#### SCALE OF ALLOWANCES TO WITNESSES.

Crown Law Department,  
Perth, 26th March, 1952.

C.L.D. File 3838/51.

HIS Excellency the Governor in Executive Council has cancelled the existing scale of allowances to witnesses and has approved of the scale of fees hereunder coming into operation in lieu thereof as from the 5th May, 1952.

Witnesses (other than Government officers, or Government employees whose salary or wages are paid in the ordinary course while attending Court as witnesses) duly summoned and attending to give evidence at any Criminal Session of the Supreme Court, before any Court of Session, which shall be considered to include the preliminary hearing, or before Justices in Petty Session and other summary jurisdiction, or on any inquest, shall be paid only in accordance with the following scale:—

- (i) Professional men such as medical practitioners, legal practitioners, architects, certificated accountants (carrying on business as principals), engineers or surveyors, dentists and the like—£3 3s. a day or £1 11s. 6d, a half day.

(ii) All other male persons of or above the age of 21 years—£1 10s. a day.

(iii) Male persons between the ages of 18 and 21 years—£1 a day.

2. (i) Adult female witnesses engaged in remunerative employment shall be paid £1 a day.

(ii) Other adult female witnesses and female witnesses between the ages of 18 and 21 years shall be paid 15s. a day.

3. Notwithstanding anything contained in paragraphs 1 and 2 of this scale, where in the case of a witness who is employed by another person and receiving salary or wages as an employee such witness proves to the satisfaction of the Under Secretary for Law that the amount of the allowance prescribed under this scale and payable to him is less than the amount of the salary or wages to which he would be entitled from his employer for the time during which his attendance as a witness caused him to be absent from his employment and that his employer is withholding from him payment of his salary or wages in respect of such period of absence from his employment, the Under Secretary for Law may direct that the amount of witness fee to be paid to such witness shall be increased by the amount of the difference between the prescribed rate and the amount of the salary or wages withheld as before-said, provided that the maximum witness fee to be allowed in any such case shall not exceed £2 10s. a day.

4. Where any witness is required by reason of the distance which he or she has to travel to remain away from home overnight an additional daily allowance of 10s. may be made. In special circumstances this allowance may be increased by the Under Secretary for Law.

5. Children under 15 years of age, accompanied by guardians, shall not be entitled to a witness fee unless attendance at Court necessitates their absence from home for one or more nights, when a fee of 15s. per diem shall be paid, but the guardian may be paid an allowance on the same basis as if such guardian were in fact a witness: Provided such guardian has not been personally summoned to attend as a witness.

In those cases where children are not entitled to a witness fee, a meal allowance not exceeding 3s. per meal with a maximum of 6s. per diem may be paid.

Children under 15 years of age unattended by a guardian shall be paid 7s. 6d. per diem: Provided that, if attendance at Court necessitates absence from home for one or more nights, the rate paid shall be 15s. per diem.

Persons over 15 years of age and under the age of 18 years shall be paid at the rate of 12s. 6d. per diem.

6. Resident Medical Officers shall be paid at the rate of 15s. per diem when attending Court within a radius of 35 miles of their headquarters.

Outside that radius they shall be paid the difference between the daily proportion of the salary or subsidy received by them from the Government or from the hospital to which they are attached, and £2 2s. per diem, but in any event shall be paid not less than 15s. per diem.

All medical men attached to hospitals receiving Government support shall in the interpretation of these regulations be regarded as Resident Medical Officers.

No allowance will be payable under this regulation to Resident Medical Officers who are engaged on a full time basis by the Government.

7. Notwithstanding anything contained in paragraph 1 hereof, all medical men (other than Resident Medical Officers) attending Court outside a radius of 35 miles from their places of business shall receive an allowance at the rate of £2 2s. per diem.

8. Witnesses (other than Government officers) shall be paid at the prescribed rates for the actual time occupied in travelling to and from the Court.

Should any witness lose a full day's pay, one day's allowance at the prescribed rate shall be paid; in all other cases where loss is incurred, the allowance payable shall be one-half the prescribed daily rate.

9. Where no travelling is incurred a witness shall be entitled to one-half the prescribed daily rate if attending court during the morning or afternoon session.

In the event of an adjournment thereby necessitating the attendance of the witness at both sittings one day's allowance shall be paid.

Witnesses who are regularly working "on shift" or who, as a result of attending Court for any portion of a day, lose a day's pay, shall be paid one day's allowance at the appropriate rate, or an amount equivalent to wages lost, whichever is the lower: Provided the paying officer is satisfied that the actual loss of time has been sustained.

