In the event of his becoming an apprentice such probationary period shall be counted as part of the term of apprenticeship.

3. (a) Any employer taking an apprentice on probation shall within 14 days thereafter register such probationer by giving notice thereof to the Registrar. If at the date of the coming into operation of these regulations an employer is employing any apprentice or probationer who has not been duly registered as such, he shall forthwith apply for the due registration of such apprentice or probationer.

(ii) The Board shall consist of the following:—

(a) A chairman, to be appointed by the Court, and

(b) representatives of the employers and workers, respectively, one or two on each side, as may be decided by the Court.

(iii) The Board shall be invested with the following powers and functions in addition and without prejudice to those mentioned in (i):—

(e) To advise the Court as to such matters as the Court may require appertaining to apprentices.

(iv) A majority of the members of the Board, one of whom must be the Chairman, shall constitute a quorum.

(a) No employer shall refuse employment to any person, or dismiss any worker from his employment, or injure him in his employment, or alter his position to his prejudice, by reason merely of the fact that the worker is a member of the Board, or by reason merely of anything said or done or omitted to be done by any such person or worker in the course of his duty as such member.

(b) In any proceeding for any contravention of this subclause it shall lie upon the employer to show that any person proved to have been refused employment, or any worker proved to have been dismissed or injured in his employment or prejudiced whilst acting as such member was refused employment or dismissed or injured in his employment, or prejudiced for some reason other than that mentioned in this subclause.

8. (a) All agreements of apprenticeship shall be drawn up on the form prescribed in the Schedule hereto, and signed by the employer, the legal guardian of the apprentice, the apprentice, and the Registrar. No employer, guardian, or apprentice shall enter into any agreement or undertaking purporting to add to, vary, alter or amend any such agreement without the approval of the Council.

(b) There shall be three copies of each agreement, of which one copy shall be held by the employer, one shall be held by the legal guardian of the apprentice, and one copy shall be retained by the Registrar.

(c) The apprenticeship agreement shall be completed within one month of the termination of the probationary period.

(d) Every agreement of apprenticeship shall be subject to the provisions of the Award in force for the time being applicable to apprenticeship in the industry.

9. Every agreement entered into by the employer and the legal guardian of the apprentice shall be for a period of four years, or such other period as may be prescribed by the Award, but this period may be reduced in special circumstances with the approval of the Council.

#### Transfer of Apprentices.

10. (a) The Council shall have power to transfer an apprentice from one employer to another, either temporarily or permanently—

- (i) if the employer does not provide the necessary facilities for the apprentice to become proficient in his trade; or
- (ii) upon the application of the employer or the apprentice for good cause shown.

(b) The transfer of every agreement shall be endorsed on each copy of the Agreement and shall, unless the Council otherwise directs, be signed by the late employer or his assigns, the legal guardian of the apprentice, the apprentice, the Registrar, and the new employer. The transfer form shall be completed within two months of the date on which the transfer is effected.

(c) One copy of the transfer agreement shall be held by the new employer, one shall be held by the legal guardian of the apprentice, and one shall be retained by the Registrar.

11. Should an employer at any time before the determination of the period of apprenticeship desire to dispense with the service of the apprentice, he may, with the consent of the apprentice and guardian, and with the approval of the Council, transfer him to another employer, willing to continue to teach the apprentice and pay the rate of wages prescribed by the Court in its Award or otherwise, according to the total length of time served, and generally to perform the obligations of the original employer. On any such transfer the original employer shall be relieved from all obligations under the contract.

12. In the event of an employer being unable to provide work for the apprentice or to mutually agree with the legal guardian of the apprentice to cancel the agreement or to arrange a transfer, application may be made to the Court to arrange for such transfer or to have such agreement cancelled.

13. Where a person is apprenticed to partners, his agreement of apprenticeship shall upon the retirement or death of any partner be deemed to be assigned to the continuing partner or partners.

#### Cancellation of Agreement.

14. Every Agreement shall include a provision that it may be cancelled by mutual consent, by the employer and the legal guardian of the apprentice giving one month's notice in writing to the Council and to the parties concerned that such apprenticeship shall be terminated.

15. If the apprentice shall at any time be wilfully disobedient to the lawful orders of the employer, his managers, or other servants having authority over the apprentice, or be slothful, negligent, or dishonest, or shall otherwise grossly misbehave himself, or shall not conduct himself as a good and faithful apprentice should do, or shall not faithfully observe and keep his part of his agreement, then it shall be lawful for the employer, with the consent of the Court, to discharge the apprentice from his service.

16. The Court may in its discretion for any cause which it may deem sufficient on the application of any party to an apprenticeship agreement

vary or cancel the agreement, either unconditionally or subject to such terms and conditions as it may deem advisable.

17. No apprentice employed under a registered agreement shall be discharged by the employer for alleged misconduct until the registration of the agreement of apprenticeship has been cancelled by order of the Court on the application of the employer.

Provided, however, that an apprentice may be suspended for misconduct by the employer, but in any such case the employer shall forthwith make an application for cancellation of the agreement of apprenticeship and in the event of the Court refusing same the wages of the apprentice or such portion thereof, if any, as the Court may order shall be paid as from the date of such suspension, and, in the event of the application for cancellation being granted, such order may take effect from the date when the apprentice was suspended.

