Work No. 1.

The proposals shown on Plan No. 1 relate to that piece of land being lot 63 of Swan Location 34 as described on subdivision Plan No. 2151 an area of approximately 10½ acres and have for their object the following:—

By-laws Governing Long Service Leave to be Granted to Employees of the Swan Road Board.

L.G. 946/52.

THE Swan Road Board, under and by virtue of the powers conferred on it in that behalf by the Road Districts Act, 1919-1948, and all other powers enabling it, doth hereby make and publish the following by-laws:—

1. In the interpretation of these by-laws, the following words shall have the meaning assigned to them hereunder:—

- (a) "Board" means the Swan Road Board.
- (b) "Continuous service" means service in the employment of the Board during which an employee has not been absent from the service of the Board for a continuous period of more than two (2) days, or an aggregate period of more than ten (10) days without leave of absence being granted by the Board.

2. All employees of the Board shall after each period of ten (10) years' continuous service as permanent full-time employees thereof, commencing from the 1st day of January, 1945, be entitled to three (3) months' long service leave. Long service leave is to be taken at the convenience of the Board, which will, as far as possible, meet with the wishes of the employee, but the Board may require the employee to take his leave by giving not less than three (3) months' notice.

3. Absence on account of sickness shall not be deemed to be a break in the continuity of service, providing the period of absence shall not be longer than three (3) months in any year, unless otherwise decided by the Board.

4. (a) Employees due to take long service leave shall be paid their salary or wage for the period thereof at the rate equivalent to the salary or wage paid in the week immediately preceding the taking of long service leave.

(b) The Board may, at its discretion, either—

- (i) pay to an employee his salary or wages periodically during long service leave, or
- (ii) pay to the employee in advance the sum representing the amount of his salary or wages for the period of his long service leave.

5. (a) Subject to clause (b) hereunder, employees shall not be entitled to long service leave until the completion of ten (10) years' service. After the completion of the first ten (10) years, employees will be entitled to a *pro rata* payment if they leave the service of the Board before the next period is completed.

(b) The Board may, at its discretion in special circumstances, grant long service leave *pro rata* to an employee who has completed five (5) years' continuous service.

6. In the event of resignation, retirement or death of an employee, the Board may pay to such employee (or in the case of death, to his personal representative, or if there be none, to his dependant) a sum of money equal to his salary or wages for the period of long service leave which the Board was empowered under these by-laws to grant to such employee at the date of his resignation, retirement or death, or if the Board, after consideration of all the circumstances, directs that the death of an employee be presumed, the Board may authorise the payment to the dependants of the employee a sum equivalent to the amount of salary or wages which would under this by-law have been granted to the employee immediately prior to the date of his death, such date to be determined by the Board.

7. An employee dismissed by the Board, except in the matter of retrenchment, shall not be paid any sum in pursuance of the preceding by-law.

8. Long service leave shall be considered as a special period of recuperation after a lengthy term of service with a view to fitting the employee for a further term, and during such leave no employee shall undertake any form of employment for hire or reward unless by special permission of the Board. Any contravention of this by-law shall entitle the Board to dismiss the employee from its service and to cease paying or recover any amounts paid in advance on account of long service leave.
