference for a greater proportion of junior workers, and the Board of Reference may grant such employer additional junior workers where the employer is able to justify his application before the Board.

(e) Any junior worker without previous experience entering the trade at sixteen (16) years of age or over may be paid for the first year, and thereafter, until twenty-two (22) years of age, the rate of pay he or she would have received had he or she been one year younger: Provided that, at twenty-one (21) years of age, any such worker shall receive not less than the basic wage.

#### 11.—Under-rate Workers.

(a) Any old, infirm or slow worker who is unable to earn the minimum wage may be paid such lesser wage as may from time to time be agreed upon in writing between the Union and the employer.

(b) In the event of no agreement being arrived at, the matter may be referred to the Board of Reference for determination.

(c) After application has been made to the Board, and pending the Board's decision, the worker shall be entitled to work for or be employed at the proposed lesser rate.

#### 12.—Record Book.

The employer shall keep or cause to be kept a time and wages book, wherein shall be entered—

- (a) the name of each worker paid by time;
- (b) the nature of his employment;
- (c) the time he commences and finishes work each day;
- (d) the total hours worked each day;
- (e) the wages received therefor;
- (f) the age of each junior worker.

The employer shall be responsible for the proper posting of the book each week, which shall be signed weekly, only if correct, by each worker.

Such book shall be open for inspection at the factory office by the Union representative during working hours.

Provided that an employer may at his option, in lieu of a time book, provide a mechanical clock for the purpose of recording the starting and finishing times of workers, in which case a record of the number of hours worked each day by each worker, and the wages and overtime paid to each worker, shall be entered on a card or check (used in connection with such clock), which shall be signed by the worker on receipt of wages each week.

The employer and the worker shall be severally responsible for the correct keeping daily of such card or check, which shall be open to inspection in the same manner as the time and wages book beforementioned.

By agreement with the Union, some other method or system may be adopted in place of a book or a time clock.

#### 13.—Contract of Service.

The contract of service of all workers, excepting casual workers and apprentices, shall be terminable by two (2) days' notice given on either side.

Any worker employed for less than five (5) consecutive working days, exclusive of any hours of overtime which may be worked, shall be classed as a casual worker, and one hour's notice on either side shall be sufficient to terminate the employment, but this provision shall not apply in respect of a worker re-entering the service of the same employer within one year of the termination of employment under such provision.

#### 14.—Posting of Award.

A copy of this Award shall be kept in a place where same may be inspected by any person concerned.

#### 15.—Visiting Workshop or Factory.

The Union secretary, or a duly accredited representative of the Union, shall be allowed to interview workers in the workshop or factory during lunch time, and to post notices relating to Union matters.

#### 16.—Holidays.

(a) The following days, or the days observed in lieu, shall be allowed as holidays without deduction of pay, namely:—New Year's Day, Australia Day, Good Friday, Easter Monday, Anzac Day, Labour Day, State Foundation Day, Christmas Day and Boxing Day.

(b) On any public holiday not prescribed as a holiday under this Award, the employer's establishment or place of business may be closed, in which case a worker need not present himself for duty and payment may be deducted, but if work be done ordinary rates of pay shall apply.

(c) Except as hereinafter provided, a period of two (2) consecutive weeks' leave with payment of ordinary wages as prescribed shall be allowed annually to a worker by his employer after a period of twelve (12) months' continuous service with such employer.

(d) If any award holiday falls within a worker's period of annual leave and is observed on a day which in the case of that worker would have been an ordinary working day, there shall be added to that period one day, being an ordinary working day, for each such holiday observed as aforesaid.

(e) If after one month's continuous service in any qualifying twelve-monthly period, a worker lawfully leaves his employment, or his employment is terminated by the employer through no fault of the worker, the worker shall be paid one-sixth (1/6th) of a week's pay at his ordinary rate of wage in respect of each completed month of continuous service.

(f) Any time in respect of which a worker is absent from work, except time for which he is entitled to claim sick pay, or time spent on holidays or annual leave, as prescribed by this Award, shall not count for the purpose of determining his right to annual leave.

(g) In the event of a worker being employed by an employer for portion only of a year, he shall only be entitled, subject to subclause (e) or this clause, to such leave on full pay as is proportionate to his length of service during that period with such employer, and if such leave is not equal to the leave given to the other workers he shall not be entitled to work or pay whilst the other workers of such employer are on leave on full pay.

