Prices Control Commissioner.

PRICES CONTROL ACT, 1948.
Prices Control Order No. 168.

Meat.

IN pursuance of the powers conferred upon me by the Prices Control Regulations, 1949, I, Constantin Paul Mathea, Prices Control Commissioner, hereby make the following Order.

Citation.

1. This Order may be cited as Prices Control Order No. 168.

Revocation.

2. Prices Control Order No. 5 as amended by Prices Control Orders Nos. 13, 19, 31, 48, 54, 61 and 70, is hereby revoked.

Definitions and Interpretations.

3. In this Order, unless the contrary intention appears—'Perth metropolitan area' means all that area comprised within a radius of twelve miles from the General Post Office, Perth; 'South-West Land Division' means the South-West Land Division as defined in the Land Act, 1933-1938; 'Kalgoorlie/Boulder/Coolgardie Area' means all that area comprised within a radius of twenty-five miles from the principal post office at Kalgoorlie.

4. In this Order, reference to the weight of any meat shall be construed as a reference to the dressed weight of that meat.

Sales by Wholesale.

5. (1) Subject to subparagraph (2) of this paragraph, I fix and declare the maximum price at which the classes of meat specified in the First and Second Schedules to this Order may be sold by wholesale to be the prices specified in those Schedules.

(2) I fix and declare the maximum price at which meat for which a delivered price is fixed for sales by wholesale may be sold by wholesale other than at a delivered price, to be such delivered price less an amount calculated at the rate of 1/16d. per lb. for every 25 miles or part thereof by which the purchaser's premises are distant from the seller's premises.

Portions of a Carcass or Side.

6. Where any class of meat a maximum price for the sale of which is fixed by paragraph 5 of this Order is sold by wholesale in the form of portions or cuts of a carcass or side, the maximum price at which any portion or cut of that carcass or side may be sold shall be such amount that the maximum price of that portion, together with the portion of the carcass or side previously sold shall equal the maximum price fixed for the sale of the whole carcass or side, as the case may be.

Other Sales by Wholesale.

7. I declare that where a person (in this paragraph referred to as 'the agent') purchases livestock as agent, or purported agent, for another person (in this paragraph referred to as 'the principal') and processes or treats the livestock and delivers meat resulting from the processing or treatment to the principal, the carrying out of the agency (or purported agency) and the performance of the other services by the agent shall, for the purpose of the Regulations and this Order be deemed to be a sale by wholesale of the meat so delivered by the agent to the principal at a price equal to the sum of the amounts paid or payable by the principal to the agent in respect of the agency and services (including the price paid by the agent for the livestock purchased by him).

Sales by Retail.

8. I fix and declare the maximum price at which meat of the classes or cuts specified in the First Column of the Third Schedule to this Order may be sold by retail to be—

- (a) in respect of sales in the South-West Land Division, the prices specified in the Second Column of such Schedule;
- (b) in respect of sales in the Kalgoorlie/Boulder/Coolgardie Area, the prices specified in the Third Column of such Schedule.

Provided that the prices so specified for sales outside the Perth metropolitan area shall—

- (i) where delivery is made to a purchaser's premises which are at a distance greater than one mile from the seller's premises; and are outside the boundary of any town or city, or
- (ii) where more than seven days' credit is given to the purchaser by the seller by retail—be subject in each case to a charge of one halfpenny per pound:

Provided also that such charge, as the case may be, is separately recorded on a docket delivered in relation to that meat.

Offal Meats—Sales by Retail.

9. I fix and declare the maximum price at which any class of meat specified in the Fourth Schedule to this Order may be sold by retail to be—

- (a) in respect of sales in the South-West Land Division, the prices specified in the Second Column of such Schedule;
- (b) in respect of sales in the Kalgoorlie/Boulder/Coolgardie Area, the prices specified in the Third Column of such Schedule.

General.

10. For the purpose of this Order, if a person operates more than one place of business, he shall, in respect of each place of business, be deemed a separate seller.