## II.—Travelling Expenses.

10. Any Government officer who is required to attend Court away from his headquarters will be paid a travelling allowance at the same rate that such officer would be entitled to receive under the Public Service Regulations. Claims should be rendered through the Department to which the officer is attached.

11. Witnesses shall be paid mileage at the rate of one shilling per mile, one way, where no train or other public conveyance is available: Provided that, should more than one witness travel in the same motor car only one mileage allowance shall be payable; witnesses travelling by railway, steamer, or other public conveyance shall be paid the actual fare.

12. Witnesses who are required to travel by boat or train, the fare for which includes meals and sleeping accommodation, shall be paid an allowance at the rate of 50 per cent. of the prescribed rate while on such conveyance.

Sleeper accommodation will not be paid for unless satisfactory evidence that the expenditure has actually been incurred is produced to the paying officer.

## III.—General Instructions.

## Railway and Tramway Employees.

13. Every wages employee summoned to attend Court will be provided with a time sheet showing the name of such employee and his location. Thereon will be entered brief details of the case and of the evidence he was called to give, together with the time occupied at the Court.

The correctness of the entry will be verified by the Clerk of Courts, who should sign the sheet (if correct) and return it to the witness.

Any allowance due will be paid by the Railway Department who will render on the Crown Law Department for a refund of the amount so expended.

## Rural Bank Inspectors.

14. The Clerk of Courts will forward a certificate to the Chief Accountant of the Rural Bank, showing the time the inspector was engaged outside of his district and the motor mileage involved.

The inspector will be paid by the Bank at its prescribed rates and the Bank will be recouped by the Crown Law Department.

Under no circumstances should payment be made by the Clerk of Courts in either of the above cases.

## Commonwealth Forces.

15. Witnesses attached to the Navy, Army or Air Force, whether for home or overseas service, shall not be entitled to receive a witness fee, but shall be recouped actual out-of-pocket expenditure.

## Miscellaneous.

16. Jurymen attending inquests under the provisions of the Coroners Act, 1920, shall be paid the rate prescribed by regulations under the Jury Act, 1898, as published in the *Government Gazette* of the 4th April, 1952, and as prescribed by any amendment thereof.

17. The Government does not pay the expenses of witnesses in prosecutions instituted by private persons.

18. In prosecutions for stealing as a servant and similar offences, undertaken by the police, inquiries should be made to ascertain whether the person charged is under bond. If so, the fact should be immediately reported to the Under Secretary for Law, who will take whatever steps are necessary for recovery from the guarantor.

19. In charges of stealing, where the police are the informants and a conviction is obtained and restitution ordered, care should be taken that the order embraces all expenses of witnesses.

20. No allowance will be paid to any member of the Police Force for attendance at any Court or before Justices, or at any inquest.

21. Under extraordinary circumstances, or in case of dispute, such remuneration shall be allowed as shall be determined by the Attorney General, after taking circumstances of the case into consideration.

22. Nothing in this scale shall apply to medical men attending at a Coroner's Court, as special fees are provided under a separate scale.

THE Tambellup Road Board, under and by virtue of the powers conferred on it in that behalf by the Road Districts Act, 1919-1948, and all other powers enabling it, doth hereby make and publish the following by-laws:—

1. In the interpretation of these by-laws, the following words shall have the meaning assigned to them hereunder:—

(a) "Board" means the Tambellup Road Board.

(b) "Continuous service" means service in the employment of the Board during which an employee has not been absent from the service of the Board for a continuous period of more than two days, or an aggregate period of more than 10 days, without leave of absence being granted by the Board.

2. All employees of the Board shall, after each period of 10 years' continuous service as permanent full-time employees thereof, commencing from 1st July, 1945, be entitled to three months' long service leave. Long service leave is to be taken at the convenience of the Board, which will, as far as possible, meet with the wishes of the employee, but the Board may require the employee to take his leave by giving not less than three months' notice.

3. Absence on account of sickness shall not be deemed to be a break in the continuity of service, providing the period of absence shall not be longer than three months in any one year, unless otherwise decided by the Board.

4. (a) Employees due to take long service leave shall be paid their salary or wage for the period thereof at the rate equivalent to the salary or wage paid in the week immediately preceding the taking of long service leave.

7. An employee dismissed by the Board, except in the matter of retrenchment, shall not be paid any sum in pursuance of the preceding by-law.

Long service leave shall be considered as a special period of recuperation after a lengthy term of service, with the view to fitting the employee for a further term, and during such leave no employee shall undertake any form of employment for hire or reward, unless by special permission of the Board. Any contravention of this by-law shall entitle the Board to dismiss the employee from its service and to cease paying or recover any amounts paid in advance on account of long service leave.
