(e) If any award holiday falls within a worker's period of annual leave and is observed on a day which in the case of that worker would have been an ordinary working day, there shall be added to that period one day being an ordinary working day for each such holiday observed as aforesaid.

(f) If after one month's continuous service in any qualifying twelve-monthly period a worker lawfully leaves his employment or his employment is terminated by the employer through no fault of the worker, the worker shall be paid one-sixth of a week's pay at his ordinary rate of wage in respect of each completed month of continuous service.

(g) Any time in respect of which a worker is absent from work except time for which he is entitled to claim sick pay or time spent on holidays or annual leave as prescribed by this Award shall not count for the purpose of determining his right to annual leave.

(h) In the event of a worker being employed by an employer for portion only of a year, he shall only be entitled, subject to subclause (f) of this clause, to such leave on full pay as is proportionate to his length of service during that period with such employer, and if such leave is not equal to the leave given to the other workers he shall not be entitled to work or pay whilst the other workers of such employer are on leave on full pay.

(i) A worker who is dismissed for misconduct or who illegally severs his contract of service shall not be entitled to the benefit of the provisions of this clause.

(j) The provisions of this clause shall not apply to casual workers.

#### 17.—Absence through Sickness.

(a) A worker shall be entitled to payment for non-attendance on the ground of personal ill-health, for one-twelfth (1/12th) of a week for each completed month of service: Provided that payment for absence through such ill-health shall be limited to one week in each calendar year. Payment hereunder may be adjusted at the end of each calendar year or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

(b) A worker shall not be entitled to receive any wages from his employer for any time lost through the result of an accident not arising out of or in the course of his employment, or for any accident, wherever sustained, arising out of his own wilful default or for sickness arising out of his own wilful default.

(c) No worker shall be entitled to the benefits of this clause, unless he produces proof satisfactory to his employer of sickness, but the employer shall not be entitled to a medical certificate unless the absence is for three (3) days or more.

#### 18.—Tools.

(a) Wood-workers and other branches requiring files and hacksaw blades, bench vices, cramps (above four inches) and rasps for the execution of their work, to be supplied with same by the employer.

(b) Where the apprentice to woodworking provides his own tools other than those mentioned in sub-clause (a) hereof, he shall be paid an allowance of two shillings (2s.) per week in his fourth and fifth years.

(c) Where the woodworker provides his own tools other than those mentioned in sub-clause (a) hereof, he shall be paid an allowance of two shillings (2s.) per week.

#### 19.—Junior Workers.

Unapprenticed male juniors may be employed in all occupations for which apprenticeship is not provided, at the rates of wages as set out in Clause 9 hereof, provided that in farriers' shops a junior shall not do floorman's work unless duly apprenticed to the trade of farriery.

#### 20.—Junior Workers' Certificate.

Junior workers, upon being engaged shall, if required, furnish the employer with a certificate containing the following particulars:—

(1) Name in full.

(2) Age and date of birth.

No worker shall have any claim upon an employer for additional pay in the event of the age of the worker being wrongly stated on the certificate. If any worker shall wilfully misstate his age in the above certificate, he alone shall be guilty of a breach of this Award.

#### 21.—Apprentices.

(a) The employment of apprentices shall be governed by the provisions of the Schedule of Apprenticeship Regulations attached hereto.

(b) The proportion of apprentices to journeymen shall be one apprentice to two or fraction of two journeymen. Provided that the fraction of two (2) shall not be less than one (1). Provided further that in an "approved" shop or factory the proportion shall be one (1) apprentice for every one (1) journeyman. For the purpose of this proviso an "approved" shop or factory shall be one to which approval (as regards one or more particular trades) has been given by the Board of Reference appointed under Clause 26 hereof.

(c) Apprentices shall be allowed in the following trades or avocations:—1, Smithing; 2, Bodymaking and/or Electric Welding; 3, Wheelwrighting; 4, Machinist; 5, Painting; 6, Trimming; 7, Panelbeating (including Welding); 8, Farriery.

(d) In the case of a youth who has had previous experience in the industry as a junior worker, the five year's course of apprenticeship specified in the Schedule may be reduced to such period as the examiners, taking into consideration the age and previous experience of the youth, may determine. The rates of wages to be paid in such case shall be the rates hereinafter prescribed for the years of service which the youth has yet to serve.

(e) Notwithstanding anything contained in this Award to the contrary, if through lack of orders or through financial difficulties the employer is unable at any time to find employment and training for an apprentice, and if a transfer to another employer cannot be arranged, the obligations and duties imposed by the indenture may, with the concurrence of the apprentice and his guardian, be suspended for a period agreed upon or, if no such agreement be arrived at, may be cancelled by the employer. The onus of proof of circumstances justifying such cancellation shall be on the employer.

This provision shall be deemed to be included in all contracts of apprenticeship now existing and also in all future contracts entered into.

#### 22.—Time and Wages Record.

The employer shall keep or cause to be kept at the place of business a Record Book, in which shall be entered:—

(a) The names of each worker to whom this Award applies.

(b) The nature of the work he is doing.

(c) The hours worked each day and the starting and finishing times each day.

(d) The amount of wages and overtime (if any) received by each worker, each week, and the worker's signature thereto.

(e) The ages of all junior workers.

The said record shall be open to inspection by the secretary of the union or any person authorised by him at any time during the ordinary working hours, and he shall be allowed to take necessary extracts therefrom.

Any system of automatic recording by means of machines shall be deemed to comply with this provision to the extent of the information recorded.

#### 23.—Payment of Wages.

All wages shall be paid in the employer's time.

When a worker is discharged before the usual pay day, he shall be paid his wages when he ceases work, or it shall be forwarded to his address the day after, by registered post, unless the worker desires to collect at the office.

#### 24.—Union Representative.

In the case of a disagreement existing or anticipated concerning any of the provisions of this Award, an accredited representative of the union shall be permitted to interview the workers during the recognised meal hour, on the business premises of the employer, but this permission shall not be exercised without the consent of the employer, more than once in any one (1) week.

## 25.—Under-Rate Workers.

(a) Any worker who by reason of old age or infirmity is unable to earn the minimum wage may be paid such lesser wage as may from time to time be agreed upon in writing between the union and the employer.

(b) In the event of no agreement being arrived at the matter may be referred to the General Board of Reference for determination.

(c) After application has been made to the Board, and pending the Board's decision, the worker shall be entitled to work for and be employed at the proposed lesser rate.

## 26.—Board of Reference.

(a) The Court may appoint, for the purpose of this Award, a Board or Boards of Reference. Each Board shall consist of a chairman and two (2) other representatives, one to be nominated by each of the parties as prescribed by the regulations to the Industrial Arbitration Act, 1912-1950. There are assigned to each such Board, in the event of no agreement being arrived at between the parties to this Award, the functions of—

## 28.—Posting of Award.

All employers shall keep a copy of the Award, if supplied by the Union, posted in a prominent place in the shop, and may permit formal union notices to be posted alongside.
