Road Districts Act, 1919-1951.

Melville Road Board.

PROCLAMATION

WESTERN AUSTRALIA, } By His Excellency Lieutenant-General Sir Charles
TO WIT, } Henry Gairdner, Knight Commander of the Most
CHARLES HENRY } Distinguished Order of Saint Michael and Saint
GAIRDNER, } George, Companion of the Most Honourable Order
Governor. } of the Bath, Commander of the Most Excellent
L.S.J } Order of the British Empire, Governor in and
over the State of Western Australia and its
Dependencies in the Commonwealth of Australia.

L.G.D. 2539/52.

WHEREAS by section 208 of the Road Districts Act, 1919-1951, subsection (3), it is enacted that the Governor may at any time and from time to time by proclamation, declare that in any district or portion of a district it shall be lawful to use wood or other structural material in the construction of the external and internal walls of any building intended for use as a dwelling house, and, notwithstanding that the provisions of the Second Schedule to the said Act have been extended to and are in operation in such district or portion of a district, any provisions of the said Second Schedule and of any by-laws made thereunder which are deemed to be inconsistent with or repugnant to the authority granted by such proclamation shall be suspended or have no force or effect or relation to such building aforesaid: Now, therefore I, the said Governor, acting with the advice and consent of the Executive Council, and in exercise of the power in that behalf conferred by the said Act do by this proclamation declare that it shall be lawful to use wood or other structural material in the construction of the external and internal walls of any building intended for use as a dwelling house which is erected within the limits of that portion of the Palmyra Ward of the Melville Road District described in the Schedule hereto.

Schedule.

Portion of Swan Location 61 and being lots 574-734 (inclusive) on L.T.O. Plan 6093.

Given under my hand and the Public Seal of the said State, at Perth, this 27th day of March, 1953.

By His Excellency's Command.

(Sgd.) G. FRASER,
Minister for Local Government.

GOD SAVE THE QUEEN ! ! !

AT a meeting of the Executive Council held in the Executive Council Chamber, at Perth, this 27th day of March, 1953, the following Order in Council was authorised to be issued:—

Land Act, 1933-1950.

ORDER IN COUNCIL.

Corres. No. 1332/15.

WHEREAS by section 33 of the Land Act, 1933-1950, it is, *inter alia*, made lawful for the Governor by Order in Council to direct that any land reserved pursuant to the provisions of this Act shall be granted in fee simple to any person (as defined in the said section) subject to the condition that the person shall not lease or mortgage the whole or any part of the land without the consent of the Governor and subject to such other conditions and limitations as the Governor shall deem necessary to ensure that the land is used for the purpose for which the land is reserved as aforesaid; and whereas it is deemed expedient that reserve No. 23749 (Collie Lots 1328 and 1447) should, subject as aforesaid, be granted in fee simple to the Collie Mine Workers' Institute Incorporated to be held in trust for the purpose of a "Mine Workers' Institute (Collie Mine Workers' Institute Incorporated)": Now, therefore, His Excellency the Governor, by and with the advice of the Executive Council, doth hereby direct that the beforementioned reserve shall be granted in fee simple to the Collie Mine Workers' Institute Incorporated to be held in trust for the said purpose, subject to the condition that the land shall not be leased or mortgaged in whole or in part without the consent of the Governor.

LAND OPEN FOR SELECTION.

It is hereby notified, for general information, that the areas scheduled hereunder are available for selection under Part V of the Land Act, 1933-1950, and the regulations appertaining thereto, subject to the provisions of the said Act.

Applications must be lodged at the Department of Lands and Surveys, Perth, not later than the date specified, but may be lodged before such date, if so desired.

All applications lodged on or before such date will be treated as having been received on the closing day, and if there are more applicants than one for any block, the application to be granted will be determined by the Land Board. Should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, the applicants for the blocks will be duly notified of the date, time, and place of the meeting of the Board, and there shall be an interval of at least seven days between the closing date and the sitting of the Board.

The selector of a Homestead Farm from any location made available for that purpose must take the balance thereof, if any, under Conditional Purchase.

All marketable timber, including sandalwood and mallet, is reserved to the Crown, subject to the provisions of Clause 18 of the Regulations.

TRAFFIC ACT, 1919-1952.

Department of Local Government,
Perth, 31st March, 1953.

HIS Excellency the Governor in Executive Council, acting pursuant to the powers conferred by the Traffic Act, 1919-1952, has been pleased to amend, in the manner set out in the Schedule hereunder, the Traffic Regulations, 1936, made under and for the purposes of the said Act and published in the *Government Gazette* on the 26th day of August, 1936, and amended by notices published in the *Government Gazette* from time to time thereafter.

GEO. S. LINDSAY,
Secretary for Local Government.

Schedule.

