MARRADONG ROAD, HEALTH AND VERMIN BOARD, BODDINGTON, W.A.

Circular Re Rabbit Destruction.

THE above Board is conducting a drive against the rabbit menace commencing from today and it has been decided to recommend that the following method be adopted:—All landowners to fumigate and plough in or destroy all burrows situated on their cleared land and part cleared land and on all timbered land within five chains of such cleared or part cleared land by August 24th, 1950. On that date an inspector will commence an inspection of the district and should he find evidence of burrows which are in use or were recently used on the aforesaid defined area an immediate prosecution against the landholders will be instituted.

It is to be emphasised that in this matter the Board means business and is out to catch offenders, as it is of the opinion that a person who allows rabbits to thrive on his property without curtailment of some kind is a bad friend and neighbour to adjacent landholders and in general a bad citizen.

By Order of the Board,

R. GWYNNE,
Secretary.
