16. (1) Every application for a license to drive a motor vehicle (or for any addition to such license) or to act as a conductor pursuant to section 23 of the Act or for an extraordinary license pursuant to section 24A of the Act shall be made in writing on a form to be provided by the Commissioner of Police or a member of the Police force authorised to grant and issue any such license.

(2) The Commissioner of Police or a member of the Police force acting with his authority may in his discretion suspend for any period or cancel any extraordinary license issued to any person who, in his opinion is, or whom he suspects on reasonable grounds to be, unfit to hold such license on account of habitual addiction to alcoholic drink or drugs to such an extent as to render such person a danger to public safety when in control of a motor vehicle on the road, or mental incapacity or physical disability; or who in his opinion is not of good character, or for any breach of the conditions or limitations subject to the observance of which the extraordinary license is issued. A license while so suspended or cancelled shall be of no effect.

(3) The Commissioner of Police or any member of the Police force acting with his authority may in his discretion impose conditions subject to the observance of which authority to drive on roads pursuant to an extraordinary license may be exercised. (b) By revoking regulations 22 and substituting in lieu thereof the following:—

22. (1) (a) No person shall use on any road a vehicle the license in respect of which is held in contravention of the provisions of any Act or these regulations;

(b) If any license is lawfully suspended or cancelled or has been obtained by misrepresentation or fraud, or is held in contravention of the provisions of any Act or the regulations, the license holder shall, on demand by a Traffic Inspector or member of the Police force, deliver up such license forthwith.

ROAD DISTRICTS ACT, 1919-1948.

Chittering Road Board.

L.G. 783/52.

By-laws Governing Long Service Leave to be Granted to Employees of the Chittering Road Board.

THE Chittering Road Board, under and by virtue of the powers conferred on it in that behalf by the Road Districts Act, 1919-1948, and all other powers enabling it, doth hereby make and publish the following by-laws:—

1. In the interpretation of these by-laws, the following words shall have the meaning assigned to them hereunder:—

(a) "Board" means the Chittering Road Board.

(b) "Continuous service" means service in the employment of the Board during which an employee has not been absent from the service of the Board for a continuous period of more than two days nor an aggregate period of more than 10 days without leave of absence being granted by the Board. Provided that an employee required to serve full time in the armed forces of the Commonwealth of Australia in time of war or emergency shall have such time counted as continuous service with the Board.

2. All employees of the Board shall, after each period of 10 years' continuous service as permanent full-time employees thereof, commencing from the 1st day of January, 1941, be entitled to three months' long service leave. Long service leave is to be taken at the convenience of the Board, which will, as far as possible, meet with the wishes of the employees, but the Board may require the employee to take his leave by giving not less than three months' notice.

3. Absence on account of sickness shall not be deemed to be a break in the continuity of service, provided that the period of absence shall not be longer than three months in any year, unless otherwise decided by the Board.

4. (a) Employees due to take long service leave shall be paid their salary or wage for the period thereof at the rate equivalent to the salary or wage paid in the week immediately preceding the taking of long service leave.

(b) The Board may, at its discretion, either—

- (i) pay an employee his salary or wages periodically during long service leave, or
- (ii) pay to an employee in advance a sum representing the amount of his salary or wages for the period of his long service leave.

5. Employees shall not be entitled to long service leave until the completion of 10 years' service. After the completion of the first 10 years, employees shall be entitled to pro rata payment if they leave the service of the Board before the next period is completed.

6. In the event of resignation, retirement, or death of an employee, the Board may pay to such employee (or, in the case of death, to his personal representative, or, if there be none, to his dependants) a sum of money equal to his salary or wages for the period of long service leave which the Board was empowered under these by-laws to grant such employee at the date of resignation, retirement, or death; or, if the Board, after consideration of all the circumstances, directs that the death of an employee be presumed, the Board may authorise the payment to the dependants of the employee a sum equivalent to the amount of salary or wages which would, under this by-law, have been granted to the employee immediately prior to the date of his death, such date to be determined by the Board.

7. An employee dismissed by the Board, except in the matter of retrenchment, shall not be paid any sum in pursuance of the preceding by-law.

8. Long service leave shall be considered as a special period of recuperation after a lengthy term of service, with a view to fitting the employee for a further term, and during such leave no employee shall undertake any form of employment for hire or reward, unless by special permission of the Board. Any contravention of this by-law shall entitle the Board to dismiss the employee from its service and to cease paying or recover any amounts paid in advance on account of long service leave.

Passed by the Chittering Road Board at an ordinary meeting held on 8th March, 1952.

E. H. EDMONDS,
Chairman.
L. K. MARTIN,
Secretary.
