By-laws.

IN pursuance of the powers conferred by the Cemeteries Act, 1897, and subsequent amendments thereto the trustees of the Kalgoorlie General Cemetery make the following by-laws which come into force immediately after their publication in the *Government Gazette*.

All by-laws in force prior to the date of the coming into operation of these by-laws shall be and the same are hereby repealed, saving all existing rights.

1. That all applications for interment shall be made to the secretary of the trustees and eight working hours' notice shall be given to the officiating minister of religion, and the sexton prior to the time fixed for the burial, otherwise an extra charge shall be made.

2. The full name, age and other particulars of the deceased as mentioned in Schedule "C" shall be furnished when making application and no burial shall be permitted without an order.

3. Prior to conducting any interment within the Cemetery or making use of the Cemetery for any purpose connected with interments every undertaker shall pay to the trustees an annual fee of £2 2s. and shall at the time of making such payment give, if required, his assent in writing to such conditions as the trustees deem fit to impose. Upon such assent being given and payment of the fee made he shall receive a "Permit" to hold good during good behaviour and until the first day of July following, and unless in possession of such permit no undertaker shall be allowed to engage in or carry out any duty or work within the Cemetery.

4. The trustees shall cause all ordinary graves to be dug, but any person desiring to construct a brick grave or vault shall be permitted to construct the same under the direction of the secretary or surveyor on payment of the required fee and every coffin placed therein shall be bricked in, cemented and made and kept airtight.

5. Every coffin shall have upon the lid an approved metal plate bearing the name of the deceased stamped or otherwise indelibly inscribed in legible characters thereon. Any coffin not complying with this by-law shall not be admitted to or be interred in the Cemetery.

6. Every grave shall be at least six feet deep except those used for the burial of infants which the trustees may allow to be a lesser depth, but no interment shall be allowed in any grave with a less depth than three feet from the top of the coffin to the original surface of the ground.

7. No grave shall be permitted to be re-opened for the reception of a body within three years from the preceding burial in the case of persons aged 10 years or upwards, within two years between the ages of 5 and 10 years, or within one and a half years for younger children, unless provision is made in the first instance by sinking the grave 12 inches deeper than above prescribed for every contemplated interment except by special permission of the trustees. After the lapse of the several periods specified coffins may be lifted to enable fresh interments to take place by sinking graves to the requisite depth.

8. In the case of an application for interment in any private grave or vault to which the deceased had no claim during life the written and verified consent of the grantee shall be handed in with the application.

9. The hours for burials shall be as follows:—

MUNICIPAL CORPORATIONS ACT, 1906-1947.

Wagin Municipal Council—By-law Long Service Leave.

P.W. 248/30.

A By-law of the Municipality of Wagin made under Section 180 of the Municipal Corporations Act, 1906-1947, and numbered 22 for regulating the Conditions and Granting of Long Service Leave.

IN pursuance of the powers conferred by the said Act, the Mayor and Councillors of the Municipality of Wagin order as follows:—

1. In the interpretation of this by-law the following words shall have the meanings assigned to them hereunder:—

(a) "Council" means the Wagin Municipal Council.

(b) "Continuous service" means service in the employment of this Council during which an employee has not been absent from the service of the Council for a continuous period of more than two days or an aggregate period of more than 10 days without leave of absence being granted by the Council.

2. Employees with 15 years or more service with the Council at the date of this by-law shall be entitled to the immediate benefits of long service leave, and for the purposes of this by-law shall be considered to have commenced their second period of service as from the date of this by-law. All other employees of the Council shall, after each period of 10 years' continuous service as permanent full-time employees thereof commencing from 1st July, 1946, be entitled to three months' long service leave. Long service leave is to be taken at the convenience of the Council, which will, as far as possible, meet with the wishes of the employees, but the Council may require the employee to take leave by giving not less than three months' notice.