The above regulations are amended by—

- (i) inserting after the words "codified signal" in paragraph (b) of regulation 113, the words "or such other sign or signal as is authorised or prescribed by these regulations to be given or used in lieu thereof";
- (ii) deleting the words "with his arm of" in line two of regulation 115 and substituting in lieu thereof the words, "or such other sign or signal as is authorised or prescribed by these regulations to be given or used in lieu thereof indicating";
- (iii) adding a new regulation numbered 115A to follow regulation 115 as follows:—

115A. (1) (a) Where the construction, equipment or loading of any vehicle other than a motor cycle is such that a codified signal to stop or slow down or to turn right, if given by the driver thereof, would not be clearly visible at a distance of twenty yards to the front and to the rear of the vehicle, the driver shall use for the purpose of giving such signal a mechanical signalling device capable of giving such signal clearly.

(b) Such device shall be fitted on the right hand or off side of the vehicle adjacent to the driver and such signal shall be visible both to the driver and to any person whether standing at a distance of twenty yards to the front or to the rear of the vehicle.

(2) (a) The driver of any vehicle (other than a motor cycle and a vehicle on which a mechanical signalling device is required, under subregulation (1) hereof to be used) may, during the hours of darkness, in lieu of giving the codified signal to turn right or left, signify his intention to so turn by means of an illuminated indicator, commonly known as a trafficator.

(b) The driver of such vehicle shall not use an illuminated indicator for such purpose unless the following provisions of this subregulation are complied with:—

- (i) The indicator shall
 - for a turn right signal be mounted on the right hand or off side, and
 - for a turn left signal be mounted on the left hand or near side

of the vehicle, not less than two feet six inches nor more than six feet six inches above the ground and so fitted that the driver can, from a normal driving position, readily ascertain whether the indicator is functioning efficiently.

- (ii) The indicator, when in operation, shall be of amber colour and have a minimum illuminated length of six inches and a maximum illuminated width of one-fourth of the illuminated length, and must be visible for a distance of twenty yards to the front and to the rear of the vehicle.

(3) A person shall not drive a vehicle displaying a mechanical signalling device or an illuminated indicator in operation except in compliance with the provisions of this regulation.;

- (iv) inserting after the word "regulations" in line three of paragraph (a) of regulation 129 the words "or in such other manner as is authorised or prescribed by these regulations";
- (v) inserting after the word "not" in line 4 of regulation 195A the words "without lawful excuse";
- (vi) revoking regulation 245;

- (vii) adding a new regulation numbered 305DF to follow regulation 305DE as follows:—

305DF. No person shall park any vehicle on the east side of the South-Western Highway within a distance of one chain north and one chain south of the main entrance gate of the Royal Australian Naval Armament Depot at Byford within the Armadale-Kelmsott Road District, which gate is situated nine hundred and eighty feet south of the railway line on the northern boundary of the land appurtenant to the said Depot;

- (viii) deleting from item "2. Barrack Street" in column 1 of the Table Showing Parking Restrictions within the City of Perth contained in the Eleventh Schedule the words—

East side, from St. George's Terrace to the Supreme Court gateway, opposite the Esplanade

and substituting in lieu thereof the words,

East side, from St. George's Terrace south for a distance of five hundred and twenty-one feet six inches (i.e., to the driveway leading to the Supreme Court).;

- (ix) deleting the paragraph inserted immediately after the illustration in Figure 5 in the Fifth Schedule as contained in the *Government Gazette* dated 30th March, 1951.

TRAFFIC ACT, 1919-1952.

Department of Local Government,
Perth, 31st March, 1953.

HIS Excellency the Governor in Executive Council, acting pursuant to the powers conferred by the Traffic Act, 1919-1952, has been pleased to make the regulations set out in the Schedule hereunder amending the Traffic Regulations, 1936, as published in the *Government Gazette* on the 26th day of August, 1936, and amended by notices published in the *Government Gazette* from time to time thereafter.

GEO. S. LINDSAY,
Secretary for Local Government.

Schedule.

1. In these regulations the Traffic Regulations, 1936, as published in the *Government Gazette* on the 26th day of August, 1936, and amended by notices published in the *Government Gazette* from time to time thereafter, are hereinafter referred to as the principal Regulations.

2. Regulation 4 of the principal Regulations is amended by inserting after the interpretation of "cattle" the following interpretations:—

"Causeway" means the roadway along the causeway across the Swan River at East Perth and includes those portions of the old causeway and the new causeway which are open to traffic;

"old causeway" includes—

that portion of roadway linking the old causeway with the new causeway, and
that portion of roadway along Adelaide Terrace contained within a distance of fifty feet from the western end of the old causeway;

"new causeway" means that portion of the causeway between the old causeway and the circus;

"circus" means the circular road at the eastern end of the new causeway.

