(iii) After deduction has been made as provided in paragraph (ii) of this subclause, the period remaining at each rate of pay shall be the leave of absence for which the officer is eligible at the date of application provided—

(a) that if after such deduction an officer with less than six months' service on the date of commencement of this amended subclause would at that date have less than one week on full pay and one-half week on half pay to his credit, then his credit at that date shall be increased to those amounts;

(b) that if after such deduction an officer with not less than six months' service on the date of commencement of this amended subclause would at that date have less than two weeks' on full pay and one week on half pay to his credit, then his credit at that date shall be increased to those amounts, but any credit in excess of the required minimum under the heading of either full pay or half pay shall be applied in reduction of any debit under the other heading or used to establish the required minimum credit under that heading.