3. Absence on account of sickness shall not be deemed to be a break in continuity of service, provided the period of absence shall not exceed three months in any year, unless otherwise decided by the Council.

4. (a) Employees due to take long service leave shall be paid their salary or wage for the period thereof at the rate equivalent to the average weekly rate of pay over the preceding 12 months.

(b) The Council may at its discretion either (1) pay to an employee his wages or salary periodically during long service leave, or (2) pay to the employee in advance a sum representing the amount of his wages or salary for the period of his long service leave.

5. Employees shall not be entitled to long service leave until the completion of 10 years' service. After the completion of the first 10 years, employees will then be entitled to a *pro rata* payment if they leave the service of the Council before the next period is completed.

6. In the event of the resignation, retirement, or death of any employee, the Council may pay to such employee (or in the case of death, to his personal representative, or if there be none, to his dependants) a sum of money equal to his wages or salary for the period of long service leave which the Council was empowered under this by-law to grant to such employee at the date of his resignation, retirement, or death, or if the Council, after consideration of all circumstances, direct that the death of any employee be presumed, the Council may authorise the payment to the dependants of the employee a sum equivalent to the amount of wages or salary which would under this by-law have been granted the employee immediately prior to the date of his death, such date to be determined by the Council.

7. An employee dismissed by the Council shall not, except by special direction of the Council be paid any sum in pursuance of the preceding paragraphs.

8. Long service leave shall be considered as a special period of recuperation after a lengthy term of service, with a view to fitting the employee for a further term, and during such leave no employee shall undertake any form of employment for hire or reward, unless by special permission of the Council. Any contravention of this paragraph shall entitle the Council to dismiss the employee from its service.

Passed by the Wagin Municipal Council at the ordinary meeting of the Council held on the 24th day of September, 1951.

(a) Saturdays.

(i) Five-day week workers recalled for work on Saturday mornings shall be paid overtime rates with a minimum of two (2) hours.

(ii) All time worked after 12 o'clock noon on Saturdays shall be paid for at overtime rates with a minimum of two (2) hours: Provided that the two (2) hour minimum payment shall not apply where such work after 12 o'clock noon consists merely of finishing off a task.

(e) If after one months continuous service in any qualifying twelve-monthly period a worker lawfully leaves his employment, or his employment is terminated by the employer through no fault of the worker, the worker shall be paid one-sixth of a week's pay at his ordinary rate of wage in respect of each completed month of continuous service.

(f) Any time in respect of which a worker is absent from work except time for which he is entitled to claim sick pay or time spent on holidays or annual leave as prescribed by this Award shall not count for the purpose of determining his right to annual leave.

(g) In the event of a worker being employed by an employer for portion only of a year, he shall only be entitled, subject to subclause (e) of this clause, to such leave on full pay as is proportionate to his length of service during that period with such employer, and if such leave is not equal to the leave given to the other workers he shall not be entitled to work or pay whilst the other workers of such employer are on leave on full pay.

(b) Such record may be inspected at any time during working hours by the Secretary of the Union or other authorised person.

(c) The employer and the worker shall be severally responsible for the correct posting of the record daily.

19.—Payment of Wages.

Wages shall be paid in the employers' time at times mutually agreed upon between the workers and their respective employers.

Payment hereunder may be adjusted at the end of each calendar year or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

(b) A worker shall not be entitled to receive any wages from his employer for any time lost through the result of an accident not arising out of or in the course of his employment or for any accident, wherever sustained, arising out of his own wilful default, or for sickness arising out of his own wilful default.

(c) No worker shall be entitled to the benefits of this clause unless he produces proof satisfactory to his employer of sickness, but the employer shall not be entitled to a medical certificate unless the absence is for three (3) days or more.

(d) Notwithstanding the provisions of subclause (c) hereof a worker who has already been allowed paid sick leave on one occasion shall not be entitled to payment for any further absence in the same year, unless he produces to the employer a medical certificate stating that he was unable to attend for duty on account of personal ill-health.