3. Regulation 293 of the principal Regulations is revoked and the following regulation substituted in lieu thereof:—

293. (1) In this regulation—

"slow-moving traffic means any cattle, driven or led, bicycle, horse-drawn vehicle, hand cart or any vehicle the driving of which at a speed exceeding 25 miles per hour is prohibited by these regulations.

(2) (a) The old causeway shall be divided into three traffic lanes which shall be clearly defined by the local authority.

(b) (i) Between the hours of 7.30 a.m. and 9 a.m. on any day excepting Sunday—

West bound traffic on the causeway shall form into two lines on approaching the old causeway and, on entering the old causeway, shall not use any lane other than the two lanes on the southern side thereof;

East bound traffic shall, on approaching the old causeway, form into a single line and, on entering the old causeway, shall proceed in single line along the lane on the northern side thereof;

(ii) Between the hours of 4.30 p.m. and 6.30 p.m. on any day excepting Saturday or Sunday and between the hours of 11.30 a.m. and 1.30 p.m. on any Saturday—

East bound traffic shall, on approaching the old causeway form into two lines and, on entering the old causeway, shall not use any lane other than the two lanes on the northern side thereof;

West bound traffic on the causeway shall form into a single line and, on entering the old causeway, shall proceed in single line along the lane on the southern side thereof.

- (c) A person shall not drive a vehicle over the old causeway at a speed exceeding 20 miles per hour.
- (3) (a) (i) The new causeway shall have a double longitudinal line along the middle thereof and be divided into six traffic lanes (three on the northern side and three on the southern side of the double longitudinal line) which shall be clearly defined by the local authority.
- (ii) The three lanes on the northern side of the double longitudinal line shall be used exclusively by east bound traffic, and the three lanes on the southern side shall be used exclusively by west bound traffic over the new causeway.
- (b) (i) East bound slow-moving traffic proceeding along the new causeway shall not use any lane other than the northernmost lane thereof.
- (ii) Other east bound traffic shall not use the lane nearest to and alongside the double longitudinal line unless proceeding to Albany Highway or Canning Highway.
- (iii) A person shall not drive an east bound vehicle from the lane nearest to and alongside the double longitudinal line to any other lane.
- (iv) Subject to regulation 137 but notwithstanding regulation 84 a person driving an east bound vehicle on the middle lane of the three lanes north of the double longitudinal line may overtake any east bound vehicle on the lane nearest to and alongside the double longitudinal line.
- (c) West bound slow-moving traffic proceeding along the new causeway shall not use any lane other than the southernmost lane thereof.
- (4) (a) Traffic entering the circus shall move in a clockwise direction.
- (b) When any vehicles or animals proceeding from different directions are likely to collide or create a dangerous situation on the circus, the driver of the vehicle or animal from whose right hand side any other vehicle or animal is driven shall stop or check the speed of the vehicle or animal under his control so as to allow the other vehicle or animal to pass in front of his vehicle or animal.
- (c) A person shall not drive a vehicle on the circus at a speed exceeding 20 miles per hour.
- (5) A person shall not ride a bicycle alongside or abreast of any other bicycle over the causeway or circus except for the purpose of overtaking such other bicycle.
- (6) A person shall not turn a vehicle or animal on the causeway for the purpose of proceeding in the opposite direction.
- (7) Except under the directions of a Police Officer or when occasioned by a mechanical fault the standing of a vehicle on the causeway or in the circus is prohibited.
- (8) A person—
 in charge of or driving a vehicle or animal proceeding
 along, or
 who uses,
 the causeway or circus in contravention of the provisions
 of this regulation,
 commits a breach of this regulation.

ROAD DISTRICTS ACT, 1919-1951.

Capel Road Board.

By-laws Regulating the Flow of Poisonous or Offensive Waters from Factories and other Works and Undertakings.

L.G. 1212/52.

IN pursuance of the powers contained in section 201 of the Road Districts Act, 1919-1951, the Board of the Capel Road District hereby makes the undermentioned by-laws:—

(1) Any person who owns, manages, conducts, controls, or is in charge of any factory or other works or undertakings, or of any work or operation carried on in any factory, works, or undertakings, and who shall suffer or permit any poisonous or offensive water to flow or be conveyed from such factory or other works or undertakings into any creek, watercourse, water channel, or drain within the district, shall be guilty of an offence against this by-law and shall on conviction be liable to a penalty not exceeding twenty pounds for each offence.

(2) Every person who owns, manages, conducts, controls, or is in charge of any factory or other works or undertakings, or of any work or operation carried on in any factory, works, or undertakings as aforesaid, shall take due precautions against the leakage from any vats, tanks, vessels, pits, conduits, or open channels of any poisonous or offensive water therefrom, and shall sufficiently fence off and protect from the public or from any stray stock all such vats, tanks, vessels, pits, conduits or open channels containing any poisonous or offensive water, and every person who shall fail or neglect to so take precautions, or who shall neglect to so fence off and protect any such vat, tank, vessel, pit, conduit, or open channel, shall be guilty of an offence against this by-law and shall on conviction be liable to a penalty not exceeding ten pounds.