(h) A worker who is dismissed for misconduct or who illegally severs his contract of service shall not be entitled to the benefit of the provisions of this clause.

(i) The provisions of this clause shall not apply to casual workers.

#### 17.—Payment of Wages.

(a) All workers shall be paid in full all moneys due to them during ordinary working hours not later than the day following the termination of the week, but not on Saturday.

(b) Where the engagement of a worker is terminated, all moneys due to such worker shall be paid within five (5) minutes of the termination of the contract of service.

#### 18.—Breakdowns, etc.

The employer shall be allowed to deduct payment for any day or portion of a day upon which the worker cannot be usefully employed, because of any strike by the union or any other union, or through the breakdown of the employer's machinery, or any stoppage of work by any cause which the employer cannot reasonably prevent: Provided that the employer shall not make any deduction from the wage for such time as may lapse until the worker is notified by the employer that his services will not be required pending a resumption of work, or repairs being effected.

## 19.—Absence Through Sickness.

(a) A worker shall be entitled to payment for non-attendance, on the ground of personal ill-health, for one-twelfth (1/12th) of a week for each completed month of service: Provided that payment for absence through such ill-health shall be limited to one week in each calendar year. Payment hereunder may be adjusted at the end of each calendar year or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

(b) A worker shall not be entitled to receive any wages from his employer for any time lost through the result of an accident not arising out of or in the course of his employment, or for any accident, wherever sustained, arising out of his own wilful default or for sickness arising out of his own wilful default.

(c) No worker shall be entitled to the benefits of this clause unless he produces proof satisfactory to his employer of sickness, but the employer shall not be entitled to a medical certificate unless the absence is for three (3) days or more.

## 20.—Board of Reference.

The Court appoints, for the purpose of this Award, a separate Board of Reference for each section of the industry. Each Board shall consist of a chairman and two (2) other representatives, one to be nominated by each of the parties.

There are assigned to the Board, in the event of no agreement being arrived at between the parties to this Award, the functions of:—

(a) adjusting any matters of difference which may arise between the parties from time to time, except such as include interpretations of the provisions of this Award or any of them;

(b) classifying and fixing wages, rates, and conditions for any occupation or calling not specifically mentioned in the Award;

(c) deciding any other matter that the Court may refer to the Board from time to time;

(d) allowing a greater proportion of junior workers to be taken on by an employer than the proportions prescribed in clause 10 (d) of this Award: Provided that the employer is able to justify his request to the Board for such greater proportion of junior workers.

The provisions of regulation 92 of the regulations under the Industrial Arbitration Act, 1912-1941, shall be deemed to apply to any Board of Reference appointed hereunder.

## 21.—Higher Duties.

A worker engaged on any one day for more than half of such day on work in a higher class than that which he is usually engaged in shall be paid for the full day at the highest prescribed rate for any such work, but, if engaged for half a day or less on such higher class work, he shall be paid at the prescribed rate for the actual time he performs such higher class work.

## 22.—Charge Hands.

Where a worker is responsible for the work of three (3) or more other workers, he shall receive at least one shilling (1s.) per day in addition to the minimum rate of wage prescribed for his class of work.

## 25.—Area.

This Award shall operate over the area comprised within the South-West Land Division of the State.

## 26.—Liberty to Apply.

It is hereby expressly agreed and declared that the rates prescribed herein for females are fixed in view of the operation of the National Security (Female Minimum Rates) Regulations in the Clothing Industry, and are not related to the skill of the workers concerned.

Liberty is reserved to the respondents to apply for a variation of the rates prescribed herein for females in the event of the National Security (Female Minimum Rates) Regulations ceasing to apply to the Clothing Industry.

I certify pursuant to section 65 of the Industrial Arbitration Act, 1912-1941, that the foregoing is a copy of the agreement arrived at between the parties mentioned above.

(c) "Casual Worker" shall mean a worker who is engaged intermittently for a period not exceeding six (6) consecutive days.

Such hours may be worked in not more than ten (10) hours in any one shift, and not more than one shift in every twenty-four (24) hours. The employer may fix the number and duration of such shifts, and the worker shall be given forty-eight (48) hours' notice of any change of such shift.

#### 6.—Overtime.

(a) Except as hereinafter provided all time worked in excess of or outside the usual hours shall be paid for at the rate of time and a half for the first four hours after the usual time for ceasing work and double time thereafter: Provided that workers called upon to start within an hour and a half prior to the usual starting time shall be paid at the rate of time and one half until the usual starting hours.

