The half day off shall, if taken in the morning, terminate at 2 p.m. and if taken in the afternoon, shall com-

(c) Any time in respect of which a worker is absent from work, except time for which he is entitled to claim sick pay, or time spent on annual leave as prescribed by this Award, shall not count for the purpose of determining his right to annual leave.

(d) A worker who is dismissed for misconduct or who illegally severs his contract of service, shall not be entitled to the benefit of the provisions of this clause.

(e) The provisions of this clause shall not apply to casual workers.

16.—Payment for Public Holidays.

22.—Higher Duties.

Any worker who for more than two (2) hours in any day performs work carrying a higher prescribed rate of wages than that in which he or she is engaged shall receive such higher wage for the time so employed.

23.—Absence Through Sickness.

A worker shall be entitled to payment for non-attendance on the ground of personal ill-health for one-twelfth, (1/12) of a week for each completed month of service; provided that payment for absence through such ill-health shall be limited to one week in each calendar year. Payment hereunder may be adjusted at the end of each calendar year, or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

24.—Junior Worker's Certificate.

Junior workers, upon being engaged, shall, if required, furnish the employer with a certificate containing the following particulars:—

- (i) Name in full.
- (ii) Age and date of birth.
- (iii) Name of each previous employer, and length of service with such employer.
- (iv) Class of work performed for each previous employer.

Such of the foregoing particulars as are within the knowledge of an employer shall be indorsed on the certificate and signed by the employer, upon request of the worker.

No worker shall have any claim upon an employer for additional pay, in the event of the age or length of service of the worker being wrongly stated on the certificate. If any junior worker shall wilfully misstate his age or length of service in the above certificate, he alone shall be guilty of a breach of this Award.

25.—Board of Reference.

(a) The Court appoints, for the purpose of the Award, a Board of Reference. This Board shall consist of a chairman and four (4) other representatives, two (2) to be nominated by each of the parties. There are assigned to such Board, in the event of no agreement being arrived at between the parties to the Award, the functions of:—

- (a) (i) adjusting any matters of difference which may arise between the parties from time to time, except such as involve interpretations of the provisions of the Award or any of them;
- (ii) deciding any other matter that the Court may refer to such Board from time to time.

(b) An appeal shall lie from any decision of such Board in the manner and subject to the conditions prescribed in the Industrial Arbitration Act, 1912-1952, which for this purpose are embodied in this Award.

26.—No Reduction.

Nothing herein contained shall entitle an employer to reduce the wages of any worker who at the date of this Award was being paid a higher rate of wages than the minimum prescribed for in his or her class of work.

27.—Preference.

All things being equal, preference shall be given to members of The Hotel, Club, Caterers, Tearooms and Restaurant Employees' Industrial Union of Workers, W.A. Goldfields Branch.

28.—Part-time Workers.

Notwithstanding the provisions of clause 5 hereof, an employer shall be at liberty to employ part-time workers.

For the purpose of this clause, part-time workers means workers regularly employed on a weekly basis for not less than two (2) consecutive hours per day and for a lesser period than forty (40) hours per week and on not less than two (2) or more than five (5) days per week.

Such workers whilst so employed shall be paid wages at the time rate prescribed in this Award, and, that payment for annual leave, holidays, and sick leave, shall be on a *pro rata* basis in the same proportion as the number of hours regularly worked per week bears to forty (40) hours.

29.—Casual Workers.

(a) A casual worker shall mean a worker engaged on an hourly contract of service.

(b) Casual workers shall be paid at the rate of time and a half.

(c) Casual workers shall not be engaged for less than three (3) hours.

30.—No Victimisation.

No employer shall dismiss any worker from his employment or injure him in his employment or alter his position to his prejudice by reason merely of the fact that the worker is a member of the Hotel, Club, Caterers, Tearooms, and Restaurant Employees' Union of Workers, W.A. Goldfields Branch, or by reason of the fact that such worker is entitled to all the benefits of this Award.

I certify, pursuant to section 65 of the Industrial Arbitration Act, 1912-1952, that the foregoing is a copy of the agreement arrived at between the parties mentioned above.