(3) Every person who owns, manages, conducts, controls, or is in charge of any factory or other works or undertakings, or of any work or operation carried on in any factory, works, or undertakings as aforesaid, shall make due provision for the conveyance away from such factory or other works or undertakings of all offensive or waste waters or poisonous water derived from such factory or other works or undertakings, in properly constructed channel or water courses or conduits, and shall make provision by means of culverts or bridges for the crossing over by the public of all such channels, watercourses, or conduits. Such culverts or bridges or crossing places shall be constructed in such a manner as the Board directs, and shall at all times be kept and maintained in an efficient manner to the satisfaction of the Board. Any person offending against the provisions of this by-law shall be liable on conviction to a penalty not exceeding five pounds.

(4) The word "person," where it is used in these by-laws, shall mean and include any person, firm, or body corporate, and shall also include any manager, servant, or employee of such person, firm or body corporate who does or permits to be done any act made punishable by these by-laws, or fails or neglects to do any act required to be done hereunder, whether such act or omission is done or omitted to be done by the authority or permission of any such person, firm, or corporation, or not.

WESTERN AUSTRALIAN GOVERNMENT RAILWAYS.

IT is notified for general information, that with the approval of the Minister, as required by section 22 of the Government Railways Act, 1904-1948, the following alterations and additions have been made to the scales of charges, schedules, etc., now appearing in the Goods Rates Book, dated 1st May, 1951, and the Coaching Rates Book dated 1st December, 1941.

Goods Rates Book.

Tariff 1, page 10, from 13/2/53—Regulation 14—Loading, Unloading and Checking.—Add to clause (b):—"except that where the minimum tonnage is less than the actual weight of the consignment, the loading, unloading or checking charges shall be computed on the actual weight."

Tariff 1, page 10, from 20/3/53—Regulation 12, Class Weight Minima.—Delete all matter under this heading and insert in lieu:—

12. Class Weight Minima.

(a) The following are the minimum weight requirements for application of the rates specified hereunder:—

Class.	Minimum requirement.	Smaller Quantities.
Miscellaneous	8 tons	A class, minimum 2 tons. B class, smalls minimum.
A	5 tons	B class and conditions.
B	2 tons	C class and conditions.
C	1 ton	1st class and conditions.
1st.	Smalls minimum	
2nd.	Smalls minimum	

(b) The weights shown for specific types of wagons in the General Classification of Goods are the minimum weights to be loaded in such wagons to permit of application of the rate specified for the particular commodity, except that where the weight shown is less than that prescribed in clause (a) above, such reduced weight shall have application only when the total weight of the consignment exceeds eight tons in the case of miscellaneous class traffic or five tons for A class traffic.

(c) Subject to clause (b) hereof, consignments of miscellaneous class traffic exceeding eight tons and A class traffic exceeding five tons shall be freighted at miscellaneous and A classes respectively, and the conditions of Regulation 18 (b) shall not apply, provided that not more than one four-wheeled wagon is used for carriage of the consignment in excess of one four-wheeled wagon for each eight tons of miscellaneous class traffic (or as shown in clause (d) hereunder) or five tons of A class traffic. Where more than an excess of one four-wheeled wagon is utilised, freight at miscellaneous or A classes shall be calculated at eight tons or five tons respectively for each four-wheeled wagon used to convey the consignment, unless it is cheaper to charge at the rate for smaller quantities, subject to Regulation 18 (b) hereof.

(d) In connection with consignments of miscellaneous class traffic exceeding eight tons, vide clause (c) above, the following minimum weights in lieu of eight tons for each four-wheeled wagon (except where otherwise provided in the General Classification of Goods) shall apply in respect of the wagons specified hereunder:—

GH, GM, K, KA, KL, KW	12 tons.
RB, RBW, RC, VD	24 tons.
Wagons of less than eight tons capacity	Capacity of wagon.

(e) The services of handling, securing, checking and covering are included in the 1st and 2nd class rates (unless otherwise provided). Other rates are for haulage, station to station, only.

(f) In instances when a rate below 1st class, plus handling and/or covering, exceeds the 1st class rate for the same mileage, the maximum rate chargeable is that for 1st class.

Tariff 1, page 15, from 20/3/53—Regulation 32, Demurrage on Wagons.—Insert in paragraph (a):—

Per four-wheeled covered wagon exceeding 10 tons capacity £2 10s.
Per eight-wheeled covered wagon exceeding 20 tons capacity £5.
HC wagons shall be treated as four-wheeled open wagons of up to 10 tons capacity for demurrage purposes.
