(c) state which lots (if any) he would not be prepared to accept,

and in such event a deposit equal to 10 per centum of the highest priced lot which the applicant would be prepared to accept must be lodged with the application.

(3) All applications lodged on or before such date will be treated as having been received on the closing day and, in the event of there being more applications than one for any lot, the application to be granted shall be determined by the Land Board.

(4) The successful applicant shall pay the balance of the purchase money by 10 equal instalments on the 1st day of March and the 1st day of September in each year, the first of which instalments shall become due and payable on the first such half-yearly day following the approval of the application. The Crown grant fee, £2, shall be payable with the final instalment of purchase money.

Such improvements may consist of a dwelling or any other building, water supply, clearing, cultivation or such other improvements as the Minister may accept.

(9) No transfer of a license will be permitted, without the special approval of the Minister, until the prescribed fencing and improvement conditions have been complied with.

(4) The Crown grant will not be issued for any town lot until the building condition mentioned in the preceding paragraph has been complied with, but the Minister may, at his discretion, issue a permit to occupy any town lot upon acceptable evidence being produced to him to prove that the issue of such permit to occupy is required for the purpose of registering a mortgage by way of security for financial assistance to carry out the said building condition.

(6) If any purchaser or holder of a town lot shall fail to comply with the prescribed building condition within six months from the date of approval of the application to purchase the lot, then the lot shall become liable to forfeiture, provided that the Minister may, in his discretion, extend the time for complying with such improvement condition in respect of any such lot.

NOTICE is hereby given that the Busselton Road Board proposes to borrow the sum of three thousand pounds (£3,000) to be expended on works and undertakings in the Busselton Road District.

The purpose for which the loan is to be applied is clearing, forming and gravelling, with necessary drainage, roads in the West, Central and East Wards, as set out in the plans and specifications covering the proposed work.

Plans, specifications and estimates of the cost of such work, and a statement showing the proposed expenditure of the money to be borrowed, including the cost of supervision and the initial expenditure in connection with the raising of the loan, are open for inspection of ratepayers at the office of the Busselton Road Board for one month after the last publication of this notice from 9 a.m. to 4 p.m. on week days, Monday to Friday.

The amount is proposed to be raised by the sale of debentures, repayable with interest by twenty (20) half-yearly instalments over a period of ten (10) years after the issue thereof, in lieu of the formation of a sinking fund. The debentures shall bear interest at a rate of four pounds seventeen shillings and sixpence (£4 17s. 6d.) per centum per annum, payable half-yearly. The amount of the said debentures and interest thereon is to be paid at the Commonwealth Bank, Perth.

The works and undertakings for which the loan is proposed to be raised will, in the opinion of the Board, be of benefit only to a portion of the Busselton Road District, namely, the West, Central and East Wards, and any loan rate applicable to such loan will be levied only on the rateable land within the said West, Central and East Wards of the said district.