(b) All workers (except caretaker-watchmen) required to work on a Sunday shall be paid for the time so worked at double the ordinary rates with a minimum engagement of four (4) hours.

(c) For caretaker-watchmen, all time in excess of eighty (80) hours a fortnight or in excess of ten (10) hours in one shift, or time worked on Sundays, New

Year's Day, Australia Day (26th January), Good Friday, Easter Saturday, Easter Monday, Anzac Day, Labour Day, Foundation Day, King's Birthday, Christmas Day and Boxing Day shall be paid at the rate of time and a half.

#### 7.—Meal Hours.

(a) Except in the case of caretaker-watchmen, when a worker is employed for at least six (6) hours, he shall be allowed one hour for a meal, between the fourth and sixth hours of such employment. If such hour is worked it shall be deemed to be overtime and paid for at the rate of one and a half times the ordinary rate.

(b) When a worker without being notified on the previous day is required to work overtime for more than one (1) hour after his usual knock-off time, he shall be provided with any meal required or shall be paid two shillings (2s.) in lieu thereof.

#### 8.—Holidays.

(a) Except for caretaker-watchmen the days upon which the following public holidays are observed shall be holidays under this agreement without loss of pay, namely: New Year's Day, Australia Day (26th January), Good Friday, Easter Saturday, Easter Monday, Anzac Day, Labour Day, Foundation Day, King's Birthday, Christmas Day and Boxing Day, and if called upon to work, such workers shall be granted a day in lieu to be taken at some time convenient to the management or, by arrangement, to be added to their annual leave.

(b) The provisions of this clause shall not apply to casual workers.

#### 9.—Annual Leave.

(a) Except as hereinafter provided a period of two consecutive weeks' leave with payment of ordinary wages as prescribed shall be allowed annually to a worker by his employer after a period of twelve months' continuous service with such employer, provided that in the case of caretaker-watchmen three consecutive weeks' leave shall be granted.

(b) If any holiday under this Agreement falls within a worker's period of annual leave and is observed on a day which in the case of that worker would have been an ordinary working day there shall be added to that period one day being an ordinary working day for each such holiday observed as aforesaid.

(c) (i) Subject to paragraph (ii), when computing the annual leave due under this clause no deduction shall be made from such leave in respect of the period that a worker is on annual leave and or holidays. Provided that no deductions shall be made for any approved period a worker is absent from duty through sickness with or without pay unless the absence exceeds three (3) calendar months, in which case deduction may be made for such excess only.

(ii) Approved periods of absence from work caused through accident sustained in the course of employment shall not be considered breaks in continuity of service, but the first six months only of any such period shall count as service for the purpose of computing annual leave.

(d) In the event of a worker being employed by the employer for portion only of a year, he shall only be entitled to such holidays on full pay as are proportionate to his length of service during that period with the employer.

(e) Any worker who may resign or be dismissed from the service for any cause, other than for peculation or theft, shall be entitled to receive payment for any annual leave which may have been due up to the time of leaving the service, provided always that if the worker has been dismissed for peculation or theft no claim for annual leave shall be recognised. Misconduct herein referred to shall not affect accumulated annual leave or payment therefor.

(f) When work is closed down for the purpose of allowing annual leave to be taken, workers with less than a full year's service shall only be entitled to payment during such period for the number of days' leave due to them.

(g) "Ordinary wages" for the purpose of subclause (a) hereof shall mean the rate of wage the worker has received for the greatest proportion of the calendar month prior to his taking the leave.

(h) The provisions of this clause shall not apply to casual workers.

#### 10.—Time and Wages Book.

(a) The employer shall keep or cause to be kept a Time Book and Wages Sheet, in either of which shall be entered:—

(i) The name of each worker to whom this Agreement applies.

(ii) The nature of the work performed.

(iii) The hours worked each day.

(iv) The wages and overtime (if any) paid to each worker.

The workers shall record their starting and finishing times daily in the Time Book.

(b) The Time Book with all entries therein shall on demand be produced for inspection by the Secretary or duly authorised official of the Union at any reasonable time. The Wages Sheet shall be similarly produced on demand during ordinary office hours.

#### 11.—Posting Agreement.

A copy of this Agreement shall be posted in a suitable place at the East Perth Power Station.