11. Notwithstanding anything contained in the foregoing provisions of this Order, where a seller of any meat has customarily allowed any difference in price—

- (a) to any person or to persons included in any class of persons; or
- (b) in respect of sales of certain quantities of meat,

the maximum price fixed by or under this Order in respect of that meat shall, in the case of sales to any such person or persons, or of such quantities, be reduced by the allowance of that difference: Provided that, in the case of any sale by retail, it shall not be necessary to make any such allowance to a greater extent than one-halfpenny per pound.

12. For the purpose of this Order, where any business, in the carrying on of which any class of meat is sold, or the assets of that business are transferred (by sale or otherwise) after the date of this Order, and the transferee carries on such business at the same place of business, then notwithstanding the foregoing provisions of this Order, I fix and declare the maximum price at which meat of any class or cut may be sold by the transferee in respect of such place of business to be the maximum price fixed by or under this Order for the sale of that class or cut of meat by the transferor in respect of such place of business.

13. Every person who sells by wholesale any meat for which a maximum price is fixed by or under the provisions of this Order, shall deliver with that meat an invoice or docket containing the following particulars:—

- (a) His name and place of business.
- (b) The name and address of the purchaser of that meat.
- (c) The date of the sale of that meat.

(d) The class of that meat described according to the classes of meat specified in the Schedules to this Order.

(e) The number in each lot of those classes of meat sold.

(f) In the case of any class of meat for which a maximum price is expressed in this Order or the Schedules thereto to be fixed by reference in weight—the total weight of each lot of those classes of meat sold.

(g) The price per lb., per dozen or per unit, as the case may be, at which each lot of those classes of meat is sold.

14. Every person who sells by retail any meat for which a maximum price is fixed by or under the provisions of this Order and in relation to the sale of which meat, in pursuance of subparagraphs (i) or (ii) of the proviso to paragraph 8 of this Order—

- (i) the purchaser is given credit; or
- (ii) where a delivery charge is made

by the seller by retail, shall deliver with that meat an invoice or docket containing the following particulars:—

- (a) His name and place of business.
- (b) The name of the purchaser of that meat.
- (c) The date of the sale of that meat.
- (d) The cut or class of meat described according to the cuts or classes of meat specified in the Schedules to this Order.
- (e) In the case of any cut or class of meat for which a maximum price is expressed in this Order or the Schedules thereto to be fixed by reference to weight—the total weight of each cut or class of meat sold.
- (f) The price per lb. or per unit as the case may be, at which each lot of those cuts or classes of meat is sold.
- (g) The total price of each cut or class of meat sold.

Notice in Writing.

15. Notwithstanding the foregoing provisions of this Order, I declare the maximum price at which meat of any class specified in a notice in pursuance of this paragraph may be sold by any person to whom such notice is given to be such price as is fixed by the Commissioner by notice in writing to such person.

Exhibition of Price List.

16. (1) Every trader who sells or has for sale by retail any meat shall exhibit in a prominent place in his shop, or if he has more than one shop in each of his shops a notice setting forth the maximum price fixed from time to time by or under the provisions of this or any subsequent Order for the sale by him of any class or cut of meat in the form approved by the Commissioner. I hereby approve of the following form of such notice, that is to say—a notice not less than eighteen inches long and not less than twelve inches wide, having printed thereon in clear printer's type all the classes or cuts of meat which that trader sells or has for sale, and the maximum prices fixed by or under this Order in relation thereto.

(2) For the purpose of the last preceding subparagraph, the amount added for delivery or credit in pursuance of the foregoing provisions of this Order shall not be deemed to be part of the maximum price, but where any such charge is permitted in relation to the sale of meat by any person under those provisions the following shall be endorsed in clear printer's type at the foot of the notice referred to in the last preceding subparagraph:—

“Where delivery is made to a purchaser's premises outside this town (or city) which are distant more than one mile from these premises or where credit is given for more than seven days, the prices referred to in this list are subject to an addition of one halfpenny per lb. in respect of each service.”
