(1) Balance of purchase money on town lots shall be paid within 12 months from the date of approval of the application by four quarterly instalments on the 1st days of January, April, July and October.

(2) The maximum number of lots which any person may hold, under the provisions of the Land Act, within the townsite shall be limited to one town lot and one suburban for cultivation lot, otherwise than with the special approval of the Minister.

(4) The Crown grant will not be issued for any town lot until the building condition mentioned in the preceding paragraph has been complied with, but the Minister may, at his discretion, issue a permit to occupy any town lot upon acceptable evidence being produced to him to prove that the issue of such permit to occupy is required for the purpose of registering a mortgage by way of security for financial assistance to carry out the said building condition.

(5) Nothing shall prevent the balance of purchase money, together with Crown grant fee of £2, being paid earlier than otherwise specified should the purchaser so desire, but such earlier payment shall not relieve the purchaser from the obligation to carry out the improvement condition.

(6) If any purchaser or holder of a town lot shall fail to comply with the prescribed building condition within six months from the date of approval of the application to purchase the lot, then the lot shall become liable to forfeiture, provided that the Minister may, in his discretion, extend the time for complying with such improvement condition in respect of any such lot.