#### 12.—Notices.

The secretary or authorised person may post notices relating to Union business at a place where the copy of the Agreement is posted.

#### 13.—Long Service Leave.

The conditions relating to full-time Government wages employees generally as in force as at the date of this Agreement, and as may be amended from time to time, shall apply to all workers employed under the provisions of this Agreement.

#### 14.—Sickness.

(a) (i) A worker shall be entitled to payment for non-attendance on the ground of personal ill-health for one-twelfth (1/12th) of a week's pay for each completed month of service.

(ii) The liability of the Commission shall in no case exceed one (1) week's wages during each calendar year in respect of each worker, but the sick leave herein provided shall be allowed to accumulate and any portion unused in any year may be availed of in the next or any succeeding year.

(iii) Payment hereunder may be adjusted at the end of each calendar year, or at the time the worker leaves the service, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred.

(b) This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

(c) No worker shall be entitled to the benefit of this clause unless he produces proof to the satisfaction of the Commission or its representative, of sickness, but the Commission shall not be entitled to a medical certificate unless the absence is for three (3) consecutive working days or more.

(d) No payment will be made for any absence due to a worker's own fault, neglect, or misconduct.

#### 15.—General Conditions.

(a) (i) Subject to clauses 9 (f) and 14, any regular worker on a weekly engagement who may not have worked the maximum number of ordinary working hours in any one week shall be paid not less than the minimum weekly rate of wages specified herein for his particular class of work: Provided that such worker has been available to work the maximum number of ordinary working hours.

(ii) For the purpose of this subclause, time worked on statutory holidays within the limitations set out shall be deemed hours in which a worker was available to work ordinary working hours.

(b) In the case of regular workers, one week's notice must be given by either side to the other when it is desired to terminate the engagement. The Commission may pay a week's wages in lieu of notice and in the case of a worker leaving without notice, or before such notice expires, he shall forfeit all wages accruing due to him for the current week's service. Such week's notice cannot be continued from week to week. Provided that this shall not apply in the case of misconduct

when a worker shall be subjected to instant dismissal and entitled only to the pay due to him up to the hour of dismissal. Provided also that the engagement of a casual hand may be terminated at any time.

(c) (i) A worker called upon to perform work carrying a higher rate of pay than his classified rate for two hours in any day or shift shall be paid such higher rate for the whole of the day or shift.

(ii) Should any worker be required to perform work in a lower grade for any shift or portion thereof, his wages shall not be reduced whilst employed in such capacity.

(d) Where a worker is required by the employer to work in the rain, suitable protective clothing shall be provided free by the employer.

(e) Travelling Time.—(i) When a worker is sent to work from the East Perth Power Station he shall be paid for travelling time from the Power Station to the job, and if he is required to return to the Power Station on the same day he shall be paid travelling time for such return journey.

(ii) A worker sent for duty to a place other than his regular place of duty shall be paid his excess travelling expenses.

(f) Change Room.—Where practicable, suitable dressing accommodation shall be provided by the employer.

(g) Caretaker-watchmen shall be provided with facilities for boiling water, where practicable.

(h) Board of Reference.—(i) A Board of Reference is hereby appointed for the purposes of this Agreement. The Board shall consist of a chairman and two (2) other representatives nominated by the parties. There are assigned to such Board, in the event of no agreement being arrived at between the parties to the Agreement, the functions of:—

1. Classifying and fixing wages, rates and conditions for any occupation or calling not specifically mentioned in the Agreement.

2. Adjusting any matters of difference which may arise between the parties from time to time, except such as involve interpretation of the provisions of the Agreement or any of them.

3. Deciding any other matter that the Court may refer to the Board from time to time.

(ii) An appeal shall lie from any decision of such Board, in the manner and subject to the conditions prescribed in the Industrial Arbitration Act, 1912-1948, which for this purpose are embodied in this Agreement.

#### 16.—Preference.

Preference of employment shall be given to members of the Union party to this Agreement, provided that any worker or applicant for employment who is a member of another recognised industrial union and who produces proof of such membership shall be entitled to equal preference. Provided also, that any worker or applicant for employment who is not a member of the said Union, shall within fourteen days of commencing employment under this Agreement, make and complete an application for membership of the said Union, and provided that any worker who is a financial member of another industrial union shall, upon the expiration of his current membership with such other union, within fourteen days of such expiry, make and complete an application for membership with the Union party to this Agreement.
