THE Fremantle District Road Board, under and by virtue of the powers conferred on it in that behalf by the Road Districts Act, 1919-1948, and all other powers enabling it, doth hereby make and publish the following by-laws:—

1. In the interpretation of these by-laws, the following words shall have the meaning assigned to them hereunder:—

(a) "Board" means the Fremantle District Road Board.

(b) "Continuous service" means service in the employment of the Board during which an employee has not been absent from the service of the Board for a continuous period of more than two days, or an aggregate period of more than 10 days, without leave of absence being granted by the Board.

2. All employees of the Board shall, after each period of 10 years' continuous service as permanent full-time employees thereof, commencing from 1st March, 1942, be entitled to three months' long service leave. Long service leave is to be taken at the convenience of the Board, which will, as far as possible, meet with the wishes of the employee, but the Board may require the employee to take his leave by giving not less than three months' notice.

3. Absence on account of sickness shall not be deemed to be a break in the continuity of service, providing the period of absence shall not be longer than three months in any one year, unless otherwise decided by the Board.

7. An employee dismissed by the Board, except in the matter of retrenchment, shall not be paid any sum in pursuance of the preceding by-law.

If the said commonage fees still remain unpaid after the expiration of three weeks from the time of the first advertisement, the Board may cause the stock upon which commonage fees are owing to be sold by public auction and may collect from the proceeds of the sale all commonage fees owing to the Board.

24. Where any of the windmills on the commons are at the same time supplying water to private property, the owners of that private property shall be responsible for the general maintenance and upkeep of those windmills and troughs.

25. Every person who does, permits, or suffers any act, matter, or thing contrary to these by-laws, or commits or permits any breach or neglect thereof, shall be deemed guilty of an offence against

these by-laws, and be liable to a fine not exceeding five pounds (£5), recoverable summarily before any one or more Justices of the Peace in the manner prescribed in the Justices Act, 1902, but this shall in no way affect any fine or fees recoverable under the by-laws of the Board regulating fees and fines to be paid in respect of impounded stock, and no prosecution shall be taken under these by-laws without the written permission of the Board first being obtained.

26. All penalties and other sums recovered under the provisions of these by-laws shall, unless otherwise provided, be paid to the Board, and shall become the property of, and form part of the ordinary income of the Board.

27. All commonage by-laws previously made by the Board are hereby repealed.

(c) Except as hereinafter provided, a period of two consecutive weeks' leave with payment of ordinary wages as prescribed shall be allowed annually to a worker by his employer after a period of twelve months' continuous service with such employer.

(d) If any Award holiday falls within a worker's period of annual leave and is observed on a day which in the case of that worker would have been an ordinary working day, there shall be added to that period one day, being an ordinary working day, for each such holiday observed as aforesaid.

(e) If after one month's continuous service in any qualifying twelve-monthly period a worker lawfully leaves his employment, or his employment is terminated by the employer through no fault of the worker, the worker shall be paid one-sixth (1/6th) of a week's pay at his ordinary rate of wage in respect of each completed month of continuous service.

(f) Any time in respect of which a worker is absent from work, except time for which he is entitled to claim sick pay, or time spent on holidays or annual leave as prescribed by this Award, shall not count for the purpose of determining his right to annual leave.

(g) In the event of a worker being employed by an employer for portion only of a year, he shall only be entitled, subject to subclause (e) of this clause, to such leave on full pay as is proportionate to his length of service during that period with such employer, and if such leave is not equal to the leave given to the other workers, he shall not be entitled to work or pay whilst the other workers of such employer are on leave on full pay.

(h) A worker who is dismissed for misconduct or who illegally severs his contract of service, shall not be entitled to the benefit of the provisions of this clause.

(i) The provisions of this clause shall not apply to casual workers.

(b) In the event of no agreement being arrived at, the matter may be referred to the Board of Reference for determination.

(c) After application has been made to the Board, and pending the Board's decision, the worker shall be entitled to work for the employer at the proposed lesser rate.

#### 14.—Blowers.

In addition to the blowers already installed, the employers shall attach blowers to all moulding machines, and thickeners, and to any other machines injurious to health.

#### 15.—Time and Wages Record.

The employer shall keep, or cause to be kept, records containing the following:—

- (a) The names of each worker to whom this Award applies.
- (b) The nature of the work performed.
- (c) The hours worked each day.
- (d) The amount of wages and overtime (if any) received by each worker each week.
- (e) The age of each junior worker.

These records shall be open to inspection by the accredited representative of the Union at any time during the ordinary working hours, and he shall be allowed to take necessary extracts therefrom.

#### 16.—Absence through Sickness.

(a) A worker shall be entitled to payment for non-attendance on the ground of personal ill-health for one-twelfth (1/12th) of a week for each completed month of service. Provided that payment for such absence through such ill-health shall be limited to one (1) week in each calendar year. Payment hereunder may be adjusted at the end of each calendar year, or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

(b) A worker shall not be entitled to receive any wages from his employer for any time lost through the result of an accident not arising out of or in the course of his employment, or for any accident, wherever sustained, arising out of his own wilful default, or for sickness arising out of his own wilful default.

(c) No worker shall be entitled to the benefits of this clause unless he produces proof to the satisfaction of the employer or his representative of sickness, but the employer shall not be entitled to a medical certificate unless the absence is for three (3) days or more.

#### 17.—Board of Reference.

(1) A Board of Reference is hereby appointed for the purposes of this Award. Such Board shall consist of a chairman and two (2) other representatives, one to be nominated by each of the parties. There are assigned to the Board, in the event of no agreement being arrived at between the parties to the Award, the functions of—

- (a) adjusting any matters of difference which may arise between the parties from time to time, except such as involve interpretations of the provisions of the Award, or any of them;
- (b) deciding any other matter that the Court may refer to such Board from time to time.

(2) An appeal shall lie from any decision of such Board in the manner and subject to the conditions prescribed in the Industrial Arbitration Act, 1912-1950, which for this purpose are embodied in this Award. (Regulation 92.)

## 18.—No Reduction.

This Award shall not in itself operate to reduce the wages of any worker who is at present receiving above the minimum rate prescribed for his class of work.

## 19.—Breakdowns, Etc.

The employer shall be entitled to deduct payment for any day or portion of a day upon which the worker cannot be usefully employed because of any strike by the Union or unions affiliated with it, or by any other association or union, or through the breakdown of the employer's machinery, or any stoppage of work by any cause which the employer cannot reasonably prevent.

## 20.—Junior Worker's Certificate.

Junior workers, upon being engaged, shall, if required, furnish the employer with a certificate containing the following particulars:—

- (1) Name in full.
- (2) Age and date of birth.
- (3) Name of each previous employer and length of service with such employer.
- (4) Class of work performed for each previous employer.

Such of the foregoing particulars as are within the knowledge of an employer shall be endorsed on the certificates and signed by the employer, upon request of the worker.

No worker shall have any claim upon an employer for additional pay, in the event of the age or length of service of the worker being wrongly stated on the certificate. If any worker shall wilfully misstate his age in the above certificate, he alone shall be guilty of a breach of this Award.