18. Subject to the provisions of the Acts relating to Bankruptcy and Insolvency and the Winding-up of Companies, the following provisions shall apply:—

(a) The Trustee or Liquidator, as the case may be, may give written notice to the apprentice and his parent or guardian of his intention to discontinue the employment of the apprentice from a date to be named in such notice, and thereupon the agreement shall be deemed to be terminated from the said date.

(b) Neither the apprentice, his parent or guardian, shall have any right of action against the employer unless the Court specifically authorises the same after consideration of the circumstances, and in any event, any proceedings for damages hereunder authorised by the Court must be commenced within six weeks after the service on the apprentice of the notice referred to in subclause (a) hereof, otherwise any claim for damages shall be deemed to be waived and forfeited.

(c) If the contract of apprenticeship is transferred on the bankruptcy or insolvency of the employer, to another employer, the apprentice named in such contract shall not be counted in calculating the proportion of apprentices to other labour.

#### Extension of Term.

19. Subject to regulation 25, time lost by the apprentice through sickness or any other cause whatsoever may, with the consent of the Council on the application of any party, be added to the original term in the Apprenticeship Agreement at the end of the year of service in which the time has been lost or at the termination of the apprenticeship period.

#### Technical Education Classes.

20. (a) Every apprentice shall attend regularly and punctually such classes of instruction as are prescribed by the Council.

(b) The fees for the classes attended by the apprentice shall be paid by the employer.

21. Any apprentice who—

- (a) fails without reasonable cause, the proof whereof lies on him, to attend any technical school or class punctually when such is available for instruction, at the time appointed for the commencement of the school or class, or leaves school or class before the time appointed for leaving, without the permission of the teacher; or
- (b) fails to be diligent or behaves in an indecorous manner while in such school or class; or
- (c) destroys or fails to take care of any material or equipment in such school or class

shall be deemed to commit a breach of the Award and shall be liable for each such breach to a penalty not exceeding two pounds.

22. When an apprentice attends a technical school, vocational classes, or other class or classes of instruction during his ordinary working hours, where such time is prescribed, the time so occupied

shall be regarded as part of the term of his apprenticeship, and the employer shall not be entitled to make any deduction from the wages of the apprentice for such time.

#### Examinations.

23. All examinations shall be conducted by the Council in accordance with the provisions of the Pharmacy and Poisons Act, 1910-1948 and Regulations made thereunder. The results of such examinations shall be notified to the Industrial Registrar.

#### Lost Time.

24. The employer shall pay the apprentice for all time lost through sickness or the holidays prescribed by this Award. Provided—

- (a) payment for such sickness shall not exceed a total of two weeks in each year;
- (b) where the time lost through sickness exceeds four consecutive working days, the employer may demand from the apprentice the production of a medical certificate, and a further certificate or certificates may be required if any time is lost through sickness within seven days from the date of resumption of duty, the cost if any of such certificate or certificates not exceeding 5s. to be borne by the employer;
- (c) an apprentice shall not be entitled to receive any wages from his employer for any time lost through the result of an accident not arising out of or in the course of his employment or for any accident or sickness arising out of his own wilful default.

25. The employer shall pay the apprentice, in respect of time lost through compulsory military or naval training (but not exceeding two weeks in any year of service), the amount by which the wages prescribed by the industrial award for the trade, calling, craft, occupation, or industry exceeds the amount received by the apprentice from the Department of Defence: Provided, however, that this clause shall not apply to military or naval training imposed through failure to attend compulsory parades.

All time lost by reason of compulsory military or naval training other than the additional training mentioned in the above proviso shall count as part of the apprenticeship, subject, however, to the provisions of the National Service Act, 1951.

26. When an apprentice is absent from work for any cause other than sickness or in pursuance of the provisions of these regulations, the employer shall be entitled to deduct from the wages of the apprentice an amount proportionate to the time so lost.

#### Part-time Employment.

27. Where in any case an employer is temporarily unable to provide work to employ an apprentice for his full time, application may be made by the employer to the Court for permission—

- (a) to employ the apprentice for such lesser time per week or per month and at such remuneration as the Court may determine, being not less than the proportionate amount of the rate of wages prescribed by the industrial Award or Agreement for the trade, calling, or industry; or
- (b) to suspend the contract for such period and on such terms as the Court thinks fit.

If the Court grants the application, holidays will be reduced pro rata.

In the case of a partnership each partner shall be deemed a journeyman for the purpose of this subclause.

(2) The Court may in any particular case—

- (a) in special circumstances permit the taking or employment of an apprentice by an employer notwithstanding that the quota fixed by the Award may be exceeded;
- (b) refuse the registration of an agreement of apprenticeship or the taking of an apprentice in any case when in the opinion of the Court the circumstances are such that the apprentice is not likely to receive the instruction and training necessary to qualify him as a tradesman.

31. Every industrial inspector appointed in pursuance of the provisions of the Industrial Arbitration Act, 1912-1950, shall have the power to enter any premises, make such inspection of the premises, plant, machinery, or work upon which any apprentice is employed or could be employed, interview any apprentice or employee, examine any books or documents of the business relating to the wages and conditions of apprentices, interrogate the employer in regard to any of the above-mentioned matters.

32. In every application under clauses 12, 15, 16, 17 and 27 hereof, the union of workers registered may intervene and make such representations at the hearing as it may deem necessary. 34. Where in these Regulations provision is made for signature by the legal guardian of the apprentice, or by both the apprentice and the legal guardian of such apprentice, such provision shall be deemed complied with by the signature of the apprentice if at the date of signature he is over 21 years of age.
